

EQUALITY ACT 2010

EXPLANATORY NOTES

COMMENTARY ON SECTIONS

Part 14: General Exceptions

Section 197: Age

Examples

620. Appropriate age-based treatment may include the following:
- concessionary travel for older and young people;
 - disease prevention programmes such as cancer screening targeted at people in particular age groups on the basis of clinical evidence;
 - age differences in the calculation of annuities and insurance programmes which are reasonable and based on adequate evidence of the underlying difference in risk;
 - holidays for particular age groups.
