Schedule 5 contains amendments of sections 311, 312 and 599A of CTA 2009 (loan relationships and derivative contracts: treatment of amounts not fully recognised for accounting purposes).

9 Insurance companies: business transfers involving excess assets

(1) In Chapter 1 of Part 12 of ICTA (insurance companies etc), after section 432CA insert—

“432CB Transfers of business involving excess assets

(1) This section applies where, under an insurance business transfer scheme, there is a transfer of long-term business—

(a) from a non-profit fund of an insurance company (“the transferor”) which is not a non-profit company in relation to the relevant period of account,

(b) to another insurance company (“the transferee”) to constitute or form part of a non-profit fund of the transferee (“the transferee’s non-profit fund”),

(“the transfer”) and conditions A and B are met.”
(2) Condition A is that the fair value of the assets transferred by the transfer exceeds by an amount ("the chargeable excess") the amount of the relevant liabilities transferred by the transfer. For this purpose "relevant" liabilities are liabilities of a type shown (or treated as shown) in any of lines 14, 17, 21 to 23 and 31 to 38 of Form 14 of a periodical return of an insurance company.

(3) Condition B is that the main purpose, or one of the main purposes, of the transferor or the transferee (or both) in entering into any part of the transfer scheme arrangements is to secure a reduction in tax as a result of section 432C having effect in the case of the transferee, rather than the transferor, in relation to the business transferred by the transfer.

(4) The chargeable excess is to be brought into account by the transferor as mentioned in section 83(2)(b) of the Finance Act 1989 for the relevant period of account.

(5) Where there is no amount shown in relation to the transferee’s non-profit fund in column 1 of line 51 of Form 14 of the periodical return of the transferee for the first period of account of the transferee ending on or after the transfer date ("the first post-transfer period of account"), the chargeable excess is to be brought into account by the transferee as mentioned in section 83(2) of the Finance Act 1989 as a decrease in the value of non-linked assets for the first post-transfer period of account.

(6) Where—
(a) there is an amount shown in relation to the transferee’s non-profit fund in column 1 of line 51 of Form 14 of the periodical return of the transferee for the first post-transfer period of account, and
(b) the amount so shown in column 1 of line 51 of Form 14 of the periodical return of the transferee for that period of account, or for any other period of account of the transferee ending after the transfer date, (an "affected period of account") is less than the total chargeable excess amount,

the relevant amount is to be brought into account by the transferee as mentioned in section 83(2) of the Finance Act 1989 as a decrease in the value of non-linked assets for the affected period of account.

(7) For this purpose “the relevant amount” is the amount by which—
(a) the amount shown in relation to the transferee’s non-profit fund in column 1 of line 51 of Form 14 of the periodical return of the transferee for the affected period of account, is less than
(b) the total chargeable excess amount less any amount brought into account by the transferee as mentioned in section 83(2) of the Finance Act 1989 as a decrease in the value of non-linked assets for any earlier period of account by virtue of the operation of this section in relation to the transferee’s non-profit fund.

(8) In subsections (6) and (7) “the total chargeable excess amount” means the aggregate of—
(a) the chargeable excess, and
(b) any amount which is the chargeable excess in relation to any other transfer of business to the transferee’s non-profit fund.
(9) In this section “the relevant period of account” means—
(a) the period of account of the transferor ending immediately before the transfer date, or
(b) if no period of account of the transferor so ends, the period of account of the transferor covering the transfer date.

(10) In this section “the transfer scheme arrangements” means the insurance business transfer scheme and any relevant associated operations; and for this purpose “relevant associated operations” means—
(a) any other insurance business transfer scheme,
(b) any contract of reinsurance, or
(c) any reconstruction or amalgamation involving the transferor, a dependant of the transferor which is an insurance undertaking or the transferee, which is effected in connection with the insurance business transfer scheme.

(11) In subsection (10)—
“dependant”, and
“insurance undertaking”,
have the same meaning as in the Insurance Prudential Sourcebook.

(12) In this section “the transfer date” means the date on which the insurance business transfer scheme takes effect.

(13) For the purposes of this section an insurance company which has elected under section 83YA(9) of the Finance Act 1989 (changes in value of assets brought into account: non-profit companies) to be treated as a non-profit company in relation to a period of account is to be regarded as a non-profit company in relation to the period of account.”

(2) The amendment made by subsection (1) has effect in relation to transfers of business taking place on or after 24 March 2010.

Final provisions

10 Interpretation

(1) In this Act—
“CTA 2009” means the Corporation Tax Act 2009;
“CTA 2010” means the Corporation Tax Act 2010;
“ICTA” means the Income and Corporation Taxes Act 1988;

SCHEDULES

SCHEDULE 1  
Section 2

RATES OF CAPITAL GAINS TAX

Amendments of TCGA 1992

1 TCGA 1992 is amended as follows.

2 For section 4 (rate of capital gains tax) substitute—

“4 Rates of capital gains tax

(1) This section makes provision about the rates at which capital gains tax is charged, but is subject to section 169N (rate in case of claim for entrepreneurs’ relief).

(2) Subject to the following provisions of this section, the rate of capital gains tax in respect of gains accruing to a person in a tax year is 18%.

(3) The rate of capital gains tax in respect of gains accruing to—

(a) the trustees of a settlement, or

(b) the personal representatives of a deceased person,

in a tax year is 28%.

(4) If income tax is chargeable at the higher rate or the dividend upper rate in respect of any part of the income of an individual for a tax year, the rate of capital gains tax in respect of gains accruing to the individual in the year is 28%.

(5) If no income tax is chargeable at the higher rate or the dividend upper rate in respect of the income of an individual for a tax year, but the amount on which the individual is chargeable to capital gains tax exceeds the unused part of the individual’s basic rate band, the rate of capital gains tax on the excess is 28%.

(6) For the purposes of subsection (5), gains which are chargeable to capital gains tax at the rate in section 169N(3) are to be treated as forming the lowest part of the amount on which an individual is chargeable to capital gains tax.

(7) The reference in subsection (5) to the unused part of an individual’s basic rate band is a reference to the amount by which the basic rate limit exceeds the individual’s Step 3 income.

(8) For the purposes of this section, “the Step 3 income” of an individual means the individual’s net income less allowances deducted at Step 3 of the calculation in section 23 of ITA 2007 for the purpose of calculating the individual’s income tax liability.
(9) Section 989 of ITA 2007 (the definitions) applies for the purposes of this section as it applies for income tax purposes.

4A Section 4: special cases

(1) Subsection (2) applies if for a tax year—
   (a) a person is entitled, by virtue of section 539 of ITTOIA 2005 (gains from contracts for life insurance etc), to relief by reference to the amount of a deficiency, or
   (b) the residuary income of an estate is treated, by virtue of section 669(1) and (2) of that Act (reduction in residuary income: inheritance tax on accrued income), as reduced so as to reduce a person’s income by any amount for the purposes of extra liability.

(2) Section 4(7) is to have effect as if the person’s Step 3 income for the year were reduced by the amount of the deficiency mentioned in subsection (1)(a) or the amount mentioned in subsection (1)(b) (as the case may be).

(3) Subsections (4) and (5) apply if, by virtue of section 465 of ITTOIA 2005 (gains from contracts for life insurance etc), a person’s total income for a tax year is deemed to include any amount or amounts.

(4) Section 4(7) is to have effect as if the person’s Step 3 income for the year included not the whole of the amount or amounts concerned but only the annual equivalent within the meaning of section 536(1) of that Act or the total annual equivalent within the meaning of section 537 of that Act (as the case may be).

(5) If—
   (a) relief is given under section 535 of that Act, and
   (b) the calculation under section 536(1) or 537 of that Act (as the case may be) does not involve the higher rate of income tax, section 4(4) and (5) are to have effect as if no income tax were chargeable at the higher rate or the dividend upper rate in respect of the person’s income.”

3 After section 4A (as substituted by paragraph 2) insert—

“4B Deduction of losses etc in most beneficial way

(1) This section applies if the gains accruing to a person in a tax year are (apart from this section) chargeable to capital gains tax at different rates.

(2) Allowable losses may be deducted from those gains, and the exempt amount under section 3 may be used in respect of those gains, in such way as is most beneficial to that person.

(3) Subsection (2) is subject to any enactment which contains a limitation on the gains from which allowable losses may be deducted.”

4 In section 169H (introduction to entrepreneurs’ relief), in subsection (1), for “relief from capital gains tax” substitute “for a lower rate of capital gains tax”.

5 (1) Section 169N (amount of relief: general) is amended as follows.
(2) For subsections (2) to (4) substitute—

“(2) The resulting amount is to be treated for the purposes of this Act as a chargeable gain accruing at the time of the disposal to the individual or trustees by whom the claim is made.

(3) The rate of capital gains tax in respect of that gain is 10%, but this is subject to subsections (4) to (4B).

(4) Subsections (4A) and (4B) apply if the aggregate of—

(a) the gain mentioned in subsection (2), and

(b) the total of so much of each amount resulting under subsection (1) by virtue of its operation in relation to earlier relevant qualifying business disposals (if any) as was—

(i) charged at the rate in subsection (3), or

(ii) subject to reduction under subsection (2) of this section as originally enacted,

exceeds £5 million.

(4A) The rate in subsection (3) is to apply only to so much (if any) of the gain mentioned in subsection (2) as (when added to the total mentioned in subsection (4)(b)) does not exceed £5 million.

(4B) Section 4 (rates of capital gains tax) is to apply to so much of the gain mentioned in subsection (2) as is not subject to the rate in subsection (3).”

(3) In subsection (7), for “subsection (3)” substitute “subsection (4)”.

6 In section 169O (amount of relief: special provision for certain trust disposals), in subsection (3), omit “with no reduction under subsection (2) of that section”.

7 In section 169P (amount of relief: special provision for certain associated disposals), in subsection (3), omit “with no reduction under subsection (2) of that section”.

8 For section 169R (re organisations involving acquisition of qualifying corporate bonds) substitute—

“169R Reorganisations involving acquisition of qualifying corporate bonds

(1) This section applies where the calculation under section 116(10)(a) would (apart from this section) have effect to produce a chargeable gain for an individual by reason of a relevant transaction.

(2) If an election is made under this section, a claim for entrepreneurs’ relief may be made as if the relevant transaction involved a disposal of the old asset; and if such a claim is made section 116(10) does not apply.

(3) An election under this section must be made—

(a) if the relevant transaction, so far as it relates to the old asset, would (apart from section 116(10)) involve a disposal of trust business assets, jointly by the trustees and the qualifying beneficiary, and

(b) otherwise, by the individual.
(4) An election under this section must be made on or before the first anniversary of the 31 January following the tax year in which the relevant transaction takes place.

(5) In this section, “old asset” and “relevant transaction” have the meaning given by section 116.”

9 (1) Paragraph 1 of Schedule 5B (enterprise investment scheme: re-investment) is amended as follows.

(2) After sub-paragraph (5) insert—

“(5A) The reference in sub-paragraph (1)(b) to a gain accruing in accordance with section 169N does not include such a gain so far as it is chargeable to capital gains tax at the rate in section 169N(3).”

Amendments of FA 2008

10 In Schedule 3 to FA 2008 (entrepreneurs’ relief), in paragraph 7 (transitional: reorganisations)—

(a) in sub-paragraph (5), for “section 169N(1) to (3)” substitute “section 169N(1) and (2)”; 

(b) after sub-paragraph (7) insert—

“(7A) Section 169N(3) to (4B) is to apply to the deemed chargeable gain found in accordance with sub-paragraphs (5) to (7).”

(a) in sub-paragraph (7), for “section 169N(1) to (3)” substitute “section 169N(1) and (2)”; 

(b) after sub-paragraph (9) insert—

“(9A) Section 169N(3) to (4B) is to apply to the amount treated as accruing in accordance with sub-paragraphs (7) to (9).”

(4) “Scheme” includes any arrangements, transaction or series of transactions.
Financing

7 (1) This paragraph applies for the purposes of condition C in paragraphs 2 and 3.

(2) A payment is financed by a person if, directly or indirectly, the person—

(b) procures the provision of such funds by another person,
(c) provides funds for discharging (in whole or in part) any liability that has been or may be incurred by any person for or in connection with raising funds to enable the person to whom the supply is made to make the payment, or
(d) procures that any such liability is or will be discharged (in whole or in part) by another person.

(3) In sub-paragraph (2) the references to providing funds for a purpose are to—
(a) making a loan of funds that are or are to be used for that purpose,
(b) providing a guarantee or other security in relation to such a loan,
(c) providing consideration for the issue of shares or other securities issued wholly or partly for raising those funds,
(d) providing consideration for the acquisition by any person of any such shares or securities, or
(e) any other transfer of assets or value as a consequence of which any of those funds are made available for that purpose.

Connected persons

8 Section 1122 of CTA 2010 (connected persons) applies for the purposes of this Schedule.

Receipt of payments

9 In this Schedule a reference to receipt of a payment by the person making a supply or granting a right (however expressed) includes a reference to receipt by a person to whom a right to receive it has been assigned.

Power to change relevant conditions

10 (1) The Treasury may by order amend this Part of this Schedule by adding, modifying or omitting relevant conditions.

(2) An order under this paragraph—
(a) may make different provision for different cases, and
(b) may make incidental or consequential amendments of this Schedule.
Part 2

Exceptions

Letting etc of assets

11 (1) This paragraph applies in relation to a supply within paragraph 2 which arises from the letting, hiring or rental of assets.

(2) There is no supplementary charge under this Schedule if—
   (a) the period to which the VAT invoice or payment referred to in paragraph 2(1) relates does not exceed 12 months, and
   (b) the VAT invoice is issued, or the payment is received, in accordance with normal commercial practice in relation to the letting, hiring or rental of such assets.

Condition B cases involving normal commercial practice

12 There is no supplementary charge under this Schedule on a supply of goods or services within paragraph 2 or a grant of a right to goods or services within paragraph 3 if—
   (a) the only relevant condition met is condition B, and
   (b) the supply is made, or the right is granted, in accordance with normal commercial practice in relation to the supply of, or the grant of a right to, such goods or services.

Condition D cases involving hire purchase, conditional sale or credit sale of goods

13 There is no supplementary charge under this Schedule on a supply of goods within paragraph 2 if—
   (a) the only relevant condition met is condition D,
   (b) the VAT invoice—
      (i) relates to a supply of goods made under a hire-purchase, conditional sale or credit sale agreement,
      (ii) forms part of that agreement, and
      (iii) is issued in accordance with normal commercial practice in relation to a supply made under such an agreement, and
   (c) the basic time of supply of the goods is intended and expected to be within 6 months of the date of the VAT invoice which relates to the supply.

Normal commercial practice

14 In this Part of this Schedule, “normal commercial practice”, in relation to a supply or grant of a right, means—
   (a) normal commercial practice of the supplier or grantor at a time when an increase in the rate of VAT in force under section 2 of VATA 1994 is not expected, or
   (b) if the supplier or grantor has no such practice, the normal commercial practice of suppliers making similar supplies, or granters granting similar rights, in the United Kingdom at such a time.
Further exceptions

15 (1) The Treasury may by order provide that there is no supplementary charge under this Schedule on supplies (including grants of rights to goods or services) of a description specified in the order.

(2) An order under this paragraph—
   (a) may make provision having effect in relation to supplies of goods or services that are treated as taking place on or after 22 June 2010 or a later date, and
   (b) may have effect in relation to a supplementary charge which has become due before the order is made.

PART 3
LIABILITY AND AMOUNT

Liability

16 (1) A supplementary charge under this Schedule on a supply within paragraph 2—
   (a) is a liability of the supplier (subject to sub-paragraph (3)), and
   (b) becomes due on the date of the VAT change (rather than at the time of supply).

(2) A supplementary charge under this Schedule on a supply consisting of the grant of a right to goods or services within paragraph 3—
   (a) is a liability of the grantor (subject to sub-paragraph (3)), and
   (b) becomes due on the first occasion on or after the date of the VAT change on which the right is exercised (rather than at the time the right is granted).

(3) If, on the date on which the supplementary charge becomes due, the person who would be liable to pay the charge under sub-paragraph (1) or (2)—
   (a) is not a taxable person, but
   (b) is treated as a member of a group under sections 43A to 43D of VATA 1994,
the supplementary charge is a liability of the representative member of the group.

Amount

17 (1) The amount of the supplementary charge on a supply within paragraph 2 is equal to the difference between—
   (a) the amount of VAT chargeable on the supply apart from this Schedule, and
   (b) the amount of VAT that would be chargeable on the supply if it were subject to VAT at the rate of 20%.

(2) The amount of the supplementary charge on a grant of a right to goods or services within paragraph 3 is equal to the difference between—
   (a) the amount of VAT chargeable on the grant of the right apart from this Schedule, and
(b) the amount of VAT that would be chargeable on the grant of the right if it were subject to VAT at the rate of 20%, (but see sub-paragraph (3)).

(3) If the basic time of supply for some of those goods and services is before the date of the VAT change, sub-paragraph (2) has effect as if the references to the amount of VAT chargeable and to the amount of VAT that would be chargeable were references to the relevant proportion of each of those amounts.

(4) “The relevant proportion” is—

\[
\frac{P}{W}
\]

where—

\(P\) is so much of the consideration for the grant of the right as is attributable on a just and reasonable basis to a right to the goods and services for which the basic time of supply is on or after the date of the VAT change, and

\(W\) is the whole of the consideration for the grant of the right.

**PART 4**

**LISTED SUPPLIES**

“Listed supply”

18 (1) In this Schedule “listed supply” means a supply falling within sub-paragraph (2)—

(a) which is made for a consideration the whole or part of which is determined or payable periodically or from time to time, and

(b) which is treated as taking place by virtue of the issue of a VAT invoice or the receipt of a payment by the person making the supply.

(2) The following supplies fall within this sub-paragraph—

(a) a supply of services,

(b) a supply arising from the grant of a major interest in land,

(c) a supply of water other than—

(i) distilled water, deionised water or water of similar purity, or

(ii) bottled water,

(d) a supply of—

(i) coal gas, water gas, producer gases or similar gases, or

(ii) petroleum gases, or other gaseous hydrocarbons, in a gaseous state,

(e) a supply of power, heat, refrigeration or ventilation, and

(f) a supply of goods together with services in the course of the construction, alteration, demolition, repair or maintenance of a building or civil engineering work.

(3) The Treasury may by order amend sub-paragraph (2) by—

(a) adding or omitting any description of supply, or

(b) varying any description of supply for the time being listed in that sub-paragraph.
Schedule 2 — Supplementary charge to VAT

Part 4 — Listed supplies

18 (1) For the purposes of this Schedule, in relation to a listed supply, “the basic time of supply” is the end of the period to which the VAT invoice or payment mentioned in paragraph 18(1) relates, except as provided in sub-paragraphs (2) and (4).

(2) Where the person making the supply issues an invoice—
   (a) in respect of part of the listed supply to which the VAT invoice or payment mentioned in paragraph 18(1) relates, and
   (b) for a period (a “billing period”) ending before the end of the period to which that VAT invoice or payment relates,
   “the basic time of supply”, in relation to that part of the supply, is the end of the billing period.

(3) For the purposes of sub-paragraph (2), the listed supply (and the consideration for the supply) must be apportioned between periods on a just and reasonable basis.

(4) Where a listed supply is treated as taking place by virtue of—
   (a) the issue by the person making the supply of a VAT invoice relating to a premium for the grant of a tenancy or lease, or
   (b) the receipt by the person making the supply of such a premium,
   “the basic time of supply” is the date of the grant of the tenancy or lease.

PART 5

ADMINISTRATION AND INTERPRETATION

Person ceasing to be taxable person before supplementary charge due

20 (1) This paragraph applies if, on the date on which a supplementary charge under this Schedule becomes due (“the due date”), the person who is liable to pay the charge under paragraph 16 is not a taxable person.

(2) The supplementary charge must be accounted for by that person in accordance with VATA 1994 (and regulations made under that Act) as if it were VAT due in the last period for which the person was required to make a return by or under VATA 1994.

(3) If an amount assessed as due by way of supplementary charge under this Schedule would (in the absence of this sub-paragraph) carry interest from a date earlier than the due date, it is to be treated as only carrying interest from the due date.

Adjustment of contracts following the VAT change

21 (1) This paragraph applies where—
   (a) a contract for the supply of goods or services is made before the date of the VAT change, and
   (b) there is a supplementary charge under this Schedule on the supply.

(2) The consideration for the supply is to be increased by an amount equal to the supplementary charge, unless the contract provides otherwise.
Invoices

22 Regulations under paragraph 2A of Schedule 11 to VATA 1994 (VAT invoices) may make provision about the provision, replacement or correction of invoices in connection with a supplementary charge under this Schedule.

Orders under this Schedule

23 (1) An order under this Schedule is to be made by statutory instrument.

(2) A statutory instrument containing an order under this Schedule is subject to annulment in pursuance of a resolution of the House of Commons, unless it is an instrument to which sub-paragraph (4) applies.

(3) Sub-paragraph (4) applies to a statutory instrument containing an order made under paragraph 10 (or under that paragraph and under other provisions) which extends the supplies that are subject to a supplementary charge under this Schedule.

(4) An instrument to which this sub-paragraph applies—

(a) must be laid before the House of Commons, and

(b) ceases to have effect at the end of the period of 28 days beginning with the day on which it was made unless it is approved during that period by a resolution of the House of Commons.

(5) In reckoning the period of 28 days no account is to be taken of any time during which Parliament is dissolved or prorogued or during which the House of Commons is adjourned for more than 4 days.

(6) The order ceasing to have effect does not affect—

(a) anything previously done under it, or

(b) the making of a new order.

Interpretation: general

24 (1) Expressions used in this Schedule and in VATA 1994 have the same meaning in this Schedule as in that Act.

(2) In this Schedule—

(a) “treated as taking place” means treated as taking place for the purposes of the charge to VAT, and

(b) references to the person by or to whom a supply is made (however expressed) are to the person by or to whom the supply is treated as being made for the purposes of VATA 1994.

SCHEDULE 3

Section 6

PENSIONS: TREATMENT OF PERSONS AT AGE 75

Introductory

1 This Schedule applies to persons who reach the age of 75 on or after 22 June 2010.
Pension rules applying at age 77 instead of age 75

2 (1) The provisions of FA 2004 listed in sub-paragraph (2) have effect in relation to a person to whom this Schedule applies as if—
   (a) any reference in those provisions to the age of 75 were a reference to the age of 77, and
   (b) any reference in those provisions to a person’s 75th birthday were a reference to a person’s 77th birthday.

   (2) The provisions are—
   (a) in section 165 (pension rules), pension rules 4 and 6;
   (b) in Part 1 of Schedule 28 (pension rules)—
    (i) paragraph 7 (meaning of “income withdrawal”);
    (ii) paragraph 9(2) (unsecured pension year);
    (iii) paragraph 11(2) to (4) (member’s alternatively secured pension fund);
   (c) in section 167 (pension death benefit rules), pension death benefit rules 3 and 5;
   (d) in Part 2 of Schedule 28 (pension death benefit rules)—
    (i) paragraph 21 (meaning of “dependants’ income withdrawal”);
    (ii) paragraph 23(2) (unsecured pension year);
    (iii) paragraph 25 (dependant’s alternatively secured pension fund);
   (e) paragraph 17 of Schedule 29 (unsecured pension fund lump sum death benefit).

3 (1) In paragraphs 6 and 20 of Schedule 28 to FA 2004 (short-term annuities), sub-paragraph (1) has effect in relation to an annuity to which this paragraph applies as if the reference in paragraph (d) of that sub-paragraph to the age of 75 were a reference to the age of 77.

   (2) This paragraph applies to an annuity that—
   (a) is purchased on or after 22 June 2010, and
   (b) is payable to a person to whom this Schedule applies.

4 Sub-paragraphs (6) and (7) of paragraph 11 of Schedule 28 to FA 2004 (cases where member’s whereabouts are unknown at age 75) have effect in relation to a person to whom this Schedule applies as if—
   (a) any reference in sub-paragraphs (6)(a) and (7) to the age of 75 were a reference to the age of 77, and
   (b) for paragraph (b) of sub-paragraph (6) there were substituted—
    “(b) paragraph 8(2) applied in relation to the member and the arrangement at the time when the member reached the age of 75 and none of the sums or assets held for the purposes of the arrangement were member-designated funds immediately before it applied.”

Treatment of lump sums to which persons become entitled at age 75

5 Where, by virtue of the operation of sub-paragraph (2) of paragraph 8 of Schedule 28 to FA 2004 (automatic designation of funds as available for
payment of unsecured pension at age 75), a person to whom this Schedule applies becomes entitled to a pension under an arrangement, the amount of any lump sum to which the person becomes entitled in connection with the pension does not form part of any relevant uncrystralised funds for the purposes of that sub-paragraph.

6 (1) Despite paragraph 5, the amount crystallised by benefit crystallisation event 1 in section 216 of FA 2004 (benefit crystallisation events and amounts crystallised) is to be taken to include the amount of any such lump sum (regardless of whether or not it has been paid to the person).

(2) Accordingly, the person becoming entitled to such a lump sum is not a benefit crystallisation event under that section.

7 Paragraph 1 of Schedule 29 to FA 2004 (pension commencement lump sum) has effect in relation to any such lump sum as if in sub-paragraph (3)(b) the words “otherwise than by virtue of the operation of paragraph 8(2) of Schedule 28” were omitted.

8 (1) If there are any remaining uncrystralised funds at the end of the period referred to in paragraph 1(1)(c) of Schedule 29 to FA 2004 (period for payment of pension commencement lump sum), they are to be treated, for the purposes of paragraph 8 of Schedule 28 to that Act, as having been designated under the arrangement as available for the payment of unsecured pension at that time.

(2) If the person dies before the end of that period, any remaining uncrystralised funds are to be treated, for the purposes of paragraph 8 of Schedule 28 to FA 2004, as having been designated under the arrangement as available for the payment of unsecured pension immediately before the person’s death.

(3) “Remaining uncrystralised funds” means such of the sums and assets held for the purposes of the arrangement as are not member-designated funds and have not been applied towards the provision of a scheme pension or a dependants’ scheme pension.

Application of rules of pension schemes

9 (1) For the purposes of any provision (however framed) that is included in the rules of a registered pension scheme in consequence of any provision of FA 2004 mentioned in paragraphs 2 to 4, the trustees or managers of the pension scheme may treat any relevant person as if the person had not reached the age of 75.

(2) A “relevant person” is a person—
   (a) to whom this Schedule applies, and
   (b) who has not reached the age of 77.

(3) Where the trustees or managers of a registered pension scheme so determine, the rules of the pension scheme are to be treated as conferring on any person to whom this Schedule applies an entitlement to a lump sum in connection with a pension of the kind mentioned in paragraph 5.

Interpretation

10 Any term used in this Schedule and in Part 4 of FA 2004 has the same meaning in this Schedule as it has in that Part.
SCHEDULE 4

   made.

   (2) “Accommodation expenses” means expenses necessarily incurred on
   overnight accommodation that is required for the performance of the

   Westminster or the member’s constituency.

   (3) But the cost of an overnight stay in a hotel that was required only
   because, on that night, the member had been required to be at the
   House of Commons because the House was sitting late does not
   count as accommodation expenses for the purposes of this section,
   unless the member had been required to be at the House because it
   was sitting beyond 1 a.m.

   (4) Subsection (1) does not apply to a loan for a deposit payable at the
   commencement of a tenancy.

   (3) In section 360 (disallowance of certain accommodation expenses of MPs and
   other representatives), insert at the end—

   “(3) In relation to a member of the House of Commons, subsection (3) of
   section 292 applies for the purposes of this section as it applies for the
   purposes of that section.”

   (4) The amendment made by sub-paragraph (2) has effect in relation to
   payments made under section 5(1) of the Parliamentary Standards Act 2009
   on or after 7 May 2010.

   (5) In relation to payments made on or after that date in accordance with a
   resolution of the House of Commons passed before that date, ITEPA 2003
   continues to have effect as if that amendment had not been made.

   (6) The amendment made by sub-paragraph (3) has effect in relation to
   expenses incurred on or after that date."
UK travel and subsistence expenses

2 (1) In ITEPA 2003, after section 293 insert—

“293A UK travel and subsistence expenses of MPs

(1) No liability to income tax arises in respect of a payment made to a member of the House of Commons under section 5(1) of the Parliamentary Standards Act 2009 if the payment is expressed to be made—

(a) in respect of relevant UK travel expenses, or

(b) in respect of relevant subsistence expenses.

(2) “Relevant UK travel expenses” means expenses necessarily incurred on journeys of the following kinds within the United Kingdom—

(a) journeys made by the member that are necessary for the performance of the member’s parliamentary duties, and

(b) if the member shares caring responsibilities with a spouse or partner, journeys made by the spouse or partner between the member’s London Area residence and the member’s constituency residence.

(3) “Relevant subsistence expenses” means expenses necessarily incurred on an evening meal (excluding alcoholic drinks) eaten on the Parliamentary Estate, where the member is required to be at the House of Commons because the House is sitting beyond 7.30 p.m.

(4) “Caring responsibilities” and “London Area” have the same meaning in subsection (2)(b) as they have in the scheme in effect for the time being under section 5 of the Parliamentary Standards Act 2009.”

(2) The amendment made by sub-paragraph (1) has effect in relation to payments made under section 5(1) of the Parliamentary Standards Act 2009 on or after 7 May 2010.

(3) In relation to payments made on or after that date in accordance with a resolution of the House of Commons passed before that date, ITEPA 2003 continues to have effect as if that amendment had not been made.

European travel expenses

3 (1) Section 294 of ITEPA 2003 (European travel expenses of MPs and other representatives) is amended as follows.

(2) For subsection (1) substitute—

(b) a member of the Scottish Parliament under section 81(2) of the Scotland Act 1998,

(c) a member of the National Assembly for Wales under section 20(2) of the Government of Wales Act 2006 or a member of the Welsh Assembly Government under section 53(2) of that Act, or

(d) a member of the Northern Ireland Assembly under section 47(2) of the Northern Ireland Act 1998,
and expressed to be made in respect of European travel expenses.”

(3) In subsection (3)(b), for sub-paragraph (iii) substitute—
“(iii) any other country that is a member of the Council of Europe.”

(4) The amendments made by this paragraph have effect in relation to sums paid to members under the relevant Act on or after 7 May 2010.

(5) In relation to sums paid on or after that date in accordance with a resolution of the House of Commons passed before that date, section 294 of ITEPA 2003 continues to have effect as if those amendments had not been made.

(2) But, for the purposes of sub-paragraph (1), a period of account beginning before, and ending on or after, 22 June 2010 is to be treated as if so much of the period as falls before that date, and so much of the period as falls on or after that date, were separate periods of account.
