EXPLANATORY NOTES

COMMENTARY ON SECTIONS

Part 2: Equality: Key Concepts

Chapter 2: Prohibited conduct

Section 25: References to particular strands of discrimination

Effect

96. This section sets out what is meant by references to the types of discrimination referred to in the Act, so that references elsewhere in the Act to age, marriage and civil partnership, race, religious or belief-related, sex or sexual orientation discrimination, include references to both direct and indirect discrimination because of each of those characteristics respectively.
97. As well as direct and indirect discrimination, references to disability discrimination also include references to discrimination arising from disability and to a failure to comply with a duty to make reasonable adjustments; and references to gender reassignment discrimination also include discrimination within section 16 (gender reassignment discrimination: cases of absence from work). Finally, references to pregnancy and maternity discrimination have the meanings derived from sections 17 and 18.
