Part 1: Children and Schools

Local Safeguarding Children Boards

Section 8: Supply of information requested by LSCBs in England

42. **Section 8** inserts a new section 14B into the Children Act 2004 (“the CA 2004”). New section 14B provides that, if certain conditions are met, a person or body must supply information to a LSCB in England at its request. Firstly, the information must be requested for the purpose of enabling or assisting the LSCB to perform its functions. Secondly, the person or body requested to supply the information must have functions or engage in activities such that the LSCB considers it likely to have information relevant to a function of the LSCB. This would potentially encompass, for instance, a GP who provided medical advice or treatment to a child in respect of whom a LSCB was carrying out a serious case review, or to a family member or carer of that child. It would also potentially encompass a person carrying out voluntary work that brought him or her into contact with such a child or with a family member or carer, or a minister of a church attended by such a child or by a family member or carer. Finally, one of the conditions set out in subsection (4) or subsection (5) of the new section must be met. Subsection (4) of the new section relates to the content of the information that may be requested. Subsection (5) of the new section 14B effectively enables the onward transmission to a LSCB of information that it has previously requested, under the new section, to be supplied to a third party, for instance to a Primary Care Trust, for collation and onward transmission to the LSCB. (But a LSCB may request that information be supplied to a third party for collation and onward transmission only if the third party itself is within subsection (3)). Subsection (6) of the new section provides that a LSCB may use information provided under new section 14B only for the purposes of its functions. Subsection (7) of the new section provides that a LSCB must have regard to guidance issued by the Secretary of State in exercising its functions under the new section.
