COMMENTARY ON SECTIONS

Part 12: Disabled Persons: Transport

Chapter 2: Public service vehicles

Section 177: Approval certificates

Example

- A particular bus manufacturer's chassis in combination with a body is approved as a "type vehicle", and approval certificates are issued in respect of buses conforming to this design. Modifications are subsequently made to the "type vehicle" which mean that it no longer meets the technical requirements, so its approval as a "type vehicle" is withdrawn and no approval certificates will be issued in respect of buses conforming to the modified design.
