EXPLANATORY NOTES

COMMENTARY ON SECTIONS

Part 2: Equality: Key Concepts

Chapter 2: Prohibited conduct

Section 27: Victimisation

Background

103. This section replaces similar provisions in previous legislation. However, under the Act victimisation is technically no longer treated as a form of discrimination, so there is no longer a need to compare treatment of an alleged victim with that of a person who has not made or supported a complaint under the Act.
