EXPLANATORY NOTES

COMMENTARY ON SECTIONS

Part 9: Enforcement

Chapter 4: Equality of terms

Section 135: Supplementary

Effect

441. The amount an employment tribunal can award a successful claimant is affected by how far back in time it can go in making its calculation. The type of case which is before the tribunal determines this period. This section defines the different types of cases.

Background

442. This section replicates the effect of similar provisions in previous legislation.
