

# Energy Act 2010

## 2010 CHAPTER 27

### PART 3

#### REGULATION OF GAS AND ELECTRICITY MARKETS

*Time limit for imposition of financial penalties by the Gas and Electricity Markets Authority*

#### **24 Time limit for the imposition of financial penalties**

- (1) In section 30C(1) of the Gas Act 1986 (time limit on imposition of a penalty for contravention of a relevant condition or requirement or for failure to achieve a performance standard), for “12 months” substitute “ five years ”.
- (2) In section 27C(1) of the Electricity Act 1989 (time limit on imposition of a penalty for contravention of a relevant condition or requirement or for failure to achieve a performance standard), for “12 months” substitute “ five years ”.
- (3) The amendments made by this section do not apply in relation to any contravention or failure occurring before the day on which this section comes into force.

**Changes to legislation:**

There are currently no known outstanding effects for the Energy Act 2010, Section 24.
