- (1) This section applies if—
- a company disposes of an asset which is a ship, an aircraft, shares or an interest in shares, and
 - at any time beginning with the company's acquisition of the asset (or, if earlier, the time allowable expenditure was first incurred in respect of the asset) and ending with the disposal, the company's relevant currency is not sterling.

- (3) If, at any time—
- a company is a UK resident investment company, and
 - the company has a designated currency (see sections 9A and 9B) which is different from its functional currency,
- the company's relevant currency at that time is that designated currency.
- (4) If the relevant currency of the company at the time of the disposal is not sterling, the chargeable gain or loss accruing to the company on the disposal must be calculated as follows—
- Step 1* Calculate the chargeable gain or loss in the relevant currency of the company at the time of the disposal.
- Step 2* Translate the amount of the chargeable gain or loss into sterling by reference to the spot rate of exchange on the day of the disposal.
- (5) In any case, subsections (6) to (10) apply for the purposes of calculating the chargeable gain or loss.

- (6) Where any allowable expenditure is incurred in a currency which is not the company's relevant currency at the time it is incurred, that expenditure is to be translated into that relevant currency by reference to the spot rate of exchange for the day on which it is incurred.
- (7) Where, at any time after any allowable expenditure is incurred but before the asset is disposed of, there is a change in the company's relevant currency, that expenditure is to be translated (or, if it has previously been translated under this section, further translated) into the relevant currency of the company immediately following the change, by reference to the spot rate of exchange for the day of the change.
- (8) Any amount of consideration for the disposal which is given in a currency other than the company's relevant currency is to be translated into that relevant currency by reference to the spot rate of exchange on the day of disposal.
- (9) For the purposes of subsections (6) and (7)—
- (a) any translation of expenditure under subsection (6) is to be done before any translation of the expenditure under subsection (7), and
 - (b) if subsection (7) applies as a result of more than one change in the company's relevant currency, it is to be applied in relation to each change in the order the changes were made (with the earliest first).
- (10) Where, by virtue of any enactment, the company was at any time treated for the purposes of corporation tax on chargeable gains as acquiring the asset—
- (a) for a consideration of such amount as would secure that neither a gain nor a loss would accrue to the person disposing of the asset, or
 - (b) for a consideration equal to the market value of the asset,
- for the purposes of this section that allowable expenditure is treated as incurred by the company at that time.
- (11) For the purposes of this section, a reference to a ship or aircraft includes a reference to the benefit of a contract—

 - (b) as a result of section 416 [^{F50}or 416ZA] of CAA 2001 (expenditure on [^{F51}site restoration]) any expenditure is treated as qualifying expenditure of a company incurred on the last day of trading.
- (2) So far as the claim relates to the increase mentioned in subsection (1)(a), the period of two years specified in section 37(7)(a) for making the claim is instead to be read as a reference to the period given by adding two years to the post-cessation period (within the meaning of section 165 of CAA 2001).

CHAPTER 3

LIMITED PARTNERS AND MEMBERS OF LIMITED LIABILITY PARTNERSHIPS

Introduction

55 Introduction to Chapter

- (1) This Chapter restricts the amount of relief that may be given for any loss made by a company in a trade carried on by the company—
 - (a) as a limited partner (see sections 56 to 58), or
 - (b) as a member of a limited liability partnership (an “LLP”) (see sections 59 to 61).
- (2) In this Chapter persons carrying on a trade in partnership are referred to collectively as a “firm”.

Limited partners

56 Restriction on reliefs for limited partners

- (1) This section applies if—
 - (a) at any time in an accounting period a company carries on a trade (“the limited partnership trade”) as a limited partner in a firm, and
 - (b) the company makes a loss in the limited partnership trade in that period (“the loss-making period”).
- (2) There is a restriction on the amount of relief that may be given for the loss—
 - (a) under section 37 (relief for trade losses against total profits) other than against profits of the limited partnership trade, or
 - (b) under Part 5 (group relief).
- (3) The restriction is that the sum of—
 - (a) the amount of the relief given, and
 - (b) the total amount of all other relief within subsection (4),
 must not exceed the company's contribution to the firm as at the time mentioned in subsection (5).
- (4) Relief is within this subsection if it is given under section 37 or Part 5 for a loss made in the limited partnership trade by the company in an accounting period at any time during which it carries on that trade as a limited partner.
- (5) The time referred to in subsection (3) is—
 - (a) the end of the loss-making period, or
 - (b) if the company ceases to carry on the limited partnership trade during that period, the time when it does so.
- (6) If the firm is carrying on, or has carried on, other trades apart from the limited partnership trade, for the purpose of determining the total amount of all other relief within subsection (4), apply that subsection in relation to each other trade as well as the limited partnership trade and then add the results together.

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

57 Meaning of “contribution to the firm”

- (1) For the purposes of section 56 the company's contribution to the firm is the sum of amounts A and B.
- (2) Amount A is the amount which the company has contributed to the firm as capital less so much of that amount (if any) as is within subsection (4).
- (3) In particular, the company's share of any profits of the firm is to be included in the amount which the company has contributed to the firm as capital so far as that share has been added to the firm's capital.
- (4) An amount of capital is within this subsection if it is an amount which the company—
 - (a) has previously drawn out or received back,
 - (b) is or may be entitled to draw out or receive back at any time when the company is carrying on a trade as a limited partner in the firm, or
 - (c) is or may be entitled to require another person to reimburse to it.
- (5) In subsection (4) any reference to drawing out or receiving back an amount is to doing so directly or indirectly but does not include drawing out or receiving back an amount which, because of its being drawn out or received back, is chargeable to tax as profits of a trade.
- (6) Amount B is the amount of the company's total share of profits within subsection (7) except so far as—
 - (a) that share has been added to the firm's capital, or
 - (b) the company has received that share in money or money's worth.
- (7) Profits are within this subsection if they are from the limited partnership trade.
- (8) In determining the amount of the company's total share of profits within subsection (7) ignore the company's share of any losses from the limited partnership trade which would (apart from this subsection) reduce that amount.
- (9) In subsections (3), (7) and (8) any reference to profits or losses are to profits or losses calculated in accordance with generally accepted accounting practice (before any adjustment required or authorised by law in calculating profits or losses for tax purposes).
- (10) If the firm is carrying on, or has carried on, other trades apart from the limited partnership trade, subsections (7) and (8) have effect as if references to the limited partnership trade were references to the limited partnership trade or any of the other trades.

58 Meaning of “limited partner”

- (1) In sections 56 and 57 “limited partner” means a company which carries on a trade—
 - (a) as a limited partner in a limited partnership registered under the Limited Partnerships Act 1907,

- (a) the company carries on the trade jointly with other persons,
 - (b) under the law of a territory outside the United Kingdom, the company is not entitled to take part in the management of the trade, and
 - (c) under that law, the company is not liable beyond a certain limit for debts or obligations incurred for the purposes of the trade.
- (4) In the case of a company which is a limited partner as a result of subsection (1)(c), references in sections 56 and 57 to the firm are to be read as references to the relationship between the company and the other persons mentioned in subsection (3)(a).

Members of LLPs

59 Restriction on relief for members of LLPs

- (1) This section applies if—
- (a) a company carries on a trade (“the LLP trade”) as a member of an LLP at any time in an accounting period, and

- (a) under section 37 (relief for trade losses against total profits) other than against profits of the LLP trade, or
 - (b) under Part 5 (group relief).
- (3) The restriction is that the sum of—
- (a) the amount of the relief given, and
 - (b) the total amount of all other relief within subsection (4),
- must not exceed the company's contribution to the LLP as at the time mentioned in subsection (5).
- (4) Relief is within this subsection if it is given under section 37 or Part 5 for a loss made in the LLP trade by the company in an accounting period at any time during which it carries on that trade as a member of an LLP.
- (5) The time mentioned in subsection (3) is—
- (a) the end of the loss-making period, or

CHAPTER 5

LOSSES ON DISPOSAL OF SHARES

Share loss relief against income

68 Share loss relief

- (1) A company which has subscribed for shares in a qualifying trading company is eligible for relief under this Chapter (“share loss relief”) if—
 - (a) it incurs an allowable loss (for the purposes of corporation tax on chargeable gains) on the disposal of the shares in any accounting period, and
 - (b) it meets the eligibility conditions (see section 69).
- (2) Subsection (1) applies only if the disposal of the shares is—
 - (a) by way of a bargain made at arm's length,
 - (b) by way of a distribution in the course of dissolving or winding up the qualifying trading company,
 - (c) a disposal within section 24(1) of TCGA 1992 (entire loss, destruction, dissipation or extinction of asset), or
 - (d) a deemed disposal under section 24(2) of that Act (claim that value of the asset has become negligible).
- (3) Subsection (1) does not apply to any allowable loss incurred on the disposal if—
 - (a) the shares are the subject of an exchange or arrangement of the kind mentioned in section 135 or 136 of TCGA 1992 (company reconstructions etc), and
 - (b) because of section 137 of that Act, the exchange or arrangement involves a disposal of the shares.
- (4) For the meaning of “qualifying trading company”, see section 78.

69 Eligibility conditions

- (1) These are the eligibility conditions mentioned in section 68(1)(b) that a company which has subscribed for shares in a qualifying trading company must meet to be eligible for share loss relief on the disposal of the shares.
- (2) Condition A is that the subscribing company (“the investor”) is an investment company on the date of the disposal of the shares (“the disposal date”).
- (3) Condition B is that the investor has been an investment company—
 - (a) for a continuous period of 6 years ending on the disposal date, or
 - (b) for a shorter continuous period ending on the disposal date and has not before the beginning of that period been a trading company or an excluded company (see section 90(1)).
- (4) Condition C is that the investor was not associated with, or a member of the same group as, the qualifying trading company at any time during the period—
 - (a) beginning with the date when the investor subscribed for the shares, and
 - (b) ending with the disposal date.
- (5) For the purposes of condition C, two companies are associated with each other if—

- (a) one controls the other, or
 - (b) both are under the control of the same person or persons.
- (6) Sections 450 and 451 (which contain provision as to when a person is to be taken to have control of a company) apply for the purposes of subsection (5).

70 Entitlement to claim

- (1) This section applies where a company is eligible for share loss relief.
- (2) The company may make a claim for the loss to be deducted in calculating for corporation tax purposes the company's income—
- (a) for the accounting period in which the loss is incurred, and
 - (b) if the claim so requires, for previous accounting periods so far as they fall (wholly or partly) within the period of 12 months ending immediately before the beginning of the accounting period in which the loss is incurred.
- (3) The company may make a claim under subsection (2)(b) for any accounting period only if the company was an investment company throughout that period.
- (4) A claim for share loss relief must be made before the end of the period of two years after the end of the accounting period in which the loss is incurred.

71 How relief works

- (1) This subsection explains how deductions in respect of share loss relief claimed by a company under section 70 are to be made.

Step 1

Deduct the loss in calculating the company's income for the accounting period in which the loss is incurred.

Step 2

If not all of the loss can be deducted at Step 1, deduct the remaining loss in calculating the company's income for any accounting period falling (wholly or partly) within the 12 month period that ends immediately before the beginning of the accounting period in which the loss is incurred.

- (2) The amount of a deduction to be made at Step 2 for any accounting period is the amount of the loss so far as it cannot be deducted under subsection (1) for a subsequent accounting period.
- (3) Subsection (1) is subject to sections 72, 74(5) and 75 (which set limits on the amount of share loss relief that may be obtained in particular cases).
- (4) A deduction at Step 2 from the income of an accounting period may be made only after all other deductions have been made from the income for that period in respect of share loss relief given for an earlier loss.
- (5) Deductions made on the basis of relief claimed under Part 7 of Schedule 15 to FA 2000 (relief for losses on disposal of shares to which investment relief is attributable) must, in accordance with paragraph 70 of that Schedule, be made before making deductions for share loss relief.

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (6) A claim for share loss relief does not affect any claim for a deduction under TCGA 1992 for so much of the allowable loss as is not deducted under subsection (1).

72 Limit on deduction if accounting period falls partly within 12 month period

- (1) This section applies if an accounting period falls partly within the period of 12 months ending immediately before the beginning of the accounting period in which the loss is incurred.
- (2) The amount of the deduction under Step 2 in section 71(1) for the accounting period is not to exceed an amount equal to the overlapping proportion of the company's income of that period.
- (3) The overlapping proportion is the same as the proportion that the part of the accounting period falling within the 12 month period mentioned in subsection (1) bears to the whole of the accounting period.

Shares: subscription and disposal

73 Subscription for shares

- (1) This section has effect for the purposes of this Chapter.
- (2) A company subscribes for shares in another company if they are issued to the company by the other company in consideration of money or money's worth.
- (3) If—
 - (a) a company has subscribed for, or is treated under this subsection as having subscribed for, any shares, and
 - (b) any corresponding bonus shares are subsequently issued to the company, the company is treated as having subscribed for the bonus shares.
- (4) If—
 - (a) a company subscribed for any shares (“the original shares”) on a particular date, and
 - (b) any corresponding bonus shares are treated as having been subscribed for by the company under subsection (3), the company is treated as having subscribed for the bonus shares on that date.

74 Disposals of new shares

- (1) This section applies if—
 - (a) a company disposes of shares (“the new shares”), and
 - (b) the new shares are, by virtue of section 127 of TCGA 1992 (reorganisation etc treated as not involving disposal), identified with other shares (“the old shares”) previously held by the company.
- (2) The company is not eligible for share loss relief on the disposal of the new shares unless condition A or B is met.

This is subject to section 87(3).

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (3) Condition A is that the company would have been eligible for share loss relief on a disposal of the old shares—
 - (a) if the company had incurred an allowable loss in disposing of them by way of a bargain made at arm's length on the occasion of the disposal that would have occurred but for section 127 of TCGA 1992, and
 - (b) where applicable, if this Chapter had then been in force.
- (4) Condition B is that the company gave for the new shares consideration in money or money's worth other than consideration of the kind mentioned in paragraph (a) or (b) of section 128(2) of TCGA 1992 (“new consideration”).
- (5) If the company relies on condition B, the amount of share loss relief on the disposal of the new shares must not exceed the amount or value of the new consideration taken into account as a deduction in calculating the amount of the loss incurred on the disposal.

75 Limits on relief

- (1) Subsection (2) applies if—
 - (a) a company disposes of any shares for which it has subscribed in a qualifying trading company (“qualifying shares”),
 - (b) those shares either—
 - (i) form part of a section 104 holding or a 1982 holding at the time of the disposal, or
 - (ii) formed part of such a holding at an earlier time, and
 - (c) the company makes a claim under section 70 in respect of a loss incurred on the disposal.
- (2) The amount of share loss relief on the disposal is not to exceed the sums that would be allowed as deductions in calculating the amount of the loss if the qualifying shares had not formed part of the holding.
- (3) Subsection (4) applies if—
 - (a) a company disposes of any qualifying shares,
 - (b) the qualifying shares, and other shares that are not capable of being qualifying shares, are for the purposes of TCGA 1992 to be treated as acquired by a single transaction by virtue of section 105(1)(a) of that Act (disposal of shares acquired on same day etc), and
 - (c) the company makes a claim under section 70 in respect of a loss incurred on the disposal.
- (4) The amount of share loss relief on the disposal is not to exceed the sums that would be allowed as deductions in calculating the amount of the loss if—
 - (a) the qualifying shares were to be treated as acquired by a single transaction, and
 - (b) the other shares were not to be so treated.
- (5) Subsection (6) applies if—
 - (a) a company (“the investor”) disposes of any qualifying shares,
 - (b) the qualifying shares (taken as a single asset), and other shares in the same company that are not capable of being qualifying shares (taken as a single asset), are for the purposes of TCGA 1992 to be treated as the same asset by virtue of section 127 of that Act (reorganisation etc treated as not involving disposal), and

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (c) the investor makes a claim under section 70 in respect of a loss incurred on the disposal.

References in this subsection and subsection (6) to other shares in the same company include debentures of the same company.

- (6) The amount of share loss relief on the disposal is not to exceed the sums that would be allowed as deductions in calculating the amount of the loss if the qualifying shares and the other shares in the same company were not to be treated as the same asset.
- (7) In this section—
 “section 104 holding” has the meaning given by section 104(3) of TCGA 1992, and
 “1982 holding” has the meaning given by section 109(1) of that Act.
- (8) For the purposes of this section and section 76, shares are not capable of being qualifying shares at any time if—
 (a) the company concerned acquired the shares otherwise than by subscription,
 (b) condition C in section 78(4) was not met in relation to the issue of the shares, or
 (c) condition D in section 78(5) would not be met if the shares were disposed of at that time.
- (9) For the purposes of subsection (5), shares are not capable of being qualifying shares at any time if they are shares of a different class from the shares mentioned in paragraph (a) of that subsection.

76 Disposal of shares forming part of mixed holding

- (1) This section applies if a company disposes of shares forming part of a mixed holding of shares, that is, a holding of shares in a company which includes—
 (a) shares that are not capable of being qualifying shares, and
 (b) other shares.
- (2) Any question—
 (a) whether a disposal by the company of shares forming part of the mixed holding is of qualifying shares, or
 (b) as to which of any qualifying shares acquired by the company at different times such a disposal relates to,
 is to be determined as provided by the following provisions of this section.
- (3) Any such question as is mentioned in subsection (2) is to be determined—
 (a) except in a case falling within paragraph (b)—
 (i) in accordance with subsection (4), and
 (ii) in the case of shares which under that subsection are identified with the whole or any part of a section 104 holding or a 1982 holding, in accordance with subsection (5),
 (b) in the case of a mixed holding which includes any shares—
 (i) to which investment relief is attributable under Schedule 15 to FA 2000 (corporate venturing scheme), and
 (ii) which have been held continuously (within the meaning of paragraph 97 of that Schedule) from the time they were issued until the disposal,

Status: Point in time view as at 18/11/2015.

in accordance with subsection (6).

- (4) For the purposes of subsection (3)(a)(i), the question is to be determined by identifying the shares disposed of in accordance with sections 105 and 107 of TCGA 1992.
- (5) For the purposes of subsection (3)(a)(ii), the question is to be determined by treating the disposal and any previous disposal by the company out of the section 104 or 1982 holding as relating to shares acquired later rather than earlier.
- (6) For the purposes of subsection (3)(b), the question is to be determined—
 - (a) as provided by paragraph 93 of Schedule 15 to FA 2000 (identification of shares on a disposal of part of a holding where investment relief is attributable to any shares in the holding held continuously by the disposing company), but
 - (b) as if the references in that paragraph to a disposal had the same meaning as in the preceding provisions of this section.
- (7) Any such question as is mentioned in subsection (2) which cannot be determined as provided by subsections (3) to (6) is to be determined on a just and reasonable basis.
- (8) In this section “holding” means any number of shares of the same class held by one company in the same capacity, growing or diminishing as shares of that class are acquired or disposed of.

For this purpose shares are not to be treated as being of the same class unless they are so treated by the practice of a recognised stock exchange or would be so treated if dealt in on such an exchange.
- (9) In this section “section 104 holding”, “1982 holding” and “qualifying shares” have the same meaning as in section 75.

77 Section 76: supplementary

- (1) In a case to which section 127 of TCGA 1992 (reorganisation etc treated as not involving disposal) applies (including a case where that section applies by virtue of an enactment relating to chargeable gains), shares included in the new holding are treated for the purposes of section 76 as acquired when the original shares were acquired.
- (2) Any shares held or disposed of by a nominee or bare trustee for a company are treated for the purposes of section 76 as held or disposed of by that company.
- (3) In this section “new holding” and “original shares” have the same meaning as in section 127 of TCGA 1992 (or, as the case may be, that section as applied by the enactment concerned).

CHAPTER 3

SURRENDERS MADE BY NON-UK RESIDENT COMPANY RESIDENT OR TRADING IN THE EEA

Introduction

111 Overview of Chapter

- (1) This Chapter allows a non-UK resident company that is resident or carrying on a trade in the European Economic Area to surrender losses and other amounts it has for a period.
- (2) Section 113 sets out the basic provisions about the surrendering of losses and other amounts.
- (3) Sections 114 to 121 set out conditions that must be met if losses and other amounts are to be surrendered (see Step 2 in section 113(2)).
- (4) Sections 122 to 128 set out other rules, assumptions and exclusions (see Steps 3 and 5 in section 113(2)).

112 EEA related definitions

In this Chapter—

“EEA accounting period” means a period for which an EEA related company has a loss or other amount,

“EEA amount” has the meaning given under Step 1 of section 113(2),

“EEA related company” means a non-UK resident company that—

- (a) is resident in an EEA territory, or
- (b) is not resident in any EEA territory but is carrying on a trade in an EEA territory through a permanent establishment, and

“EEA territory”, in relation to any time, means a territory outside the United Kingdom that is within the European Economic Area at that time.

Basic provisions about surrendering losses and other amounts

113 Steps to determine extent to which loss etc can be surrendered

- (1) This section applies if an EEA related company has a loss or other amount for an EEA accounting period.
- (2) Take the following steps to determine the extent to which the EEA related company may surrender the loss or other amount under this Chapter.

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

Step 1

Determine the extent to which (if at all) the loss or other amount is eligible for corporation tax relief (apart from this Chapter). The loss or other amount may be surrendered only so far as it is not so eligible. A loss or other amount, so far as surrenderable under this Step, is referred to in this Chapter as an “EEA amount”.

Step 2

Determine the extent to which the EEA amount in question meets—

- (a) the equivalence condition (see section 114),
- (b) the EEA tax loss condition (see sections 115 and 116),
- (c) the qualifying loss condition (see sections 117 to 120), and
- (d) the precedence condition (see section 121).

References to “the qualifying part of the EEA amount” are references to the EEA amount so far as it meets all those conditions.

Step 3

Recalculate the EEA amount in accordance with section 128 using the assumptions set out in sections 123 to 126. The result is called “the recalculated EEA amount”.

Step 4

Determine the amount that may be surrendered. That amount is—

- (a) the qualifying part of the EEA amount, or
- (b) if less, an amount equal to the relevant proportion of the recalculated EEA amount.

If the recalculated EEA amount is an amount of income or other profits, the amount that may be surrendered is nil. “The relevant proportion” is the same as the proportion that the qualifying part of the EEA amount bears to the EEA amount.

Step 5

Determine the extent to which (if at all) the amount resulting from Step 4 is excluded by section 127. If any of that amount is excluded, reduce it accordingly.

- (3) If in recalculating the EEA amount at Step 3 it is to be assumed under section 125 that there are two or more accounting periods in relation to the EEA accounting period, the total of the amounts apportioned to the assumed accounting periods available for surrender under subsection (2) is not to exceed the qualifying part of the EEA amount.
- (4) Under paragraph 70(1) of Schedule 18 to FA 1998, an EEA related company surrenders an EEA amount, so far as eligible for surrender under this Chapter, by consenting to one or more claims for group relief in relation to the amount (see Requirement 1 in section 135).
- (5) In this Part, in relation to losses or other amounts that an EEA related company has for an EEA accounting period—
 - “the surrenderable amounts” means the losses or other amounts so far as eligible for surrender under this Chapter,
 - “surrendering company” means the company that has the losses or other amounts, and

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

“the surrender period” means the assumed accounting period under section 125 for which the company is taken to have the surrenderable amounts.

Conditions that must be met

114 The equivalence condition

An EEA amount meets the equivalence condition so far as it corresponds (in all material respects) to a loss or other amount within section 99(1)(a) to (g).

115 The EEA tax loss condition: companies resident in EEA territory

- (1) In the case of a surrendering company that is resident in an EEA territory (“the resident EEA territory”), an EEA amount meets the EEA tax loss condition so far as—
 - (a) subsection (2) applies to the amount, and
 - (b) the amount is not excluded by subsection (3).
- (2) This subsection applies to the EEA amount so far as it is calculated in accordance with the rules of the resident EEA territory that are applicable for determining, in the surrendering company's case, the amount of any loss or other amount eligible for relief from any non-UK tax (see section 187) chargeable under the law of the resident EEA territory.
- (3) The EEA amount is excluded so far as, for corporation tax purposes, it is attributable to a permanent establishment through which the surrendering company carries on a trade in the United Kingdom.

116 The EEA tax loss condition: companies not resident in EEA territory

- (1) In the case of a surrendering company that is not resident in any EEA territory but is carrying on a trade in an EEA territory (“the relevant EEA territory”) through a permanent establishment, an EEA amount meets the EEA tax loss condition so far as—
 - (a) subsection (2) applies to the amount, and
 - (b) the amount is not excluded by subsection (3).
- (2) This subsection applies to the EEA amount so far as it is calculated in accordance with the rules in the relevant EEA territory that are applicable for determining, in the surrendering company's case, the amount of any loss or other amount eligible for relief from any non-UK tax chargeable under the law of the relevant EEA territory.
- (3) The EEA amount is excluded so far as it is attributable to activities of the surrendering company that are subject to relieving arrangements.
- (4) “Relieving arrangements” means arrangements within subsection (5) that have the effect mentioned in subsection (6) (or would have that effect if a claim were made).
- (5) Arrangements are within this subsection if they are made with a view to affording relief from double taxation in relation to—
 - (a) any non-UK tax chargeable under the law of the relevant EEA territory and any non-UK tax chargeable under the law of any other territory, or
 - (b) any non-UK tax chargeable under the law of the relevant EEA territory and United Kingdom income or corporation tax.

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (6) The effect referred to in subsection (4) is that the income or gains arising for the EEA accounting period from the activities are ignored in calculating the surrendering company's profits, income or gains chargeable to non-UK tax under the law of the relevant EEA territory for that period.

117 The qualifying loss condition: general

- (1) An EEA amount meets the qualifying loss condition so far as sections 118, 119 and 120 apply to it.
- (2) In this section and sections 118 to 120, “the relevant EEA territory” means—
- (a) the EEA territory in which the surrendering company is resident, or
 - (b) (as the case may be) the EEA territory in which the surrendering company carries on a trade through a permanent establishment.
- (3) In sections 118 and 119 “relevant non-UK tax” means any non-UK tax chargeable under the law of the relevant EEA territory or any other resident territory.
- (4) A “resident territory” is—
- (a) if the surrendering company is resident in an EEA territory and is also resident in another territory outside the United Kingdom, that other territory, or
 - (b) if the surrendering company is not resident in any EEA territory, the territory (or territories) in which it is resident.

118 The qualifying loss condition: relief for current and previous periods

- (1) This section applies to an EEA amount so far as subsections (2) and (3) apply to it (but subject to subsection (4)).
- (2) This subsection applies to the EEA amount so far as, for the purposes of any relevant non-UK tax, the EEA amount cannot be taken into account in calculating any profits, income or gains that—
- (a) arise in the EEA accounting period or any previous period to the surrendering company or any other person, and
 - (b) are chargeable to that tax for the EEA accounting period or any previous period.
- (3) This subsection applies to the EEA amount so far as, for the purposes of any relevant non-UK tax, the EEA amount cannot be relieved in the EEA accounting period or any previous period—
- (a) by the payment of a credit,
 - (b) by the elimination or reduction of a tax liability, or
 - (c) in any other way.
- (4) This section applies to the EEA amount (or a part of it) only if every step is taken (whether by the surrendering company or any other person) to secure that the EEA amount (or part) is—
- (a) taken into account as mentioned in subsection (2), or
 - (b) relieved as mentioned in subsection (3).

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

119 The qualifying loss condition: relief for future periods

- (1) This section applies to an EEA amount so far as subsections (2) and (3) apply to it.
- (2) This subsection applies to the EEA amount so far as, for the purposes of any relevant non-UK tax, the EEA amount cannot be taken into account in calculating any profits, income or gains that—
 - (a) might arise in any period after the EEA accounting period to the surrendering company or any other person, and
 - (b) (if there were any) would be chargeable to that tax for any period after the EEA accounting period.
- (3) This subsection applies to the EEA amount so far as, for the purposes of any relevant non-UK tax, the EEA amount cannot be relieved in any period after the EEA accounting period—
 - (a) by the payment of a credit,
 - (b) by the elimination or reduction of a tax liability, or
 - (c) in any other way.
- (4) The determination as to the extent to which the EEA amount—
 - (a) cannot be taken into account as mentioned in subsection (2), or
 - (b) cannot be relieved as mentioned in subsection (3),
 is to be made as at the time immediately after the end of the EEA accounting period.

120 The qualifying loss condition: non-UK tax relief in another territory

- (1) This section applies to an EEA amount so far as it is not excluded by subsection (2) or (3).
- (2) The EEA amount is excluded so far as, for the purposes of any non-UK tax chargeable under the law of any territory other than the relevant EEA territory, it has been taken into account in calculating any profits, income or gains that—
 - (a) have arisen in any period to the surrendering company or any other person, and
 - (b) were chargeable to that tax for the period (or would have been so chargeable had the EEA amount not been so taken into account).
- (3) The EEA amount is excluded so far as, for the purposes of any non-UK tax chargeable under the law of any territory other than the relevant EEA territory, it has been relieved in any period—
 - (a) by the payment of a credit,
 - (b) by the elimination or reduction of a tax liability, or
 - (c) in any other way.

121 The precedence condition

- (1) An EEA amount meets the precedence condition so far as no relief can be given for it in any territory which—
 - (a) is outside the United Kingdom,
 - (b) is not the relevant EEA territory (as defined by section 117(2)), and
 - (c) is within subsection (2).
- (2) A territory is within this subsection if—

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (a) a company resident in the territory owns (directly or indirectly) ordinary share capital in the surrendering company,
 - (b) a UK resident company owns (directly or indirectly) ordinary share capital in the company resident in the territory,
 - (c) the surrendering company is a 75% subsidiary of the UK resident company, and
 - (d) the surrendering company is not such a subsidiary as a result of its being a 75% subsidiary of another UK resident company.
- (3) In subsection (1) the reference to relief being given in any territory is a reference to relief being given—
- (a) by taking the EEA amount (or a part of it) into account in calculating any profits, income or gains of any person chargeable to non-UK tax under the law of the territory,
 - (b) by the payment of a credit to any person under that law,
 - (c) by the elimination or reduction of a tax liability of any person under that law, or
 - (d) in any other way.
- (4) Chapter 5 explains how to determine if a company is a 75% subsidiary of another company.

Other rules, assumptions and exclusions

122 Assumptions to be made in recalculating EEA amount

Sections 123 to 126 apply for the purpose of recalculating the EEA amount at Step 3 in section 113.

123 Assumptions as to UK residence

- (1) Assume that the surrendering company is UK resident throughout the EEA accounting period.
- (2) But this does not require it to be assumed—
 - (a) that there is any change in the place or places at which the surrendering company carries on its activities (although see section 124), or
 - (b) that the surrendering company ceases to be UK resident at the end of the EEA accounting period.
- (3) Assume that the surrendering company becomes UK resident (and, therefore, within the charge to corporation tax) at the beginning of the EEA accounting period.

124 Assumptions as to places in which activities carried on

- (1) If during the EEA accounting period the surrendering company carries on a trade wholly or partly in the relevant EEA territory, assume that the trade is carried on wholly or partly in the United Kingdom.
- (2) If the surrendering company holds any estate, interest or rights in or over land in the relevant EEA territory, assume that the land is in the United Kingdom.

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (3) For the purposes of subsection (2) the reference to holding an estate, interest or rights in or over land in the relevant EEA territory is to be read so as to produce the result that most closely corresponds with that produced by applying those concepts of law in relation to a UK property business or land in the United Kingdom.
- (4) In this section “the relevant EEA territory” means—
- (a) the EEA territory in which the surrendering company is resident, or
 - (b) (as the case may be) the EEA territory in which the surrendering company carries on a trade through a permanent establishment.

125 Assumptions as to accounting periods

- (1) Assume that an accounting period of the surrendering company begins at the beginning of the EEA accounting period.
- (2) Assume that the accounting period ends—
- (a) when the EEA accounting period ends, or
 - (b) if earlier, at the end of 12 months.
- (3) If the accounting period ends before the end of the EEA accounting period, assume that a further accounting period then begins and so on until the EEA accounting period ends.
- (4) Assume that any further accounting period ends—
- (a) at the end of 12 months, or
 - (b) if earlier, when the EEA accounting period ends.

126 Assumptions in relation to capital allowances

- (1) This section applies if, before the EEA accounting period, the surrendering company incurs capital expenditure on the provision of plant or machinery for the purposes of any activity.
- (2) For the purposes of Part 2 of CAA 2001 assume that the plant or machinery—
- (a) was provided for purposes wholly other than those of the activity, and
 - (b) was not brought into use for the purposes of the activity until the beginning of the EEA accounting period,
- and section 13 of CAA 2001 is to apply accordingly.
- (3) This section is to be read as if contained in Part 2 of CAA 2001.

127 Amounts excluded because of certain arrangements

- (1) An amount (or part of an amount) resulting from Step 4 in section 113 is excluded if—
- (a) it is not attributable for corporation tax purposes to any permanent establishment through which the surrendering company carries on a trade in the United Kingdom, and
 - (b) the following condition is met.
- (2) The condition is that the amount (or part)—
- (a) would not have resulted from Step 4 but for any arrangements within subsection (3), or

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (b) would not have arisen to the surrendering company but for any such arrangements.
- (3) Arrangements are within this subsection if their main purpose, or one of their main purposes, is to secure that the amount (or part) may be surrendered for the purposes of group relief.
- (4) “Arrangements” includes any agreement, understanding, scheme, transaction or series of transactions (whether or not legally enforceable).

128 Rules for recalculating EEA amount

- (1) For the purposes of Step 3 in section 113 the EEA amount is to be recalculated in accordance with any provision made by or under the Corporation Tax Acts—
 - (a) that applies for the purpose of calculating for corporation tax purposes losses or other amounts to which the EEA amount corresponds, or
 - (b) that otherwise affects in any way the amount of those losses or other amounts that is eligible for corporation tax relief.
- (2) For the purposes of subsection (1) the Treasury may by regulations provide for the modification of any provision made by or under the Corporation Tax Acts—
 - (a) that applies as mentioned in subsection (1)(a), or
 - (b) that otherwise affects an amount as mentioned in subsection (1)(b).
- (3) Regulations under subsection (2) may make provision in relation to—
 - (a) all classes of trade or business, or
 - (b) any particular class or classes of trade or business.
- (4) Regulations under subsection (2) may—
 - (a) make different provision for different cases or different purposes,
 - (b) contain incidental, supplemental, consequential and transitional provision and savings, and
 - (c) make provision having retrospective effect.

Surrenderable amounts under Chapter 3

135 Group relief claims on amounts surrenderable under Chapter 3

- (1) This section applies in relation to the surrendering company's surrenderable amounts for the surrender period under Chapter 3.
- (2) A company (“the claimant company”) may make a claim for group relief for an accounting period (“the claim period”) in relation to those amounts (in whole or in part) if the following requirements are met.

Requirement 1

The surrendering company consents to the claim.

Requirement 2

There is a period (“the overlapping period”) that is common to the claim period and the surrender period.

Requirement 3

The EEA group condition is met (see section 136) at a time during the overlapping period.

- (3) More than one company may make a claim for group relief in relation to any surrenderable amounts (but the giving of group relief in relation to any claim is subject to the provisions of this Chapter).

136 The EEA group condition

- (1) The EEA group condition is met if subsection (2) or (3) applies.
- (2) This subsection applies if—
 - (a) the surrendering company is a 75% subsidiary of the claimant company, and

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (b) the claimant company is UK resident.
- (3) This subsection applies if—
 - (a) both the surrendering company and the claimant company are 75% subsidiaries of a third company, and
 - (b) the third company is UK resident.
- (4) Chapter 5 explains how to determine if a company is a 75% subsidiary of another company.

Giving of group relief

137 Deduction from total profits

- (1) If the claimant company makes a claim as mentioned in section 130 or 135, the group relief is given by the making of a deduction from the claimant company's total profits of the claim period.
- (2) The amount of the deduction is—
 - (a) an amount equal to the surrendering company's surrenderable amounts for the surrender period, or
 - (b) if the claim is in relation to only part of those amounts, an amount equal to that part.
- (3) Subsection (2) is subject to—
 - (a) subsections (4) to (7),
 - (b) the limitation set out in sections 138 to 142 that applies in relation to all claims for group relief,
 - (c) the limitations set out in sections 143 to 149 that apply in relation to claims based on consortium condition 1, consortium condition 2 or consortium condition 3,
 - (d) Chapter 3 of Part 4 (relief in cases involving trading losses made in limited partnerships or limited liability partnerships), and
 - (e) section 305(1) (group relief in cases involving oil activities etc).
- (4) The deduction is to be made—
 - (a) before deductions for relief within subsection (5), but
 - (b) after all other deductions to be made at Step 2 in section 4(2) (apart from deductions for group relief on other claims).
- (5) The deductions within this subsection are deductions for relief—
 - (a) under section 37 in relation to a loss made in an accounting period after the claim period,
 - (b) under section 260(3) of CAA 2001 in relation to capital allowances for an accounting period after the claim period, and
 - (c) under section 389 or 459 of CTA 2009 in relation to a deficit for a deficit period after the claim period.
- (6) For the purposes of subsection (4)(b) it is to be assumed that the claimant company has claimed all relief available to it for the claim period under section 37 of this Act or section 260(3) of CAA 2001.

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (7) Corporation tax relief is not to be given more than once for the same amount, whether—
- (a) by giving group relief and by giving some other relief (for any accounting period) to the surrendering company, or
 - (b) by giving group relief more than once.

General limitation on amount of group relief to be given

138 Limitation on amount of group relief applying to all claims

The amount of group relief to be given on a claim (“the current claim”) is limited to—

- (a) the unused part of the surrenderable amounts (see section 139), or
- (b) if less, the unrelieved part of the claimant company's available total profits of the claim period (see section 140).

139 Unused part of the surrenderable amounts

- (1) The unused part of the surrenderable amounts is the amount equal to—
- (a) the surrenderable amount for the overlapping period (see subsection (2)), less
 - (b) the amount of prior surrenders for that period (see subsections (3) to (5)).

- (2) To determine the surrenderable amount for the overlapping period—
- (a) take the proportion of the surrender period included in the overlapping period, and
 - (b) apply that proportion to the surrenderable amounts for the surrender period.

The surrenderable amount for the overlapping period is the amount given as a result of paragraph (b).

- (3) To determine the amount of prior surrenders for the overlapping period—
- (a) identify any prior claims for the purposes of this section (see subsection (4)), and
 - (b) take the steps set out in subsection (5) in relation to each such claim.

The amount of prior surrenders for the overlapping period is the total of the previously used amounts given at Step 3 in subsection (5) for all the prior claims.

- (4) A claim is a prior claim for the purposes of this section if—
- (a) it is a claim by any company for group relief in respect of the whole or a part of the amounts that, in relation to the current claim, are the surrendering company's surrenderable amounts for the surrender period,
 - (b) it is made before the current claim, and
 - (c) it has not been withdrawn.

- (5) These are the steps referred to in subsection (3)(b) to be taken in relation to each prior claim.

Step 1

Identify the overlapping period for the prior claim.

Step 2

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

Identify any period that is common to the overlapping period for the current claim and the overlapping period for the prior claim. If there is a common period, go to Step 3. If there is no common period, there is no previously used amount in relation to the prior claim (and ignore Step 3).

Step 3

Determine the previously used amount of group relief in relation to the prior claim (see subsection (6)).

- (6) To determine the previously used amount of group relief in relation to a prior claim—
- (a) take the proportion of the overlapping period for the prior claim that is included in the common period identified at Step 2 in relation to that claim, and
 - (b) apply that proportion to the amount of group relief given on the prior claim.
- The previously used amount of group relief in relation to the prior claim is the amount given as a result of paragraph (b).
- (7) For the meaning of “the overlapping period” see section 142.

140 Unrelieved part of claimant company's available total profits

- (1) The unrelieved part of the claimant company's available total profits of the claim period is the amount equal to—
- (a) the company's available total profits for the overlapping period (see subsection (2)), less
 - (b) the amount of previously claimed group relief for that period (see subsection (3)).
- (2) To determine the available total profits for the overlapping period—
- (a) take the proportion of the claim period included in the overlapping period, and
 - (b) apply that proportion to the available total profits of the claim period.
- The available total profits for the overlapping period is the amount given as a result of paragraph (b).
- (3) To determine the amount of previously claimed group relief for the overlapping period—
- (a) identify any prior claims for the purposes of this section (see subsection (4)), and
 - (b) take the steps set out in subsection (5) in relation to each such claim.
- The amount of previously claimed group relief for the overlapping period is the total of the previously claimed amounts given at Step 3 in subsection (5) for all the prior claims.
- (4) A claim is a prior claim for the purposes of this section if—
- (a) it is a claim by the claimant company for group relief which would be given by way of a deduction from the company's total profits of the claim period,
 - (b) it is made before the current claim, and
 - (c) it has not been withdrawn.
- (5) These are the steps referred to in subsection (3)(b) to be taken in relation to each prior claim.

Step 1

Identify the overlapping period for the prior claim.

Step 2

Identify any period that is common to the overlapping period for the current claim and the overlapping period for the prior claim. If there is a common period, go to Step 3. If there is no common period, there is no previously claimed amount in relation to the prior claim (and ignore Step 3).

Step 3

Determine the previously claimed amount of group relief in relation to the prior claim (see subsection (6)).

- (6) To determine the previously claimed amount of group relief in relation to a prior claim—
- (a) take the proportion of the overlapping period for the prior claim that is included in the common period identified at Step 2 in relation to that claim, and
 - (b) apply that proportion to the amount of group relief given on the prior claim.
- The previously claimed amount of group relief in relation to the prior claim is the amount given as a result of paragraph (b).
- (7) In this section references to the claimant company's "available total profits" are references to its total profits after the deductions mentioned in section 137(4)(b).
- (8) Further, if the claimant company is non-UK resident its available total profits do not include any part of its total profits that arise from activities that are double taxation exempt for the claim period (see section 186) (so far as those profits are not covered by the deductions mentioned in section 137(4)(b)).
- (9) For the meaning of "the overlapping period" see section 142.

141 Sections 139 and 140: supplementary

- (1) If two or more claims for group relief are made at the same time, for the purposes of sections 139 and 140 treat the claims as made—
- (a) in such order as the company making them may elect or the companies making them may jointly elect, or
 - (b) if no such election is made, in such order as an officer of Revenue and Customs may direct.
- (2) For the purposes of Step 3 in subsection (5) of each of sections 139 and 140 the amount of group relief given on a prior claim is determined on the basis that relief is given on the claim before it is given on any later claim.
- (3) If the use of the proportion mentioned in section 139(2) or (6), or in section 140(2) or (6), would, in the circumstances of a particular case, produce a result that is unjust or unreasonable, the proportion is to be modified so far as necessary to produce a result that is just and reasonable.

CHAPTER 5

SUBSIDIARIES, GROUPS AND CONSORTIUMS

Introduction

150 Overview of Chapter

- (1) This Chapter explains how to determine if a company—
- (a) is a 75% or 90% subsidiary of another company (see section 151),
 - (b) is a member of a group of companies (see section 152),
 - (c) is owned by a consortium (see section 153), or
 - (d) is a member of a consortium (see section 153).
- (2) Sections 154 to 156 qualify those explanations in cases involving transfers of companies.

Explanations of terms

151 Meaning of “75% subsidiary” and “90% subsidiary”

- (1) In this Part “75% subsidiary” and “90% subsidiary” are to be read in accordance with Chapter 3 of Part 24, but subject to subsections (2) to (4).
- (2) In applying the definition of “75% subsidiary” in section 1154(3), share capital of a ^{F102}registered society] is to be treated as if it were ordinary share capital.
- (3) If—
- (a) a company (“the shareholder”) directly owns shares in another company, and
 - (b) a profit on the sale of those shares would be a trading receipt of the shareholder,
- the shareholder is treated as not being the owner of those shares for the purpose of determining if any company is a 75% subsidiary of any other company.
- (4) If a company (“the subsidiary”) would, apart from this subsection, be treated as a 75% or 90% subsidiary of another company (“the parent”) at any time, the subsidiary is not to be so treated unless at that time the parent—
- (a) is beneficially entitled to at least 75% or 90% (as the case may be) of any profits available for distribution to equity holders of the subsidiary (see Chapter 6), and

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (b) would be beneficially entitled to at least 75% or 90% (as the case may be) of any assets of the subsidiary available for distribution to such equity holders on a winding up (see Chapter 6).

Company's entitlement to profits or assets available for distribution: basic provisions

165 Proportion of profits available for distribution to which company is entitled

- (1) This section applies for the purpose of determining the proportion to which a company (“company A”) is, at any time, beneficially entitled of any profits available for distribution to the equity holders of another company (“company B”).
- (2) The proportion is the proportion to which company A would, at that time, be beneficially entitled on a distribution in money to the equity holders of company B (“the profit distribution”) of—
 - (a) an amount of profits equal to company B's total profits of the relevant accounting period (see section 168), or
 - (b) if there are no such total profits, profits of £100.
- (3) It does not matter for the purposes of subsection (2) if any of company B's total profits are not actually distributed.
- (4) If company B is non-UK resident, company B's total profits are to be calculated as if it were UK resident.
- (5) For the purposes of the profit distribution, it is to be assumed that no payment is made by way of repayment of share capital or of the principal secured by any loan unless that payment is a distribution.

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (6) Subject to subsection (5), if an equity holder is entitled as such to a payment which (apart from this subsection) would not be a distribution, the equity holder is nevertheless to be treated as entitled to the payment on the profit distribution.

166 Proportion of assets available for distribution to which company is entitled

- (1) This section applies for the purpose of determining the proportion to which a company (“company A”) would, at any time, be beneficially entitled of any assets available for distribution to the equity holders of another company (“company B”) on a winding up.
- (2) The proportion is the proportion to which company A would, at that time, be beneficially entitled if company B were to be wound up and on that winding up (“the notional winding up”) the value of assets available for distribution to company B’s equity holders were equal to—
- (a) the assets amount minus the liabilities amount, or
 - (b) if the assets amount does not exceed the liabilities amount or if company B’s balance sheet is prepared to a date other than the end of the relevant accounting period (see section 168), £100.
- (3) The “assets amount” is the amount of company B’s assets as shown in its balance sheet as at the end of the relevant accounting period.
- (4) The “liabilities amount” is the amount of company B’s liabilities as shown in that balance sheet but excluding liabilities to equity holders as such.
- (5) If, on the notional winding up, an equity holder would be entitled as such to an amount of assets which (apart from this subsection) would not be a distribution of assets, the equity holder is nevertheless treated as entitled to the amount on the distribution of assets on the notional winding up.
- (6) Subsection (7) applies if—
- (a) an equity holder (“E”) of company B provided new consideration for any shares or securities in company B in relation to which E is an equity holder,
 - (b) company B makes a loan to E or any person connected with E or acquires shares or securities in E or any person so connected, and
 - (c) in making that loan or acquiring those shares or securities, company B applies, directly or indirectly, an amount (“the returned amount”) corresponding to the whole or any part of the new consideration.
- (7) The following amounts are to be reduced by the returned amount—
- (a) the assets amount, and
 - (b) the amount of assets to which E is beneficially entitled on the notional winding up.

170 Shares or securities with limited rights

- (1) This section applies if, at the relevant time, one or more of the participating equity holders holds, as such, shares or securities with distribution rights that are limited (wholly or partly) by reference to a specified amount or amounts.
- (2) Determine what company A's proportion would be if all those distribution rights were waived so far as they are so limited.
The result is referred to as “the alternative proportion”.
- (3) If the alternative proportion is less than what company A's proportion would be ignoring this section, then company A's proportion is taken to be the alternative proportion.
- (4) Subsection (3) is subject to sections 175, 176, 178 and 180.

- (a) effect were to be given to the arrangements, and
 - (b) the profit distribution were to be made, or the notional winding up were to occur, at a time after the relevant accounting period,
- then, as a result of effect being given to the arrangements, the equity holder's entitlement at that time would be different from the equity holder's entitlement at the relevant time.
- (4) The references in subsections (2) and (3) to the equity holder's entitlement at a time are references to the proportion to which the equity holder would be beneficially entitled (as the case may be)—

174 Company A's proportion if option arrangements in place

Step 2

For this purpose it does not matter if an option right cannot actually become effective at or before the relevant time.

- (b) determine what company A's proportion would be if those rights and duties were the rights and duties of the participating equity holders at the relevant time.

Step 4

Identify the lowest proportion determined under paragraph (b) of Step 3. That proportion is referred to as “the alternative proportion”.

- (2) If the alternative proportion is less than what company A's proportion would be ignoring this section, then company A's proportion is taken to be the alternative proportion.
- (3) Subsection (2) is subject to sections 176 to 178 and 180.

(1) If the surrendering company or the claimant company is non-UK resident at the relevant time, section 180 applies as mentioned in subsections (2) and (3) in the cases set out in subsection (4).

(2) Section 180 applies in the application of this Chapter for the purposes of sections 143(3)(b) and (c) and 144(3)(b) and (c) if the non-UK resident company is owned by the consortium at the relevant time.

Case 2

or to what extent, the profits or assets distributed are referable to company B's UK trade.

180 Company A's proportion if non-UK resident involved

- (1) If this section applies—
 - (a) go to subsection (2) if the case is one in which none of sections 170, 172 and 174 applies, and
 - (b) go to subsection (3) if the case is one in which any of sections 170, 172, and 174 applies.
- (2) If the case is as mentioned in subsection (1)(a)—
 - (a) determine what company A's proportion would be using the assumptions set out in section 181, and
 - (b) if the proportion so determined (“the alternative proportion”) is less than what company A's proportion would be ignoring this section, then company A's proportion is taken to be the alternative proportion.
- (3) If the case is as mentioned in subsection (1)(b), take the following steps.

Step 1

Determine, in each way required by the applicable sections, what company A's proportion would be ignoring this section. A proportion determined at this step is referred to as a “normal proportion”.

Step 2

Determine, in each way required by the applicable sections, what company A's proportion would be using the assumptions set out in section 181. A proportion determined at this step is referred to as a “section 181 proportion”.

Step 3

If a section 181 proportion determined in a required way is less than the normal proportion determined in that way, for the purposes of the applicable sections use the section 181 proportion instead of the normal proportion.

- (4) In subsection (3) “the applicable sections” means any of sections 170, 172 and 174 that applies in the case mentioned in subsection (1)(b), together with whichever (if any) of sections 175 to 178 that applies in that case.

181 Assumptions to be applied if non-UK resident company involved

- (1) The assumptions referred to in section 180 are as follows.

Assumption 1

The profit distribution or the distribution on the notional winding up is confined to a distribution of the profits or assets referable to company B's UK trade (see section 182).

Assumption 2

Section 165(2) (in the case of a profit distribution) is applied on the basis that the amount of company B's total profits referred to in that subsection does not exceed the amount of those profits referable to its UK trade.

Assumption 3

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

Section 166(3) and (4) (in the case of a distribution on a notional winding up) is applied on the basis that the amount of company B's assets and liabilities referred to in those subsections does not exceed the amount of those assets and liabilities referable to its UK trade.

Assumption 4

None of the ordinary equity holders has a beneficial entitlement to the profits or assets referable to company B's UK trade that is greater than the proportion of the distribution in question to which the equity holder would be beneficially entitled—

- (a) if Assumptions 1 to 3 were ignored, and
- (b) if it would otherwise be less, the distribution were £100.

- (2) In subsection (1) “ordinary equity holder” means an equity holder whose beneficial entitlement on the profit distribution or the distribution on the notional winding up does not differ according to whether or not, or the extent to which, the profits or assets distributed are referable to company B's UK trade.

182 Assets etc referable to UK trade

Profits, assets or liabilities of company B are referable to company B's UK trade so far as they—

- (a) are attributable to, or used for the purposes of, activities the income or chargeable gains from which are or (if there were any) would be brought into account in calculating company B's total profits of any accounting period, and
- (b) are not attributable to, or used for the purposes of, activities which are double taxation exempt for any accounting period (see section 186).

 - (c) inflated member-related expenditure is incurred by the company in that period.
- (2) For the purposes of section 189 (relief for qualifying charitable donations), the total amount of those qualifying payments is treated as reduced (but not below nil) by the total amount of that inflated member-related expenditure.
- (3) Subsection (4) applies if—
 - (a) the total amount of that expenditure exceeds the total amount of those payments, and
 - (b) the company made one or more qualifying payments to the club in an earlier accounting period ending not more than 6 years before the end of the current period.

- (5) If subsection (3)(b) applies in relation to more than one earlier accounting period—
 - (a) subsection (4) applies to treat amounts paid in later accounting periods as reduced in priority to amounts paid in earlier ones (until the excess is exhausted or all amounts have been reduced to nil), and
 - (b) in applying subsection (4) in relation to an accounting period, the reference to the excess is to be read as a reference to so much of it as exceeds the total amount of qualifying payments which, under that subsection, have previously been reduced to nil by the excess.
- (6) For the purposes of subsections (3) and (4), a reference to the total amount of qualifying payments made in an earlier accounting period is to the total amount of those payments after—

- (4) For the calculation of the relievable amount, see section 206.
- (5) If the qualifying investment is a qualifying interest in land, this section is subject to—
section 213 (certificates),

Status: Point in time view as at 18/11/2015.

205 Meaning of qualifying interest in land

- (1) In this Chapter “qualifying interest in land” means—
- (a) a freehold interest in land in the United Kingdom, or
 - (b) a leasehold interest in land in the United Kingdom which is a term of years absolute.

- (a) the whole of the beneficial interest, and
 - (b) an easement, servitude, right or privilege so far as benefiting the land in question.

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

V is the value of the net benefit to the charity at, or immediately after, the time when the disposal is made (whichever is less),

IC is the amount of the incidental costs of making the disposal to the company making it, and

B is the total value of any benefits received in consequence of making the disposal by the company making the disposal or a person connected with the company.

(2) If the disposal is at an undervalue, the relievable amount is given by the formula—

$$E + C - B$$

where—

E is the amount (if any) by which V (as defined in subsection (1)) exceeds the amount or value of the consideration for the disposal,

C is given by subsection (4), and

B is as defined in subsection (1).

(3) But if the amount given by the formula in subsection (1) or (2) is a negative amount, the relievable amount is nil.

(4) C is found as follows.

Step 1

Calculate the consideration for which the disposal is treated as made for the purposes of TCGA 1992 as a result of section 257(2)(a) of that Act (in case of disposal to charity etc, consideration to be such that no gain or loss accrues).

Step 2

Find the excess (if any) of the amount calculated at step 1 over the amount or value of the consideration for the disposal.

If there is such an excess, C is the amount of that excess or, if less, the amount of the incidental costs of making the disposal to the company making it.

If there is no such excess, C is nil.

(5) This section needs to be read with—

- (a) section 207 (incidental costs of making disposal),
- (b) section 208 (consideration), and
- (c) sections 209 to 212 (value of net benefit to charity).

207 Incidental costs of making disposal

Value of net benefit to charity

209 Value of net benefit to charity

- (1) For the purposes of this Chapter the value of the net benefit to a charity is—
- (a) the [^{F141}relevant] value of the qualifying investment, or
 - (b) if the charity is, or becomes, subject to a disposal-related obligation, the [^{F141}relevant] value of the qualifying investment reduced by the total amount of the disposal-related liabilities of the charity.

[^{F142}(1A) In subsection (1) “ relevant value ” means—

- (6) For the purposes of this section “an amount of insignificant value” means an amount which—

 - (b) the investor is eligible for and claims CITR in respect of those investments, and
 - (c) the investor receives value (other than value within section 249(1)(a)) which is received within the 6 year periods relating to two or more of those investments.
- (2) Sections 246, 247, 248 and 252 have effect in relation to each investment referred to in subsection (1)(c) as if the amount of the value received were reduced by multiplying it by the fraction—

$$\frac{A}{B}$$

where—

A is the appropriate amount in respect of the investment in question, and
 B is the sum of that amount and the appropriate amount or amounts in respect of the other investment or investments.

- (3) If the investment consists of a loan, the appropriate amount for the purposes of subsection (2) is—

- (2) For the purposes of calculating any CITR in respect of any securities or shares included in the continuing investment for any relevant accounting period, the amount subscribed for the securities or shares included in the continuing investment is treated as reduced by the amount of the value received.
- (3) For this purpose the “relevant” accounting periods are—
 - (a) any accounting period ending on or after the anniversary of the investment date immediately before the receipt of value, or
 - (b) if the value was received on an anniversary of the investment date, any accounting period ending on or after that anniversary.

253 Receipts of value by or from connected persons

In sections 246 to 252, if the context permits, references to the investor or the CDFI include references to any person who at any time in the 6 year period relating to the investment is connected with the investor or, as the case may be, the CDFI, whether or not the person is connected at the material time.

trading deficits. (If the amount given by this step is not greater than nil, no further steps are to be taken: see sections 269CA(3), 269CB(3) and 269CC(3).)

Step 2 Divide the amount given by step 1 into profits that are profits of a trade of the company (the company's "trade profits") and profits that are not profits of a trade of the company (the company's "non-trading profits").

Step 3 Calculate the proportion ("the trading proportion") of the amount given by step 1 that consists of the company's trade profits and the proportion ("the non-trading proportion") of that amount that consists of its non-trading profits.

Step 4 Calculate the sum of any amounts which can be relieved against the company's total profits for the accounting period (as calculated in accordance with step 1), ignoring the amount of any excluded deductions for the accounting period (see subsection (2)).

Step 5 Deduct the trading proportion of the amount given by step 4 from the company's trade profits for the accounting period. The amount given by this step is the company's relevant trading profits for the accounting period. If the amount given by this step is not greater than nil, the company's relevant trading profits for the accounting period are nil.

Step 6 Deduct the non-trading proportion of the amount given by step 4 from the company's non-trading profits for the accounting period. The amount given by this step is the company's relevant non-trading profits for the accounting period. If the amount given by this step is not greater than nil, the company's relevant non-trading profits for the accounting period are nil.

Step 7 The company's relevant profits for the accounting period are the sum of its relevant trading profits for the accounting period and its relevant non-trading profits for the accounting period.

- (2) The following are "excluded deductions" in relation to an accounting period ("the current accounting period")—
- (a) a deduction made in respect of pre-2015 carried-forward management expenses;
 - (b) a deduction for relief under section 37 (relief for trade losses against total profits) in relation to a loss made in an accounting period after the current accounting period;
 - (c) a deduction for relief under section 260(3) of CAA 2001 (special leasing of plant or machinery: carry-back of excess allowances) in relation to capital allowances for an accounting period after the current accounting period;
 - (d) a deduction for relief under section 459 of CTA 2009 (non-trading deficits from loan relationships) in relation to a deficit for a deficit period after the current accounting period.

- (a) company C is a member of a group,
 - (b) there are one or more other members of the group that have carried on a relevant regulated activity while a member of the group, and

company C's start-up period is the period beginning with the start-up day and ending with the relevant group period.

- (3) The “relevant group period”, in relation to a group, means the period of 5 years beginning with the earliest day on which any member of the group first began to carry on a relevant regulated activity.

 - (c) any of those members first began to carry on such an activity more than 5 years before the start-up day,

company C does not have a start-up period.

- (5) This subsection applies if—
- (a) on a day falling within company C's start-up period (“the relevant day”), company C becomes a member of a group,

Status: Point in time view as at 18/11/2015.

- (2) If a banking company to which this section applies has an amount of carried-forward loss allowance (see subsection (5)), the company may designate as unrestricted losses any losses which, in relation to any accounting period, would (in the absence of this section) be relevant carried-forward losses.
- (3) A loss designated under this section as an unrestricted loss is to be treated for the purposes of this Chapter as if it were not a relevant carried-forward loss.
- (4) The amount of losses which a company may designate at any time must not exceed the amount of carried-forward loss allowance which the company has at that time.

Status: Point in time view as at 18/11/2015.

 - (b) if earlier, the first day after the allocation on which a company tax return of the building society, or any of the relevant companies, is amended so as to include such a designation.

This is subject to subsection (5).

- (5) An officer of Revenue and Customs may provide that the statement of allocation may be given to HMRC on or before a later day specified by the officer.

 - (d) that amount is greater than the amount of carried-forward loss allowance which the building society could allocate under section 269CI.
- (2) In this section the “available carried-forward loss allowance” means the total of any amounts of carried-forward loss allowance which any member of the group, other than the designating company, has (see section 269CH(5)).
- (3) The building society may—
 - (a) allocate some or all of the available carried-forward loss allowance to the designating company, and

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

This is subject to subsection (6).

- (6) An officer of Revenue and Customs may provide that the revised statement of allocation may be given to HMRC on or before a later day specified by the officer.
- (7) An allocation made under subsection (3) is not effective unless the requirements of this section have been complied with.

- (2) Condition A is that—
- (a) the amount given by step 1 in section 269CD(1) as the total profits of a banking company for an accounting period includes profits which arise to the banking company as a result of any arrangements (“the tax arrangements”), and

- (6) The “tax value” of the tax arrangements is the total value of—
 - (a) the relevant corporation tax advantage, and
 - (b) any other economic benefits derived by—
 - (i) the banking company, or

The surcharge

269DA Surcharge on banking companies

- (1) If a company is a banking company in relation to an accounting period (a “chargeable accounting period”), a sum equal to 8% of its surcharge profits for the period, so far as they exceed its surcharge allowance for the period, is to be charged on the company as if it were an amount of corporation tax chargeable on the company.
- (2) For the purposes of this Chapter, a company's “surcharge profits” for a chargeable accounting period are—

$$TTP + NBGR + NBPLR + RTOG - NBTIG - RDEC$$

where—

“TTP” is the taxable total profits of the company of the chargeable accounting period;

“NBGR” is the amount (if any) of non-banking group relief that is given in determining those taxable total profits (see section 269DB);

“NBPLR” is the amount (if any) of non-banking or pre-2016 loss relief (see section 269DC);

 - (a) the company is a member of a group, and
 - (b) one or more other banking companies are members of that group.
- (4) Otherwise, a company's “surcharge allowance” for a chargeable accounting period is to be determined in accordance with section 269DJ.

Non-banking group relief

269DB Meaning of “non-banking group relief”

- (2) The surrendering company is an “EEA banking company”, in relation to the surrender period, if—
- (a) the group relief relates to surrenderable amounts under Chapter 3 of Part 5 (surrenders made by non-UK resident company resident or trading in the EEA), and
 - (b) condition A or B is met.
- (3) Condition A is that the surrendering company would be a banking company in relation to the surrender period if—

- (8) The definition of “initial storage” in section 12(1) of OTA 1975 applies for the purposes of this section.
- (9) But in its application for those purposes in relation to the company mentioned in subsection (5) and to oil won from any one oil field, that definition is to have effect as if the reference to the maximum daily production rate of oil for the field mentioned in that definition were to a share of that maximum daily production rate proportionate to that company's share of the oil won from that field.

CHAPTER 4

CALCULATION OF PROFITS

Oil valuation

280 Disposal to be valued by reference to section 2(5A) of OTA 1975

- (1) This section applies if each of conditions A to G is met.
- (2) Condition A is that oil is won from an oil field in the United Kingdom.
- (3) Condition B is that there is a disposal of the oil by a company.
- (4) Condition C is that the disposal is a disposal of the oil by the company crude in a sale at arm's length (as defined in paragraph 1 of Schedule 3 to OTA 1975).
- (5) Condition D is that the circumstances are such that the price received or receivable—
 - (a) falls to be taken into account under section 2(5)(a) of that Act in calculating for petroleum revenue tax purposes the assessable profit or allowable loss accruing to the company in a chargeable period from the oil field, or
 - (b) would fall to be so taken into account, had the oil field been a taxable field (as defined in section 185 of FA 1993).
- (6) Condition E is that the terms of the contract are such as are described in the opening words of section 2(5A) of OTA 1975 (transportation etc).
- (7) Condition F is that, but for subsection (9), the company is not entitled to a transportation allowance in respect of the oil in calculating ring fence profits.
- (8) Condition G is that the company does not claim a transportation allowance in respect of the oil in calculating for corporation tax purposes any profits that are not ring fence profits.
- (9) Section 2(5A) of OTA 1975 is to apply in determining the amount which the company is to bring into account for the purposes of the charge to corporation tax on income in respect of the disposal as it applies (or would apply) for petroleum revenue tax purposes.
- (10) In this section “transportation allowance”, in relation to any oil, means—
 - (a) a deduction in respect of the expense of transporting the oil as mentioned in the opening words of section 2(5A) of OTA 1975,
 - (b) a deduction in respect of any costs of or incidental to the transportation of the oil as so mentioned, or
 - (c) any such reduction in the price to be regarded as received or receivable for the oil as would result from the application of section 2(5A) of OTA 1975, if that provision applied for corporation tax purposes.

281 Valuation where market value taken into account under section 2 of OTA 1975

- (1) This section applies if a person disposes of oil in circumstances such that the market value of the oil—
 - (a) falls to be taken into account under section 2 of OTA 1975, otherwise than by virtue of paragraph 6 of Schedule 3 to that Act, in calculating for petroleum

Status: Point in time view as at 18/11/2015.

revenue tax purposes the assessable profit or allowable loss accruing to that person in a chargeable period from an oil field, or

- (b) would so fall but for section 10 of that Act.
- (2) For the purposes of the charge to corporation tax on income, the disposal of the oil, and its acquisition by the person to whom it was disposed of, are to be treated as having been for a consideration equal to the market value of the oil—
- (a) as so taken into account under section 2 of that Act, or
 - (b) as would have been so taken into account under that section but for section 10 of that Act.

282 Valuation where disposal not sale at arm's length

- (1) This section applies if conditions A, B and C are met.
- (2) Condition A is that a person disposes of oil acquired by the person—
 - (a) in the course of oil extraction activities carried on by the person, or
 - (b) as a result of oil rights held by the person.
- (3) Condition B is that the disposal is not a sale at arm's length (as defined in paragraph 1 of Schedule 3 to OTA 1975).
- (4) Condition C is that section 281 does not apply in relation to the disposal.
- (5) For the purposes of the charge to corporation tax on income, the disposal of the oil, and its acquisition by the person to whom it was disposed of, are to be treated as having been for a consideration equal to the market value of the oil.
- (6) Paragraphs 2 and 3A of Schedule 3 to OTA 1975 (definition of market value of oil including light gases) apply for the purposes of this section as they apply for the purposes of Part 1 of that Act, but with the following modifications.
- (7) Those modifications are that—
 - (a) any reference in paragraph 2 to the notional delivery day for the actual oil is to be read as a reference to the day on which the oil is disposed of as mentioned in this section, and
 - (b) paragraph 2(4) is to be treated as omitted.

283 Valuation where excess of nominated proceeds

- (1) This section applies if an excess of nominated proceeds for a chargeable period—
 - (a) is taken into account in calculating a company's profits under section 2(5)(e) of OTA 1975, or
 - (b) would have been so taken into account if the company were chargeable to tax under OTA 1975 in respect of an oil field.
- (2) For the purposes of the charge to corporation tax on income, the amount of the excess is to be added to the consideration which the company is treated as having received in respect of oil disposed of by it in the period.
- (3) For corporation tax purposes, that amount is to be available to the company as a deduction in calculating the profits of any trade which (whether because of section 279 or otherwise) does not consist of activities falling within the definition of “oil-related activities” in section 274.

Status: Point in time view as at 18/11/2015.

- (1) This section applies if conditions A and B are met.
- (2) Condition A is that a company makes a relevant appropriation of oil without disposing of it.
- (3) Condition B is that the company does so in circumstances such that the market value of the oil—
 - (a) falls to be taken into account under section 2 of OTA 1975 in calculating for petroleum revenue tax purposes the assessable profit or allowable loss accruing to it in a chargeable period from an oil field, or
 - (b) would so fall but for section 10 of that Act.
- (4) For the purposes of the charge to corporation tax on income, the company is to be treated as having, at the time of the appropriation—
 - (a) sold the oil in the course of the separate trade consisting of activities falling within the definition of “oil-related activities” in section 274, and
 - (b) purchased it in the course of the separate trade consisting of activities not so falling.
- (5) For those purposes, that sale and purchase is to be treated as having been at a price equal to the market value of the oil—
 - (a) as so taken into account under section 2 of OTA 1975, or
 - (b) as would have been so taken into account under that section but for section 10 of that Act.
- (6) In this section “relevant appropriation” has the meaning given by section 12(1) of OTA 1975.

285 Valuation where appropriation to refining etc

- (1) This section applies if conditions A, B and C are met.
- (2) Condition A is that a company appropriates oil acquired by it—
 - (a) in the course of oil extraction activities carried on by it, or
 - (b) as a result of oil rights held by it.
- (3) Condition B is that the oil is appropriated to refining or to any use except the production purposes of an oil field (as defined in section 12(1) of OTA 1975).
- (4) Condition C is that section 284 does not apply in relation to the appropriation.
- (5) For the purposes of the charge to corporation tax on income—
 - (a) the company is to be treated as having, at the time of the appropriation, sold and purchased the oil as mentioned in section 284(4)(a) and (b), and
 - (b) that sale and purchase is to be treated as having been at a price equal to the market value of the oil.
- (6) Paragraphs 2 and 3A of Schedule 3 to OTA 1975 (definition of market value of oil including light gases) apply for the purposes of this section as they apply for the purposes of Part 1 of that Act, but with the following modifications.

- (1) Debits may not be brought into account for the purposes of Part 5 of CTA 2009 (loan relationships) in respect of a company's loan relationships in any way that results in a reduction of what would otherwise be the company's ring fence profits, but this is subject to subsections (2) to (4).

Sale and lease-back

288 Sale and lease-back

- (1) This section applies if conditions A, B and C are met.
- (2) Condition A is that a company (“the seller”) carrying on a trade has disposed of—
 - (a) an asset which was used for the purposes of that trade, or
 - (b) an interest in such an asset.
- (3) Condition B is that the asset is used, under a lease, by the seller or a company associated with the seller (“the lessee”) for the purposes of a ring fence trade carried on by the lessee.
- (4) Condition C is that the lessee uses the asset before the end of the period of two years beginning with the disposal.
- (5) Subsection (6) applies to so much (if any) of the expenditure incurred by the lessee under the lease as—
 - (a) falls, in accordance with generally accepted accounting practice, to be treated in the accounts of the lessee as a finance charge, or
 - (b) falls, if the lease is a long funding operating lease, to be deductible in calculating the profits of the lessee for corporation tax purposes (after first making against any such expenditure any reductions falling to be made as a result of section 379 (lessee under long funding operating lease)).

But subsection (6) is subject to subsection (7).
- (6) The expenditure is not allowable in calculating for the purposes of Part 3 of CTA 2009 the profits of the ring fence trade.
- (7) Expenditure is not to be disallowed because of subsection (6) so far as the disposal mentioned in subsection (2) is made for a consideration which—
 - (a) is used to meet expenditure incurred by the seller in carrying on oil extraction activities or in acquiring oil rights otherwise than from a company associated with the seller, or
 - (b) is appropriated to meeting expenditure to be so incurred by the seller.
- (8) If any expenditure—

- (a) would, but for subsection (6), be allowable in calculating for the purposes of Part 3 of CTA 2009 the profits of the ring fence trade for an accounting period, but
 - (b) because of that subsection is not so allowable,
- the expenditure is to be brought into account for the purposes of Part 5 of CTA 2009 (loan relationships) as if it were a non-trading debit in respect of a loan relationship of the lessee for that period.
- (9) In this section—
- “long funding operating lease” means a long funding operating lease for the purposes of Part 2 of CAA 2001 (see section 70YI(1) of that Act), and
 - “lease”, in relation to an asset, has the same meaning as in Chapter 3 of Part 19 (see section 868).

Regional development grants

289 Reduction of expenditure by reference to regional development grant

- (1) This section applies if conditions A and B are met.
- (2) Condition A is that a person has incurred expenditure (by way of purchase, rent or otherwise) on the acquisition of an asset in a transaction to which paragraph 2 of Schedule 4 to OTA 1975 applies (transactions between connected persons or otherwise than at arm's length).
- (3) Condition B is that the expenditure incurred by the other person mentioned in that paragraph in acquiring, bringing into existence or enhancing the value of the asset as mentioned in that paragraph—
 - (a) has been or is to be met by a regional development grant, and
 - (b) falls (in whole or in part) to be taken into account under Part 2 or 6 of CAA 2001 (capital allowances relating to plant and machinery or research and development).
- (4) Subsection (5) applies for the purposes of the charge to corporation tax on the income arising from the activities of the person mentioned in subsection (2) which are treated by section 279 as a separate trade for those purposes.
- (5) The expenditure mentioned in subsection (2) is to be reduced by the amount of the regional development grant mentioned in subsection (3).
- (6) In this section “regional development grant” means a grant falling within section 534(1) of CAA 2001 (Northern Ireland regional development grant).

290 Adjustment as a result of regional development grant

- (1) This section applies if conditions A, B and C are met.
- (2) Condition A is that expenditure incurred by a company in relation to an asset in an accounting period (“the initial period”) has been or is to be met by a regional development grant.
- (3) Condition B is that, despite the provisions of section 534(2) and (3) of CAA 2001 (Northern Ireland regional development grants) and section 289 of this Act, in

Status: Point in time view as at 18/11/2015.

- (4) Condition C is that—
- (a) expenditure on the asset becomes allowable under section 3 or 4 of OTA 1975 in an accounting period (an “adjustment period”) subsequent to the initial period, or
 - (b) the proportion of any such expenditure which is allowable in an adjustment period is different as compared with the initial period.
- (5) There is to be redetermined for the purposes of subsections (7) and (8) the amount of the expenditure mentioned in subsection (2) which would have been taken into account as mentioned in subsection (3) if the circumstances mentioned in subsection (4) had existed in the initial period.
- (6) According to whether the amount as so redetermined is greater or less than the amount actually taken into account as mentioned in subsection (3), the difference is referred to in subsections (7) and (8) as the increase or the reduction in the allowance.
- (7) If there is an increase in the allowance, an amount of capital expenditure equal to the increase is to be treated, for the purposes of Part 2 or 6 of CAA 2001, as having been incurred by the company concerned in the adjustment period on an extension of, or addition to, the asset mentioned in subsection (2).
- (8) If there is a reduction in the allowance, the company concerned is to be treated, for the purpose of determining its liability to corporation tax, as having received in the adjustment period, as income of the trade in connection with which the expenditure mentioned in subsection (2) was incurred, a sum equal to the amount of the reduction in the allowance.
- (9) In this section “regional development grant” has the meaning given by section 289(6).

Tariff receipts etc

291 Tariff receipts etc

- (1) Subsection (5) applies to a sum which meets conditions A, B and C.
- (2) Condition A is that the sum constitutes a tariff receipt or tax-exempt tariffing receipt of a person who is a participator in an oil field.
- (3) Condition B is that the sum constitutes consideration in the nature of income rather than capital.
- (4) Condition C is that the sum would not, but for subsection (5), be treated as mentioned in that subsection.
- (5) The sum is to be treated as a receipt of the separate trade mentioned in section 279.
- (6) So far as they would not otherwise be so treated, the activities—
 - (a) of a participator in an oil field, or
 - (b) of a person connected with the participator,

in making available an asset in a way which gives rise to tariff receipts or tax-exempt tariffing receipts of the participator are to be treated for the purposes of this Part as oil extraction activities.

(7) In determining for the purposes of subsection (2) whether a sum constitutes a tariff receipt or tax-exempt tariffing receipt of a person who is a participator, no account may be taken of any sum which—

- (a) is in fact received or receivable by a person connected with the participator, and
- (b) constitutes a tariff receipt or tax-exempt tariffing receipt of the participator.

But in relation to the person by whom such a sum is actually received, subsection (2) has effect as if the person were a participator and as if condition A were met.

(8) References in this section to a person connected with a participator include a person with whom the person is associated, within the meaning of paragraph 11 of Schedule 2 to the Oil Taxation Act 1983, but section 1176(1) of this Act (meaning of “connected” persons) does not apply for the purposes of this section.

(9) In this section—

“tax-exempt tariffing receipt” has the meaning given by section 6A(2) of the Oil Taxation Act 1983, and

“tariff receipt” has the same meaning as in that Act.

Abandonment guarantees

292 [F175] Expenditure on abandonment guarantees

(1) Subsection (2) applies if, as a result of section 3(1)(hh) of OTA 1975 (obtaining abandonment guarantee), expenditure incurred by a participator in an oil field is allowable (in whole or in part) for petroleum revenue tax purposes under section 3 of that Act.

[F176](1A) Subsection (2) also applies if expenditure incurred by a participator in an oil field would be so allowable as a result of section 3(1)(hh) of that Act but for the fact that the oil field is a non-taxable oil field within the meaning of Part 3 of FA 1993 (see section 185 of that Act).]

(2) So far as [F177] the expenditure mentioned in subsection (1) or (1A) is or would be so allowable], it is to be allowed as a deduction in calculating the participator's ring fence income.

Abandonment expenditure

296 [F184 Introduction to section 297]

- (1) [F185 Section 297 applies] if—
- paragraph 2A of Schedule 5 to OTA 1975 applies, ^{F186} ..., and
 - the default payment falls (in whole or part) to be attributed to the contributing participator under paragraph 2A(2) of that Schedule [F187, or would fall to be so attributed if a claim under paragraph 2A(2) of that Schedule were made] .

[F188(1A) The condition in subsection (1)(b) is to be treated as met for the purposes of this section if it would be met but for the fact that the contributing participator is (or was) a participator in an oil field that is a non-taxable oil field within the meaning of Part 3 of FA 1993 (see section 185 of that Act).]

- (2) In section 297 “the additional abandonment expenditure” means the amount which is [F189 or would be] attributed to the contributing participator as mentioned in subsection (1)(b) (whether representing the whole or only part of the default payment).
- (3) In this Chapter “default payment”, “the defaulter” and “contributing participator” have the same meaning as in paragraph 2A of Schedule 5 to OTA 1975.

297 Relief for expenditure incurred by a participator in meeting defaulter's abandonment expenditure

- (1) Relief by way of capital allowance, or a deduction in calculating ring fence income, is to be available to the contributing participator in respect of the additional abandonment expenditure if any such relief or deduction would have been available to the defaulter if—
- the defaulter had incurred the additional abandonment expenditure, and
 - at the time that that expenditure was incurred the defaulter continued to carry on a ring fence trade.
- (2) The basis of qualification for or entitlement to any relief or deduction which is available to the contributing participator under this section is to be determined on the assumption that the conditions in subsection (1)(a) and (b) are met.

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (3) But, subject to subsection (2), any such relief or deduction is to be available in the same way as if the additional abandonment expenditure had been incurred by the contributing participator for the purposes of the ring fence trade carried on by the contributing participator.

298A Receipts arising from decommissioning

- (1) This section applies if—
- (a) a company that is or has been carrying on a ring fence trade (“the defaulter”) has defaulted on a liability under—
 - (i) a relevant agreement, or
 - (ii) an abandonment programme,
 to make a payment towards decommissioning expenditure,
 - (b) another company that is or has been carrying on a ring fence trade (“the contributing company”) pays an amount (“the relevant contribution”) in or towards meeting the whole or part of the default, and
 - (c) the amount of the relevant contribution is less than the sum of the amounts within subsection (2).
- (2) The amounts within this subsection are—
- (a) any payments made (directly or indirectly) to the contributing company by the guarantor under an abandonment guarantee as a result of the defaulter defaulting on the liability,
 - (b) any reimbursement payments, and
 - (c) any relief from tax which the contributing company obtains in respect of the relevant contribution.
- (3) The difference between—
- (a) the sum of the amounts within subsection (2), and

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

(“the relevant difference”) is to be treated as a receipt (in the nature of income) of the contributing company's ring fence trade for the relevant accounting period (see subsection (4)).

- (4) “The relevant accounting period” means the accounting period that includes the day on which the Secretary of State certifies that the relevant abandonment programme has been satisfactorily completed (“the certification date”).

This is subject to subsections (5) and (6).

- (5) If the contributing company has ceased to carry on the ring fence trade before the certification date, “the relevant accounting period” is the last accounting period of the trade.

- (6) If the contributing company has ceased to be within the charge to corporation tax in respect of the ring fence trade before the certification date, “the relevant accounting period” is the accounting period during or at the end of which the contributing company ceased to be within the charge to corporation tax in respect of the trade.

- (7) The relevant difference is to be determined—

- (a) in a case where subsection (5) or (6) applies, at the end of the calendar year in which the certification date falls, and
- (b) in any other case, at the end of the relevant accounting period.

- (8) In a case where subsection (5) or (6) applies, any corporation tax chargeable for the relevant accounting period by virtue of this section is due and payable as if it were corporation tax for an accounting period beginning with the certification date.

- (9) Any additional assessment to corporation tax required in order to take account of a receipt arising under this section may be made at any time not later than 4 years after the end of the calendar year in which the certification date falls.

- (10) In this section—

“abandonment programme” means an abandonment programme approved under Part 4 of the Petroleum Act 1998 (including such a programme as revised),

“decommissioning expenditure” has the meaning given by section 330C,

“the relevant abandonment programme” means the abandonment programme in respect of which the decommissioning expenditure mentioned in subsection (1)(a) was incurred, and

“relevant agreement” has the meaning given by section 104(5)(a) of FA 1991.]

Deduction of PRT in calculating income for corporation tax purposes

299 Deduction of PRT in calculating income for corporation tax purposes

- (1) This section applies if a participator in an oil field has paid any petroleum revenue tax with which the participator was chargeable for a chargeable period.

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (2) In calculating for corporation tax the amount of the participator's income arising from oil extraction activities or oil rights in the relevant accounting period, there is to be deducted an amount equal to that petroleum revenue tax.
- (3) There are to be made all such adjustments of assessments to corporation tax as are required in order to give effect to subsection (2).
- (4) In this section “the relevant accounting period”, in relation to any petroleum revenue tax paid by a company, means—
 - (a) the accounting period of the company in or at the end of which the chargeable period for which that tax was charged ends, or
 - (b) if that chargeable period ends after the accounting period of the company in or at the end of which the company—
 - (i) ceases to carry on the trade giving rise to the income referred to above, or
 - (ii) ceases to be within the charge to corporation tax in respect of the trade, that accounting period.

300 Effect of repayment of PRT: general rule

- (1) This section applies if some or all of the petroleum revenue tax in respect of which a deduction has been made under section 299(2) is subsequently repaid.
- (2) The deduction is to be reduced or extinguished accordingly.
- (3) Any additional assessment to corporation tax required in order to give effect to subsection (2) may be made at any time not later than 4 years after the end of the calendar year in which the petroleum revenue tax was repaid.
- (4) This section is subject to section 301.

301 Effect of repayment of PRT: special rule

- (1) This section applies if, in a case where paragraph 17 of Schedule 2 to OTA 1975 applies, an amount of petroleum revenue tax in respect of which a deduction has been made under section 299(2) is repaid as a result of an assessment under that Schedule or an amendment of such an assessment.
- (2) As regards so much of that repayment as constitutes the appropriate repayment—
 - (a) section 300 does not apply, and
 - (b) the following provisions apply in relation to the company which is entitled to the repayment.
- (3) In calculating for corporation tax the amount of the company's income arising in the relevant accounting period from oil extraction activities or oil rights there is to be added an amount equal to the appropriate repayment (but this is subject to subsections (4) and (5)).
- (4) Subsection (5) applies if—
 - (a) two or more carried back losses give rise to the appropriate repayment,
 - (b) the operative chargeable period in relation to each of the carried back losses is not the same, and

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (c) if this section were applied separately in relation to each of the carried back losses there would be more than one relevant accounting period.
- (5) The appropriate repayment is to be treated as apportioned between each of the relevant accounting periods mentioned in subsection (4)(c) in such a way as to secure that the amount added as a result of subsection (3) in relation to each of those relevant accounting periods is what it would have been if—
- (a) relief for each of the carried back losses for which there is a different operative chargeable period had been given by a separate assessment or amendment of an assessment under Schedule 2 to OTA 1975, and
 - (b) relief for a carried back loss accruing in an earlier chargeable period had been so given before relief for a carried back loss accruing in a later chargeable period.
- (6) Any additional assessment to corporation tax required in order to give effect to the addition of an amount as a result of subsection (3) may be made at any time not later than 4 years after the end of the calendar year in which the repayment of petroleum revenue tax comprising the appropriate repayment is made.
- (7) In this section—
- “allowable loss” has the same meaning as in Part 1 of OTA 1975 (see section 2 of that Act),
 - “the appropriate repayment” has the meaning given by paragraph 17(2) of Schedule 2 to that Act,
 - “carried back loss”, in relation to the appropriate repayment, means an allowable loss—
 - (a) which falls within paragraph 17(1)(a) of Schedule 2 to OTA 1975, and
 - (b) which (alone or together with one or more other carried back losses) gives rise to the appropriate repayment,
 - “the operative chargeable period”, in relation to a carried back loss, means the chargeable period in which the loss accrued, and
 - “the relevant accounting period”, in relation to the company which is entitled to the appropriate repayment, means—
 - (a) the accounting period in or at the end of which the operative chargeable period ends,
 - (b) if the company ceases to carry on its ring fence trade before the end of the operative chargeable period, the last accounting period of that trade, or
 - (c) if the company ceases to be within the charge to corporation tax in respect of that trade before the end of the operative chargeable period, the accounting period during or at the end of which the company ceased to be within the charge to corporation tax in respect of that trade.

Interest on repayment of PRT or APRT

302 Interest on repayment of PRT or APRT

- (1) Subsection (3) applies if any amount of petroleum revenue tax paid by a participator in an oil field is, under any provision of Part 1 of OTA 1975, repaid to the participator with interest.

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (2) Subsection (3) also applies if interest is paid to a participator under paragraph 10(4) of Schedule 19 to FA 1982 (interest on advance petroleum revenue tax which becomes repayable).
- (3) The interest paid is to be disregarded in calculating the participator's income for corporation tax purposes.

No deduction under section 1219 of CTA 2009 (expenses of management of a company's investment business) is to be allowed from a company's ring fence profits.

304 Losses

- (1) Relief in respect of a loss incurred by a company may not be given under section 37 (relief for trade losses against total profits) against that company's ring fence profits except so far as the loss arises from oil extraction activities or from oil rights.
- (2) Subsection (5) applies if conditions A and B are met.
- (3) Condition A is that a company incurs a loss in an accounting period in activities (“separate activities”) which, for that or any subsequent accounting period, are treated by section 279 as a separate trade for the purposes of the charge to corporation tax on income.
- (4) Condition B is that any of the company's trading income in any subsequent accounting period is derived from activities (“related activities”) which are not part of the separate activities but which would together with those activities constitute a single trade, were it not for section 279.
- (5) The loss may be used under section 45 (carry forward of trade loss against subsequent trade profits) to reduce so much of the company's trading income in any subsequent accounting period as is derived from the related activities.
- (6) Subsection (5) applies despite anything in section 279.

305 Group relief

- (1) On a claim for group relief made by a claimant company in relation to a surrendering company, group relief may not be allowed against the claimant company's ring fence profits except so far as the claim relates to losses incurred by the surrendering company that arose from oil extraction activities or from oil rights.
- (2) In section 105 (restriction on surrender of losses etc within section 99(1)(d) to (g)) the references to the surrendering company's gross profits of the surrender period do not include the company's relevant ring fence profits for that period.
- (3) The company's “relevant ring fence profits” for that period are—
 - (a) if for that period there are no qualifying charitable donations made by the company that are allowable under Part 6 (charitable donations relief), the company's ring fence profits for that period, or

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (b) otherwise, so much of the company's ring fence profits for that period as exceeds the amount of the qualifying charitable donations made by the company that are allowable under section 189 for that period.
- (4) In this section “claimant company” and “surrendering company” are to be read in accordance with Part 5 (group relief) (see section 188).

306 Capital allowances

- (1) A capital allowance may not to any extent be given effect under section 259 or 260 of CAA 2001 (special leasing) by deduction from a company's ring fence profits.
- (2) But subsection (1) does not apply to a capital allowance which falls to be made to a company for any accounting period in respect of an asset which—
 - (a) is used in the relevant accounting period by a company associated with it, and
 - (b) is so used in carrying on oil extraction activities.
- (3) “The relevant accounting period” means that for which the allowance in question first falls to be made to the company (whether or not it can to any extent be given effect in that period under section 259 of CAA 2001).

- (1) If—
 - (a) a qualifying company incurs qualifying pre-commencement expenditure in respect of a ring fence trade, and
 - (b) the expenditure is incurred before the commencement period,
 the company may claim supplement under this section (“pre-commencement supplement”) in respect of one or more pre-commencement periods.
- (2) Any pre-commencement supplement allowed on a claim in respect of a pre-commencement period is to be treated as expenditure—
 - (a) which is incurred by the company in the commencement period, and
 - (b) which is allowable as a deduction in calculating the profits of the ring fence trade for that period.
- (3) The amount of the supplement for any pre-commencement period in respect of which a claim under this section is made is the relevant percentage for that period of the reference amount for that period.
- (4) If the pre-commencement period is a period of less than 12 months, the amount of the supplement for the period (apart from this subsection) is to be reduced proportionally.
- (5) Sections 316 to 319 have effect for the purpose of determining the reference amount for a pre-commencement period.

316 The mixed pool of qualifying pre-commencement expenditure and supplement previously allowed

Step 1

Count as eligible expenditure for that period so much of the qualifying pre-commencement expenditure mentioned in section 315(1) as was incurred in that period.

Step 2

Find the total of all the eligible expenditure for that period (amount E).

Step 3

If section 317 applies, reduce amount E in accordance with that section.

Step 4

If section 318 applies, reduce (or, as the case may be, further reduce) amount E in accordance with that section.

And so much of amount E as remains after making those reductions is to be taken to have been added to the pool in that period

- (5) In this section references to the relevant amount (if any) which the company carries forward under Schedule 19B to ICTA are to the amount (if any) in its mixed pool for the purposes of Part 3 of Schedule 19B to ICTA immediately before 1 January 2006.

319 The reference amount for a pre-commencement period

For the purposes of section 315, the reference amount for a pre-commencement period is the amount in the pool at the end of the period—

- (a) after the addition to the pool of any qualifying pre-commencement expenditure allocated to the pool for that period in accordance with section 316(3), but
- (b) before determining, and adding to the pool, the amount of any pre-commencement supplement claimed in respect of the period.

320 Claims for pre-commencement supplement

- (1) Any claim for pre-commencement supplement in respect of a pre-commencement period must be made as a claim for the commencement period.

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

Post-commencement supplement

321 Supplement in respect of a post-commencement period

- (1) A qualifying company which incurs a ring fence loss (see section 323) in any post-commencement period may claim supplement under this section (“post-commencement supplement”) in respect of—
- (a) that period, or
 - (b) any subsequent accounting period in which it carries on its ring fence trade.
- (2) Any post-commencement supplement allowed on a claim in respect of a post-commencement period is to be treated for the purposes of the Corporation Tax Acts (other than the post-commencement supplement provisions or Part 4 of Schedule 19B to ICTA) as if it were a loss—
- (a) which is incurred in carrying on the ring fence trade in that period, and
 - (b) which falls in whole to be used under section 45 (carry forward of trade loss against subsequent trade profits) to reduce trading income from the ring fence trade in succeeding accounting periods.
- (3) Paragraph 74 of Schedule 18 to FA 1998 (company tax returns etc: time limit for claims for group relief) applies in relation to a claim for post-commencement supplement as it applies in relation to a claim for group relief.
- (4) In this Chapter “the post-commencement supplement provisions” means this section and sections 322 to 329.

322 Amount of post-commencement supplement for a post-commencement period

- (1) The amount of the post-commencement supplement for any post-commencement period in respect of which a claim under section 321 is made is the relevant percentage for that period of the reference amount for that period.
- (2) If the post-commencement period is a period of less than 12 months, the amount of the supplement for the period (apart from this subsection) is to be reduced proportionally.
- (3) Sections 325 to 329 have effect for the purpose of determining the reference amount for a post-commencement period.

323 Ring fence losses

- (1) If—
- (a) in any post-commencement period (“the period of the loss”) a qualifying company carrying on a ring fence trade incurs a loss in the trade, and
 - (b) some or all of the loss falls to be used under section 45 (carry forward of trade loss against subsequent trade profits) to reduce trading income from the trade in succeeding accounting periods,
- so much of the loss as falls to be so used is a “ring fence loss” of the company.

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (2) In determining for the purposes of the post-commencement supplement provisions how much of a loss incurred in a ring fence trade falls to be used as mentioned in subsection (1)(b), the following assumptions are to be made.
- (3) The first assumption is that every claim is made that could be made by the company under section 37 (relief for trade losses against total profits) to deduct losses incurred in the ring fence trade from ring fence profits of earlier post-commencement periods.
- (4) The second assumption is that (where appropriate) section 42 (ring fence trades: further extension of period for relief) applies in relation to every such claim under section 37.
- (5) This section is subject to section 324 (special rule for straddling periods).
- (6) This section has effect for the purposes of the post-commencement supplement provisions.

324 Special rule for straddling periods

- (1) This section applies if the period of the loss is the deemed accounting period under section 309(3) beginning on 1 January 2006 (“the deemed accounting period”).
- (2) The amount of ring fence loss in the deemed accounting period is determined as follows—

Step 1

Calculate so much of the ring fence loss in the straddling period as, for the purposes of Part 4 of Schedule 19B to ICTA, is attributable to qualifying E&A allowances for the straddling period. The amount given by this step is “the qualifying Schedule 19B amount”.

Step 2

Calculate so much of the ring fence loss in the straddling period as is attributable to allowances for the straddling period under Part 6 of CAA 2001 in respect of relevant expenditure. For the purposes of this step “relevant expenditure” means expenditure incurred by the company on or after 1 January 2006 which, but for that fact, would be qualifying E&A expenditure for the purposes of Schedule 19B to ICTA. For the purposes of this step a ring fence loss is attributable to those allowances so far as the amount of the loss (less the qualifying Schedule 19B amount) does not exceed the amount of those allowances for that period. The amount given by this step is “the amount of the post-1 January 2006 E&A allowances”.

Step 3

Deduct the qualifying Schedule 19B amount and the amount of the post-1 January 2006 E&A allowances from the amount of the ring fence loss in the straddling period.

Step 4

Apportion the remaining amount of that loss (if any) to the deemed accounting period in proportion to the number of days in the deemed accounting period that fall in the straddling period. The amount given by this step is “the amount of the apportioned loss”

Step 5

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

The amount of the ring fence loss in the deemed accounting period is the amount of the apportioned loss plus the amount of the post-1 January 2006 E&A allowances.

- (3) In this section “the straddling period”, in relation to a qualifying company, means an accounting period of the company—
 - (a) beginning before 1 January 2006, and
 - (b) ending on or after that date,
 disregarding section 309(3).
- (4) In this section references to the ring fence loss in the straddling period are to that loss determined on the assumption that the straddling period is the period of the loss for the purposes of section 323.
- (5) This section has effect for the purposes of the post-commencement supplement provisions.

325 The pool of ring fence losses and the pool of non-qualifying Schedule 19B losses

- (1) For the purpose of determining the amount of any post-commencement supplement, a qualifying company is to be taken at all times in its post-commencement periods to have a continuing mixed pool (the “ring fence pool”) of—
 - (a) the carried forward qualifying Schedule 19B amount (if any),
 - (b) the company's ring fence losses, and
 - (c) post-commencement supplement.
- (2) The ring fence pool continues even if the amount in it is nil.
- (3) For the purpose of determining the amount of any post-commencement supplement, a qualifying company is also to be taken in its post-commencement periods to have a non-qualifying pool consisting of the carried forward non-qualifying Schedule 19B amount.
- (4) But the non-qualifying pool ceases to exist when the amount in it is reduced to nil.
- (5) In this section—

“the carried forward qualifying Schedule 19B amount”, in relation to a qualifying company, means the amount in its qualifying pool for the purposes of Part 4 of Schedule 19B to ICTA immediately before 1 January 2006, and

“the carried forward non-qualifying Schedule 19B amount”, in relation to a qualifying company, means the amount in its non-qualifying pool for the purposes of Part 4 of Schedule 19B to that Act immediately before 1 January 2006.

326 The ring fence pool

- (1) The ring fence pool consists of—
 - (a) the carried forward qualifying Schedule 19B amount (if any),
 - (b) the company's ring fence losses, allocated to the pool in accordance with subsection (2)(a), and
 - (c) the company's post-commencement supplement, allocated to the pool in accordance with subsection (2)(b).

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (2) The allocation of ring fence losses and post-commencement supplement to the pool is made as follows—
 - (a) the amount of a ring fence loss is added to the pool in the period of the loss, and
 - (b) if any post-commencement supplement is allowed on a claim in respect of a post-commencement period, the amount of that supplement is added to the pool in that period.
- (3) The amount in the ring fence pool is subject to reductions in accordance with ^{F202}sections 327 and 328].
- (4) If a reduction in the amount in the ring fence pool falls to be made ^{F203}under section 327 or 328] in any accounting period, the reduction is to be made—
 - (a) after the addition to the pool of the amount of any ring fence losses allocated to the pool in that period in accordance with subsection (2)(a), but
 - (b) before determining, and adding to the pool, the amount of any supplement claimed in respect of the period,and references to the amount in the pool are to be read accordingly.
- (5) In this section “the carried forward qualifying Schedule 19B amount”, in relation to a qualifying company, means the amount in its qualifying pool for the purposes of Part 4 of Schedule 19B to ICTA immediately before 1 January 2006.
- ^{F204}(6) This section is subject to section 328A (adjustment of pool to remove pre-2013 losses after the initial 6 periods).]

- (2) The ring fence pool is to be taken to have been reduced at the time specified in subsection (6).
- (3) The amount of the reduction is the amount of the total pre-2013 pool reduced (but not below nil) by the amount of the total pre-2013 reduction.
- (4) “The amount of the total pre-2013 pool” means the sum of—
 - (a) the carried forward qualifying Schedule 19B amount (within the meaning of section 326(5)) which is in the pool at the time specified in subsection (6) (if any),
 - (b) the total amount of the company's ring fence losses added to the pool in post-commencement periods beginning before 5 December 2013,
 - (c) if the commencement period begins on or after 5 December 2013, so much of any ring fence loss added to the pool in that period as does not exceed the sum of—
 - (i) any pre-commencement expenditure added to the pool in a pre-commencement period ending before 5 December 2013, and
 - (ii) any pre-commencement supplement allowed in respect of such a pre-commencement period, and
 - (d) the total amount of the company's post-commencement supplement added to the pool in post-commencement periods beginning before that date.
- (5) “The amount of the total pre-2013 reduction” means the total amount of the reductions in the ring fence pool falling to be made under section 327 or 328 in post-commencement periods beginning before the time specified in subsection (6).
- (6) The time is—
 - (a) immediately after the last of the 6 initial periods, or
 - (b) if later, 5 December 2013.
- (7) The amount (if any) in the non-qualifying pool under section 325(3) is reduced to nil (and so ceases to exist under section 325(4)).
- (8) Section 318A(6) (“the straddling 2013 period”) applies for the purposes of making a reduction under this section as it applies for the purposes of making a reduction under section 318A.
- (9) Accordingly—
 - (a) any ring fence loss of the company added to the pool in the straddling 2013 period is to be apportioned between the pre-2013 period and the post-2013 period in proportion to the number of days in each and treated as allocated to the pool for the period in question;
 - (b) any amount of the company's post-commencement supplement allocated to the pool for the straddling period is to be apportioned between the pre-2013 period and the post-2013 period in proportion to the number of days in each and treated as allocated to the pool for the period in question;
 - (c) the total amount of reductions in the ring fence pool falling to be made in the straddling period is apportioned between the pre-2013 period and the post-2013 period in proportion to the number of days in each and treated as a reduction falling to be made in the period in question.

- (10) If the basis of the apportionment in subsection (9)(a), (b) or (c) would work unjustly or unreasonably in the company's case, the company may elect for the apportionment to be made on another basis that is just and reasonable and specified in the election.
- (11) Once a reduction in the pool has been made under this section—
 - (a) nothing in section 327 applies to require a reduction in the pool in respect of the use under section 45 of a loss if and to the extent that the loss is represented by the reduction made under this section, and
 - (b) if and to the extent that losses are represented by the reduction they are to be used under section 45 to reduce any profits of a post-commencement period before ring fence losses of the company the use of which would trigger a reduction of the ring fence pool under section 327.]

CHAPTER 6

SUPPLEMENTARY CHARGE IN RESPECT OF RING FENCE TRADES

330 Supplementary charge in respect of ring fence trades

- (1) If a company carries on a ring fence trade in an accounting period, a sum equal to [^{F208}20%] of its adjusted ring fence profits for that period is to be charged on the company as if it were an amount of corporation tax chargeable on the company.
- (2) A company's "adjusted ring fence profits" for an accounting period are the amount which, on the assumption mentioned in subsection (3), would be determined for that period as the [^{F209}company's ring fence profits] chargeable to corporation tax.
[^{F210}See also sections 330A and 330B (which provide for the amount of adjusted ring fence profits to be further adjusted where decommissioning expenditure has been taken into account).]
- (3) The assumption is that financing costs are left out of account in calculating—
 - (a) the amount of the profits or loss of any ring fence trade of the company for an accounting period, and
 - (b) if for any such period the whole or part of any loss relief is surrendered to the company in accordance with section 305(1), the amount of that relief or part.
- (4) See also section 331 (meaning of financing costs etc).
- [^{F211}(5) This Chapter is subject to—
 - (a) Chapter 6A (reduction of supplementary charge: investment allowance),
 - (b) Chapter 8 (reduction of supplementary charge: onshore allowance), and
 - (c) Chapter 9 (reduction of supplementary charge: cluster area allowance).]

[^{F212}330ZA] Ordering of allowances

- (1) In this section "relieving Chapter" means any of the following—
 - (a) Chapter 6A (reduction of supplementary charge: investment allowance);
 - (b) Chapter 8 (reduction of supplementary charge: onshore allowance);
 - (c) Chapter 9 (reduction of supplementary charge: cluster area allowance).
- (2) Where a company has allowances under more than one relieving Chapter available for reducing the adjusted ring fence profits that are to be chargeable under section 330(1) for an accounting period, the company may choose the order in which the relieving Chapters in question are to be applied.

[^{F213}330A] Decommissioning expenditure taken into account in calculating ring fence profits

- (1) This section applies where—

where SC is the percentage specified in section 330(1) for the accounting period, and

“the used-up amount”, in relation to any expenditure, is the difference between—

- (4) In determining for the purposes of this section whether, and to what extent, any losses which have been taken into account as mentioned in subsection (1) are attributable to decommissioning expenditure—
- (a) assume that any amounts of any other expenditure which could be taken into account in calculating those losses are taken into account before any amounts of decommissioning expenditure, and

- (6) In determining for the purposes of this section the used-up amount of decommissioning expenditure, assume that any other amounts that could be deducted in calculating the adjusted ring fence profits of the company for the accounting period have already been so deducted.
- (7) But if subsection (6) would work unfavourably in the company's case, the company may elect for that subsection not to apply in relation to it and for any amounts that could be deducted in calculating those adjusted ring fence profits instead to be deducted in the order specified in the election.
- (8) For the purposes of this section, any deduction made under section 330B is to be disregarded.
- (9) This section does not apply in relation to any accounting period for which the percentage specified in section 330(1) is less than or equal to 20% (including any accounting period beginning before 24 March 2011 and ending on or after that date).

332 Assessment, recovery and postponement of supplementary charge

- (1) Subsection (2) applies where a company—
 - (a) is a participator in a qualifying oil field, and
 - (b) incurs any relievable investment expenditure on or after 1 April 2015 in relation to the oil field.
- (2) The company is to hold an amount of allowance equal to 62.5% of the amount of the expenditure.

Allowance held under this Chapter is called “investment allowance”.
- (3) For the purposes of this section investment expenditure incurred by a company is “relievable” only if, and so far as, it is incurred for the purposes of oil-related activities (see section 274).
- (4) Subsections (1) to (3) are subject to—
 - (a) section 332D (which prevents expenditure on the acquisition of an asset from being relievable in certain circumstances),
 - (b) section 332DA (which restricts relievable expenditure in relation to an oil field that previously qualified for a field allowance under Chapter 7 as a new oil field),

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (c) section 332DB (which restricts relievable expenditure in relation to a project by reference to which an oil field previously qualified for a field allowance under Chapter 7 as an additionally-developed oil field), and
 - (d) section 332DC (which prevents certain expenditure from being relievable if it relates to an oil field in respect of which onshore allowance may be obtained under Chapter 8).
- (5) Investment allowance is said in this Chapter to be “generated” at the time when the investment expenditure is incurred (see section 332K) and is referred to as being generated—
- (a) “by” the company concerned;
 - (b) “in” the qualifying oil field concerned.
- (6) Where—
- (a) investment expenditure is incurred only partly for the purposes of oil-related activities, or
 - (b) the oil-related activities for the purposes of which investment expenditure is incurred are carried on only partly in relation to a particular qualifying oil field,
- the expenditure is to be attributed to the activities or field concerned on a just and reasonable basis.

332CA Expenditure incurred before field is determined

- (1) This section applies to expenditure incurred by a company on or after 1 April 2015 for the purposes of oil-related activities if or to the extent that the following conditions are met.
- (2) The conditions are—
- (a) that the expenditure was in respect of an area,
 - (b) that, at the time the expenditure was incurred, the area had not been determined under Schedule 1 to OTA 1975 to be an oil field,
 - (c) that the area is subsequently determined under that Schedule to be an oil field, and
 - (d) that the company is a licensee in the oil field.
- (3) Where this section applies in relation to an amount of expenditure, that amount is treated for the purposes of this Chapter as incurred by the company—
- (a) in relation to the oil field, and
 - (b) at the time when the area is determined under Schedule 1 to OTA 1975 to be an oil field.

Restrictions on relievable expenditure

332D Expenditure on acquisition of asset: disqualifying conditions

- (1) Investment expenditure incurred by a company (“the acquiring company”) on the acquisition of an asset is not relievable expenditure for the purposes of section 332C if either of the disqualifying conditions in this section applies to the asset.

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (2) The first disqualifying condition is that investment expenditure incurred before the acquisition, by the acquiring company or another company, in acquiring, bringing into existence or enhancing the value of the asset was relievable under section 332C.
- (3) The second disqualifying condition is that—
 - (a) the asset—
 - (i) is the whole or part of the equity in a qualifying oil field, or
 - (ii) is acquired in connection with a transfer to the acquiring company of the whole or part of the equity in a qualifying oil field,
 - (b) expenditure was incurred before the acquisition, by the acquiring company or another company, in acquiring, bringing into existence or enhancing the value of the asset, and
 - (c) any of that expenditure—
 - (i) related to the qualifying oil field, and
 - (ii) would have been relievable under section 332C if this Chapter had been fully in force and had applied to expenditure incurred at that time.
- (4) For the purposes of subsection (3)(a)(ii) it does not matter whether the asset is acquired at the time of the transfer.

332DA Restriction where field qualified for field allowance as new field

- (1) This section applies to expenditure which—
 - (a) is incurred by a company in relation to an oil field that was for the purposes of Chapter 7 a new oil field with an authorisation day before 1 January 2016,
 - (b) would in the absence of this section be relievable under section 332C, and
 - (c) is not excluded from this section by—
 - (i) subsection (5) (material completion),
 - (ii) subsection (7) (company without share of equity), or
 - (iii) subsection (8) (additionally-developed oil fields).

In the following provisions of this section, expenditure to which this section applies is referred to as “relevant expenditure”.

- (2) Relevant expenditure incurred by a company on any day (“the relevant day”) is not relievable expenditure for the purposes of section 332C except—
 - (a) if immediately before the relevant day the cumulative total of relevant expenditure attributable to the company's share of the equity in the oil field (see subsection (3)) exceeds the relevant field threshold (see subsection (4)), or
 - (b) to the extent that, in a case not within paragraph (a), the amount of relevant expenditure incurred on the relevant day, when added to that cumulative total, exceeds the relevant field threshold.
- (3) The “cumulative total of relevant expenditure attributable to the company's share of the equity in the oil field” at any time is the total amount of relevant expenditure which is incurred by the company during the period beginning with the start date and ending with that time, but this is subject to sections 332IA(3) and 332IB(4) (which relate to the disposal and acquisition of equity in an oil field).

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

In this subsection “the start date” means 1 April 2015 or, if later, the authorisation day (within the meaning of Chapter 7) for the field.

- (4) The “relevant field threshold” is an amount given by the formula—

$$160\% \times F \times E$$

where—

F is the total field allowance for the oil field, as originally determined under section 356 for the purposes of Chapter 7;

E is the company's share of the equity in the oil field at the end of the relevant day.

- (5) This section does not apply to expenditure which is incurred on or after the day determined by the Secretary of State as that on which the relevant project was materially completed.
- (6) “The relevant project” means—
- (a) in a case that fell within section 351(1)(a), the development described in the field development plan for the field, and
 - (b) in a case that fell within section 351(1)(b) or (c), the programme of development for the field.
- (7) This section does not apply to expenditure incurred by a company if—
- (a) at the time when the expenditure is incurred, the company is not a licensee in the oil field, and
 - (b) the expenditure is incurred in making an asset available in a way which gives rise to tariff receipts (as defined by section 15(3) of the Oil Taxation Act 1983) or tax-exempt tariffing receipts (as defined by section 6A(2) of that Act).
- (8) This section does not apply to expenditure to which section 332DB applies.

332DB Restriction where project in additionally-developed field qualified for field allowance

- (1) This section applies to expenditure which—
- (a) is incurred by a company in relation to a project by reference to which an oil field was immediately before 1 April 2015 an additionally-developed oil field for the purposes of Chapter 7,
 - (b) would in the absence of this section be relievably under section 332C, and
 - (c) is not excluded from this section by subsection (5) (material completion) or subsection (6) (company without share of project-related reserves).

In the following provisions of this section, expenditure to which this section applies is referred to as “relevant expenditure”.

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (2) Relevant expenditure incurred by a company in relation to a project on any day (“the relevant day”) is not relieviable expenditure for the purposes of section 332C except—
- (a) if immediately before the relevant day the cumulative total of relevant expenditure attributable to the company's share of project-related reserves (see subsection (3)) exceeds the relevant project threshold (see subsection (4)), or
 - (b) to the extent that, in a case not within paragraph (a), the amount of relevant expenditure incurred on the relevant day, when added to that cumulative total, exceeds the relevant project threshold.
- (3) The “cumulative total of relevant expenditure attributable to the company's share of project-related reserves” at any time is the total amount of relevant expenditure which is incurred by the company during the period beginning with 1 April 2015 and ending with that time, but this is subject to sections 332IA(5) and 332IB(6) (which relate to the disposal and acquisition of shares in project-related reserves).
- (4) The “relevant project threshold” is an amount given by the formula—

$$160\% \times F \times E$$

where—

F is the total field allowance for the oil field in relation to the project, as originally determined under section 356A for the purposes of Chapter 7;

E is the company's share of project-related reserves at the end of the relevant day.

- (5) This section does not apply to expenditure which is incurred on or after the day determined by the Secretary of State as that on which the project was materially completed.
- (6) This section does not apply to expenditure incurred by a company if—
- (a) the company does not, at the time when the expenditure is incurred, hold a share of project-related reserves, and
 - (b) the expenditure is incurred in making an asset available in a way which gives rise to tariff receipts (as defined by section 15(3) of the Oil Taxation Act 1983) or tax-exempt tariffing receipts (as defined by section 6A(2) of that Act).
- (7) In this section “project-related reserves”, in relation to a project and an oil field, means the additional reserves of oil that the oil field has as a result of the project.

332DC Restriction relating to fields qualifying for onshore allowance

- (1) This section applies to investment expenditure which is incurred—
- (a) for the purposes of onshore oil-related activities in respect of an oil field which is a qualifying site within the meaning of section 356C (generation of onshore allowance), and

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (b) on a day at the beginning of which neither of the disqualifying conditions in section 356CA (disqualifying conditions for section 356C(4)(b)) is met.
- (2) Expenditure to which this section applies is not relievable expenditure for the purposes of section 332C.
- (3) In this section “onshore oil-related activities” has the same meaning as in Chapter 8 (see section 356BA).

Reduction of adjusted ring fence profits

332E Reduction of adjusted ring fence profits

- (1) A company's adjusted ring fence profits for an accounting period are to be reduced by the cumulative total amount of activated allowance for the accounting period (but are not to be reduced below zero).
- (2) In relation to a company and an accounting period, the “cumulative total amount of activated allowance” is—

$$A + C$$

where—

A is the total of any amounts of activated allowance the company has, for any qualifying oil fields, for the accounting period (see section 332F(2)) or for reference periods within the accounting period (see section 332H(1)), and

C is any amount carried forward to the period under section 332EA.

332EA Carrying forward of activated allowance

- (1) This section applies where, in the case of a company and an accounting period, the cumulative total amount of activated allowance (see section 332E(2)) is greater than the adjusted ring fence profits.
- (2) The difference is carried forward to the next accounting period.

Activated and unactivated allowance: basic calculation rules

332F Activation of allowance: no change of equity share

- (1) This section applies where—
 - (a) for the whole or part of an accounting period, a company is a licensee in a qualifying oil field,
 - (b) the accounting period is not divided into reference periods (see section 332G),
 - (c) the company holds, for the accounting period and the qualifying oil field, a closing balance of unactivated allowance (see section 332FA) which is greater than zero, and

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (d) the company has relevant income from the qualifying oil field for the accounting period.
- (2) The amount of activated allowance the company has for that accounting period and that qualifying oil field is the smallest of—
 - (a) the closing balance of unactivated allowance held for the accounting period and the oil field;
 - (b) the company's relevant income from that oil field for that accounting period;
 - (c) in a case where section 332FB applies, the relevant activation limit for the accounting period and the oil field (see subsection (2) of that section).
- (3) In this Chapter “relevant income”, in relation to a qualifying oil field and an accounting period of a company, means production income of the company from any oil extraction activities carried on in that oil field that is taken into account in calculating the company's adjusted ring fence profits for the accounting period.

332FA The closing balance of unactivated allowance for an accounting period

The closing balance of unactivated allowance held by a company for an accounting period and a qualifying oil field is—

$$P + Q$$

where—

P is the amount of investment allowance generated by the company in the qualifying oil field in the accounting period (including any amount treated under section 332IB(1) as generated by the company in that field in that accounting period);

Q is any amount carried forward from an immediately preceding accounting period under section 332FC(1) or from an immediately preceding reference period under section 332HB(1).

332FB Activation limit for former additionally-developed fields

- (1) This section applies to a company for an accounting period in relation to an oil field if—
 - (a) immediately before 1 April 2015 the oil field was an additionally-developed oil field for the purposes of Chapter 7 as a result of a project that fell within section 349A(1), and
 - (b) the project is not an excluded project (see subsection (3)).
- (2) For the purposes of section 332F(2)(c), the “relevant activation limit” for the accounting period and the oil field is the amount that would be the closing balance of unactivated allowance held by the company for the accounting period if paragraph 7(3) of Schedule 12 to FA 2015 (conversion of unactivated field allowance) had never applied to any allowance attributable to the project.
- (3) The project is an “excluded” project if condition A or condition B is met.
- (4) Condition A is that—
 - (a) a substantial amount of work has been done in relation to the project, and

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (b) the accounting period begins on or after the first day of the year of expected first production for the project.
- (5) The “year of expected first production” for the project is the year that was notified to the Secretary of State, on or before the day on which the project was authorised by the Secretary of State, as the calendar year in which additional reserves of oil were expected to be first won from the field as a result of the project.
- (6) Condition B is that the accounting period begins on or after the day determined under section 332DB(5) as that on which the project was materially completed.

332FC Carrying forward of unactivated allowance

- (1) If, in the case of an accounting period of a company and a qualifying oil field, the amount given by subsection (2) is greater than zero, that amount is treated as investment allowance held by the company for that oil field for the next period (and is treated as held with effect from the beginning of that period).
- (2) The amount is—

$$U - A - T$$

where—

U is the closing balance of unactivated allowance held for the accounting period and the qualifying oil field (see section 332FA);

A is the amount of activated allowance that the company has for the accounting period and the qualifying oil field (see section 332F(2));

T is any amount that is required by section 332IA(1) (reduction of allowance if equity disposed of) to be deducted in connection with a disposal or disposals made on the day following the end of the accounting period.

- (3) If the accounting period is followed by a reference period of the company belonging to that qualifying oil field (see section 332G), “the next period” means that period.
- (4) If subsection (3) does not apply “the next period” means the next accounting period of the company.

Changes in equity share: reference periods

332G Reference periods

- (1) This section applies where—
- a company is a licensee in a qualifying oil field for the whole or part of an accounting period, and
 - the company has different shares of the equity in the field on different days in the accounting period.
- (2) For the purposes of this Chapter, the accounting period is to be divided into as many consecutive periods (called “reference periods”) as are necessary to secure that—

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (a) a reference period begins with the first day of the accounting period,
 - (b) a reference period begins with the date of each disposal or acquisition of a share of the equity in the qualifying oil field that is made by the company in that accounting period (not including acquisitions or disposals made on the first day of the accounting period), and
 - (c) a reference period ends with the last day of the accounting period.
- (3) Each such reference period “belongs to” the qualifying oil field concerned.

Changes in equity share: activation of allowance

332H Activation of allowance: reference periods

- (1) The amount (if any) of activated allowance that a company has for a qualifying oil field for a reference period is the smallest of the following—
- (a) the total amount of unactivated allowance that is attributable to the reference period and the oil field (see section 332HA);
 - (b) the company's relevant income from the oil field for the reference period (see subsection (2));
 - (c) in a case where section 332FB (activation limit applying in case of certain fields) applies, the relevant activation limit for the reference period and the oil field (see subsection (3)).
- (2) The company's relevant income from the oil field for the reference period is so much of the company's relevant income from the oil field for the accounting period (see section 332F(3)) as arises in the reference period.
- (3) If section 332FB (activation limit applying in case of certain fields) applies in relation to the oil field for the accounting period in which the reference period falls, the “relevant activation limit” for the reference period and the oil field is the amount that would be the total amount of unactivated allowance attributable to the reference period and the oil field if paragraph 7(3) of Schedule 12 to FA 2015 (conversion of unactivated field allowance) had never applied to any allowance attributable to the project in question.

332HA Unactivated amounts attributable to a reference period

- (1) For the purposes of section 332H(1)(a), the total amount of unactivated allowance attributable to a reference period and a qualifying oil field is—

$$P + Q$$

where—

P is the amount of allowance generated by the company in the reference period in the oil field (including any amount treated under section 332IB(1) as generated by the company in that oil field in that reference period);

Q is the amount given by subsection (2) or (3).

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (2) Where the reference period is not immediately preceded by another reference period but is preceded by an accounting period of the company, Q is equal to the amount (if any) that is to be carried forward from that preceding accounting period under section 332FC(1).
- (3) Where the reference period is immediately preceded by another reference period, Q is equal to the amount (if any) carried forward under section 332HB(1).

332HB Carry-forward of unactivated allowance from a reference period

- (1) If, in the case of a reference period (“RP1”) of a company, the amount given by subsection (2) is greater than zero, that amount is treated as investment allowance held by the company for the qualifying oil field for the next period (and is treated as held with effect from the beginning of that period).
- (2) The amount is—

$$U - A - T$$

where—

U is the total amount of unactivated allowance attributable to the reference period and the qualifying oil field (see section 332HA(1));

A is the amount of activated allowance that the company has for the qualifying oil field for the reference period (see section 332H(1));

T is any amount that is required by section 332IA(1) (reduction of allowance if equity disposed of) to be deducted in connection with a disposal or disposals made on the day following the end of the reference period.

- (3) If RP1 is immediately followed by another reference period of the company (belonging to the same qualifying oil field), “the next period” means that reference period.
- (4) If subsection (3) does not apply, “the next period” means the next accounting period of the company.

Transfers of allowance on disposal of equity share

332I Introduction to sections 332IA and 332IB

- (1) Sections 332IA and 332IB apply where—
 - (a) a company (“the transferor”) disposes of the whole or part of its share of the equity in a qualifying oil field, and
 - (b) one or more of the following conditions is met.
- (2) The “unactivated allowance condition” is that immediately before the disposal the transferor holds unactivated investment allowance for the oil field.
- (3) The “section 332DA expenditure condition” is that—
 - (a) immediately before the disposal the company has for the purposes of section 332DA (restriction where field qualified for field allowance as new

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- field) a cumulative total of relevant expenditure attributable to its share of the equity in the oil field, and
- (b) the date of the disposal falls before any date determined under section 332DA(5) (material completion).
- (4) The “section 332DB expenditure condition” is that—
- (a) immediately before the disposal the company has for the purposes of section 332DB (restriction where project in additionally-developed field qualified for field allowance) a cumulative total of relevant expenditure attributable to its share of project-related reserves in relation to the oil field, and
- (b) the date of the disposal falls before any date determined under section 332DB(5) (material completion).
- (5) In sections 332IA and 332IB—
- (a) each of the companies to which a share of the equity is disposed of is referred to as “a transferee”, and
- (b) references to conditions are to be read in accordance with this section.

332IA Reduction of allowance if equity is disposed of

- (1) If the unactivated allowance condition is met, the following amount is to be deducted in calculating the total amount of unactivated investment allowance attributable to the qualifying oil field concerned that is to be carried forward under section 332FC or 332HB from an accounting period or reference period of the transferor—

$$(U - A) \times \frac{(E1 - E2)}{E1}$$

where—

U and A are—

- (a) in the case of a disposal made on the day following the end of an accounting period, the same as in section 332FC(2) (in its application to that period), or
- (b) in the case of a disposal made on the day following the end of a reference period, the same as in section 332HB(2) (in its application to that period);

E1 is the transferor's share of the equity in the qualifying oil field immediately before the disposal;

E2 is the transferor's share of the equity in the qualifying oil field immediately after the disposal.

- (2) Subsection (3) applies if the section 332DA expenditure condition is met.
- (3) As from the beginning of the accounting period or reference period that begins with the day on which the disposal is made, the following amount is to be deducted in calculating for the purposes of section 332DA the cumulative total of relevant expenditure attributable to the transferor's share of the equity in the oil field—

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

$$X \times \frac{(E1 - E2)}{E1}$$

where—

X is the cumulative total of relevant expenditure attributable to the transferor's share of the equity in the oil field (for the purposes of section 332DA), determined immediately before the disposal;

E1 and E2 have the same meaning as in subsection (1).

- (4) Subsection (5) applies if the section 332DB expenditure condition is met.
- (5) As from the beginning of the accounting period or reference period that begins with the day on which the disposal is made, the following amount is to be deducted in calculating for the purposes of section 332DB the cumulative total of relevant expenditure attributable to the transferor's share of project-related reserves—

$$X \times \frac{(E1 - E2)}{E1}$$

where—

X is the cumulative total of relevant expenditure attributable to the transferor's share of project-related reserves (for the purposes of section 332DB), determined immediately before the disposal;

E1 is the transferor's share, immediately before the disposal, of the additional reserves of oil that the oil field has as a result of the project;

E2 is the transferor's share, immediately after the disposal, of the additional reserves of oil that the oil field has as a result of the project.

332IB Acquisition of allowance if equity acquired

- (1) If the unactivated allowance condition is met, a transferee is treated as generating in the qualifying oil field concerned, at the beginning of the reference period or accounting period of the transferee that begins with the day on which the disposal is made, investment allowance of the amount given by subsection (2).
- (2) The amount is—

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

$$R \times \frac{E3}{E1 - E2}$$

where—

R is the amount determined for the purposes of the deduction under section 332IA(1);

E3 is the share of the equity in the qualifying oil field that the transferee has acquired from the transferor;

E1 and E2 are the same as in section 332IA(1).

- (3) Subsection (4) applies if the section 332DA expenditure condition is met.
- (4) A transferee is treated for the purposes of section 332DA(3) as having incurred in respect of the qualifying oil field, at the beginning of the reference period or accounting period of the transferee that begins with the day on which the disposal is made, expenditure of the following amount—

$$R \times \frac{E3}{(E1 - E2)}$$

where—

R is the amount determined for the purposes of the deduction under section 332IA(3);

E1, E2 and E3 have the same meaning as in subsection (2).

- (5) Subsection (6) applies if the section 332DB expenditure condition is met.
- (6) A transferee is treated for the purposes of section 332DB(3) as having incurred in respect of the project, at the beginning of the reference period or accounting period of the transferee that begins with the day on which the disposal is made, expenditure of the following amount—

$$R \times \frac{E3}{(E1 - E2)}$$

where—

R is the amount determined for the purposes of the deduction under section 332IA(5);

E3 is the share of the project-related reserves that the transferee has acquired from the transferor;

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

E1 and E2 have the same meaning as in section 332IA(5).

- (7) In subsection (6) “project-related reserves” means the additional reserves of oil that the oil field has as a result of the project.

Miscellaneous

332J Adjustments

- (1) This section applies if there is any alteration in a company's adjusted ring fence profits for an accounting period after this Chapter has effect in relation to the profits.
- (2) Any necessary adjustments to the operation of this Chapter (whether in relation to the profits or otherwise) are to be made (including any necessary adjustments to the effect of section 332E on the profits or to the calculation of the amount to be carried forward under section 332EA).

332JA Regulations amending specified percentages

- (1) The Treasury may by regulations substitute a different percentage for the percentage that is at any time specified in any of the following provisions—

SUPPLEMENTARY CHARGE: ONSHORE ALLOWANCE

Textual Amendments

F225 Pt. 8 Ch. 8 inserted (with effect in accordance with Sch. 15 paras. 6(1), 9(2) of the amending Act) by Finance Act 2014 (c. 26), **Sch. 15 para. 3**

Introduction

356B Overview

This Chapter sets out how relief for certain capital expenditure incurred for the purposes of onshore oil-related activities is given by way of reduction of a company's adjusted ring fence profits, and includes provision about—

- (a) the need for allowance held for a site to be activated by relevant income from the same site in order for the allowance to be available for reducing adjusted ring fence profits,
- (b) elections by a company to transfer allowance between different sites in which it is a licensee (see section 356F), and
- (c) mandatory transfers of allowance where shares in the equity in a licensed area are disposed of (see sections 356H to 356HB and the related provisions in sections 356G to 356GD).

356BA “Onshore oil-related activities”

- (1) In this Chapter “onshore oil-related activities” means activities of a company which are carried on onshore and—
 - (a) fall within any of subsections (1) to (4) of section 356BB, or
 - (b) consist of the acquisition, enjoyment or exploitation of oil rights.
- (2) Activities of a company are carried on “onshore” if they are authorised—
 - (a) under a landward licence under Part 1 of the Petroleum Act 1998 or the Petroleum (Production) Act 1934, or
 - (b) under a licence under the Petroleum (Production) Act (Northern Ireland) 1964.
- (3) In subsection (2)(a) “landward licence” means a licence in respect of an area which falls within the definition of “landward area” in the regulations pursuant to which the licence was applied for.

356BB The activities

- (1) Activities of a company in searching for oil or causing such searching to be carried out for the company.
- (2) Activities of a company in extracting oil, or causing oil to be extracted for it, under rights which—
 - (a) authorise the extraction, and
 - (b) are held by it or by a company associated with it.

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (3) Activities of a company in transporting, or causing to be transported for it, oil extracted under rights which—
 - (a) authorise the extraction, and

- (4) Activities of the company in effecting, or causing to be effected for it, the initial treatment or initial storage of oil won from any site under rights which—
 - (a) authorise its extraction, and
 - (b) are held as mentioned in subsection (2)(b).
- (5) The condition mentioned in subsection (3) is that the transportation is to a place at which the seller in a sale at arm's length could reasonably be expected to deliver it (or, if there is more than one such place, the one nearest to the place of extraction).
- (6) In this section “initial storage”—
 - (a) means, in relation to oil won from a site, the storage of a quantity of oil won from the site not exceeding 10 times the relevant share of the maximum daily production rate of oil for the site as planned or achieved (whichever is greater), but
 - (b) does not include the matters excluded by paragraphs (a) to (c) of the definition of “initial storage” in section 12(1) of OTA 1975;and in this subsection “the relevant share” means a share proportionate to the company's share of oil won from the site concerned.
- (7) In this section “initial treatment” has the meaning given by section 12(1) of OTA 1975; but for this purpose that definition is to be read as if the references in it to an oil field were to a site.

356BC “Site”

In this Chapter “site” (except in the expression “drilling and extraction site”) means—

- (a) a drilling and extraction site that is not used in connection with any oil field, or
- (b) an oil field (whether or not one or more drilling and extraction sites are used in connection with it).

Onshore allowance

356C Generation of onshore allowance

- (1) Subsection (2) applies where a company incurs any relievable capital expenditure in relation to a qualifying site.
- (2) The company is to hold an amount of allowance equal to 75% of the amount of the expenditure.
- (3) “Qualifying site” means a site whose development (in whole or in part) is authorised for the first time on or after 5 December 2013.

- (7) Onshore allowance is referred to in this Chapter as being generated—
- (a) “by” the company concerned,
 - (b) “at” the site concerned.
- (8) Where capital expenditure is incurred only partly for the purposes of onshore oil-related activities, or the onshore oil-related activities for the purposes of which capital expenditure is incurred are carried on only partly in relation to a particular site, the expenditure is to be attributed to the site concerned on a just and reasonable basis.
- (9) In this section, references to authorisation of development of a site—
- (a) in the case of a site which is an oil field, are to be read in accordance with [F226 section 356IB];
 - (b) in the case of a drilling and extraction site, are to be read in accordance with section 356J.

Activated and unactivated allowance: basic calculation rules

356E Activation of allowance: no change of equity share

- (1) This section applies where—
- (a) a company is a licensee in a licensed area for the whole or part (“the licensed part”) of an accounting period,
 - (b) the company's share of the equity in the site is the same throughout the accounting period or, as the case requires, throughout the licensed part of the accounting period,
 - (c) the licensed area is or contains a site,
 - (d) the company holds, for the accounting period and the site, a closing balance of unactivated allowance (see section 356EA) that is greater than zero, and
 - (e) the company has relevant income from the site for the accounting period.
- (2) The amount of activated allowance the company has for that accounting period and that site is the smaller of—
- (a) the closing balance of unactivated allowance held for the accounting period and the site;
 - (b) the company's relevant income for that accounting period from that site.
- (3) In this Chapter “relevant income”, in relation to a site and an accounting period of a company, means production income of the company from any oil extraction activities carried on at the site that is taken into account in calculating the company's adjusted ring fence profits for the accounting period.

356EA The closing balance of unactivated allowance for an accounting period

The closing balance of unactivated allowance held by a company for an accounting period and a site is—

$$P + Q - R$$

where—

P is the amount of onshore allowance generated by the company in the accounting period at the site (including any amount treated under section 356F(7) or 356HB(1) as generated by the company in that accounting period at that site);

Q is any amount carried forward from an immediately preceding accounting period under section 356EB(2) or from an immediately preceding reference period under section 356GC;

R is any amount deducted in accordance with section 356GD(1) (reduction of allowance if equity disposed of).

356EB Carrying forward of unactivated allowance

- (1) This section applies where X is greater than Y in the case of an accounting period of a company and a site, where—
- X is the closing balance of unactivated allowance for the accounting period and the site;

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

Y is the company's relevant income for the accounting period from that site.

- (2) An amount equal to the difference between X and Y is treated as onshore allowance held by the company for that site for the next accounting period (and is treated as held with effect from the beginning of that period).

Transfer of allowances between sites

356F Transfer of allowances between sites

- (1) This section applies if a company has, with respect to a site, an amount (“N”) of onshore allowance available to carry forward to an accounting period—
 - (a) under section 356EB(2), or
 - (b) by virtue of section 356GC(3).
- (2) The company may elect to transfer the whole or part of that amount to another site (“site B”), if the appropriate conditions are met.
- (3) The appropriate conditions are that—
 - (a) every part of site B is, or is part of, an area in which the company is a licensee, and
 - (b) the election is made no earlier than the beginning of the third accounting period of the company after that in which the allowance was generated.
- (4) For the purposes of subsection (3)(b), a company may regard an amount of onshore allowance held by it for a site as generated in a particular accounting period if the amount does not exceed—

$$A - T$$

where—

A is the amount of onshore allowance generated in that accounting period for that site;

T is the total amount of onshore allowance generated in that period for that site that has already been transferred under this section.

- (5) An election must specify—
 - (a) the amount of onshore allowance to be transferred;
 - (b) the site at which it was generated;
 - (c) the site to which it is transferred;
 - (d) the accounting period in which it was generated.
- (6) Where a company makes an election under subsection (2), then—
 - (a) if the company elects to transfer the whole of N, no amount is available to be carried forward under section 356EB(2) or (as the case may be) by virtue of section 356GC(3);
 - (b) if the company elects to transfer only part of N, the amount available to be carried forward as mentioned in subsection (1) is reduced by the amount transferred.

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (7) Where an amount of onshore allowance is transferred to a site as a result of an election, this Chapter has effect as if the allowance is generated at that site at the beginning of the accounting period in which the election is made.

Changes in equity share: activation of allowance

356G Introduction to sections 356GA to 356GD

- (1) Sections 356GA to 356GD apply to a company in respect of an accounting period and a licensed area that is or contains a site, if the following conditions are met—
- (a) the company is a licensee in the licensed area for the whole, or for part, of the accounting period;
 - (b) the company has different shares (greater than zero) of the equity in the licensed area at different times during the accounting period.
- (2) In a case where a company has three or more different shares of the equity in a licensed area during a particular day, sections 356GA to 356GD (in particular, provisions relating to the beginning or end of a day) have effect subject to the necessary modifications.

356GA Reference periods

- (1) For the purposes of sections 356GB to 356GD, the accounting period, or (if the company is not a licensee for the whole of the accounting period) the part or parts of the accounting period for which the company is a licensee, are to be divided into reference periods (each of which “belongs to” the site concerned).
- (2) A reference period is a period of consecutive days that meets the following conditions—
- (a) at the beginning of each day in the period, the company is a licensee in the licensed area;
 - (b) at the beginning of each day in the period, the company's share of the equity in the licensed area is the same;
 - (c) each day in the period falls within the accounting period.

356GB Activation of allowance: reference periods

- (1) The amount (if any) of activated allowance that a company has with respect to a site for a reference period is the smaller of the following—
- (a) the company's relevant income from the site in the reference period;
 - (b) the total amount of unactivated allowance that is attributable to the reference period and the site (see section 356GD).
- (2) The company's relevant income from the site in the reference period is—

$$I \times \frac{R}{L}$$

where—

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

I is the company's relevant income from the site in the whole of the accounting period;

R is the number of days in the reference period;

L is the number of days in the accounting period for which the company is a licensee in the licensed area concerned.

356GC Carry-forward of unactivated allowance from a reference period

- (1) If, in the case of a reference period (“RP1”) of a company, the amount mentioned in subsection (1)(b) of section 356GB exceeds the amount mentioned in subsection (1)(a) of that section, an amount equal to the difference between those amounts is treated as onshore allowance held by the company for the site concerned for the next period.
- (2) If RP1 is immediately followed by another reference period of the company (belonging to the same site), “the next period” means that reference period.
- (3) If subsection (2) does not apply, “the next period” means the next accounting period of the company.

356GD Unactivated amounts attributable to a reference period

- (1) For the purposes of section 356GB(1)(b), the total amount of unactivated allowance attributable to a reference period and a site is—

$$P + Q - R$$

where—

P is the amount of allowance generated by the company in the reference period at the site (including any amount treated under section 356F(7) or 356HB(1) as generated by the company in that accounting period at that site);

Q is the amount given by subsection (2) or (3);

R is any amount to be deducted under section 356HA(1) in respect of a disposal of the whole or part of the company's share of the equity in a licensed area that is or contains the site.

- (2) Where the reference period is not immediately preceded by another reference period but is preceded by an accounting period of the company, Q is equal to the amount (if any) that is to be carried forward from that preceding accounting period under section 356EB(2).
- (3) Where the reference period is immediately preceded by another reference period, Q is equal to the amount carried forward by virtue of section 356GC(2).

Transfers of allowance on disposal of equity share

356H Introduction to sections 356HA and 356HB

- (1) Sections 356HA and 356HB apply where a company (“the transferor”)—

Status: Point in time view as at 18/11/2015.

- (a) disposes of the whole or part of its share of the equity in a licensed area that is or contains a site;
 - (b) immediately before the disposal holds (unactivated) onshore allowance for the site concerned.
- (2) Each company to which a share of the equity is disposed of is referred to in section 356HB as “a transferee”.

356HA Reduction of allowance if equity disposed of

- (1) The following amount is to be deducted, in accordance with section 356GD(1), in calculating the total amount of unactivated allowance attributable to a reference period and a site—

$$F \times \frac{E1 - E2}{E1}$$

where—

F is the pre-transfer total of unactivated allowance for the reference period that ends with the day on which the disposal is made;

E1 is the transferor's share of the equity in the licensed area immediately before the disposal;

E2 is the transferor's share of the equity in the licensed area immediately after the disposal.

- (2) The “pre-transfer total of unactivated allowance” for a reference period is—

$$P + Q$$

where P and Q are the same as in section 356GD.

356HB Acquisition of allowance if equity acquired

- (1) A transferee is treated as generating at the site concerned, at the beginning of the reference period or accounting period of the transferee that begins with, or because of, the disposal, onshore allowance of the amount given by subsection (2).
- (2) The amount is—

$$R \times \frac{E3}{E1 - E2}$$

where—

R is the amount determined for the purposes of the deduction under section 356HA(1);

E3 is the share of equity in the licensed area that the transferee has acquired from the transferor;

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

E1 and E2 are the same as in section 356HA.

 - (e) the division of an accounting period into reference periods where a company has different shares of the equity in a licensed area or sub-area at different times in the period (section 356JI);
 - (f) the transfer of allowance where shares of the equity in a licensed area or sub-area are disposed of (sections 356JK to 356JKB);
 - (g) elections to treat allowance attributable to an unlicensed part of a cluster area as if it were attributable to a licensed area or sub-area in the cluster area (section 356JL).

- (1) In this Part “cluster area” means an offshore area which the Secretary of State determines to be a cluster area.
- (2) A cluster area is treated as not including any previously authorised oil field (or any part of such an oil field) (see section 356JDA).
- (3) An area is “offshore” for the purposes of this section if the whole of it lies on the seaward side of the baselines from which the territorial sea of the United Kingdom is measured.
- (4) Before determining an area to be a cluster area the Secretary of State must—

- (5) The Secretary of State must consider any representations made in writing and within 30 days of the date of the publication of the notice under subsection (4)(b) (or, in the case of representations made by a person to whom notice is given under subsection (4)(a), within 30 days of receipt of the notice, if later).
- (6) A determination under this section—
- (a) has effect from the day on which it is published,

 - (b) publish a notice of the determination on a website that is, and indicates that it is, kept by or on behalf of the Secretary of State.
- (8) The Secretary of State may vary or revoke a determination made under this section, and subsections (4), (5), (6)(a) and (b) and (7) are to apply as if the variation or revocation were a new determination.

356JDA Meaning of “previously authorised oil field”

- (1) In section 356JD “previously authorised oil field”, in relation to a cluster area, means an oil field, other than a decommissioned oil field, whose development (in whole or in part) was authorised for the first time before the relevant day.
- (2) An oil field is a “decommissioned oil field” in relation to a cluster area if, immediately before the relevant day, all assets of the oil field which are relevant assets have been decommissioned.
- (3) In this section, “relevant day”, in relation to an oil field and a cluster area, means the date of publication of the first determination, or variation of a determination, under section 356JD as a result of which the oil field is (ignoring section 356JD(2)) wholly or partly included in the cluster area.
- (4) Sub-paragraphs (2) to (9) of paragraph 7 of Schedule 1 to OTA 1975 apply for the purpose of determining whether relevant assets of an oil field are decommissioned as they apply for the purpose of determining whether qualifying assets of a relevant area are decommissioned.
- (5) For the purposes of this section, an asset is a relevant asset of an oil field if—
 - (a) it has at any time been a qualifying asset (within the meaning of the Oil Taxation Act 1983) in relation to any participator in the field, and

Meaning of “investment expenditure”

356JE Meaning of “investment expenditure”

- (1) For the purposes of this Chapter, expenditure incurred by a company is “investment” expenditure only if it is—
 - (a) capital expenditure, or
 - (b) expenditure of such other description as may be prescribed by the Treasury by regulations.
- (2) Regulations under subsection (1)(b) may provide for any of the provisions of the regulations to have effect in relation to expenditure incurred before the regulations are made.
- (3) But subsection (2) does not apply to any provision of amending or revoking regulations which has the effect that expenditure of any description ceases to be investment expenditure.
- (4) Regulations under subsection (1)(b) may—
 - (a) make different provision for different purposes;
 - (b) make transitional provision and savings.

Cluster area allowance

356JF Generation of cluster area allowance

- (1) Subsection (2) applies where a company—
 - (a) is a licensee in a licensed area or sub-area which is wholly or partly included in a cluster area, and
 - (b) incurs any relievable investment expenditure on or after 3 December 2014 in relation to the cluster area.
- (2) The company is to hold an amount of allowance equal to 62.5% of the amount of the expenditure.

Allowance held under this Chapter is called “cluster area allowance”.
- (3) For the purposes of this section investment expenditure incurred by a company is “relievable” only if, and so far as, it is incurred for the purposes of oil-related activities (see section 274).
- (4) Subsections (1) to (3) are subject to section 356JFA (which prevents expenditure on the acquisition of an asset from being relievable in certain circumstances).

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (5) Cluster area allowance is said in this Chapter to be “generated” at the time when the investment expenditure is incurred (see section 356JN) and is referred to as being generated—
- (a) “by” the company concerned;
 - (b) “in” the cluster area concerned.
- (6) Where—
- (a) investment expenditure is incurred only partly for the purposes of oil-related activities, or
 - (b) the oil-related activities for the purposes of which investment expenditure is incurred are carried on only partly in relation to a particular cluster area,
- the expenditure is to be attributed to the activities or area concerned on a just and reasonable basis.

356JFA Expenditure on acquisition of asset: disqualifying conditions

- (1) Investment expenditure incurred by a company (“the acquiring company”) on the acquisition of an asset is not relievably expenditure for the purposes of section 356JF if either of the disqualifying conditions in this section applies to the asset.
- (2) The first disqualifying condition is that investment expenditure incurred before the acquisition, by the acquiring company or another company, in acquiring, bringing into existence or enhancing the value of the asset was relievably under section 356JF.
- (3) The second disqualifying condition is that—
 - (a) the asset—
 - (i) is the whole or part of the equity in a licensed area or sub-area, or
 - (ii) is acquired in connection with a transfer to the acquiring company of the whole or part of the equity in a licensed area or sub-area,
 - (b) expenditure was incurred, at any time before the acquisition, by the acquiring company or another company, in acquiring, bringing into existence or enhancing the value of the asset, and
 - (c) any of that expenditure—
 - (i) related to the cluster area, and
 - (ii) would have been relievably under section 356JF if this Chapter had applied to expenditure incurred at that time.
- (4) For the purposes of subsection (3)(a)(ii), it does not matter whether the asset is acquired at the time of the transfer.

Reduction of adjusted ring fence profits

356JG Reduction of adjusted ring fence profits

- (1) A company's adjusted ring fence profits for an accounting period are to be reduced by the cumulative total amount of activated allowance for the accounting period (but are not to be reduced below zero).
- (2) In relation to a company and an accounting period, the “cumulative total amount of activated allowance” is—

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

$$A + C$$

where—

A is the total of any amounts of activated allowance the company has, for any cluster areas, for the accounting period (see section 356JH(2)) or for reference periods within the accounting period (see section 356JJ(1)), and

C is any amount carried forward to the period under section 356JGA.

356JGA Carrying forward of activated allowance

- (1) This section applies where, in the case of a company and an accounting period, the cumulative total amount of activated allowance (see section 356JG(2)) is greater than the adjusted ring fence profits.
- (2) The difference is carried forward to the next accounting period.

Activated and unactivated allowance: basic calculation rules

356JH Activation of allowance: no change of equity share

- (1) This section applies where—
 - (a) for the whole or part of an accounting period, a company is a licensee in a licensed area or sub-area which is wholly or partly included in a cluster area,
 - (b) the accounting period is not divided into reference periods (see section 356JI),
 - (c) the company holds, for the accounting period and the cluster area, a closing balance of unactivated allowance (see section 356JHA) which is greater than zero, and
 - (d) the company has relevant income from the cluster area for the accounting period.
- (2) The amount of activated allowance the company has for that accounting period and that cluster area is the smaller of—
 - (a) the closing balance of unactivated allowance held for the accounting period and the cluster area;
 - (b) the company's relevant income for that accounting period from that cluster area.
- (3) In this Chapter “relevant income”, in relation to a cluster area and an accounting period of a company, means production income of the company from any oil extraction activities carried on in that area that is taken into account in calculating the company's adjusted ring fence profits for the accounting period.

356JHA The closing balance of unactivated allowance for an accounting period

The closing balance of unactivated allowance held by a company for an accounting period and a cluster area is—

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

$$P + Q$$

where—

P is the amount of cluster area allowance generated by the company in the cluster area in the accounting period (including any amount treated under section 356JKB(1) as generated by the company in that cluster area in that accounting period);

Q is any amount carried forward from an immediately preceding accounting period under section 356JHB(1) or from an immediately preceding reference period under section 356JJB(1).

356JHB Carrying forward of unactivated allowance

(1) If, in the case of an accounting period of a company and a cluster area, the amount given by subsection (2) is greater than zero, that amount is treated as cluster area allowance held by the company for that cluster area for the next period (and is treated as held with effect from the beginning of that period).

(2) The amount is—

$$U - A - T$$

where—

U is the closing balance of unactivated allowance held for the accounting period and the cluster area;

A is the amount of activated allowance that the company has for the accounting period and the cluster area (see section 356JH(2));

T is the sum of any amounts transferred by the company under section 356JK in connection with a disposal or disposals made on the day following the end of the accounting period.

(3) If the accounting period is followed by a reference period of the company belonging to that cluster area (see section 356JI), “the next period” means that period.

(4) If subsection (3) does not apply “the next period” means the next accounting period of the company.

Changes in equity share: reference periods

356JI Reference periods

(1) This section applies where—

(a) a company is a licensee for the whole or part of an accounting period in one or more licensed areas or sub-areas (“the relevant areas”) which are wholly or partly included in a cluster area, and

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (b) in the case of at least one of the relevant areas, the company has different shares of the equity in the area on different days in the accounting period.
- (2) For the purposes of this Chapter, the accounting period is to be divided into as many consecutive periods (called “reference periods”) as are necessary to secure that—
- (a) a reference period begins with the first day of the accounting period,
 - (b) a reference period begins with the date of each disposal or acquisition of a share of the equity in any of the relevant areas that is made by the company in that accounting period (not including acquisitions or disposals made on the first day of the accounting period), and
 - (c) a reference period ends with the last day of the accounting period.
- (3) Each such reference period “belongs to” the cluster area concerned.

Changes in equity share: activation of allowance

356JJ Activation of allowance: reference periods

- (1) The amount (if any) of activated allowance that a company has for a cluster area for a reference period is the smaller of the following—
- (a) the company's relevant income from the cluster area for the reference period;
 - (b) the total amount of unactivated allowance that is attributable to the reference period and the cluster area (see section 356JJA).
- (2) The company's relevant income from the cluster area for the reference period is so much of the company's relevant income from the cluster area for the accounting period (see section 356JH(3)) as arises in the reference period.

356JJA Unactivated amounts attributable to a reference period

- (1) For the purposes of section 356JJ(1)(b), the total amount of unactivated allowance attributable to a reference period and a cluster area is—

$$P + Q$$

where—

P is the amount of allowance generated by the company in the reference period in the cluster area (including any amount treated under section 356JKB(1) as generated by the company in that area in that reference period);

Q is the amount given by subsection (2) or (3).

- (2) Where the reference period is not immediately preceded by another reference period but is preceded by an accounting period of the company, Q is equal to the amount (if any) that is to be carried forward from that preceding accounting period under section 356JHB(1).
- (3) Where the reference period is immediately preceded by another reference period, Q is equal to the amount (if any) carried forward under section 356JJB(1).

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

356JJB Carry-forward of unactivated allowance from a reference period

- (1) If, in the case of a reference period (“RP1”) of a company, the amount given by subsection (2) is greater than zero, that amount is treated as cluster area allowance held by the company for the cluster area concerned for the next period.
- (2) The amount is—

$$U - A - T$$

where—

U is the total amount of unactivated allowance attributable to the reference period and the cluster area (see section 356JJA);

A is the amount of activated allowance that the company has for the cluster area for the reference period (see section 356JJ);

T is the sum of any amounts transferred by the company under section 356JK in connection with a disposal or disposals made on the day following the end of the reference period.

- (3) If RP1 is immediately followed by another reference period of the company (belonging to the same cluster area), “the next period” means that reference period.
- (4) If subsection (3) does not apply, “the next period” means the next accounting period of the company.

Transfers of allowance on disposal of equity share

356JK Disposal of equity share: transfer of allowance

- (1) Subsections (2) and (3) apply where—
 - (a) a company (“the transferor”) makes a disposal, on the day following the end of an accounting period or reference period, of the whole or part of its share of the equity in a licensed area or sub-area which is wholly or partly included in a cluster area (“the relevant cluster area”), and
 - (b) the maximum transferable amount is greater than zero.

Each company to which a share of the equity is disposed of is referred to in this section as a “transferee”.

- (2) The transferor may, by an election, transfer to the transferee (or transferees) a specified amount of cluster area allowance (greater than zero) which—
 - (a) is not less than the minimum transferable amount, and
 - (b) is not more than the maximum transferable amount.
- (3) If the transferor does not make an election under subsection (2), the minimum transferable amount of cluster area allowance (if greater than zero) is transferred to the transferee (or transferees).
- (4) An election under subsection (2)—
 - (a) must be made within the 60 days beginning with the date of the disposal,

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (b) must—
- (i) specify the date of the disposal and the amount of cluster area allowance transferred, and
 - (ii) identify the transferees, and
- (c) is irrevocable.
- (5) The minimum transferable amount is—

$$(G - A) \times \frac{E1 - E2}{E1}$$

where—

G is so much of the total generated allowance for the relevant cluster area (see subsection (6)) as is attributable on a just and reasonable basis to the licensed area or sub-area mentioned in subsection (1);

A is the total of any amounts of allowance which have, in relation to any accounting period or reference period of the transferor ending before the date of the disposal, been activated under section 356JH or 356JJ in relation to the relevant cluster area;

E1 is the transferor's share of the equity in the licensed area or sub-area immediately before the disposal;

E2 is the transferor's share of the equity in the licensed area or sub-area immediately after the disposal.

- (6) In the definition of “G” in subsection (5), “the total generated allowance for the relevant cluster area” means the total of—
- (a) all amounts of cluster area allowance generated by the transferor in that cluster area before the date of the disposal, and
 - (b) any amounts treated under section 356JKB(1) as so generated on the date of the disposal.
- (7) The maximum transferable amount is—

$$M \times \frac{E1 - E2}{E1}$$

where—

M is the smaller of—

- (a) G (as defined in subsection (5)), and
- (b) the transferor's pre-transfer total of unactivated allowance for the relevant cluster area;

E1 and E2 have the same meaning as in subsection (5).

- (8) In subsection (7) the transferor's “pre-transfer total of unactivated allowance for the relevant cluster area” means—

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

$$P + Q - (A + S)$$

where—

P and Q are—

- (a) if the disposal is made on the day following the end of an accounting period, the same as in section 356JHA (in its application to that period), or
- (b) if the disposal is made on the day following the end of a reference period, the same as in section 356JJA(1) (in its application to that period);

A is—

- (a) if the disposal is made on the day following the end of an accounting period, the same as in section 356JHB(2) (in its application to that period), or
- (b) if the disposal is made on the day following the end of a reference period, the same as in section 356JJB(2) (in its application to that period);

S is the total of any amounts of allowance transferred by the transferor in connection with any prior disposals (see section 356JKA) made in relation to the relevant cluster area on the day on which the disposal is made.

- (9) For the effect of a transfer of cluster area allowance in relation to the transferor, see—
 - (a) for disposals made on the day following the end of an accounting period, section 356JHB (reduction of unactivated allowance carried forward from accounting period), or
 - (b) for disposals made on the day following the end of a reference period, section 356JJB (reduction of unactivated allowance carried forward from reference period).

356JKAMore than one disposal on a single day

- (1) Subsections (2) to (4) apply where a company makes, on a single day and in relation to a single cluster area, more than one disposal falling within section 356JK(1)(a).
- (2) The company may, by an election, choose the order of priority of the disposals for the purposes of section 356JK(8).
- (3) A disposal which is placed higher in the order of priority than another disposal is a “prior disposal” in relation to the other for the purposes of the definition of “S” in section 356JK(8).
- (4) An election under subsection (2) is irrevocable.

356JKBEffect of transfer of allowance for transferee

- (1) Where a transfer of cluster area allowance is made under section 356JK, each transferee is treated as generating in the cluster area concerned, at the beginning of the accounting period or reference period of the transferee that begins with the day on which the disposal is made, cluster area allowance of the amount given by subsection (2).
- (2) The amount is—

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

$$T \times \frac{E3}{E1 - E2}$$

where—

T is the total amount of cluster area allowance transferred in connection with the disposal;

E3 is the share of equity in the licensed area or sub-area that the transferee has acquired from the transferor;

E1 and E2 are the same as in section 356JK(5).

- (3) In this section references to the transferor and the transferees are to be read in accordance with section 356JK(1).

Use of allowance attributable to unlicensed area

356JL Use of allowance attributable to unlicensed area

- (1) Subsection (2) applies where—
- (a) a company (“C”) disposes of the whole or part of its share of the equity in a licensed area or sub-area (“area A”),
 - (b) that area is wholly or partly included in a cluster area, and
 - (c) C has generated in the cluster area, on or before the day of the disposal, cluster area allowance which is wholly or partly attributable to an unlicensed area (“area U”) in the cluster area.
- (2) C may, by an election, assign to area A, or to any other relevant licensed area or sub-area in the cluster area, so much of the total of generated allowance for the cluster area as is attributable to area U.
- (3) The reference in subsection (2) to a “relevant” licensed area or sub-area is to a licensed area or sub-area in which C is a licensee.
- (4) In subsection (2), “the total of generated allowance for the cluster area” means the total of all amounts of cluster area allowance generated by C in the cluster area at any time on or before the day of the disposal (including any amounts treated under section 356JKB(1) as so generated).
- (5) An election under this section must be made within the 60 days beginning with the date of the disposal and must specify—
- (a) the amount of cluster area allowance transferred,
 - (b) the unlicensed area to which it was attributable, and
 - (c) the licensed area or sub-area to which it is assigned.
- (6) An election under this section is irrevocable.
- (7) Where an amount of cluster area allowance is assigned to a licensed area or sub-area by an election under this section, that amount is taken, for the purposes of this Chapter—

- (8) In this section—
- “attributable” means attributable on a just and reasonable basis;
 - “unlicensed area” means an area which is not (and is not part of) a licensed area or sub-area.

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (a) a relevant asset, or
 - (b) part of a relevant asset.
- (2) The total amount that may be brought into account in respect of the payments for the purposes of calculating the contractor's ring fence profits in an accounting period is limited to the hire cap.
- (3) The “hire cap” is an amount equal to the relevant percentage of TC for the accounting period, subject to subsection (4).
- (4) If payments in relation to which subsection (2) or section 285A(2) (restriction on hire for company carrying on a ring fence trade under Part 8) applies are also made, or to be made, by one or more other companies in respect of the relevant asset or part, the “hire cap” is to be such proportion of the amount mentioned in subsection (3) as is just and reasonable, having regard (in particular) to the amounts of the payments made, or to be made, by the contractor and each other company.
- (5) Subject to subsection (7), the “relevant percentage” is—

$$\frac{\text{UROS}}{\text{TU}} \times 7.5\%$$

where—

UROS is the number of days in the accounting period that the relevant asset is provided, operated or used in a relevant offshore service, and

TU is the number of days in the accounting period that the relevant asset is provided, operated or used (whether or not in a relevant offshore service).

- (6) Accordingly, the relevant percentage is zero if the relevant asset is not provided, operated or used in the accounting period.
- (7) If the accounting period is less than 12 months, the relevant percentage is to be proportionally reduced.
- (8) TC is—

$$\text{OC} + \text{CE}$$

- (9) Unless subsection (11) applies, OC is the sum of—
- (a) any consideration given for the acquisition of the relevant asset or part when it was first acquired by an associated person, and
 - (b) any expenses incurred by an associated person in connection with that acquisition (other than the costs of financing the acquisition).

This is subject to subsections (12) and (13).

- (10) Subsection (11) applies if the relevant asset or part—
- (a) is leased by an associated person from a person who is not an associated person, and
 - (b) has never been owned by an associated person.

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (11) OC is the sum of—
- (a) the consideration that it is reasonable to suppose would have been given for the acquisition of the relevant asset or part, if it had been acquired by an associated person by way of a bargain at arm's length at the time it was first leased as mentioned in subsection (10)(a), and
 - (b) the expenses (other than the costs of financing the acquisition) that it is reasonable to suppose would have been incurred by an associated person in connection with such an acquisition.

This is subject to subsections (12) and (13).

- (12) If the relevant asset or part was first acquired by an associated person, or (as the case may be) first leased as mentioned in subsection (10)(a), before the beginning of the accounting period, OC does not include any part of the consideration mentioned in subsection (9)(a) or (as the case may be) (11)(a) that it is reasonable to attribute to anything that no longer forms part of the relevant asset or part at the beginning of the accounting period.
- (13) If the relevant asset or part was first acquired by an associated person, or (as the case may be) first leased as mentioned in subsection (10)(a), in the accounting period, OC for the accounting period is—

$$\text{OC} \times \frac{D - \text{DBA}}{D}$$

where—

D is the total number of days in the accounting period,

DBA is the number of days in the accounting period before the day on which the relevant asset or part was first acquired or first leased, and

OC is the amount given by subsection (9) or (as the case may be) (11).

- (14) CE is capital expenditure on the relevant asset or part (other than capital expenditure in respect of its acquisition or the acquisition of a lease of it) incurred by an associated person—
- (a) after it was first acquired by an associated person or (as the case may be) was first leased as mentioned in subsection (10)(a), and
 - (b) before the end of the accounting period.

This is subject to subsections (15) and (16).

- (15) CE does not include any capital expenditure mentioned in subsection (14) that is—
- (a) incurred before the beginning of the accounting period, and
 - (b) not reflected in the state or nature of the relevant asset or part at the beginning of the accounting period.
- (16) If any capital expenditure mentioned in subsection (14) is incurred on a day in the accounting period, the amount of CE for the accounting period in respect of that capital expenditure is—

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

$$\text{CEA} \times \frac{D - \text{DBI}}{D}$$

where—

D is the total number of days in the accounting period,

DBI is the number of days in the accounting period before the day on which that capital expenditure is incurred, and

- (3) To the extent that, by virtue of section 356N, payments within subsection (1) of that section cannot be brought into account for the purposes of calculating the contractor's ring fence profits in an accounting period, the payments may be—
 - (a) allowed as a deduction from the contractor's total profits for the accounting period, or
 - (b) treated as a surrenderable amount of the contractor for the accounting period for the purposes of Part 5 (group relief) (see section 99(7)) as if they were a trading loss,
 subject to subsection (4).
- (4) No deduction may be made by virtue of subsection (3) from total profits so far as they are contractor's ring fence profits or ring fence profits for the purposes of Part 8.
- (5) If an associated person enters into arrangements the main purpose or one of the main purposes of which is to secure that section 356N(2) does not apply in relation to one or more payments to any extent, that provision applies in relation to the payments to the extent it would not otherwise do so.
- (6) In subsection (5) “arrangements” includes any agreement, understanding, scheme, transaction or series of transactions (whether or not legally enforceable).

Loan relationships

 - (b) the exchange loss arising from the relationship is in respect of a money debt on which the interest payable (if any) is, or would be, such expenditure.
- (5) If a debit—
 - (a) falls to be brought into account for the purposes of Part 5 of CTA 2009 in respect of a loan relationship of the contractor, but
 - (b) as a result of this section cannot be brought into account in a way that results in any reduction of what would otherwise be the contractor's ring fence profits,the debit is to be brought into account for those purposes as a non-trading debit despite anything in section 297 of that Act.
- (6) References in this section to a loan relationship, in relation to the borrowing of money, do not include a relationship to which Chapter 2 of Part 6 of CTA 2009 (relevant non-lending relationships) applies.

- (11) A company that meets the development condition in relation to a right by virtue of the performance of the activities mentioned in subsection (3) or (5) for the period of 12 months so mentioned is to be regarded as meeting that condition in relation to the right during that period (as well as at any other time when the company meets the condition).

- (3) In subsection (2) “management activity”, in relation to any qualifying IP rights, means formulating plans and making decisions in relation to the development or exploitation of the rights.
- (4) Condition B is that the company meets the development condition in relation to the rights by virtue of section 357BC(2) or (3).
- (5) Any reference in this section to a qualifying IP right held by the company includes a reference to a qualifying IP right in respect of which the company holds an exclusive licence.

CHAPTER 3

RELEVANT IP PROFITS

Steps for calculating relevant IP profits of a trade

357C Relevant IP profits

- (1) To determine the relevant IP profits of a trade of a company for an accounting period—
Step 1 Calculate the total gross income of the trade for the accounting period (see section 357CA).
Step 2 Calculate the percentage (“X%”) given by the following formula—

$$\frac{\text{RIPI}}{\text{TI}} \times 100$$

where—

“RIPI” is so much of the total gross income of the trade for the accounting period as is relevant IP income (see sections 357CC and 357CD), and

“TI” is the total gross income of the trade for the accounting period.

Step 3 Calculate X% of the profits of the trade for the accounting period. If there are no such profits, calculate X% of the losses of the trade (expressed as a negative figure) for the accounting period. In calculating the profits of the trade for the purposes of this step, make any adjustments required by section 357CG (and references in this step to the profits or losses of the trade are to be read subject to any such adjustments).

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

Step 4 Deduct from the amount given by Step 3 the routine return figure (see section 357CI). The amount given by this step is the “qualifying residual profit”.

If the amount of the qualifying residual profit is not greater than nil, go to Step 7.

Step 5 If the company has elected for small claims treatment, calculate the small claims amount in relation to the trade (see section 357CM). If the company has not, go to Step 6.

Step 6 Deduct from the qualifying residual profit the marketing assets return figure (see section 357CN).

Step 7 If the company has made an election under section 357CQ (which provides in certain circumstances for profits arising before the grant of a right to be treated as relevant IP profits), add to the amount given by Step 5 or 6 (or, if the amount of the qualifying residual profit was not greater than nil, Step 4) any amount determined in accordance with subsection (3) of that section.

- (2) If the amount given by subsection (1) is greater than nil, that amount is the relevant IP profits of the trade for the accounting period.
- (3) If the amount given by subsection (1) is less than nil, that amount is the relevant IP losses of the trade for the accounting period (see Chapter 5).

Total gross income of trade

357CA Total gross income of a trade

- (1) For the purposes of this Part the “total gross income” of a trade of a company for an accounting period is the aggregate of the amounts falling within the Heads set out in—
 - (a) subsection (3) (revenue),
 - (b) subsection (5) (compensation),
 - (c) subsection (6) (adjustments),
 - (d) subsection (7) (proceeds from intangible fixed assets),
 - (e) subsection (8) (profits from patent rights).
- (2) But the total gross income of the trade does not include any finance income (see section 357CB).
- (3) Head 1 is any amounts which—
 - (a) in accordance with generally accepted accounting practice (“GAAP”) are recognised as revenue in the company's profit and loss account or income statement for the accounting period, and
 - (b) are brought into account as credits in calculating the profits of the trade for the accounting period.
- (4) Where the company does not draw up accounts for an accounting period in accordance with GAAP, the reference in subsection (3)(a) to any amounts which in accordance with GAAP are recognised as revenue in the company's profit and loss account or income statement for the accounting period is to be read as a reference to any amounts which would be so recognised if the company had drawn up such accounts for that accounting period.
- (5) Head 2 is any amounts of damages, proceeds of insurance or other compensation (so far as not falling within Head 1) which are brought into account as credits in calculating the profits of the trade for the accounting period.

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (6) Head 3 is any amounts (so far as not falling within Head 1) which are brought into account as receipts under section 181 of CTA 2009 (adjustment on change of basis) in calculating the profits of the trade for the accounting period.
- (7) Head 4 is any amounts (so far as not falling within Head 1) which are brought into account as credits under Chapter 4 of Part 8 of CTA 2009 (realisation of intangible fixed assets) in calculating the profits of the trade for the accounting period.
- (8) Head 5 is any profits from the sale by the company of the whole or part of any patent rights held for the purposes of the trade which are taxed under section 912 of CTA 2009 in the accounting period.

357CB Finance income

- (1) For the purposes of this Part “finance income”, in relation to a trade of a company, means—
 - (a) any credits which are treated as receipts of the trade by virtue of—
 - (i) section 297 of CTA 2009 (credits in respect of loan relationships), or
 - (ii) section 573 of CTA 2009 (credits in respect of derivative contracts),
 - (b) any amount which in accordance with generally accepted accounting practice falls to be recognised as arising from a financial asset, and
 - (c) any return, in relation to an amount, which—
 - (i) is produced for the company by an arrangement to which it is party, and
 - (ii) is economically equivalent to interest.
- (2) In subsection (1)—
 - “economically equivalent to interest” is to be construed in accordance with section 486B(2) and (3) of CTA 2009, and
 - “financial asset” means a financial asset as defined for the purposes of generally accepted accounting practice.
- (3) For the purposes of subsection (1)(c), the amount of a return is the amount which by virtue of the return would, in calculating the company's chargeable profits, be treated under section 486B of CTA 2009 (disguised interest to be regarded as profit from loan relationship) as a profit arising to the company from a loan relationship.

But, in calculating that profit for the purposes of this subsection, sections 486B(7) and 486C to 486E of that Act are to be ignored.

Relevant IP income

357CC Relevant IP income

- (1) For the purposes of this Part “relevant IP income” means income falling within any of the Heads set out in—
 - (a) subsection (2) (sales income),
 - (b) subsection (6) (licence fees),
 - (c) subsection (7) (proceeds of sale etc),
 - (d) subsection (8) (damages for infringement),
 - (e) subsection (9) (other compensation).

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

This is subject to section 357CE (excluded income).

- (2) Head 1 is income arising from the sale by the company of any of the following items—
 - (a) items in respect of which a qualifying IP right held by the company has been granted (“qualifying items”);
 - (b) items incorporating one or more qualifying items;
 - (c) items that are wholly or mainly designed to be incorporated into items within paragraph (a) or (b).
- (3) For the purposes of this Part an item and its packaging are not to be treated as a single item, unless the packaging performs a function that is essential for the use of the item for the purposes for which it is intended to be used.
- (4) In subsection (3) “packaging”, in relation to an item, means any form of container or other packaging used for the containment, protection, handling, delivery or presentation of the item, including by way of attaching the item to, or winding the item round, some other article.
- (5) In a case where a qualifying item and an item that is designed to incorporate that item (“the parent item”) are sold together as, or as part of, a single unit for a single price, the reference in subsection (2)(b) to an item incorporating a qualifying item includes a reference to the parent item.
- (6) Head 2 is income consisting of any licence fee or royalty which the company receives under an agreement granting another person any of the following rights only—
 - (a) a right in respect of any qualifying IP right held by the company,
 - (b) any other right in respect of a qualifying item or process, and
 - (c) in the case of an agreement granting any right within paragraph (a) or (b), a right granted for the same purposes as those for which that right was granted.

In this subsection “qualifying process” means a process in respect of which a qualifying IP right held by the company has been granted.
- (7) Head 3 is any income arising from the sale or other disposal of a qualifying IP right or an exclusive licence in respect of such a right.
- (8) Head 4 is any amount received by the company in respect of an infringement, or alleged infringement, of a qualifying IP right held by the company at the time of the infringement or alleged infringement.
- (9) Head 5 is any amount of damages, proceeds of insurance or other compensation, other than an amount in respect of an infringement or alleged infringement of a qualifying IP right, which is received by the company in respect of an event and—
 - (a) is paid in respect of any items that fell within subsection (2) at the time of that event, or
 - (b) represents a loss of income which would, if received by the company at the time of that event, have been relevant IP income.
- (10) But income is not relevant IP income by virtue of subsection (8) or (9) unless the event in respect of which the income is received, or any part of that event, occurred at a time when—
 - (a) the company was a qualifying company, and
 - (b) an election under section 357A had effect in relation to it.

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (11) In a case where the whole of that event does not occur at such a time, subsection (8) or (9) (as the case may be) applies only to so much of the amount received by the company in respect of the event as on a just and reasonable apportionment is properly attributable to such a time.
- (12) Any reference in this section to a qualifying IP right held by the company includes a reference to a qualifying IP right in respect of which the company holds an exclusive licence.

357CD Notional royalty

- (1) This section applies where—
 - (a) a company, for the purposes of any trade of the company, holds any rights mentioned in paragraph (a), (b) or (c) of section 357BB(1) (rights to which this Part applies) or an exclusive licence in respect of any such rights, and
 - (b) the rights are relevant qualifying IP rights.
- (2) For the purposes of this section a qualifying IP right is a “relevant qualifying IP right” in relation to an accounting period if—
 - (a) the total gross income of the trade of the company for the accounting period includes any income arising from things done by the company that involve the exploitation by the company of that right, and
 - (b) that income is not relevant IP income or excluded income.Such income is referred to in this section as “IP-derived income”.
- (3) The company may elect that the notional royalty in respect of the trade for the accounting period is to be treated for the purposes of this Part as if it were relevant IP income.
- (4) The notional royalty in respect of a trade of a company for an accounting period is the appropriate percentage of the IP-derived income for that accounting period.
- (5) The “appropriate percentage” is the proportion of any IP-derived income for an accounting period which the company would pay another person (“P”) for the right to exploit the relevant qualifying IP rights in that accounting period if the company were not otherwise able to exploit them.
- (6) For the purposes of determining the appropriate percentage under this section, assume that—
 - (a) the company and P are dealing at arm's length,
 - (b) the company, or the company and persons authorised by it, will have the right to exploit the relevant qualifying IP rights to the exclusion of any other person (including P),
 - (c) the company will have the same rights in relation to the relevant qualifying IP rights as it actually has,
 - (d) the relevant qualifying IP rights are conferred on the relevant day,
 - (e) the appropriate percentage for the accounting period is determined at the beginning of the accounting period,
 - (f) the appropriate percentage for the accounting period will apply for each succeeding accounting period for which the company will have the right to exploit the relevant qualifying IP rights, and

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (g) no income other than IP-derived income will arise from anything done by the company that involves the exploitation by the company of the relevant qualifying IP rights.
- (7) In subsection (6)(d) “the relevant day”, in relation to a relevant qualifying IP right or a licence in respect of such a right, means—
 - (a) the first day of the accounting period, or
 - (b) if later, the day on which the company first began to hold the right or licence.
- (8) In determining the appropriate percentage, the company must act in accordance with—
 - (a) Article 9 of the OECD Model Tax Convention, and
 - (b) the OECD transfer pricing guidelines.
- (9) In this section “excluded income” means any income falling within any of the Heads in section 357CE.

357CE Excluded income

- (1) For the purposes of this Part income falling within any of the Heads set out in the following subsections is not relevant IP income—
 - (a) subsection (2) (ring fence income),
 - (b) subsection (3) (income attributable to non-exclusive licences).
- (2) Head 1 is income arising from oil extraction activities or oil rights.
- (3) Head 2 is income which on a just and reasonable apportionment is properly attributable to a licence (a “non-exclusive licence”) held by the company which—
 - (a) is a licence in respect of an item or process, but
 - (b) is not an exclusive licence in respect of a qualifying IP right.
- (4) In a case where—
 - (a) a company holds an exclusive licence in respect of a qualifying IP right, and
 - (b) the licence also confers on the company (or on the company and persons authorised by it) any right in respect of the invention otherwise than to the exclusion of all other persons,

the licence is to be treated for the purposes of this Part as if it were two separate licences, one an exclusive licence that does not confer any such rights, and the other a non-exclusive licence conferring those rights.

357CF Mixed sources of income

- (1) This section applies to any income that—
 - (a) is mixed income, or
 - (b) is paid under a mixed agreement.
- (2) “Mixed income” means the proceeds of sale in a case where an item falling within subsection (2) of section 357CC and an item not falling within that subsection are sold together as, or as part of, a single unit for a single price.
- (3) A “mixed agreement” is an agreement providing for—

- (a) one or more of the matters in paragraphs (a) to (c) of subsection (4), and
 - (b) one or more of the matters in paragraphs (d) to (g) of that subsection.
- (4) The matters are—
- (a) the sale of an item falling within section 357CC(2),
 - (b) the grant of any right falling within paragraph (a), (b) or (c) of section 357CC(6),
 - (c) a sale or disposal falling within section 357CC(7),
 - (d) the sale of any other item,
 - (e) the grant of any other right,
 - (f) any other sale or disposal,
 - (g) the provision of any services.
- (5) So much of the income as on a just and reasonable apportionment is properly attributable to—
- (a) the sale of an item falling within section 357CC(2),
 - (b) the grant of any right falling within paragraph (a), (b) or (c) of section 357CC(6), or
 - (c) a sale or disposal falling within section 357CC(7),
- is to be regarded for the purposes of this Part as relevant IP income.
- (6) But where the amount of income that on such an apportionment is properly attributable to any of the matters in paragraphs (d) to (g) of subsection (4) is a trivial proportion of the income to which this section applies, all of that income is to be regarded for the purposes of this Part as relevant IP income.

- (2) In calculating the profits of the trade for the accounting period—

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (a) Article 9 of the OECD Model Tax Convention, and
 - (b) the OECD transfer pricing guidelines.
- (7) In this section “marketing asset” means any of the following (whether or not capable of being transferred or assigned)—
- (a) anything in respect of which proceedings for passing off could be brought, including a registered trade mark (within the meaning of the Trade Marks Act 1994),
 - (b) anything that corresponds to a marketing asset within paragraph (a) and is recognised under the law of a country or territory outside the United Kingdom,
 - (c) any signs or indications (so far as not falling within paragraph (a) or (b)) which may serve, in trade, to designate the geographical origin of goods or services, and
 - (d) any information which relates to customers or potential customers of the company, or any other member of a group of which the company is a member, and is intended to be used for marketing purposes.

357CP Actual marketing royalty

- (1) The actual marketing royalty in respect of a trade of a company for an accounting period is X% of the aggregate of any sums which—
- (a) were paid by the company for the purposes of acquiring any relevant marketing assets, or the right to exploit any such assets, and
 - (b) were brought into account as debits in calculating the profits of the trade for the accounting period.
- (2) In this section—
- “relevant marketing assets” has the same meaning as in section 357CO, and
 - “X%” is the percentage given by Step 2 in section 357C(1).

Profits arising before grant of right

357CQ Profits arising before grant of right

- (1) This section applies where a company—
- (a) holds a right mentioned in paragraph (a), (b) or (c) of section 357BB(1) (rights to which this Part applies) or an exclusive licence in respect of such a right, or
 - (b) would hold such a right or licence but for the fact that the company disposed of any rights in the invention or (as the case may be) the licence before the right was granted.
- (2) The company may elect that, for the purposes of determining the relevant IP profits of a trade of the company for the accounting period in which the right is granted, there is to be added the amount determined in accordance with subsection (3) (the “additional amount”).
- (3) The additional amount is the difference between—
- (a) the aggregate of the relevant IP profits of the trade for each relevant accounting period, and

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (b) the aggregate of what the relevant IP profits of the trade for each relevant accounting period would have been if the right had been granted on the relevant day.
- (4) For the purposes of determining the additional amount, the amount of any relevant IP profits to which section 357A does not apply by virtue of Chapter 5 (relevant IP losses) is to be disregarded.
- (5) In this section “relevant accounting period” means—
 - (a) the accounting period of the company in which the right is granted, and
 - (b) any earlier accounting period of the company which meets the conditions in subsection (6).
- (6) The conditions mentioned in subsection (5)(b) are—
 - (a) that it is an accounting period for which an election made by the company under section 357A has effect,
 - (b) that it is an accounting period for which the company is a qualifying company, and
 - (c) that it ends on or after the relevant day.
- (7) In this section “the relevant day” is the later of—
 - (a) the first day of the period of 6 years ending with the day on which the right is granted, or
 - (b) the day on which—
 - (i) the application for the grant of the right was filed, or
 - (ii) in the case of a company that holds an exclusive licence in respect of the right, the licence was granted.
- (8) Where the company would be a qualifying company for an accounting period but for the fact that the right had not been granted at any time during that accounting period, the company is to be treated for the purposes of this section as if it were a qualifying company for that accounting period.
- (9) Where the company would be a qualifying company for the accounting period in which the right was granted but for the fact that the company disposed of the rights or licence mentioned in subsection (1)(b) before the right was granted, the company is to be treated for the purposes of section 357A as if it were a qualifying company for that accounting period.

CHAPTER 4

STREAMING

357D Alternative method of calculating relevant IP profits: “streaming”

- (1) A company may elect to apply section 357DA (instead of section 357C) for the purposes of determining the relevant IP profits of any trade of the company for an accounting period.
- (2) An election made under subsection (1) is known as a “streaming election”.
- (3) A streaming election has effect—

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (a) for the accounting period for which it is made, and
- (b) for each subsequent accounting period.

This is subject to section 357DB.

- (4) If any of the mandatory streaming conditions in section 357DC is met in relation to a trade of a company for an accounting period, the company must apply section 357DA (instead of section 357C) for the purposes of determining the relevant IP profits of the trade for that accounting period.

357DA Relevant IP profits

- (1) To determine the relevant IP profits of a trade of a company for an accounting period in accordance with this section—

Step 1 Take any amounts which are brought into account as credits in calculating the profits of the trade for the accounting period, other than any amounts of finance income (see section 357CB), and divide them into two “streams”, amounts of relevant IP income (see sections 357CC and 357CD) and amounts that are not amounts of relevant IP income. The stream consisting of relevant IP income is “the relevant IP income stream”.

Step 2 Take any amounts which are brought into account as debits in calculating the profits of the trade for the accounting period, other than any amounts referred to in section 357CG(3), and allocate them on a just and reasonable basis between the two streams. (See also section 357CG(5).)

Step 3 Deduct from the relevant IP income stream the amounts allocated to that stream under Step 2.

Step 4 Deduct from the amount given by Step 3 the routine return figure (see subsection (4)). The amount given by this step is the “qualifying residual profit”.

If the amount of the qualifying residual profit is not greater than nil, go to Step 7.

Step 5 If the company has elected for small claims treatment, calculate the small claims amount in relation to the trade (see section 357CM). If the company has not, go to Step 6.

Step 6 Deduct from the qualifying residual profit the marketing assets return figure (see section 357CN and subsection (6)).

Step 7 If the company has made an election under section 357CQ (which provides in certain circumstances for profits arising before the grant of a right to be treated as relevant IP profits), add to the amount given by Step 5 or 6 (or, if the amount of the qualifying residual profit was not greater than nil, Step 4) any amount determined in accordance with subsection (3) of that section.

- (2) If the amount given by subsection (1) is greater than nil, that amount is the relevant IP profits of the trade for the accounting period.
- (3) If the amount given by subsection (1) is less than nil, that amount is the relevant IP losses of the trade for the accounting period (see Chapter 5).
- (4) The routine return figure, in relation to a trade of a company for an accounting period, is 10% of the aggregate of any routine deductions which—
 - (a) have been made by the company in calculating the profits of the trade for the accounting period, and
 - (b) have been allocated to the relevant IP income stream under Step 2.

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

In this subsection “routine deductions” is to be read in accordance with sections 357CJ and 357CK.

- (5) Subsections (2) and (3) of section 357CI have effect for the purposes of subsection (4) of this section as they have effect for the purposes of that section.
- (6) For the purposes of determining the marketing assets return figure in Step 6, section 357CP (actual marketing royalty) has effect as if the reference to X% of the aggregate of any sums falling within subsection (1) of that section were a reference to the aggregate of any such sums which have been allocated to the relevant IP income stream under Step 2.

357DB Method of allocation

- (1) In this section “method of allocation” means the method of allocating, for the purposes of Step 2 in section 357DA(1), the amounts mentioned in that step.
- (2) A company that applies section 357DA for the purposes of determining the relevant IP profits of a trade of the company for an accounting period must use the same method of allocation in relation to the trade for that accounting period as it used in the last accounting period of the company for which it applied that section for the purposes of determining the relevant IP profits of the trade.
- (3) But subsection (2) does not apply if there is a change of circumstances relating to the trade which makes the use of that method of allocation in relation to the trade for the accounting period inappropriate.
- (4) In such a case, the company may—
 - (a) use a different method of allocation in relation to the trade for the accounting period (and subsection (2) applies accordingly for subsequent accounting periods), or
 - (b) elect not to apply section 357DA for the purposes of determining the relevant IP profits of the trade for the accounting period.
- (5) Subsection (4)(b) does not prevent the company making a fresh streaming election in relation to the trade for any subsequent accounting period.

357DC The mandatory streaming conditions

- (1) Mandatory streaming condition A is met in relation to a trade of a company for an accounting period if—
 - (a) any amount brought into account as a credit in calculating the profits of the trade for the accounting period is not fully recognised as revenue for the accounting period, and
 - (b) the amount, or the aggregate of any such amounts, is substantial.
- (2) An amount is a “substantial” amount for the purposes of this section if it is greater than—
 - (a) £2,000,000, or
 - (b) 20% of the total gross income of the trade for the accounting period,whichever is the lower.
- (3) But an amount is not a substantial amount for the purposes of this section if it does not exceed £50,000.

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (4) The reference in subsection (1)(a) to an amount brought into account as a credit includes a reference to any amount brought into account by virtue of section 147 of TIOPA 2010 (basic transfer-pricing rule).
- (5) Mandatory streaming condition B is met in relation to a trade of a company for an accounting period if the total gross income of the trade for the accounting period includes—
- (a) relevant IP income, and
 - (b) a substantial amount of licensing income that is not relevant IP income.
- (6) In subsection (5) “licensing income” means income consisting of any licence fee, royalty or other payment which the company has received under an agreement granting another person any right in respect of any intellectual property held by the company.
- “Intellectual property” has the meaning given by section 712(3) of CTA 2009.
- (7) Mandatory streaming condition C is met in relation to a trade of a company for an accounting period if the total gross income of the trade for the accounting period includes—
- (a) income that is not relevant IP income, and
 - (b) a substantial amount of relevant Head 2 income.
- (8) Income is “relevant Head 2 income” for the purposes of subsection (7) if—
- (a) it is relevant IP income received under an agreement falling within subsection (6) of section 357CC, and
 - (b) every qualifying IP right—
 - (i) in respect of which a right within paragraph (a) of that subsection is granted by the agreement, or
 - (ii) which is granted in respect of an invention in respect of which a right within paragraph (b) of that subsection is granted by the agreement, is a right in respect of which the company holds an exclusive licence.
- (9) In a case where—
- (a) relevant IP income is received under an agreement falling within section 357CC(6), but
 - (b) the condition in paragraph (b) of subsection (8) above is not met,
- so much of the relevant IP income as on a just and reasonable apportionment is attributable to any qualifying IP right falling within that paragraph is relevant Head 2 income for the purposes of subsection (7).

CHAPTER 5

RELEVANT IP LOSSES

357E Company with relevant IP losses: set-off amount

Where a company would be entitled to make a deduction under section 357A(2) in calculating the profits of a trade of the company for an accounting period but for the fact that there are relevant IP losses of the trade for the accounting period, there is a “set-off amount” in relation to the trade of the company for the accounting period which is equal to the amount of the relevant IP losses.

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

357EA Effect of set-off amount on company with more than one trade

- (1) This section applies where—
 - (a) there is a set-off amount in relation to a trade of a company for an accounting period, and
 - (b) the company carries on any other trade.
- (2) The set-off amount is to be reduced (but not to below nil) by any relevant IP profits of that other trade for the accounting period.
- (3) Section 357A does not apply in relation to so much of the amount of relevant IP profits of that other trade for the accounting period as is equal to the amount by which the set-off amount is reduced under subsection (2).

357EB Allocation of set-off amount within a group

- (1) This section applies where—
 - (a) there is a set-off amount in relation to a trade of a company for an accounting period,
 - (b) the company is a member of a group, and
 - (c) the set-off amount has not been reduced to nil by the operation of section 357EA(2).
- (2) The set-off amount (or so much of it as remains after the operation of section 357EA(2)) is to be reduced (but not to below nil) by any relevant IP profits of a trade of a relevant group member for the relevant accounting period.
- (3) For the purposes of this section—
 - (a) “relevant group member” means another member of the group that has made an election under section 357A and is a qualifying company for the relevant accounting period, and
 - (b) “relevant accounting period”, in relation to a company, means the accounting period of the company in or at the end of which the accounting period mentioned in subsection (1)(a) ends.
- (4) Section 357A does not apply in relation to so much of the amount of relevant IP profits of the trade of the relevant group member for the relevant accounting period as is equal to the amount by which the set-off amount (or so much of it as remains after the operation of section 357EA(2)) is reduced under subsection (2).
- (5) Where there is more than one relevant group member, the relevant group members may jointly determine the order in which subsection (2) is to apply to them.
- (6) If no determination is made under subsection (5), subsection (2) is to apply first to the trade that has the greatest amount of relevant IP profits of any trade of any of the relevant group members for a relevant accounting period, then to the trade that has the second greatest amount of relevant IP profits of any of those trades for such a period, and so on.

357EC Carry-forward of set-off amount

- (1) This section applies where—
 - (a) there is a set-off amount in relation to a trade of a company for an accounting period, and

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (b) the set-off amount has not been reduced to nil by the operation of section 357EA(2) or 357EB(2).
- (2) The set-off amount (or so much of it as remains after the operation of section 357EA(2) or 357EB(2)) is to be reduced (but not to below nil) by the amount of any relevant IP profits of the trade of the company for the current accounting period.
- The “current accounting period” is the accounting period immediately following the accounting period mentioned in subsection (1)(a).
- (3) Section 357A does not apply in relation to so much of the amount of relevant IP profits of the trade of the company for the current accounting period as is equal to the amount by which the set-off amount (or so much of it as remains after the operation of section 357EA(2) or 357EB(2)) is reduced under subsection (2).
- (4) If any portion of the set-off amount remains after the operation of subsection (2), that portion (“the remaining portion”) is to be treated as the set-off amount in relation to the trade of the company for the current accounting period (and the provisions of this Chapter apply accordingly).
- (5) If there are relevant IP losses of the trade of the company for the current accounting period, the set-off amount in relation to the trade of the company for that accounting period is the aggregate of the remaining portion and an amount equal to the amount of those relevant IP losses (and the provisions of this Chapter apply accordingly).

357ED Company ceasing to carry on trade, etc

- (1) This section applies where—
- (a) there is a set-off amount in relation to a trade of a company for an accounting period, and
 - (b) at any time in the accounting period immediately following that accounting period, the company meets any of the conditions in subsection (2).
- (2) The conditions are—
- (a) that the company ceases to carry on the trade,
 - (b) that the company ceases to be within the charge to corporation tax in respect of the trade, or
 - (c) that any election made by the company under section 357A ceases to have effect.
- (3) Sections 357EA to 357EC continue to have effect in relation to the set-off amount subject to the following provisions of this section.
- (4) Section 357EB has effect as if—
- (a) the reference in subsection (1)(b) to the company being a member of a group were a reference to the company having been a member of the group at the time referred to in subsection (1)(b) of this section,
 - (b) for subsection (2) there were substituted—
 - “(2) The set-off amount (or so much of it as remains after the operation of section 357EA(2)) is to become, or be added to, the set-off amount in relation to a trade of a relevant group member for the relevant accounting period.”,
 - (c) subsection (4) were omitted,

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (d) for the words after “determine” in subsection (5) there were substituted “ the relevant group member to which subsection (2) is to apply ”, and
- (e) for subsection (6) there were substituted—
 - “(6) If no determination is made under subsection (5), subsection (2) is to apply to the trade that has the greatest amount of relevant IP profits of any trade of any of the relevant group members for a relevant accounting period.
 - (7) If there is no relevant group member with any relevant IP profits of a trade for the relevant accounting period, subsection (2) is to apply to the trade that has the greatest set-off amount in relation to any trade of any of the relevant group members for a relevant accounting period.”
- (5) Sections 357EA to 357EC cease to have effect in relation to the set-off amount in relation to the trade of the company for an accounting period if—
 - (a) the company is not carrying on any other trade in that accounting period, and
 - (b) in the case of a company that was a member of a group at the time referred to in subsection (1)(b) of this section, none of the members of the group is a relevant group member (within the meaning of section 357EB).
- (6) In such a case, the set-off amount (so far as remaining after the operation of those sections) is to be reduced to nil.

357EE Transfer of a trade between group members

- (1) This section applies where—
 - (a) there is a set-off amount in relation to a trade of a company for an accounting period,
 - (b) the company is a member of a group,
 - (c) the company ceases to carry on the trade, and
 - (d) another company (“the transferee”) that is a member of the group begins to carry on that trade.
- (2) For the purposes of this Chapter an amount equal to the set-off amount is to become, or be added to, the set-off amount in relation to the trade of the transferee for the accounting period in which the transferee begins to carry on the trade.

357EF Payments between group members in consequence of section 357EB

- (1) This section applies if—
 - (a) there is a set-off amount in relation to a trade of a company for an accounting period,
 - (b) subsection (2) of section 357EB has effect in relation to a relevant group member for the relevant accounting period (within the meaning of that section),
 - (c) the company and the relevant group member have an agreement between them in relation to the relevant IP losses of the company, and
 - (d) as a result of the agreement the company makes a payment to the relevant group member that does not exceed the reduction in the relevant IP profits of the relevant group member arising under section 357EB(4).

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (2) The payment—
- (a) is not to be taken into account in determining the profits or losses of either company for corporation tax purposes, and
 - (b) is not for any purposes of the Corporation Tax Acts to be regarded as a distribution.
- (3) In a case where section 357ED applies (company ceasing to carry on trade, etc), the reference in subsection (1)(d) to the reduction in the relevant IP profits of the relevant group member is to be read as a reference to the amount that becomes, or is added to, the set-off amount in relation to a trade of the relevant group member for the relevant accounting period under section 357EB(2).

CHAPTER 6

ANTI-AVOIDANCE

Licences conferring exclusive rights

357F Licences conferring exclusive rights

A licence that confers any right in respect of a qualifying IP right to the exclusion of all other persons is not to be regarded as an exclusive licence if the main purpose, or one of the main purposes, of conferring the right is to secure that the licence is an exclusive licence for the purposes of this Part.

Incorporation of qualifying items

357FA Incorporation of qualifying items

- (1) Income arising from the sale of any item that incorporates a qualifying item is not relevant IP income if the main purpose, or one of the main purposes, of incorporating the qualifying item is to secure that income arising from any such sale is relevant IP income.
- (2) “Qualifying item” has the same meaning as in section 357CC(2).

Tax advantage schemes

357FB Tax advantage schemes

- (1) This section applies where—
 - (a) a company is entitled to make a deduction under section 357A(2) in calculating the profits of a trade of the company for an accounting period,
 - (b) the company is or has at any time been a party to a scheme, and
 - (c) the main purpose, or one of the main purposes, of the company or, where the company is a member of a group, any member of the group in being a party to the scheme is (or was) to obtain the chance of securing a relevant tax advantage.

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (2) There is a “relevant tax advantage” for the purposes of this section if—
 - (a) (apart from this section) there would be an increase in the amount of any deduction made under section 357A(2) in calculating the profits of a trade of the company or (as the case may be) any other member of the group for any accounting period, and
 - (b) the increase would arise from—
 - (i) the avoidance of the operation of any provision of this Part,
 - (ii) artificially inflating the amount of relevant IP income brought into account in calculating those profits (see subsection (3)), or
 - (iii) a mismatch between relevant IP income and expenditure (see subsection (4)).
- (3) The reference in subsection (2)(b) to artificially inflating the amount of relevant IP income brought into account in calculating the profits mentioned in subsection (2)(a) is a reference to doing any of the following—
 - (a) bringing into account in calculating those profits an amount of relevant IP income that wholly or substantially corresponds to an increase in the amounts brought into account as debits in calculating those profits;
 - (b) bringing into account in calculating those profits an additional amount of relevant IP income that wholly or substantially corresponds to a decrease in the amount of income that is not relevant IP income which is brought into account in calculating those profits.
- (4) For the purposes of this section there is a mismatch between relevant IP income and expenditure if—
 - (a) any relevant IP income brought into account in calculating the profits mentioned in subsection (2)(a) is attributable to any qualifying IP right or an exclusive licence in respect of any such right, and
 - (b) any expenditure incurred in relation to that right is brought into account in calculating the profits of a trade of the company or (as the case may be) any other member of the group for an accounting period for which an election under section 357A did not have effect.
- (5) The amount of the deduction which may be made by the company for the accounting period mentioned in subsection (1)(a) is the amount that would secure that no relevant tax advantage arises (and may be nil).
- (6) In this section “scheme” includes any scheme, arrangements or understanding of any kind whatever, whether or not legally enforceable, involving a single transaction or two or more transactions.

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

Partnerships

357GB Application of this Part in relation to partnerships

- (1) This section applies if a firm (within the meaning of CTA 2009) carries on a trade and any partner in the firm is a company within the charge to corporation tax.
 Such a partner is referred to in this section as a “corporate partner”.
- (2) Subject to the following provisions of this section, this Part applies in relation to the firm as it applies in relation to a company.

Status: Point in time view as at 18/11/2015.

- (3) Any election under this Part—
 - (a) may be made or revoked not by the firm but instead by any one or more of the corporate partners (whether jointly or otherwise), and
 - (b) has effect in relation to each corporate partner making or revoking it as if made or revoked by the firm.
- (4) Accordingly, any reference in section 357G(3) or 357GA(3) (time limit for making or revoking elections under section 357A) to the company making or revoking the election is to be read as a reference to the corporate partner so doing.
- (5) Section 1261 of CTA 2009 (accounting periods of firms) applies for the purposes of this Part as it applies for the purposes of Part 17 of that Act.
- (6) Section 357B (meaning of “qualifying company”) has effect as if in subsection (1) the words “in the case of a company that is a member of a group” were omitted.
- (7) For the purposes of this Part the firm meets the development condition in relation to a right to which this Part applies if—

- (2) If the profit period falls within only one financial year, the amount of the restricted deduction for the loss is—

$$\left(\frac{\text{NIR}}{\text{MR}} \times \text{L1} \right) + \text{L2}$$

where—

NIR is the Northern Ireland rate in the financial year;

MR is the main rate in the financial year;

L1 is the amount of the loss that is unmatched;

L2 is the amount of the loss (if any) that is matched.

Status: Point in time view as at 18/11/2015.

where—

X is the amount of the loss that is unmatched (“the unmatched loss”), adjusted in accordance with subsection (4);

L2 is the amount of the loss (if any) that is matched.

- (4) To adjust the unmatched loss for the purposes of subsection (3), take the following steps—

Step 1 Apportion the unmatched loss between the financial years on a time basis according to the respective lengths of the parts of the profit period falling within those years.

Step 2 Where an amount is apportioned under step 1 to a financial year in which the Northern Ireland rate is lower than the main rate, reduce that amount by multiplying it by the following fraction—

$$\frac{\text{NIR}}{\text{MR}}$$

where—

NIR is the Northern Ireland rate for the financial year;

MR is the main rate for the financial year.

Step 3 Add together each amount reduced under step 2 and each amount apportioned under step 1 but not reduced under step 2.

- (5) For the purposes of this section—
- (a) an amount of a loss is “matched” if relief in relation to the loss is given against Northern Ireland profits, and
 - (b) an amount of a loss is “unmatched” if relief in relation to the loss is given against profits that are not Northern Ireland profits.
- (6) In this section “the loss” and “the profit period” have the meanings given by section 357JC(1), 357JE(1) or 357JG(1) (as the case may be).

Status: Point in time view as at 18/11/2015.

357LD The independent investment manager conditions

- (1) This section applies if an investment transaction is carried out on behalf of a company in the course of the company's trade by a person in Northern Ireland acting as an investment manager.

- (7) Condition E is that the remuneration which the investment manager receives in respect of the transaction for the provision of investment management services to the company is not less than is customary for that class of business.

357LE Investment managers: the 20% rule

- (1) The requirements of the 20% rule are met if conditions A and B are met.
- (2) Condition A is that, in relation to a qualifying period, it has been or is the intention of the investment manager and the persons connected with the investment manager that at least 80% of the company's relevant disregarded income should consist of amounts to which none of them has a beneficial entitlement.
- (3) Condition B is that, so far as there is a failure to fulfil that intention, that failure—
 - (a) is attributable (directly or indirectly) to matters outside the control of the investment manager and persons connected with the investment manager, and
 - (b) does not result from a failure of any of them to take such steps as may be reasonable for mitigating the effect of those matters in relation to the fulfilment of that intention.

357LF Section 357LE: interpretation

- (1) This section applies for the purposes of section 357LE.
- (2) A “qualifying period” means—
 - (a) the accounting period of the company in which the transaction in question is carried out, or
 - (b) a period of not more than 5 years comprising two or more complete accounting periods including that one.
- (3) The “relevant disregarded income” of the company for a qualifying period is the total of the company's income for the accounting periods comprised in the qualifying period which derives from transactions—
 - (a) carried out by the investment manager on the company's behalf, and
 - (b) in relation to which the investment manager does not (apart from the requirements of the 20% rule) fall to be treated as a NIRE of the company.

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (4) A person has a “beneficial entitlement” to relevant disregarded income if the person has or may acquire a beneficial entitlement that is, or would be, attributable to the relevant disregarded income as a result of having an interest or other rights mentioned in subsection (5).
- (5) The interests and rights referred to in subsection (4) are—
 - (a) an interest (whether or not an interest giving a right to an immediate payment of a share in the profits or gains) in property in which the whole or any part of the relevant disregarded income is represented, or
 - (b) an interest in, or other rights in relation to, the company.

357LG Application of 20% rule to collective investment schemes

- (1) This section applies if amounts arise or accrue to the company as a participant in a collective investment scheme.
- (2) It applies for the purpose of determining whether the requirements of the 20% rule are met in relation to a transaction carried out for the purposes of the scheme (so far as the transaction is one in respect of which amounts so arise or accrue).
- (3) In applying this section the following assumptions are to be made—
 - (a) that all the transactions carried out for the purposes of the scheme are carried out on behalf of a company (“the assumed company”) which is—
 - (i) constituted for the purposes of the scheme, and
 - (ii) not resident in the United Kingdom, and
 - (b) that the participants do not have any rights in respect of the amounts arising or accruing in respect of those transactions, other than the rights which, if they held shares in the assumed company, would be their rights as shareholders.
- (4) If the scheme is such that the assumed company would not be regarded for tax purposes as carrying on a trade in the United Kingdom in relation to the accounting period in which the transaction was carried out, the requirements of the 20% rule are to be treated as met in relation to a transaction carried out for the purposes of the scheme.
- (5) If the scheme is such that the assumed company would be so regarded for tax purposes, sections 357LE and 357LF have effect in relation to a transaction carried out for the purposes of the scheme as if—
 - (a) references to the company were references to the assumed company, and
 - (b) references to the company's relevant disregarded income for a qualifying period were references to the sum of the amounts that would, for accounting periods comprised in the qualifying period, be chargeable to tax on the assumed company as profits deriving from the transactions—
 - (i) carried out by the investment manager, and
 - (ii) assumed to be carried out on behalf of the company.
- (6) In this section—

“collective investment scheme” has the meaning given by section 235 of FISMA 2000;

“participant”, in relation to a collective investment scheme, is to be read in accordance with that section.

Status: Point in time view as at 18/11/2015.

357LI Lloyd's agents

- (1) This section applies if a transaction is carried out on behalf of a company in the course of the company's trade by a person in Northern Ireland acting as a members' agent or managing agent at Lloyd's.

 - (b) the investment manager falls to be treated as a NIRE of the company (whether because the independent investment manager conditions are not met in relation to such investment transactions or otherwise).
- (2) In determining under Chapter 7 of this Part the amount of profits attributable to the NIRE represented by the investment manager acting as an agent on behalf of the company, chargeable profits deriving from an investment transaction carried out by the investment manager on behalf of the company are to be disregarded in either of the following two cases—

 - Case 2* The independent investment manager conditions, other than Condition D in section 357LD(6) (the 20% rule), are met in relation to the investment transaction.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

Realisation credits and realisation debits

357OD “Realisation credit” and “realisation debit”

In this Chapter, a “realisation credit” or “realisation debit”, in relation to a trade carried on by a company in an accounting period, means a credit or debit which—

- (a) is brought into account by the company under Part 8 of CTA 2009 for the period as a result of Chapter 4 of that Part (realisation of intangible fixed assets),
- (b) is treated under section 747 of that Act as a receipt or expense of the trade, and
- (c) does not relate to a pre-commencement asset.

357OE The Northern Ireland element of a realisation credit or debit

- (1) This section has effect for the purposes of this Chapter.
- (2) A realisation credit or realisation debit can have a “Northern Ireland element” only if—
 - (a) the intangible fixed asset to which it relates has been held by the company, in an accounting period in which it was a Northern Ireland company, wholly or partly for the purposes of a qualifying trade carried on by the company, except so far as the trade consists of an excluded activity, or
 - (b) in the case of a realisation credit, roll-over relief was previously given in respect of an asset which was so held.
- (3) The “Northern Ireland element” of a realisation credit or realisation debit is determined in accordance with section 357OF or 357OG.
- (4) “Roll-over relief” means relief under Chapter 7 of Part 8 of CTA 2009 (roll-over relief in case of realisation and reinvestment).

357OF Northern Ireland element: general rule

- (1) If a realisation credit or realisation debit arises under section 735 of CTA 2009 (asset written down for tax purposes), its Northern Ireland element is determined by the formula—

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

$$A \times \frac{NI}{C - TWDV}$$

where—

A is the amount of the realisation credit or realisation debit;

NI is the total net Northern Ireland debits (see subsection (2));

C is the cost of the asset recognised for tax purposes, as defined by section 742(2) or 743(2) of CTA 2009;

TWDV is the tax written-down value of the asset within the meaning of Part 8 of CTA 2009 (see Chapter 5 of that Part).

- (2) In subsection (1) “the total net Northern Ireland debits” means—
- (a) in a case within section 742 of CTA 2009, the total debits previously brought into account for tax purposes under Part 8 of CTA 2009 in respect of the asset so far as they were Northern Ireland intangibles debits for the purposes of this Chapter, less the total credits previously so brought into account for tax purposes so far as they were Northern Ireland intangibles credits for the purposes of this Chapter, or
 - (b) in a case within section 743 of CTA 2009, the total debits previously brought into account for tax purposes under Part 8 of CTA 2009 in respect of the asset so far as they were Northern Ireland intangibles debits for the purposes of this Chapter.
- (3) Subsection (4) applies if—
- (a) a realisation credit or realisation debit arises under section 736 of CTA 2009 (asset shown in balance sheet and not written down for tax purposes), or
 - (b) a realisation credit arises under section 738 of CTA 2009 (asset not shown in balance sheet).
- (4) The Northern Ireland element of the realisation credit or realisation debit is such proportion of the realisation credit or realisation debit as can on a just and reasonable basis be attributed to the holding of the asset for the purposes of the relevant Northern Ireland trade.
- (5) This section does not apply to a realisation credit if section 357OG (cases involving roll-over relief) applies.
- (6) In this section “the relevant Northern Ireland trade” means the qualifying trade carried on by the company in an accounting period in which it was a Northern Ireland company, except so far as the trade consists of an excluded activity.

357OG Northern Ireland element: credits where roll-over relief involved

- (1) This section applies if a realisation credit relates to an asset (“the new asset”) whose cost recognised for tax purposes is reduced as a result of roll-over relief previously given on the realisation of another asset (“the old asset”).

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (2) To calculate the Northern Ireland element of the realisation credit on the realisation of the new asset, take the following steps—

Step 1 Calculate the part (if any) of the realisation credit that is attributable to the total net debits in respect of the new asset.

Step 2 Calculate the Northern Ireland element of the result of Step 1 by applying to it the proportion that the total net Northern Ireland debits bears to the total net debits.

Step 3 If the realisation credit exceeds the total net debits, calculate any part of the excess that is attributable to the reduction in the cost of the new asset recognised for tax purposes that resulted from the roll-over relief.

Step 4 If, in the absence of roll-over relief, a proportion of the realisation credit on the realisation of the old asset would in accordance with section 357OF have been a Northern Ireland element, calculate the Northern Ireland element of the result of Step 3 by applying that proportion to it.

Step 5 If any remaining amount of the realisation credit has not been attributed under Step 1 or 3, calculate the Northern Ireland element of that remaining amount by determining how much of that remaining amount can on a just and reasonable basis be attributed to the holding of the new asset for the purposes of the relevant Northern Ireland trade.

- (3) The Northern Ireland element of the realisation credit is the total of the Northern Ireland elements calculated at Steps 2, 4 and 5.

- (4) In this section—

“the relevant Northern Ireland trade” means the qualifying trade carried on by the company in an accounting period in which it was a Northern Ireland company, except so far as the trade consists of an excluded activity;

“the total net debits” means—

- (a) in a case within section 742 of CTA 2009, the total debits previously brought into account for tax purposes under Part 8 of CTA 2009 in respect of the asset, less the total credits previously so brought into account (if any), or
- (b) in a case within section 743 of CTA 2009, the total debits previously brought into account for tax purposes under Part 8 of CTA 2009 in respect of the asset;

“the total net Northern Ireland debits” has the meaning given by section 357OF(2).

Pre-commencement assets

357OH Pre-commencement asset

- (1) An intangible fixed asset is a “pre-commencement asset” if it was created before the commencement day.
- (2) “The commencement day” has the meaning given by section 5(4) of the Corporation Tax (Northern Ireland) Act 2015.
- (3) Subsections (1) and (2) have effect for the purposes of this Chapter.

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (4) The general rule is that intangible fixed assets are treated for the purposes of subsection (1) as having been created before the commencement day if they were held (by the company or another person) at any time before that day.
- (5) The general rule is subject to the following provisions—
 - (a) section 357OI (goodwill);
 - (b) section 357OJ (assets representing production expenditure on films).

357OI Goodwill

For the purposes of section 357OH(1) (pre-commencement asset), goodwill is treated as created—

- (a) before the commencement day in a case in which the business in question was carried on by the company or any other person at any time before that day, and
- (b) on or after the commencement day in any other case.

357OJ Assets representing production expenditure on films

- (1) In determining for the purposes of section 357OH(1) (pre-commencement asset) whether an asset representing production expenditure on a film was created before the commencement day or on or after that day, the asset is treated as created when the film is completed.
- (2) In this section—
 - (a) “completed” has the same meaning as in Part 15 of CTA 2009 (see section 1181(5) of that Act),
 - (b) “film” has the same meaning as in that Part (see section 1181 of that Act), and
 - (c) “production expenditure” has the same meaning as in that Part (see section 1184 of that Act).

357OK Fungible assets

- (1) This section and section 357OL have effect for the purposes of this Chapter in relation to assets to which section 858 of CTA 2009 (treatment of fungible assets) applies.
- (2) Section 858 of CTA 2009 applies as if—
 - (a) pre-commencement assets, and
 - (b) intangible fixed assets that are not pre-commencement assets, were assets of different kinds.
- (3) If section 858 of CTA 2009 applies (whether or not it is a case where subsection (2) has effect)—
 - (a) a single asset comprising pre-commencement assets is treated as itself being a pre-commencement asset, and
 - (b) a single asset comprising intangible fixed assets that are not pre-commencement assets is treated as itself being an asset which is not a pre-commencement asset.

357OL Realisation and acquisition of fungible assets

- (1) Subsection (2) applies if—

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (a) a company realises a fungible asset, and
 - (b) apart from section 357OK(2), the asset would be treated as part of a single asset comprising both pre-commencement assets and assets that are not pre-commencement assets.
- (2) The realisation is treated as diminishing the single asset of the company comprising pre-commencement assets in priority to diminishing the single asset of the company comprising assets that are not pre-commencement assets.
- (3) Fungible assets acquired by a company that would not otherwise be treated as pre-commencement assets are so treated so far as they are identified, in accordance with the following rules, with pre-commencement assets realised by the company.
- (4) Rule 1 is that assets acquired are identified with pre-commencement assets of the same kind realised by the company within the period beginning 30 days before and ending 30 days after the date of the acquisition.
- (5) The reference in subsection (4) to assets “of the same kind” is to assets that are, or but for section 357OK(2) would be, treated as part of a single asset because of section 858 of CTA 2009.
- (6) Rule 2 is that assets realised earlier are identified before assets realised later.
- (7) Rule 3 is that assets acquired earlier are identified before assets acquired later.
- (8) In this section—
- “fungible asset” means an intangible fixed asset to which section 858 of CTA 2009 applies;
 - “realisation”, in relation to a fungible asset, has the same meaning as in Part 8 of CTA 2009 (see sections 734 and 856 of that Act).

Assets treated as pre-commencement assets

357OM Assets whose value derives from pre-commencement assets

- (1) This section applies if—
- (a) on or after the commencement day a company (“the acquiring company”) acquires an intangible fixed asset (“the acquired asset”) from a person (“the transferor”),
 - (b) the acquired asset is created on or after the commencement day,
 - (c) the value of the acquired asset derives in whole or in part from any other asset (“the other asset”), and
 - (d) the other asset meets the pre-commencement status conditions.
- (2) In the hands of the acquiring company the acquired asset is treated for the purposes of this Chapter as a pre-commencement asset so far as its value derives from the other asset.
- (3) If only part of the value of the acquired asset derives from the other asset, this Chapter has effect as if there were separate assets representing the part that does so derive and the part that does not so derive.
- (4) For the purposes of this section the cases in which the value of an asset may be derived from any other asset include any case where—

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (a) assets have been merged or divided,
 - (b) assets have changed their nature, or
 - (c) rights or interests in or over assets have been created or extinguished.
- (5) Section 357ON supplements this section.

357ON The pre-commencement status conditions

- (1) For the purposes of section 357OM(1) the other asset meets the pre-commencement status conditions if—
- (a) it was created before the commencement day, or
 - (b) on or after the commencement day the other asset has been a pre-commencement asset in the hands of the transferor or any other person.
- (2) Any apportionment necessary for the purposes of section 357OM(3) must be made on a just and reasonable basis.
- (3) Sections 357OH(4), 357OI and 357OJ (provisions explaining when assets are treated as created) apply for the purposes of section 357OM as they apply for the purposes of section 357OH(1).
- (4) Expressions used in this section have the same meaning as in section 357OM.

357OO Assets acquired in connection with disposals of pre-commencement assets

- (1) This section applies if—
- (a) a person disposes of an asset which—
 - (i) in the case of an intangible fixed asset, is a pre-commencement asset, or
 - (ii) in the case of any other asset, was created before the commencement day, and
 - (b) a company acquires an intangible fixed asset directly or indirectly in consequence of the disposal or otherwise in connection with it.
- (2) The acquired asset is treated for the purposes of this Chapter as a pre-commencement asset in the company's hands.
- (3) For the purposes of this section a person “disposes of” an asset if—
- (a) for the purposes of TCGA 1992, the person makes a part disposal of the asset or any other disposal of it,
 - (b) in the case of an intangible fixed asset, there is for the purposes of Part 8 of CTA 2009 a realisation of the asset, or
 - (c) the person grants a licence in respect of the asset.
- (4) For the purposes of this section it does not matter whether—
- (a) the asset that the person disposes of is the same asset as the acquired asset,
 - (b) the acquired asset is acquired at the time of the disposal, or
 - (c) the acquired asset is acquired by merging assets or otherwise.

Status: Point in time view as at 18/11/2015.

where—

A is the percentage specified in section 1044(8) of CTA 2009;

MR is the main rate for the financial year in which the expenditure is incurred;

NIR is the Northern Ireland rate for the financial year in which the expenditure is incurred.

- (5) The amount of a mainstream Chapter 2 surrenderable loss is—
 - (a) so much of the mainstream loss in question as is unrelieved, or
 - (b) if less, the qualifying Chapter 2 expenditure in respect of which the relief was obtained that is not Northern Ireland qualifying Chapter 2 expenditure, multiplied by the percentage specified in section 1055(2)(b) of CTA 2009.
- (6) For the purposes of this section “the adjusted section 1044 percentage” means—

CHAPTER 1

AMOUNTS TAXED AS RESTITUTION INTEREST

357YA Charge to corporation tax on restitution interest

The charge to corporation tax on income applies to restitution interest arising to a company.

357YB Restitution interest chargeable as income

- (1) Profits arising to a company which consist of restitution interest are chargeable to tax as income under this Part (regardless of whether the profits are of an income or capital nature).
- (2) In this Part references to “profits” are to be interpreted in accordance with section 2(2) of CTA 2009.

357YC Meaning of “restitution interest”

- (1) In this Part “restitution interest” means profits in relation to which Conditions A to C are met.

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (2) Condition A is that the profits are interest paid or payable by the Commissioners in respect of a claim by the company for restitution with regard to either of the following matters (or alleged matters)—
 - (a) the payment of an amount to the Commissioners under a mistake of law relating to a taxation matter, or
 - (b) the unlawful collection by the Commissioners of an amount in respect of taxation.
- (3) Condition B is that—
 - (a) a court has made a final determination that the Commissioners are liable to pay the interest, or
 - (b) the Commissioners and the company, have in final settlement of the claim, entered into an agreement under which the company is entitled to be paid, or is to retain, the interest.
- (4) Condition C is that the interest determined to be due, or agreed upon, as mentioned in subsection (3) is not limited to simple interest at a statutory rate (see section 357YU).
- (5) Subsection (4) does not prevent so much of an amount of interest determined to be due, or agreed upon, as represents or is calculated by reference to simple interest at a statutory rate from falling within the definition of “restitution interest”.
- (6) For the purposes of subsection (2) it does not matter whether the interest is paid or payable—
 - (a) pursuant to a judgment or order of a court,
 - (b) as an interim payment in court proceedings,
 - (c) under an agreement to settle a claim, or
 - (d) in any other circumstances.
- (7) For the purposes of this section—
 - (a) “interest” includes an amount equivalent to interest, and
 - (b) an amount paid or payable by the Commissioners as mentioned in subsection (2) is “equivalent to interest” so far as it is an amount determined by reference to the time value of money.
- (8) For the purposes of this section a determination made by a court is “final” if the determination cannot be varied on appeal (whether because of the absence of any right of appeal, the expiry of a time limit for making an appeal without an appeal having been brought, the refusal of permission to appeal, the abandonment of an appeal or otherwise).
- (9) Any power to grant permission to appeal out of time is to be disregarded for the purposes of subsection (8).

357YD Further provision about amounts included, or not included, in “restitution interest”

- (1) Interest paid to a company is not restitution interest for the purposes of this Part if—
 - (a) Condition B was not met in relation to the interest until after the interest was paid, and
 - (b) the amount paid was limited to simple interest at a statutory rate

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (2) Subsection (1) does not prevent so much of a relevant amount of interest determined to be due, agreed upon or otherwise paid as represents or is calculated by reference to simple interest at a statutory rate from falling within the definition of “restitution interest”.
- (3) In subsection (2) “relevant amount of interest” means an amount of interest the whole of which was paid before Condition B was met in relation to it.
- (4) Section 357YC(7) applies in relation to this section as in relation to section 357YC.

357YE Period in which amounts are to be brought into account

- (1) The amounts to be brought into account as restitution interest for any period for the purposes of this Part are those that are recognised in determining the company's profit or loss for the period in accordance with generally accepted accounting practice.
- (2) If Condition A in section 357YC is met, in relation to any amount, after the end of the period for which the amount is to be brought into account as restitution interest in accordance with subsection (1), any necessary adjustments are to be made; and any time limits for the making of adjustments are to be disregarded for this purpose.

357YF Companies without GAAP-compliant accounts

- (1) If a company—
 - (a) draws up accounts which are not GAAP-compliant accounts, or
 - (b) does not draw up accounts at all,
 this Part applies as if GAAP-compliant accounts had been drawn up.
- (2) Accordingly, references in this Part to amounts recognised for accounting purposes are references to amounts that would have been recognised if GAAP-compliant accounts had been drawn up for the period of account in question and any relevant earlier period.
- (3) For this purpose a period of account is relevant to a later period if the accounts for the later period rely to any extent on amounts derived from the earlier period.
- (4) In this section “GAAP-compliant accounts” means accounts drawn up in accordance with generally accepted accounting practice.

357YG Restitution interest: appeals made out of time

- (1) This section applies where—
 - (a) an amount of interest (“the interest”) arises to a company as restitution interest for the purposes of this Part,
 - (b) Condition B in section 357YC is met in relation to the interest as a result of the making by a court of a final determination as mentioned in subsection (3) (a) of that section,
 - (c) on a late appeal (or a further appeal subsequent to such an appeal) a court reverses that determination, or varies it so as to negative it, and
 - (d) the determination reversing or varying the determination by virtue of which Condition B was met is itself a final determination.
- (2) This Part has effect as if the interest had never been restitution interest.

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (3) If—
- (a) the Commissioners for Her Majesty's Revenue and Customs have under section 357YO(2) deducted a sum representing corporation tax from the interest, or
 - (b) a sum has been paid as corporation tax in respect of the interest under section 357YQ,
- that sum is treated for all purposes as if it had never been paid to, or deducted or held by, the Commissioners as or in respect of corporation tax.
- (4) Any adjustments are to be made that are necessary in accordance with this section; and any time limits applying to the making of adjustments are to be ignored.
- (5) In this section—
- “final determination” has the same meaning as in section 357YC;
 - “late appeal” means an appeal which is made by reason of a court giving leave to appeal out of time.

357YH Countering effect of avoidance arrangements

- (1) Any restitution-related tax advantages that would (in the absence of this section) arise from relevant avoidance arrangements are to be counteracted by the making of such adjustments as are just and reasonable in relation to amounts to be brought into account for the purposes of this Part.
- (2) Any adjustments required to be made under this section (whether or not by an officer of Revenue and Customs) may be made by way of an assessment, the modification of an assessment, amendment or otherwise.
- (3) For the meaning of “relevant avoidance arrangements” and “restitution-related tax advantage” see section 357YI.

357YI Interpretation of section 357YH

- (1) This section applies for the interpretation of section 357YH (and this section).
- (2) “Arrangements” include any agreement, understanding, scheme, transaction or series of transactions (whether or not legally enforceable).
- (3) Arrangements are “relevant avoidance arrangements” if their main purpose, or one of their main purposes, is to enable a company to obtain a tax advantage in relation to the application of the charge to tax at the restitution payments rate.
- (4) But arrangements are not “relevant avoidance arrangements” if the obtaining of any tax advantages that would (in the absence of section 357YH) arise from them can reasonably be regarded as consistent with wholly commercial arrangements.
- (5) “Tax advantage” includes—
 - (a) a repayment of tax or increased repayment of tax,
 - (b) the avoidance or reduction of a charge to tax or an assessment to tax,
 - (c) the avoidance of a possible assessment to tax,
 - (d) deferral of a payment of tax or advancement of a repayment of tax, or

- (6) In subsection (5)(b) and (c) the references to avoidance or reduction include an avoidance or reduction effected by receipts accruing in such a way that the recipient does not bear tax on them as restitution interest under this Part.

357YJ Examples of results that may indicate exclusion not applicable

Each of the following is an example of something which might indicate that arrangements whose main purpose, or one of whose main purposes, is to enable a company to obtain a restitution-related tax advantage are not excluded by section 357YI(4) from being “relevant avoidance arrangements” for the purposes of section 357YH—

- (a) the elimination or reduction for the purposes of this Part of amounts chargeable as restitution interest arising to the company in connection with a particular claim, if for economic purposes other or greater profits arise to the company in connection with the claim;
- (b) preventing or delaying the recognition as an item of profit or loss of an amount that would apart from the arrangements be recognised in the company's accounts as an item of profit or loss, or be so recognised earlier;
- (c) ensuring that a receipt is treated for accounting purposes in a way in which it would not have been treated in the absence of some other transaction forming part of the arrangements.

CHAPTER 2

APPLICATION OF RESTITUTION PAYMENTS RATE

357YK Corporation tax rate on restitution interest

- (1) Corporation tax is charged on restitution interest at the restitution payments rate.
- (2) The “restitution payments rate” is 45%.

357YL Exclusion of reliefs, set-offs etc

- (1) Under subsection (3) of section 4 (amounts to which rates of corporation tax applied) the amounts to be added together to find a company's “total profits” do not include amounts of restitution interest on which corporation tax is chargeable under this Part.
- (2) No reliefs or set-offs may be given against so much of the corporation tax to which a company is liable for an accounting period as is equal to the amount of corporation tax chargeable on the company for the period at the restitution payments rate.

- (4) Amounts of income tax or corporation tax, or any other amounts, which may be set off against a company's overall liability to income tax and corporation tax for an accounting period may not be set off against so much of the corporation tax to which the company is liable for the period as is equal to the amount of corporation tax chargeable at the restitution payments rate.

CHAPTER 3

MIGRATION, TRANSFERS OF RIGHTS ETC

357YM Assignment of rights to person not chargeable to corporation tax

- (1) Subsection (4) applies if—
 - (a) a company which is within the charge to corporation tax under this Part (“the transferor”) transfers to a person who is not within the charge to corporation tax under this Part a right in respect of a claim, or possible claim, for restitution,
 - (b) the transfer is made on or after 21 October 2015, and
 - (c) conditions A and B are met.
- (2) Condition A is that the main purpose, or one of the main purposes, of the transfer is to secure a tax advantage for any person in relation to the application of the charge to tax on restitution interest under this Part.
- (3) Condition B is that as a result of that transfer (or that transfer together with further transfers of the rights) restitution interest arises to a person who is not within the charge to corporation tax under this Part.
- (4) Any restitution interest which arises as mentioned in Condition B is treated for corporation tax purposes as restitution interest arising to the transferor.
- (5) A person is “within the charge to corporation tax under this Part” if the person—
 - (a) is a UK resident company, and
 - (b) would not be exempt from corporation tax on restitution interest (were such interest to arise to it).
- (6) In this section “tax advantage” has the meaning given by section 357YI.

357YN Migration of company with claim to restitution interest

- (1) This section applies where—
 - (a) restitution interest arises to a non-UK resident company,
 - (b) the rights in respect of which the company is entitled to the restitution interest had (to any extent) accrued when the company ceased to be UK resident, and
 - (c) the company's main purpose, or one of its main purposes, in changing its residence was to secure a tax advantage for any person in relation to the application of the charge to tax on restitution interest under this Part.
- (2) The company is treated as a UK resident company for the purposes of the application of this Part in relation to so much of that restitution interest as is attributable to relevant accrued rights.
- (3) “Relevant accrued rights” means rights which had accrued to the company when it ceased to be UK resident.
- (4) The company is to be treated for the purposes of sections 185 and 187 of TCGA 1992 as not having disposed of its assets on ceasing to be resident in the United Kingdom, so far as its assets at that time consisted of rights to receive restitution interest.

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (5) Any adjustments that are necessary as a result of subsection (4) are to be made; and any time limits for the making of adjustments are to be ignored for this purpose.

CHAPTER 4

PAYMENT AND COLLECTION OF TAX ON RESTITUTION INTEREST

357YO Duty to deduct tax from payments of restitution interest

- (1) Subsection (2) applies if the Commissioners for Her Majesty's Revenue and Customs pay an amount of interest in relation to which Conditions 1 and 2 are met and—
- (a) the amount is (when the payment is made) restitution interest on which a company is chargeable to corporation tax under this Part, or
 - (b) a company would be chargeable to corporation tax under this Part on the interest paid if it were (at that time) restitution interest.
- (2) The Commissioners must, on making the payment—
- (a) deduct from it a sum representing corporation tax on the amount at the restitution payments rate, and
 - (b) give the company a written notice stating the amount of the gross payment and the amount deducted from it.
- (3) Condition 1 is that the Commissioners are liable to pay, or have agreed or determined to pay, the interest in respect of a company's claim for restitution with regard to—
- (a) the payment of an amount to the Commissioners under a mistake of law relating to a taxation matter, or
 - (b) the unlawful collection by the Commissioners of an amount in respect of taxation.
- (4) Condition 2 is that the interest is not limited to simple interest at a statutory rate.
- In determining whether or not this condition is met, all amounts which the Commissioners are liable to pay, or have agreed or determined to pay in respect of the claim are to be considered together.
- (5) For the purposes of Condition 1 it does not matter whether the Commissioners are liable to pay, or (as the case may be) have agreed or determined to pay, the interest—
- (a) pursuant to a judgment or order of a court,
 - (b) as an interim payment in court proceedings,
 - (c) under an agreement to settle a claim, or
 - (d) in any other circumstances.
- (6) For the purposes of subsection (2) the restitution payments rate is to be applied to the gross payment, that is to the payment before deduction of a sum representing corporation tax in accordance with this section.
- (7) For the purposes of this section—
- (a) “interest” includes an amount equivalent to interest, and
 - (b) an amount which the Commissioners pay as mentioned in subsection (1) is “equivalent to interest” so far as it is an amount determined by reference to the time value of money.

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

357YP Treatment of amounts deducted under section 357YO

- (1) An amount deducted from an interest payment in accordance with section 357YO(2) is treated for all purposes as paid by the company mentioned in section 357YO(1) on account of the company's liability, or potential liability, to corporation tax charged on the interest payment, as restitution interest, under this Part.
- (2) Subsections (3) and (4) apply if—
 - (a) the Commissioners have, on paying an amount which is not (when the payment is made) restitution interest, made a deduction under section 357YO(2) from the gross payment (see section 357YO(6)), and
 - (b) a company becomes liable to repay the net amount to the Commissioners, or it otherwise becomes clear that the gross amount cannot, or will not, become restitution interest.
- (3) If the condition in subsection (2)(b) is met in circumstances where the company is not liable to repay the net amount to the Commissioners, the Commissioners must—
 - (a) repay to the company the amount treated under subsection (1) as paid by the company, and
 - (b) make any other necessary adjustments;and any time limits applying to the making of adjustments are to be ignored.
- (4) If the condition in subsection (2)(b) is met by virtue of a company becoming liable to repay to the Commissioners the amount paid as mentioned in subsection (2)(a)—
 - (a) this Part has effect as if the company were liable to repay the gross payment to the Commissioners, and
 - (b) the amount deducted by the Commissioners as mentioned in subsection (2)(a) is to be treated for the purposes of this Part as money repaid by the company in partial satisfaction of its liability to repay the gross amount.
- (5) Subsections (3) and (4) have effect with the appropriate modifications if the condition in subsection (2)(b) is met in relation to part but not the whole of the gross amount mentioned in subsection (2)(a).
- (6) In this section “the net amount”, in relation to a payment made under deduction of tax in accordance with section 357YO(2), means the amount paid after deduction of tax.

357YQ Assessment of tax chargeable on restitution interest

- (1) An officer of Revenue and Customs may make an assessment of the amounts in which, in the officer's opinion, a company is chargeable to corporation tax under this Part for a period specified in the assessment.
- (2) Notice of an assessment under this section must be served on the company, stating the date on which the assessment is issued.
- (3) An assessment may include an assessment of the amount of restitution income arising to the company in the period and any other matters relevant to the calculation of the amounts in which the company is chargeable to corporation tax under this Part for the period.
- (4) Notice of an assessment under this section may be accompanied by notice of any determination by an officer of Revenue and Customs relating to the dates on which

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

amounts of tax become due and payable under this section or to amounts treated under section 357YP as paid on account of corporation tax.

- (5) The company must pay the amount assessed as payable for the accounting period by the end of the period of 30 days beginning with the date on which the company is given notice of the assessment.

357YR Interest on excessive amounts withheld

- (1) If an amount deducted under section 357YO(2) in respect of an amount of interest exceeds the amount which should have been deducted, the Commissioners are liable to pay interest on the excess from the material date until the date on which the excess is repaid.
- (2) The “material date” is the date on which tax was deducted from the interest.
- (3) Interest under subsection (1) is to be paid at the rate applicable under section 178 of FA 1989.

357YS Appeal against deduction

- (1) An appeal may be brought against the deduction by the Commissioners for Her Majesty's Revenue and Customs from a payment of a sum representing corporation tax in compliance, or purported compliance, with section 357YO(2).
- (2) Notice of appeal must be given—
- (a) in writing,
 - (b) within 30 days after the giving of the notice under section 357YO(2).

357YT Amounts taxed at restitution payments rate to be outside instalment payments regime

For the purposes of regulations under section 59E of TMA 1970 (further provision as to when corporation tax due and payable), tax charged at the restitution payments rate is to be disregarded in determining the amount of corporation tax payable by a company for an accounting period.

CHAPTER 5

PART 9

LEASING PLANT OR MACHINERY

CHAPTER 1

INTRODUCTION

358 Introduction to Part

- (1) This Part makes provision about the taxation of leasing transactions involving companies.
- (2) Chapter 2 makes provision about the treatment for corporation tax purposes of companies which are lessors or lessees under long funding leases of plant or machinery.
- (3) The sales of lessors Chapters make provision about the taxation of a company which is within the charge to corporation tax in respect of a business of leasing plant or machinery (within the meaning of Chapter 3 or 4)—
 - (a) on the sale of, or certain other changes in interests in, the company, and
 - (b) in certain circumstances where the company's interest in the business changes.
- (4) In this Part “the sales of lessors Chapters” means Chapters 3 to 6.
- (5) In the sales of lessors Chapters—
 - (a) Chapter 3 deals with the case of a qualifying change of ownership in relation to the company where it carries on the business otherwise than in partnership,
 - (b) Chapter 4 deals with—
 - (i) the case of a qualifying change in the company's interest in the business where it carries on the business in partnership with other persons, and
 - (ii) the case of a qualifying change of ownership in relation to any such company,
 - (c) Chapter 5 contains anti-avoidance provisions, and
 - (d) Chapter 6 provides for the general interpretation of those Chapters.
- (6) For the meaning of “qualifying change of ownership” in the sales of lessors Chapters, see sections 392 to 398.

CHAPTER 2

LONG FUNDING LEASES OF PLANT OR MACHINERY

Introduction

359 Overview of Chapter

- (1) This Chapter makes provision about the calculation for corporation tax purposes of the profits of companies which are—
 - (a) lessors of plant or machinery under long funding finance leases (see sections 360 to 362),
 - (b) lessors of plant or machinery under long funding operating leases (see sections 363 to 369),
 - (c) lessees of plant or machinery under long funding finance leases (see sections 377 and 378), or
 - (d) lessees of plant or machinery under long funding operating leases (see sections 379 and 380).
- (2) Sections 370 to 376 make provision about cases where sections 360 to 369 are not to apply.
- (3) For the meaning of expressions used in this section and in this Chapter generally, see section 381 and, in particular—
 - (a) subsection (1) of that section (which provides for the application of Chapter 6A of Part 2 of CAA 2001 (interpretation of provisions about long funding leases) to this Chapter), and
 - (b) subsections (2) and (3) of that section (which specify the provisions of that Chapter in which some expressions used in this Chapter are defined).

Lessors under long funding finance leases

360 Lessor under long funding finance lease: rental earnings

- (1) This section applies for any period of account of a company in which it is the lessor of any plant or machinery under a long funding finance lease.
- (2) The amount to be brought into account as the lessor's income from the lease for the period is the amount of the rental earnings in respect of the lease for the period.
- (3) The amount of those rental earnings is the amount which, in accordance with generally accepted accounting practice, falls (or would fall) to be treated as the gross return on investment for that period in respect of the lease.
- (4) If the lease is one which, in accordance with such practice, falls (or would fall) to be treated as a loan for the period of account, so much of the rentals under the lease as falls (or would fall) to be treated as interest is treated for the purposes of this section as rental earnings.

361 Lessor under long funding finance lease: exceptional items

- (1) This section applies if—

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (a) a company is or has been the lessor under a long funding finance lease, and
 - (b) an exceptional profit or loss arises to the company in connection with the lease.
- (2) A profit or loss is exceptional for the purposes of subsection (1) if—
- (a) in accordance with generally accepted accounting practice it falls (or would fall) to be recognised for accounting purposes in a period of account, but
 - (b) apart from this section, it would not be brought into account in calculating the profits of the company for corporation tax purposes.
- (3) Such a profit is treated for corporation tax purposes as income of the company attributable to the lease.
- (4) Such a loss is treated for corporation tax purposes as a revenue expense incurred by the company in connection with the lease.
- (5) It does not matter for the purposes of this section whether the profit or loss is of an income or capital nature.
- (6) The reference in subsection (2) to an amount falling to be recognised for accounting purposes in a period of account is a reference to an amount falling to be recognised for accounting purposes in—
- (a) the company's profit and loss account, income statement or statement of comprehensive income for that period,
 - (b) the company's statement of total recognised gains and losses, statement of recognised income and expense, statement of changes in equity or statement of income and retained earnings for that period, or
 - (c) any other statement of items taken into account in calculating the company's profits or losses for that period.

362 Lessor under long funding finance lease making termination payment

- (1) This section applies if—
- (a) a company is or has been the lessor under a long funding finance lease,
 - (b) the lease terminates, and
 - (c) a sum calculated by reference to the termination value is paid to the lessee.
- (2) No deduction in respect of the sum is allowed in calculating the profits of the company for corporation tax purposes.
- (3) This section does not prevent a deduction in respect of a sum so far as it is brought into account in determining the company's rental earnings.
- (4) For the meaning of “termination value”, see section 381(3)(m).

Lessors under long funding operating leases

363 Lessor under long funding operating lease: periodic deduction

- (1) This section applies if a company is the lessor of any plant or machinery under a long funding operating lease for the whole or part of a period of account.
- (2) A deduction is allowed in calculating the profits of the company for the period of account for corporation tax purposes.

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (3) The amount of the deduction is so much of the expected gross reduction in value over the term of the lease as is attributable to the period of account.
- (4) The expected gross reduction in value over the term of the lease is—
 - (a) the starting value of the plant or machinery, less
 - (b) the amount which at the commencement of the term of the lease is expected to be its residual value (or, if section 365 applies, would have been expected to be that value had that value been estimated at that time).
- (5) The expected gross reduction in value over the term of the lease that is attributable to the period of account is found by apportioning that reduction on a time basis according to the proportion of the term of the lease that falls in the period of account.
- (6) For the meaning of “starting value”, see—
 - (a) section 364 (“starting value”: general), and
 - (b) section 365 (“starting value” where plant or machinery originally unqualifying).
- (7) For the meaning of “residual value”, see section 381(4).

364 “Starting value”: general

- (1) This section is about the meaning of “starting value” in section 363 in relation to a long funding operating lease (“the section 363 lease”).
- (2) But this section does not apply if the conditions in section 365(2) (“starting value” where plant or machinery originally unqualifying) are met.
- (3) If the only use of the plant or machinery by the lessor has been the leasing of it under the section 363 lease as a qualifying activity, the starting value is the amount of the expenditure incurred by the lessor on the provision of the plant or machinery (“cost”).
- (4) If subsection (3) does not apply, the starting value depends on the last previous use of the plant or machinery by the lessor.
- (5) If that use was the leasing of it under another long funding operating lease as a qualifying activity, the starting value is the market value of the plant or machinery at the commencement of the term of the section 363 lease (“market value”).
- (6) If that use was the leasing of it under a long funding finance lease as a qualifying activity, the starting value is the value at which the plant or machinery is recognised in the books or other finance records of the lessor at the commencement of the term of the section 363 lease.
- (7) If that use was for the purposes of a qualifying activity other than leasing under a long funding lease, the starting value is the lower of cost and market value.
- (8) For the meaning of “qualifying activity”, see section 381(4).

365 “Starting value” where plant or machinery originally unqualifying

- (1) This section applies if the conditions in subsection (2) are met in relation to a long funding operating lease to which section 363 applies.
- (2) The conditions are that—

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (a) the lessor owns the plant or machinery as a result of having incurred expenditure on its provision for purposes other than those of a qualifying activity,
 - (b) the plant or machinery is brought into use by the lessor for the purposes of a qualifying activity on or after 1 April 2006, and
 - (c) that qualifying activity is the leasing of the plant or machinery under the lease.
- (3) For the purposes of section 363 the starting value is the lower of—
- (a) first use market value, and
 - (b) first use amortised market value.
- (4) “First use market value” means the market value of the plant or machinery at the time when it is first brought into use for the purposes of the qualifying activity.
- (5) “First use amortised value” means the value that the plant or machinery would have at the time when it is first brought into use for the purposes of the qualifying activity on the assumptions in subsection (6).
- (6) The assumptions are that—
- (a) the cost of acquiring the plant or machinery had been written off on a straight line basis over its remaining useful economic life, and
 - (b) any further capital expenditure incurred had been written off on a straight line basis over so much of its remaining economic life as remains at the time when the expenditure is incurred.
- (7) For the meaning of “qualifying activity”, “remaining useful economic life” and writing off on a straight line basis, see section 381(4), (3)(i) and (5) respectively.

366 Long funding operating lease: lessor's additional expenditure

- (1) This section applies if in any period of account—
- (a) a company is the lessor of any plant or machinery under a long funding operating lease,
 - (b) the company incurs capital expenditure in relation to the plant or machinery (the “additional expenditure”), and
 - (c) the additional expenditure is not reflected in the market value of the plant or machinery at the commencement time (see subsection (7)).
- (2) An additional deduction is allowed in calculating the profits of the company for each period of account—
- (a) which ends after the incurring of the additional expenditure, and
 - (b) in which the company is the lessor of the plant or machinery under the lease.
- (3) The amount of the deduction is so much of the expected reduction in value of the additional expenditure (“the expected reduction”) as is attributable to the period of account.
- (4) The expected reduction is the amount of the additional expenditure, less the remaining residual value of the plant or machinery resulting from that expenditure.
- (5) For how to determine that remaining residual value, see—
- (a) section 367 (determination of remaining residual value resulting from lessor's first additional expenditure), and

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (b) section 368 (determination of remaining residual value resulting from lessor's further additional expenditure).
- (6) The amount of the expected reduction attributable to the period of account is found by apportioning that reduction on a time basis according to the proportion of the term of the lease that falls in the period of account.
- (7) In this section “the commencement time” means—
 - (a) except where section 365 applies, the commencement of the term of the lease, and
 - (b) if that section applies, the time when the plant or machinery is first brought into use by the lessor for the purposes of the qualifying activity.

367 Determination of remaining residual value resulting from lessor's first additional expenditure

- (1) This section sets out how the remaining residual value of the plant or machinery resulting from the additional expenditure (“RRV”) is determined for the purposes of section 366(4) if section 366 has not applied in relation to any previous additional expenditure incurred by the company in relation to the leased plant or machinery.
- (2) RRV depends on whether—
 - (a) the amount (“ARV”) which is expected to be the residual value of the plant or machinery at the time when the additional expenditure is incurred, exceeds
 - (b) the amount (“CRV”) which at the commencement of the term of the lease is expected to be its residual value (or, if section 365 applies, would have been expected to be that value had that value been estimated at that time).
- (3) If ARV exceeds CRV, RRV is the part of the excess that is a result of the additional expenditure.
- (4) Otherwise, RRV is nil.
- (5) For the meaning of “residual value”, see section 381(4).

368 Determination of remaining residual value resulting from lessor's further additional expenditure

- (1) This section sets out how the remaining residual value of the plant or machinery resulting from the additional expenditure (“RRV”) is determined for the purposes of section 366(4) if section 366 has applied in relation to previous additional expenditure incurred by the company in relation to the leased plant or machinery.
- (2) RRV depends on whether—
 - (a) the amount (“FARV”) which is expected to be the residual value of the plant or machinery at the time when the further additional expenditure is incurred, exceeds
 - (b) the sum of the amounts in subsection (3).
- (3) Those amounts are—
 - (a) the amount which at the commencement of the term of the lease is expected to be the residual value of the plant or machinery (or, if section 365 applies, would have been expected to be that value had that value been estimated at that time), and

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (b) any amounts that were subtracted under section 366(4) as the remaining residual value of the plant or machinery resulting from the previous additional expenditure.
- (4) If FARV exceeds the sum of the amounts in subsection (3), RRV is the portion of the excess that is a result of the further additional expenditure.
- (5) Otherwise, RRV is nil.
- (6) For the meaning of “residual value”, see section 381(4).

369 Lessor under long funding operating lease: termination of lease

- (1) This section applies in calculating the profits of a company for corporation tax purposes if it is the lessor immediately before the termination of a long funding operating lease.
- (2) If the termination amount (see section 381(3)(l)) exceeds the sum of the amounts in subsection (3), an amount equal to the excess is treated as income of the company attributable to the lease arising in the period of account in which it terminates.
- (3) The amounts referred to in subsection (2) are—
 - (a) the total amounts paid to the lessee that are calculated by reference to the termination value (see section 381(3)(m)),
 - (b) the excess relevant value for section 363 (see subsection (6)), and
 - (c) the excess expenditure for section 366 (see subsection (7)).
- (4) If the sum of the amounts in subsection (3) exceeds the termination amount, the excess is treated as a revenue expense incurred by the company in connection with the lease in the period of account in which it terminates.
- (5) No deduction is allowed in respect of any sums within subsection (3)(a).
- (6) “The excess relevant value for section 363” is the amount (if any) by which—
 - (a) the starting value of the plant or machinery for the purposes of section 363(4) (lessor under long funding operating lease: periodic deduction), exceeds
 - (b) the total of the deductions allowable under section 363 for periods of account for the whole or part of which the company was the lessor.
- (7) “The excess expenditure for section 366” is the amount (if any) by which—
 - (a) the total of any amounts of capital expenditure incurred by the company which constitute additional expenditure in the case of the lease for the purposes of section 366 (long funding operating lease: lessor's additional expenditure), exceeds
 - (b) the total of any deductions allowable under section 366 for periods of account for the whole or part of which the company was the lessor.

Cases where sections 360 to 369 do not apply

370 Plant or machinery held as trading stock

- (1) Sections 360 to 369 do not apply in relation to a long funding lease in the case of a company which is or has been the lessor of any plant or machinery under the lease if the condition in subsection (2) is met.

Status: Point in time view as at 18/11/2015.

 - (b) is so allowable as a result of the plant or machinery forming part of its trading stock.
- (3) For the purposes of this section the cases in which expenditure incurred by a company on the acquisition of any plant or machinery for leasing under a lease is allowable as such a deduction include any case where—
 - (a) the company becomes entitled to the deduction at any time after the expenditure is incurred, and

- (2) Condition A is that the lease forms part of any arrangement entered into by the company which includes one or more other transactions.
- (3) Condition B is that the main purpose, or one of the main purposes, of the arrangement is to secure that, over the lease period, there would be a substantial difference between the GAAP total and the tax total.

 - (a) recognised in determining the company's profit or loss for any period, or
 - (b) taken into account in calculating the amounts which are so recognised.

- (7) This section is supplemented by sections 374 and 375.

374 Provision supplementing section 373

- (1) It does not matter whether the arrangement referred to in condition A in section 373(2) is entered into before, after or at the inception of the long funding lease.
- (2) It does not matter whether the parties to any transaction which forms part of that arrangement differ from the parties to any of the other transactions.
- (3) The cases in which two or more transactions are to be taken as forming part of an arrangement for the purposes of section 373 include any case in which it would be reasonable to assume that one or more of them—
 - (a) would not have been entered into independently of the other or others, or
 - (b) if entered into independently of the other or others, would not have taken the same form or been on the same terms.
- (4) For the purposes of condition B in section 373(3) “the lease period” means the period which—
 - (a) begins with the inception of the lease, and
 - (b) ends with the end of the term of the lease.

 - (b) subsequently conditions A, B and C in section 373 are met.
- (2) If this section applies—
 - (a) the amounts mentioned in subsection (1)(a), and

- (3) In subsection (2) “the finance charges” means the amounts which, in accordance with generally accepted accounting practice, fall (or would fall) to be shown in the company's accounts as finance charges in respect of the lease.
- (4) If the lease is one which, in accordance with such practice, falls (or would fall), to be treated as a loan, subsections (2) and (3) apply as if the lease were one which, in accordance with such practice, fell to be treated as a finance lease.

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (2) The payment is not to be brought into account in determining the profits of the company for any period of account for corporation tax purposes.
- (3) Subsection (2) does not affect the amount of any disposal value that falls to be brought into account by the company under CAA 2001.
- (4) For the meaning of “termination value”, see section 381(3)(m).

Lessees under long funding operating leases

379 Lessee under long funding operating lease

- (1) This section applies if a company is the lessee of any plant or machinery under a long funding operating lease for the whole or part of any period of account.
- (2) The deductions allowed in calculating the profits of the company for the period of account for corporation tax purposes are reduced.
- (3) The amount of the reduction is so much of the expected gross reduction in value over the term of the lease as is attributable to the period of account.
- (4) The expected gross reduction in value over the term of the lease is the starting value of the plant or machinery, less its expected end value.
- (5) For the meaning of “starting value”, see section 380.
- (6) The expected end value of plant or machinery is the amount which—
 - (a) at the commencement of the term of the lease is expected to be its market value at the end of the term, or
 - (b) if section 380(3) applies, would have been expected to be that value had that value been estimated at the commencement of the term.
- (7) The expected gross reduction in value over the term of the lease that is attributable to the period of account is found by apportioning that reduction on a time basis according to the proportion of the term of the lease that falls in the period of account.

380 “Starting value” in section 379

- (1) This section is about the meaning of “starting value” in section 379 in relation to a long funding operating lease (“the section 379 lease”).

- (b) brings the plant or machinery into use for the purposes of a qualifying activity on or after 1 April 2006.
- (4) If subsection (3) applies, the starting value is the lower of—
 - (a) first use market value, and
 - (b) first use amortised market value.
- (5) “First use market value” means the market value of the plant or machinery at the time when it is first brought into use for the purposes of the qualifying activity.
- (6) “First use amortised market value” means the value that the plant or machinery would have at the time when it is first brought into use for the purposes of the qualifying activity on the assumption in subsection (7).
- (7) That assumption is that the market value of the plant or machinery at the commencement of the term of the section 379 lease had been written off on a straight line basis over its remaining useful economic life.
- (8) For the meaning of “qualifying activity”, “remaining useful economic life” and writing off on a straight line basis, see section 381(4), (3)(i) and (5) respectively.

428 Relief for expense otherwise giving rise to carried forward loss

- (1) This section applies if—
- there is a qualifying change of ownership in relation to a company on any day (“the relevant day”),
 - on the following day the company is treated under section 425 as incurring an expense of a business and an accounting period of the company (“period 1”) begins,
 - the company makes a loss in period 1 or a later accounting period,
 - apart from this section some or all of that loss (“the carried forward loss”) would be carried forward to the next accounting period of the company after the accounting period in which the loss is made (“the subsequent period”),
 - some or all of the carried forward loss (“the derived loss”) derives from—
 - the expense under section 425, or
 - an expense treated as arising under subsection (2) and allowed as a deduction for the accounting period in which the loss is made, and
 - the subsequent period starts within the period of 5 years beginning immediately after the relevant day and does not start as a result of section 383 or 425.
- (2) Instead of being so carried forward, the derived loss is to be treated for corporation tax purposes as giving rise to an expense of an amount equal to—

$$DL + \frac{DL \times D \times R}{365}$$

where—

DL is the derived loss,

D is the number of days in the accounting period in which the loss is made, and

R is the percentage rate applicable to section 826 of ICTA under section 178 of FA 1989.

 - (a) applying the formula in section 421(3) to give the basic amount (as if the company were “the partner company” mentioned in section 421), and
 - (b) making any adjustment in accordance with any of sections 404 to 406 to the basic amount.
- (3) The amount is then limited to the appropriate percentage of the amount given as a result of subsection (2).
- (4) If there is no qualifying change in the company's interest in the business on the relevant day, the appropriate percentage is the percentage share of the company in the profits or loss of the business on the relevant day.
- (5) If there is a qualifying change in the company's interest in the business on the relevant day, the appropriate percentage is the percentage share of the company in the profits or loss of the business at the end of the relevant day.

666 Exemptions reduced if non-qualifying expenditure incurred

- (1) This section applies if—
 - (a) a registered club has relevant income or relevant gains for an accounting period (“the accounting period in question”), and

- (2) For the purposes of this section—

“relevant income”, in relation to an accounting period, means income which is exempt under this Chapter for that period (ignoring the effect of the following provisions of this section),

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (4) The total amount of the relevant income and relevant gains for that period exempted under this Chapter is reduced by the amount found by the appropriate fraction.
- (5) This is the appropriate fraction—

$$\text{RIRG} \times \frac{\text{NQE}}{\text{IRCG}}$$

where—

“RIRG” means the total amount of the relevant income and relevant gains for that period,

“NQE” means the amount of the non-qualifying expenditure in that period, and

“IRCG” means the income receipts and chargeable gains for that period.

- (6) If the amount of the non-qualifying expenditure in the accounting period in question is at least equal to the amount of the income receipts and chargeable gains for that period, the exemptions under this Chapter—

 - (b) are treated as never having applied,
 to any of the relevant income or relevant gains for that period.
- (7) If the amount of the non-qualifying expenditure in the accounting period in question is greater than the amount of the income receipts and chargeable gains for that period, there is a reduction in the amount of relief given under this Chapter for previous accounting periods.
- (8) The total amount of the relevant income and relevant gains for previous accounting periods exempted under this Chapter is reduced (but not below nil) by the surplus amount.

- (4) If an amount exempted under this Chapter has been reduced under section 666 in respect of non-qualifying expenditure incurred in an accounting period, it may not be reduced again under that section in respect of non-qualifying expenditure incurred in a later accounting period.
- (5) Such adjustments must be made (whether by way of the making of assessments or otherwise) as may be required in consequence of section 666(7).

668 How income and gains are attributed

- (1) A registered club may specify the income and gains to be reduced (in whole or in part) as a result of section 666.

 - (a) the club ceases to be a registered club, or
 - (b) the club ceases to hold the asset for qualifying purposes.
- (2) The club is treated for the purposes of TCGA 1992 as disposing of, and immediately reacquiring, the asset at the time of the cessation for a consideration equal to its market value at that time.
- (3) The exemption under section 665 does not apply to any gain accruing on that deemed disposal.
- (4) So far as any of the asset represents (directly or indirectly) the consideration for a disposal of any other asset by the club, the exemption under that section does not apply, and is treated as never having applied, to any gain accruing on that disposal of that other asset.

Status: Point in time view as at 18/11/2015.

CHAPTER 2

DISALLOWANCE OF TRADING LOSSES

673 Introduction to Chapter

- (1) This Chapter applies if—
 - (a) there is a change in the ownership of a company (“the company”), and
 - (b) condition A or B is met.
- (2) Condition A is that within any period of 3 years in which the change in ownership occurs there is a major change in the nature or conduct of a trade carried on by the company.
- (3) Condition B is that the change in ownership occurs at any time after the scale of the activities in a trade carried on by the company has become small or negligible and before any significant revival of the trade.
- (4) In this section “major change in the nature or conduct of a trade” includes—
 - (a) a major change in the type of property dealt in, or services or facilities provided in, the trade, or
 - (b) a major change in customers, outlets or markets of the trade.

This Chapter applies even if the change is the result of a gradual process which began before the period of 3 years mentioned in subsection (2).
- (5) In this Chapter—
 - “the change in ownership” means the change in ownership mentioned in subsection (1),
 - “the company” has the same meaning as in this section, and
 - “trade” includes an office.

674 Disallowance of trading losses

- (1) In calculating the company's taxable total profits of an accounting period beginning before the change in ownership, no relief may be given under section 37 or 42 (relief for trade losses) for a loss made by the company in an accounting period ending after the change in ownership.
- (2) No relief may be given under section 45 for a loss made by the company in an accounting period beginning before the change in ownership by carrying forward the loss to reduce the profits of a trade of an accounting period ending after the change in ownership.
- (3) For the purposes of this section and section 675—
 - (a) the accounting period in which the change in ownership occurs is treated as two separate accounting periods, the first ending with the change and the second consisting of the remainder of the period, and
 - (b) the profits or losses of the accounting period are apportioned to the two periods.
- (4) The apportionment under subsection (3)(b) is to be made on a time basis according to the respective lengths of the two periods.

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (5) But if that method of apportionment would work unjustly or unreasonably in any case, such other method is to be used as is just and reasonable.
- (6) In subsection (2), “profits of a trade” includes interest or dividends treated as profits of a trade under section 46.

675 Disallowance of trading losses: calculation of balancing charges

- (1) The following provisions apply if relief in respect of the company's losses is restricted because of section 674(2).
- (2) In applying the provisions of CAA 2001 about balancing charges to the company by reference to any event after the change in ownership, there is to be disregarded any allowance falling to be made in taxing the company's trade for any accounting period beginning before the change in ownership.

This subsection applies despite section 577(3) of CAA 2001.
- (3) But subsection (2) does not apply if the allowance has been given effect to by means of relief against any profits of that accounting period or any subsequent accounting period beginning before the change in ownership.
- (4) For the purposes of subsection (3), it is to be assumed that any loss attributable to any such allowance as is mentioned in subsection (2) is relieved before any loss which is not attributable to such an allowance.

[^{F514}676 Company reconstructions

- (1) Subsection (2) applies if, before the change in ownership—
 - (a) a trade carried on by another company (“the predecessor company”) is transferred to the company, and
 - (b) the transfer is a transfer to which Chapter 1 of Part 22 applies (transfers of trade without a change of ownership).
- (2) In determining any relief available to the company by virtue of section 944(3) (carry forward of trading losses in successor company), this Chapter applies as if—
 - (a) references to a trade carried on by the company included the trade as carried on by the predecessor company or by any predecessor of that company, and
 - (b) any loss sustained by the predecessor company or any predecessor of that company had been sustained by the company.
- (3) Subsection (4) applies if, after the change in ownership—
 - (a) a trade carried on by the company is transferred to another company (“the successor company”), and
 - (b) the transfer is a transfer to which Chapter 1 of Part 22 applies.
- (4) In determining—
 - (a) any relief available to the company under section 45 (carry forward of trading losses), or
 - (b) any relief available to the successor company or any successor of that company by virtue of section 944(3),

this Chapter applies as if references to a trade carried on by the company included the trade as carried on by the successor company or by any successor of that company.

Status: Point in time view as at 18/11/2015.

Procedure for counteraction of corporation tax advantages

743 Preliminary notification that section 733 may apply

- (1) An officer of Revenue and Customs must notify a company if the officer has reason to believe that—
- (a) section 733 (company liable to counteraction of corporation tax advantage) may apply to the company in respect of a transaction or transactions, and

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (b) a counteraction notice ought to be served on the company under section 746 about the transaction or transactions.
- (2) The notification must specify the transaction or transactions.
- (3) See section 746 for the serving of counteraction notices, and sections 744 and 745 for cases where the company on which the notice under this section is served disagrees that section 733 applies.

744 Opposed notifications: statutory declarations

- (1) If a company on which a notification is served under section 743 is of the opinion that section 733 (company liable to counteraction of corporation tax advantage) does not apply to the company in respect of the transaction or transactions specified in the notification, the company may—
 - (a) make a statutory declaration to that effect, stating the facts and circumstances on which the opinion is based, and
 - (b) send it to the officer of Revenue and Customs.
- (2) Such a declaration must be sent within 30 days of the issue of the notification.
- (3) If the company sends that declaration to the officer and the officer sees no reason to take further action—
 - (a) section 733 does not so apply, and
 - (b) accordingly no counteraction notice may be served on the company under section 746 about the transaction or transactions.

745 Opposed notifications: determinations by tribunal

- (1) This section applies if the officer of Revenue and Customs receiving a statutory declaration under section 744(1) sees reason to take further action about the transaction or transactions in question.
- (2) The officer must send the tribunal a certificate to that effect, together with the statutory declaration.
- (3) The officer may also send the tribunal a counter-statement with the certificate.
- (4) The tribunal must—
 - (a) consider the declaration and certificate and any counter-statement, and
 - (b) determine whether there is a prima facie case for the officer to take further action on the basis that section 733 (company liable to counteraction of corporation tax advantage) applies to the company by which the declaration was made in respect of the transaction or transactions in question.
- (5) If the tribunal determines that there is no such case—
 - (a) section 733 does not so apply, and
 - (b) accordingly no counteraction notice may be served on the company under section 746 about the transaction or transactions.
- (6) But such a determination does not affect the application of sections 733 and 746 in respect of transactions including not only the ones to which the determination relates but also others.

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

746 Counteraction notices

- (1) If—
 - (a) a company on which a notification is served under section 743 does not send a statutory declaration to an officer of Revenue and Customs under section 744 within 30 days of the issue of the notification, or
 - (b) the tribunal to which such a declaration is sent under section 745 determines that there is a prima facie case for serving a notice on a company under this section,the corporation tax advantage in question is to be counteracted by adjustments.
- (2) The adjustments required to be made to counteract the corporation tax advantage and the basis on which they are to be made are to be specified in a notice served on the company by an officer of Revenue and Customs.
- (3) In this Part such a notice is referred to as a “counteraction notice”.
- (4) Any of the following adjustments may be specified—
 - (a) an assessment,
 - (b) the nullifying of a right to repayment,
 - (c) the requiring of the return of a repayment already made, or
 - (d) the calculation or recalculation of profits or gains or liability to corporation tax.
- (5) Nothing in this section authorises the making of an assessment later than 6 years after the accounting period to which the corporation tax advantage relates.
- (6) This section is subject to—
 - section 747 (timing of assessments in section 738 cases), and
 - section 749(2) (effect of clearance notification under section 748).
- (7) But no other provision in the Corporation Tax Acts is to be read as limiting the powers conferred by this section.

747 Timing of assessments in section 738 cases

- (1) This section applies if section 733 (company liable to counteraction of corporation tax advantage) applies to a company because it is in a position to obtain or has obtained a corporation tax advantage by falling within the circumstances mentioned in section 738 (receipt of relevant company assets (circumstance E)) when share capital is repaid.
- (2) An assessment to corporation tax made in accordance with a counteraction notice must be an assessment for the accounting period in which the repayment occurs.
- (3) The references in this section to the repayment of share capital include references to any distribution made in respect of any shares in a winding up or dissolution of the company.
- (4) In subsection (3) “shares” includes stock and any other interest of a member in a company.

Status: Point in time view as at 18/11/2015.

Clearance procedure

748 Application for clearance of transactions

- (1) A company may provide the Commissioners for Her Majesty's Revenue and Customs with particulars of a transaction or transactions effected or to be effected by it in order to obtain a notification about them under this section.
- (2) If the Commissioners consider that the particulars, or any further information provided under this subsection, are insufficient for the purposes of this section, they must notify the company what further information they require for those purposes within 30 days of receiving the particulars or further information.
- (3) If any such further information is not provided within 30 days from the notification, or such further time as the Commissioners allow, they need not proceed further under this section.
- (4) The Commissioners must notify the company whether they are satisfied that the transaction or transactions, as described in the particulars, were or will be such that no counteraction notice ought to be served about the transaction or transactions.
- (5) The notification must be given within 30 days of receipt of the particulars, or, if subsection (2) applies, of all further information required.

749 Effect of clearance notification under section 748

- (1) This section applies if the Commissioners for Her Majesty's Revenue and Customs notify a company under section 748 that they are satisfied that a transaction or transactions, as described in the particulars provided under that section, were or will be such that no counteraction notice ought to be served about the transaction or transactions.
- (2) No such notice may be served on the company in respect of the transaction or transactions.
- (3) But the notification does not prevent such a notice being served on the company in respect of transactions including not only the ones to which the notification relates but also others.
- (4) The notification is void if the particulars and any further information given under section 748 about the transaction or transactions do not fully and accurately disclose all facts and considerations which are material for the purposes of that section.

Appeals

750 Appeals against counteraction notices

- (1) A company on which a counteraction notice has been served may appeal on the grounds that—
 - (a) section 733 (company liable to counteraction of corporation tax advantage) does not apply to the company in respect of the transaction or transactions in question, or
 - (b) the adjustments directed to be made are inappropriate.

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (2) Such an appeal may be made only by giving notice to the Commissioners for Her Majesty's Revenue and Customs within 30 days of the service of the counteraction notice.
- (3) On an appeal under this section the tribunal may—
- (a) affirm, vary or cancel the counteraction notice, or
 - (b) affirm, vary or quash an assessment made in accordance with the notice.
- (4) But the bringing of an appeal under this section does not affect—
- (a) the validity of the counteraction notice, or
 - (b) the validity of any other thing done under or in accordance with section 746 (counteraction notices),
- pending the determination of the proceedings.

PART 16

FACTORING OF INCOME ETC

CHAPTER 1

TRANSFERS OF INCOME STREAMS

752 Application of Chapter

- (1) This Chapter applies if—

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (a) a company within the charge to corporation tax (“the transferor”) makes a transfer to another person (“the transferee”) of a right to relevant receipts (see subsection (2)), and
 - (b) (subject to subsection (3)) the transfer of the right is not a consequence of the transfer to the transferee of an asset from which the right to relevant receipts arises.
- (2) “Relevant receipts” means any income—
- (a) which (but for the transfer) would be charged to corporation tax as income of the transferor, or
 - (b) which (but for the transfer) would be brought into account in calculating profits of the transferor for the purposes of corporation tax.
- (3) Despite subsection (1)(b), this Chapter applies if the transfer of the right is a consequence of the transfer to the transferee of all rights under an agreement for annual payments; and for the purposes of subsection (1)(b) the transfer of an asset under a sale and repurchase agreement is not to be regarded as a transfer of the asset.
- (4) Section 753 makes provision as to the consequences of this Chapter applying.
- (5) For exclusions from this Chapter, see—
- (a) section 754 (amount otherwise taxed), and
 - (b) section 755 (transfer by way of security).
- (6) Section 756 makes special provision about transfers of partnership shares.
- (7) Section 757 contains supplementary provisions.

753 Value of transferred income stream treated as income

- (1) The relevant amount (see subsection (2)) is to be treated as income of the transferor chargeable to corporation tax in the same way and to the same extent as that in which the relevant receipts—
- (a) would have been chargeable to corporation tax, or
 - (b) would have been brought into account in calculating any profits for the purposes of corporation tax,
- but for the transfer of the right to relevant receipts.
- (2) The relevant amount is—
- (a) (except where paragraph (b) applies) the amount of the consideration for the transfer of the right, or
 - (b) where the amount of any such consideration is substantially less than the market value of the right at the time when the transfer takes place (or where there is no consideration for the transfer of the right), the market value of the right at that time.
- (3) The income under subsection (1) is to be treated as arising—
- (a) to the extent that it does not exceed the amount of the consideration for the transfer of the right, in the period or periods for which, in accordance with generally accepted accounting practice, the consideration for the transfer is recognised for accounting purposes in a profit and loss account or income statement of the transferor, and

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (b) otherwise, in the period or periods for which, in accordance with generally accepted accounting practice, the consideration for the transfer would be so recognised if it were of an amount equal to the market value of the right at the time when the transfer takes place.
- (4) But if at any time it becomes reasonable to assume that the income (to any extent) is not, or would not be, treated by subsection (3) as arising in an accounting period of the transferor, the income is to that extent to be treated as arising immediately before that time.

754 Exception: amount otherwise taxed

This Chapter does not apply if and to the extent that the income under section 753(1) is (apart from this Chapter)—

- (a) charged to tax as income of the transferor,
- (b) brought into account as income in calculating the profits of the transferor, or
- (c) brought into account under CAA 2001.

755 Exception: transfer by way of security

- (1) This Chapter does not apply if—
- (a) the consideration for the transfer is the advance under a type 1 finance arrangement, and
 - (b) the transferor is, or is a member of a partnership which is, the borrower in relation to the arrangement.
- (2) This Chapter does not apply if—
- (a) the consideration for the transfer is the advance under a type 2 finance arrangement or a type 3 finance arrangement, and
 - (b) the transferor is a member of the partnership which receives that advance under the arrangement.
- (3) In this section—
- “type 1 finance arrangement” has the meaning given for the purposes of Chapter 2 by section 758,
 - “type 2 finance arrangement” has the meaning given for the purposes of Chapter 2 by section 763, and
 - “type 3 finance arrangement” has the meaning given for the purposes of Chapter 2 by section 767.

756 Partnership shares

- (1) For the purposes of this Chapter a transfer of a right to relevant receipts consisting of the reduction in the transferor's share in the profits or losses of a partnership is to be regarded as a consequence of a transfer of an asset from which the right arose (that is, the partnership property) ^{F543}....

- (3) For the purposes of subsection (1)(b) the disposal might, in particular, be effected by an acquisition or disposal of, or an increase or decrease in, an interest in the relevant partnership (including a share of the profits or assets of the relevant partnership or an interest in such a share).
- (4) For the purposes of subsection (1)(c) it does not matter if the transferor and the transferee are not members of a partnership as mentioned at the same time.

779A Application of Chapter

- (1) This Chapter applies if conditions A and B are met.
- (2) Condition A is that directly or indirectly in consequence of, or otherwise in connection with, arrangements involving a company within the charge to corporation tax (“the transferor”) and another person (“the transferee”)—
 - (a) there is, or is in substance, a disposal of an asset (“the transferred asset”) by the transferor to the transferee,
 - (b) the disposal is effected (wholly or partly) by or through a partnership (“the relevant partnership”),
 - (c) at any time—
 - (i) the transferor is a member of the relevant partnership or of a partnership associated with the relevant partnership, and
 - (ii) the transferee is a member of the relevant partnership or of a partnership associated with the relevant partnership, and
 - (d) the main purpose, or one of the main purposes, of one or more steps taken in effecting the disposal is the obtaining of a tax advantage for any person.
- (3) In subsection (2)(a) the reference to a disposal of an asset includes anything constituting a disposal of an asset for the purposes of TCGA 1992.
- (4) For the purposes of subsection (2)(b) the disposal might, in particular, be effected by an acquisition or disposal of, or an increase or decrease in, an interest in the relevant partnership (including a share of the profits or assets of the relevant partnership or an interest in such a share).
- (5) For the purposes of subsection (2)(c) it does not matter if the transferor and the transferee are not members of a partnership as mentioned at the same time.
- (6) For the purposes of subsection (2)(c) a partnership is “associated” with the relevant partnership if—
 - (a) it is a member of the relevant partnership, or
 - (b) it is a member of a partnership which is associated with the relevant partnership (whether by virtue of paragraph (a) or this paragraph).
- (7) In subsections (2)(c) and (5) references to the transferor include a person connected with the transferor and references to the transferee include a person connected with the transferee.
- (8) Condition B is that it is reasonable to assume that, had the transferred asset instead been disposed of directly by the transferor to the transferee, the relevant amount (or any part of it)—
 - (a) would have been chargeable to corporation tax as income of the transferor, or

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (b) would have been brought into account as income in calculating profits of the transferor for corporation tax purposes.
- (9) In this Chapter “the relevant amount” means the amount of the consideration received by the transferor for the disposal.
- (10) If the transferor receives—
- (a) no consideration for the disposal, or
 - (b) consideration which is substantially less than the market value of the transferred asset,
- assume for the purposes of subsection (9) that the transferor receives consideration of an amount equal to the market value of the transferred asset.
- (11) In subsection (10) references to the market value of the transferred asset are to that value at the time of the disposal.
- (12) In this Chapter—
- “arrangements” includes any agreement, understanding, scheme, transaction or series of transactions (whether or not legally enforceable),
- “partnership” includes a limited liability partnership whether or not section 1273(1) of CTA 2009 applies in relation to it, and
- “tax advantage” means a tax advantage, as defined in section 1139, in relation to income tax or the charge to corporation tax on income.

779B Relevant amount to be treated as income

- (1) The relevant amount is to be treated as income of the transferor chargeable to corporation tax in the same way and to the same extent as that in which it—
- (a) would have been chargeable to corporation tax as income of the transferor, or
 - (b) would have been brought into account as income in calculating profits of the transferor for corporation tax purposes,
- as mentioned in section 779A(8).
- (2) Section 753(3) and (4) applies for the purpose of determining when income under subsection (1) is treated as arising (reading references to the transfer of the right as references to the disposal of the transferred asset).
- (3) If, apart from this subsection and section 757B(4)—
- (a) both this Chapter and Chapter 1A would apply in relation to the disposal, and
 - (b) Chapter 1A would give the same amount, or a greater amount, of income of the transferor chargeable to corporation tax,
- this Chapter is not to apply in relation to the disposal.]

Modifications etc. (not altering text)

C51 Pt. 19 Ch. 2 applied by 2007 c. 3, s. 681BD(4) (as inserted (with effect in accordance with s. 381(1) of the amending Act) by [Taxation \(International and Other Provisions\) Act 2010 \(c. 8\), s. 381\(1\), Sch. 4 para. 3](#) (with [Sch. 9 paras. 1-9, 22](#)))

Introduction

849 Overview of Chapter

- (1) This Chapter provides that in certain circumstances where a lease of land is assigned or surrendered and another lease is granted or assigned—
 - (a) consideration received for the assignment or surrender of the first lease is taxed as a trade receipt or charged to corporation tax on income, and
 - (b) tax relief is allowed for rent under the other lease.
- (2) The Chapter provides that in certain circumstances where a lease is varied it is treated as surrendered and another lease is treated as granted.

Application of the Chapter

850 New lease after assignment or surrender

- (1) This Chapter has effect if each of conditions A to E is met.
- (2) Condition A is that—
 - (a) a company (“L”) is a lessee of land under a lease which has 50 years or less to run (“the original lease”), and
 - (b) L is entitled in respect of the rent under the original lease to a deduction by way of relevant corporation tax relief.
- (3) Condition B is that—
 - (a) L assigns the original lease to another person or surrenders it to L’s landlord, and
 - (b) the consideration for the assignment or surrender would not (apart from this Chapter) be taxable except as capital in L’s hands.
- (4) Condition C is that—
 - (a) another lease (“the new lease”) is granted, or assigned, to L or a person linked to L, and
 - (b) the new lease is for a term of 15 years or less.
- (5) Condition D is that the new lease—
 - (a) is of all or part of the land which was the subject of the original lease, or
 - (b) includes all or part of the land which was the subject of the original lease.

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (6) Condition E is that neither L nor a person linked to L had, before 22 June 1971, a right enforceable at law or in equity to the grant of the new lease.
- (7) If each of conditions A to D is met but condition E is not met, see the relevant provisions in Schedule 2 to this Act and Schedule 9 to TIOPA 2010.

Taxation of consideration

851 Taxation of consideration

- (1) An appropriate amount must be found under subsection (3) or (4) of—
 - (a) the consideration received by L for the assignment or surrender, or
 - (b) each instalment of the consideration (if it is paid in instalments).
- (2) For the purposes of the Corporation Tax Acts the appropriate amount must be treated in accordance with subsections (6) to (8) and not as a capital receipt.
- (3) If the term of the new lease is one year or less, the appropriate amount of the consideration or instalment is the whole of it.
- (4) If the term of the new lease is more than one year, the appropriate amount of the consideration or instalment is the proportion of it found by the formula—

$$\frac{16 - N}{15}$$

- (5) In subsection (4) N is the term of the new lease expressed in years (taking part of a year as an appropriate proportion of a year).
- (6) The way the appropriate amount must be treated depends on whether the following conditions are met—
 - (a) the consideration is received by L in the course of a trade, and
 - (b) the rent payable by L, or a person linked to L, under the new lease is allowable as a deduction in calculating profits or losses of a trade, profession or vocation for tax purposes.
- (7) If the conditions are met the appropriate amount must be treated as a receipt of the trade mentioned in subsection (6)(a).
- (8) If the conditions are not met the appropriate amount must be treated as an amount chargeable to corporation tax under the charge to corporation tax on income.

852 Position where new lease does not include all original property

- (1) This section applies for the purposes of section 851 if the property which is the subject of the new lease does not include all the property which was the subject of the original lease.
- (2) The consideration received by L must be treated as reduced to the portion of it found under subsection (3).
- (3) The portion is that which is reasonably attributable to such part of the original property as—

- (1) Sections 855 to 857 treat the new lease as ending in certain circumstances for the purposes of this Chapter.
- (2) If any of those provisions apply in a given case, and the new lease is treated as ending on different dates, it must be treated as ending on the earlier or earliest of them.

855 Position where rent reduces

- (1) If the rent for a relevant period exceeds the rent for the following comparable period, the term of the new lease must be treated as ending on the date when the relevant period ends.
- (2) For the purposes of this section—
 - (a) a relevant period is a rental period of the new lease ending before its fifteenth anniversary,

- (2) The term of the lease must be treated as ending on the earliest date with effect from which L, or a person linked to L, could vary the obligations by exercising the power.

858 Lease treated as ending: rentcharge

- (1) Subsection (2) applies if a rentcharge payable by L, or a person linked to L, is secured on all or part of the property subject to the new lease.
- (2) For the purposes of sections 855 to 857 the rent payable under the new lease must be treated as equal to the sum of the rentcharge and the rent payable under the lease.

 - (b) the last instalment of the consideration is paid to the lessee (if it is paid in instalments).
- (6) If this section applies the lessee must be treated for the purposes of this Chapter—
- (a) as having surrendered the original lease for the consideration mentioned in subsection (4)(b), and

- (5) Condition B is that rentals payable under the lease are less than, or payable later than, they might reasonably be expected to be if there were no obligation to make the capital payment and it were not made.
- (6) A capital payment is not “relevant” so far as it—
 - (a) reduces the amount of expenditure incurred by the lessor for the purposes of CAA 2001 in respect of the plant or machinery in question or would reduce it but for section 536 of CAA 2001 (contributions not made by public bodies and not eligible for tax relief), or
 - (b) is compensation for loss resulting from damage to, or damage caused by, the plant or machinery in question.
- (7) If—
 - (a) a capital payment is an initial payment under a long funding lease for the purposes of Part 2 of CAA 2001 (see section 70YI of that Act), and
 - (b) under section 61 of that Act (disposal events and disposal values) the commencement of the term of the lease (as defined in section 70YI of that Act) is an event that requires the lessor to bring a disposal value into account, the capital payment is only “relevant” so far as it exceeds the amount that is the disposal value for the purposes of Part 2 of that Act.
- (8) References to payment include the provision of value by any means other than the making of a payment.
- (9) Accordingly—
 - (a) references to the making of a payment include the passing of value by any other means, and
 - (b) references to the amount of the payment include the value passed.

894 Other interpretation of Chapter

- (1) This section applies for the purposes of this Chapter.
- (2) “Lease” includes—

 - (b) the letting of a ship or aircraft on charter or the letting of any other asset on hire,and “lessor” and “lessee” must be read accordingly.
- (3) “Lease of plant or machinery” includes a lease of plant or machinery and other property, but does not include a lease to which subsection (4) or (5) applies.
- (4) This subsection applies to a lease if any income attributable to it and received by the lessor would be chargeable to tax under Chapter 3 of Part 4 of CTA 2009 as profits of a UK property business.
- (5) This subsection applies to a lease of plant or machinery if the lessor has incurred on the plant or machinery what would be qualifying expenditure within the meaning of Part 2 of CAA 2001 but for section 34A of that Act (expenditure on plant or machinery for long funding leasing not qualifying expenditure).
- (6) “Relevant arrangement” means any agreement or arrangement relating to a lease of plant or machinery, including one made before the lease is entered into or after it has ended.

INTRODUCTION

Introduction

895 Overview of Part

- (1) This Part makes provision for corporation tax purposes about the taxation of leasing arrangements.
- (2) Chapter 2 makes provision in relation to certain arrangements involving the lease of assets where the conditions in section 902 are or have been met, so far as the lease is not regarded as a long funding lease for the purposes of Part 2 of CAA 2001 in accordance with Chapter 6A of that Part (see sections 901 to 904).
- (3) Chapter 3 makes provision in relation to arrangements involving the lease of assets that are not within Chapter 2, so far as the lease is not so regarded (see sections 925 and 927).

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (4) The remaining provisions of this Chapter explain some expressions about rent for the purposes of this Part.
- (5) Chapter 4 contains further provisions supplementing this Part, including more about its interpretation.

Meaning of expressions about rent

896 Normal rent

- (1) For the purposes of this Part, the “normal rent” in respect of a lease for a period of account of the lessor (“L”) is the amount specified in subsection (2).
- (2) That amount is the amount that L would, apart from this Part, bring into account as rent from the lease that arises to L in that period of account for the purpose of determining L's liability to corporation tax for the related accounting period or periods.
- (3) For the meaning of “related accounting period”, see section 932(4).

897 Accountancy rental earnings

- (1) For the purposes of this Part, the “accountancy rental earnings” in respect of a lease for a period of account of the lessor (“L”) is the greatest of the amounts specified in subsection (2).
- (2) Those amounts are—
 - (a) the rental earnings for that period in respect of the lease in L's case,
 - (b) the rental earnings for that period in respect of the lease in the case of a person connected with L, and
 - (c) the rental earnings for that period in respect of the lease for the purposes of consolidated group accounts of a group of companies of which L is a member.
- (3) For the meaning of “the rental earnings”, see section 898.

898 Rental earnings

- (1) In this Part “the rental earnings” for any period in respect of a lease of an asset in the case of any person or any consolidated group accounts is the amount specified in subsection (2).
- (2) That amount is the amount that falls for accounting purposes to be treated, in accordance with generally accepted accounting practice, as the gross return for that period on investment in respect of a finance lease or loan in respect of the leasing arrangements.
- (3) For the meaning of “for accounting purposes”, see section 937.

Status: Point in time view as at 18/11/2015.

CHAPTER 2

FINANCE LEASES WITH RETURN IN CAPITAL FORM

Introduction

899 Arrangements to which this Chapter applies

- (1) This Chapter applies to arrangements involving the lease of an asset that meet conditions A and B.
- (2) Condition A is that in accordance with generally accepted accounting practice the arrangements fall to be treated as a finance lease or loan.
- (3) Condition B is that the effect of the arrangements is that some or all of the return on investment in respect of the finance lease or loan—
 - (a) is or may be in the form of a sum that is not rent, and
 - (b) would not, apart from this Part and Part 11A of ITA 2007, be wholly brought into account for tax purposes as rent from the lease of the asset.
- (4) It does not matter—
 - (a) when the arrangements are or have been entered into, or
 - (b) whether they are or have been entered into by companies or other persons.

900 Purposes of this Chapter

- (1) This section sets out the main purposes of this Chapter where there are any arrangements to which this Chapter applies.
- (2) The first main purpose is, in relation to a company entitled to the lessor's interest under the lease of the asset, to apply the charge to corporation tax on income to amounts determined as mentioned in subsections (3) and (4).
- (3) The amounts referred to in subsection (2) are determined by reference to the amounts that fall for accounting purposes to be treated, in accordance with generally accepted accounting practice, as the income return on and after 26 November 1996 on investment in respect of the finance lease or loan.
- (4) The amounts referred to in subsection (2) are also determined taking into account the substance of the matter as a whole, including, in particular, the state of affairs—
 - (a) as between connected persons, or
 - (b) within a group of companies,as reflected or falling to be reflected in accounts of any of those persons or in consolidated group accounts.
- (5) The second main purpose of this Chapter is, if the sum mentioned in section 899(3)
 - (a) that is not rent falls due, to recover by reference to that sum the whole or any part of the capital expenditure reliefs.
- (6) In subsection (5) “the capital expenditure reliefs” means any reliefs, allowances or deductions that are or have been allowed or made in respect of capital expenditure incurred in respect of the leased asset.

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

Leases to which this Chapter applies

901 Application of this Chapter

- (1) This Chapter applies if—
 - (a) a lease of an asset is or has been granted, and
 - (b) the conditions in section 902 are or have been met in relation to the lease at some time in a period of account of the current lessor.
- (2) But this Chapter does not apply so far as, in relation to the current lessor, the lease falls to be regarded as a long funding lease for the purposes of Part 2 of CAA 2001 (plant and machinery allowances) in accordance with Chapter 6A of that Part (interpretation of provisions about long funding leases) (see section 70G of that Act).
- (3) If the conditions in section 902 have been met at some time in a period of account of the person who was at that time the lessor, they are taken to continue to be met for the purposes of this Chapter unless and until one of the conditions in subsection (4) is met.
- (4) The conditions are that—
 - (a) the asset ceases to be leased under the lease, or
 - (b) the lessor's interest under the lease is assigned to a person who is not connected with any of the persons specified in subsection (5).
- (5) Those persons are—
 - (a) the assignor,
 - (b) any person who was the lessor at some time before the assignment, and
 - (c) any person who at some time after the assignment becomes the lessor pursuant to arrangements made by a person who was the lessor, or was connected with the lessor, at some time before the assignment.
- (6) If at any time the person who was the lessor at that time was a person within the charge to income tax, the reference in subsection (3) to the conditions in section 902 having been met at that time includes a reference to the conditions in section 614BC of ITA 2007 having been so met.
- (7) Nothing in subsection (3) prevents this Chapter from applying again in relation to the lease where the lessor's interest is assigned if the conditions for its application are met after the assignment.

902 The conditions referred to in section 901(1)

- (1) This section sets out the conditions required by section 901(1) to be met for this Chapter to apply (conditions A to E).
- (2) Condition A is that at the relevant time—
 - (a) the leasing arrangements fall for accounting purposes to be treated, in accordance with generally accepted accounting practice, as a finance lease or a loan, and
 - (b) subsection (3) or (4) applies.
- (3) This subsection applies if the lessor (“L”), or a person connected with L, falls for accounting purposes to be treated, in accordance with generally accepted accounting practice, as the finance lessor in relation to the finance lease or loan.

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (4) This subsection applies if the finance lease or loan falls for accounting purposes to be treated, in accordance with generally accepted accounting practice, as subsisting for the purposes of consolidated group accounts of a group of companies of which L is a member.
- (5) Condition B is that, under the leasing arrangements, there is or may be payable to L, or to a person connected with L, a sum (a “major lump sum”) that is not rent but falls for accounting purposes to be treated, in accordance with generally accepted accounting practice—
 - (a) as to part, as repayment of some or all of the investment in respect of a finance lease or loan, and
 - (b) as to part, as a return on investment in respect of a finance lease or loan.
- (6) Condition C is that not all of that part of the sum that falls within subsection (5)(b) would, apart from this Chapter, fall to be brought into account for corporation tax purposes in accounting periods of L ending with the relevant accounting period as the normal rent from the lease for periods of account of L.
- (7) Condition D is that, in relation to L at the relevant time—
 - (a) the period of account of L in which the relevant time falls, or
 - (b) an earlier period of account of L during which L was the lessor,is a period of account for which the accountancy rental earnings in respect of the lease exceed the normal rent for the period.
- (8) Condition E is that at the relevant time—
 - (a) arrangements within section 904(1) exist, or
 - (b) paragraph (a) does not apply and circumstances within section 904(3) exist.
- (9) Section 903 supplements this section.

903 Provisions supplementing section 902

- (1) In section 902—
 - “the relevant accounting period”, in relation to a major lump sum, means—
 - (a) the accounting period of the lessor (“L”) which is related to L’s period of account in which the major lump sum is or may be payable in accordance with the leasing arrangements, or
 - (b) if there are two or more such accounting periods, the latest of them, and
 - “the relevant time” means the time as at which it must be determined for the purposes of section 901(1) or (3) whether the conditions in section 902 are or, as the case may be, were met.
- (2) For the meaning of an accounting period being related to a period of account, see section 932(4).
- (3) Subsection (4) applies for determining the normal rent for a period of account for the purpose of determining whether condition D in section 902 is met as respects L unless subsection (5) applies.
- (4) Rent that falls to be brought into account for corporation tax purposes as it falls due is treated—
 - (a) as accruing evenly throughout the period to which, in accordance with the terms of the lease, each payment falling due relates, and

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (b) as falling due as it so accrues.
- (5) This subsection applies if any such payment as is mentioned in subsection (4)(a) falls due more than 12 months after the time at which any of the rent to which that payment relates is treated as accruing under subsection (4)(a).

904 The arrangements and circumstances referred to in section 902(8)

- (1) The arrangements referred to in section 902(8)(a) are arrangements under which—
 - (a) the lessee or a person connected with the lessee may acquire, whether directly or indirectly, the leased asset or an asset representing the leased asset from the lessor or a person connected with the lessor, and
 - (b) in connection with that acquisition, the lessor or a person connected with the lessor may receive, whether directly or indirectly, a qualifying lump sum from the lessee or a person connected with the lessee.
- (2) In this section “qualifying lump sum” means any sum that is not rent but at least part of which would fall for accounting purposes to be treated, in accordance with generally accepted accounting practice, as a return on investment in respect of a finance lease or loan.
- (3) The circumstances referred to in section 902(8)(b) are circumstances which make it more likely—
 - (a) that the events described in subsection (4) will occur, than
 - (b) that the event described in subsection (5) will occur.
- (4) The events mentioned in subsection (3)(a) are—
 - (a) that the lessee or a person connected with the lessee will acquire, whether directly or indirectly, the leased asset or an asset representing the leased asset from the lessor or a person connected with the lessor, and
 - (b) that, in connection with that acquisition, the lessor or a person connected with the lessor will receive, whether directly or indirectly, a qualifying lump sum from the lessee or a person connected with the lessee.
- (5) The event mentioned in subsection (3)(b) is that, before any such acquisition as is mentioned in subsection (4) takes place, the leased asset or, as the case may be, the asset representing the leased asset, will have been acquired, in a sale on the open market, by an independent third party.
- (6) In subsection (5) “independent third party” means a person who—
 - (a) is not the lessor or the lessee, and
 - (b) is not connected with either of them.
- (7) For the meaning of an asset representing the leased asset, see section 934.

Current lessor taxed by reference to accountancy rental earnings

905 Current lessor taxed by reference to accountancy rental earnings

- (1) This section applies if, in the case of any period of account of the current lessor (“L”)—
 - (a) this Chapter applies in relation to the lease, and

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (b) the accountancy rental earnings in respect of the lease for that period of account exceed the normal rent for that period.
- (2) For corporation tax purposes, L is treated as if in that period of account L had been entitled to, and there had arisen to L, rent from the lease of an amount equal to those accountancy rental earnings (instead of the normal rent referred to in subsection (1) (b)).
- (3) Such rent from the lease of an asset is treated for corporation tax purposes—
 - (a) as if it had accrued at an even rate throughout so much of the period of account as falls within the period for which the asset is leased, and
 - (b) as if L had become entitled to it as it accrued.

Reduction of taxable rent by cumulative rental excesses

906 Reduction of taxable rent by cumulative rental excesses: introduction

- (1) This section and sections 907 to 910 provide for reductions of the taxable rent of a current lessor (“L”) under a lease to which this Chapter applies.
- (2) In this section and sections 907 to 910 “taxable rent”, in relation to a period of account of L, means the amount that would, apart from those sections, be treated for corporation tax purposes as rent from the lease that arises to L in that period of account for the purpose of determining L's liability to tax for the related accounting period or periods.
- (3) The reductions of taxable rent under sections 907 to 910 depend on there being—
 - (a) a cumulative accountancy rental excess for the period of account of L in question, or
 - (b) a cumulative normal rental excess for the period of account of L in question.
- (4) For the meaning of “cumulative accountancy rental excess” and “cumulative normal rental excess”, see sections 907 and 909 respectively.

907 Meaning of “accountancy rental excess” and “cumulative accountancy rental excess”

- (1) For the purposes of this Chapter, there is an “accountancy rental excess” in relation to the lease for a period of account of the current lessor (“L”) if the taxable rent in relation to the lease for the period is as a result of section 905 (current lessor taxed by reference to accountancy rental earnings) an amount equal to the accountancy rental earnings.
- (2) The amount of the accountancy rental excess for the period is equal to the difference between the accountancy rental earnings for the period and the normal rent for the period.
- (3) But if the taxable rent for the period is reduced under section 910 (reduction of taxable rent by the cumulative normal rental excess), there is only an accountancy rental excess for the period if—
 - (a) the accountancy rental earnings, reduced by an amount equal to the reduction under that section, exceed
 - (b) the normal rent.

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (4) And in that case the amount of the accountancy rental excess for the period is equal to that excess.
- (5) In this Chapter the “cumulative accountancy rental excess”, in relation to the lease and a period of account of L, means so much of the total of the accountancy rental excesses for previous periods of account of L (as increased under section 912: recovery of bad debts following reduction under section 911) as has not been—
- (a) set off under section 908 (reduction of taxable rent by the cumulative accountancy rental excess) against the taxable rent for any such previous period,
 - (b) reduced under section 911 (relief for bad debts: reduction of cumulative accountancy rental excess), or
 - (c) set off under section 37A of TCGA 1992 (consideration on disposal of certain leases) against the consideration for a disposal.

908 Reduction of taxable rent by the cumulative accountancy rental excess

- (1) This section applies if a period of account of the current lessor (“L”) is one for which—
- (a) the normal rent in relation to the lease exceeds the accountancy rental earnings, and
 - (b) there is a cumulative accountancy rental excess.
- (2) The taxable rent for the period of account is reduced by setting against it the cumulative accountancy rental excess (but not so as to reduce that rent below the amount of the accountancy rental earnings).
- (3) But see section 911(3) and (4) (under which the amount of the cumulative accountancy rental excess which may be set against the taxable rent is limited in some circumstances).

909 Meaning of “normal rental excess” and “cumulative normal rental excess”

- (1) For the purposes of this Chapter, there is a “normal rental excess” in relation to a lease for any period of account of the current lessor (“L”) throughout which the leasing arrangements fall for accounting purposes to be treated, in accordance with generally accepted accounting practice, as a finance lease or loan if—
- (a) the normal rent for the period, exceeds
 - (b) the accountancy rental earnings for the period.
- (2) The amount of the normal rental excess for that period is equal to that excess.
- (3) But if the taxable rent for the period is reduced under section 908 (reduction of taxable rent by the cumulative accountancy rental excess), there is only a normal rental excess for the period if—
- (a) the normal rent, reduced by an amount equal to the reduction under that section, exceeds
 - (b) the accountancy rental earnings.
- (4) And in that case the amount of the normal rental excess for the period is equal to that excess.
- (5) In this Chapter “cumulative normal rental excess”, in relation to the lease and a period of account of L, means so much of the total of the normal rental excesses for

Status: Point in time view as at 18/11/2015.

previous periods of account of L (as increased under section 914: recovery of bad debts following reduction under section 913) as has not been—

- (a) set off under section 910 (reduction of taxable rent by the cumulative normal rental excess) against the taxable rent for any such previous period, or
- (b) reduced under section 913 (relief for bad debts: reduction of cumulative normal rental excess).

910 Reduction of taxable rent by the cumulative normal rental excess

- (1) This section applies if a period of account of the current lessor (“L”) is one for which—
 - (a) the taxable rent in relation to the lease is as a result of section 905 (current lessor taxed by reference to accountancy rental earnings) an amount equal to the accountancy rental earnings, and
 - (b) there is a cumulative normal rental excess.
- (2) The taxable rent for the period of account is reduced by setting against it the cumulative normal rental excess (but not so as to reduce that rent below the amount of the normal rent).
- (3) But see section 913(3) and (4) (under which the amount of the cumulative normal rental excess which may be set against the taxable rent is limited in some circumstances).

Relief for bad debts by reduction of cumulative rental excesses

911 Relief for bad debts: reduction of cumulative accountancy rental excess

- (1) This section applies if in relation to the lease for any period of account of the current lessor—
 - (a) there is a cumulative accountancy rental excess, and
 - (b) a bad debt deduction falls to be made in respect of rent from the lease.
- (2) If for that period—
 - (a) the accountancy rental earnings in relation to the lease exceed the normal rent, and
 - (b) the amount of the bad debt deduction exceeds the amount of the accountancy rental earnings,the cumulative accountancy rental excess for that period is reduced by the amount of the excess of that deduction over those earnings (but not so as to reduce the amount of that rental excess below nil).
- (3) Subsections (4) and (5) apply if for that period the accountancy rental earnings in relation to the lease do not exceed the normal rent.
- (4) The amount of the cumulative accountancy rental excess that may be set against the taxable rent for that period under section 908(2) (reduction of taxable rent by the cumulative accountancy rental excess) is limited to the amount (if any) by which the normal rent exceeds the bad debt deduction.
- (5) If for that period the bad debt deduction exceeds the normal rent, the cumulative accountancy rental excess for that period is reduced by the amount of that excess (but not so as to reduce the amount of that rental excess below nil).

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

(6) In this section—

“bad debt deduction”, in relation to a period of account of the lessor, means the total of the deductions falling to be made for accounting purposes for that period by way of impairment loss in respect of rents from the lease of the asset, and

“taxable rent” has the meaning given in section 906(2).

912 Recovery of bad debts following reduction under section 911

(1) This section applies if in relation to the lease—

- (a) the cumulative accountancy rental excess for any period of account of the current lessor (“L”) has been reduced under section 911(2) or (5) because of a bad debt deduction,
- (b) in a subsequent period of account of L, an amount (“the relevant credit”) is recovered or credited in respect of the amount which constituted the bad debt deduction, and
- (c) there is a cumulative accountancy rental excess for that subsequent period.

(2) The cumulative accountancy rental excess for the subsequent period is increased.

(3) If the relevant credit does not exceed the total of the reductions under section 911(2) or (5), the increase is by the relevant credit.

(4) Otherwise, the increase is limited to that total.

(5) In this section “bad debt deduction” has the meaning given in section 911(6).

913 Relief for bad debts: reduction of cumulative normal rental excess

(1) This section applies if in relation to the lease for any period of account of the current lessor—

- (a) there is a cumulative normal rental excess, and
- (b) a bad debt deduction falls to be made in respect of rent from the lease.

(2) If for that period—

- (a) the accountancy rental earnings in the case of the lease do not exceed the normal rent, and
- (b) the amount of the bad debt deduction exceeds the amount of that rent,

the cumulative normal rental excess for that period is reduced by the amount of the excess of that deduction over that rent (but not so as to reduce the amount of that rental excess below nil).

(3) Subsections (4) and (5) apply if for that period the accountancy rental earnings in relation to the lease exceed the normal rent.

(4) The amount of the cumulative normal rental excess that may be set against the taxable rent for that period under section 910 (reduction of taxable rent by the cumulative normal rental excess) is limited to the amount (if any) by which the accountancy rental earnings exceed the bad debt deduction.

(5) If for that period the bad debt deduction exceeds the accountancy rental earnings, the cumulative normal rental excess for that period is reduced by the amount of the excess (but not so as to reduce the amount of that rental excess below nil).

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (6) In this section, in relation to a period of account of the lessor—
“bad debt deduction” has the meaning given in section 911(6), and
“taxable rent” has the meaning given in section 906(2).

914 Recovery of bad debts following reduction under section 913

- (1) This section applies if in relation to the lease—
- (a) the cumulative normal rental excess for any period of account of the current lessor (“L”) has been reduced under section 913(2) or (5) as a result of a bad debt deduction,
 - (b) in a subsequent period of account of L, an amount (“the relevant credit”) is recovered or credited in respect of the amount which constituted the bad debt deduction, and
 - (c) there is a cumulative normal rental excess for that subsequent period.
- (2) The cumulative normal rental excess for the subsequent period is increased.
- (3) If the relevant credit does not exceed the total of the reductions under section 913(2) or (5), the increase is by the relevant credit.
- (4) Otherwise, the increase is limited to that total.
- (5) In this section “bad debt deduction” has the meaning given in section 911(6).

Effect of disposals

915 Effect of disposals of leases: general

- (1) This section applies if the current lessor (“L”) or a person connected with L disposes of—
- (a) the lessor's interest under the lease,
 - (b) the leased asset, or
 - (c) an asset representing the leased asset (see section 934).
- (2) This Part has effect as if immediately before the disposal a period of account of L ended and another began.
- (3) If—
- (a) two or more disposals within subsection (1) are made at the same time, and
 - (b) there is any cumulative accountancy rental excess for any period of account of L in which the disposal occurs,
- subsection (2) has effect in relation to those disposals as if they together constituted a single disposal.
- (4) In this section “dispose” and “disposal” are to be read in accordance with TCGA 1992.
- (5) In cases where there is any cumulative accountancy rental excess for L's period of account in which the disposal occurs, section 37A of that Act (consideration on disposal of certain leases) makes provision for the purposes of that Act about the reduction of the consideration for the disposal by that excess in determining if a gain has accrued.

- (1) This section applies if—
 - (a) the current lessor (“L”) assigns the lessor's interest under the lease, and
 - (b) the assignment is a disposal on which, as a result of any of the no gain/no loss provisions, neither a gain nor a loss accrues.
- (2) This Part has effect as if—
 - (a) a period of account of L (“L's period”) ended with the assignment, and
 - (b) a period of account of the assignee (“A's period”) began with the assignment.
- (3) Any cumulative accountancy rental excess for L's period becomes the cumulative accountancy rental excess for A's period.
- (4) Any cumulative normal rental excess for L's period becomes the cumulative normal rental excess for A's period.
- (5) If the assignee is a person subject to income tax, so far as this section relates to the assignee, it applies for the purposes of Part 11A of ITA 2007 as it would otherwise apply for the purposes of this Part.
- (6) In this section “the no gain/no loss provisions” has the same meaning as in TCGA 1992 (see section 288(3A) of that Act).

Capital allowances: clawback of major lump sum

917 Effect of capital allowances: introduction

- (1) This section and sections 918 to 922 apply if an occasion occurs on which a major lump sum falls to be paid in relation to the lease of the asset.
- (2) In those sections the occasion is called “the relevant occasion”.

918 Cases where expenditure taken into account under Part 2, 5 or 8 of CAA 2001

- (1) This section applies if capital expenditure incurred by the current lessor (“L”) in respect of the leased asset is or has been taken into account for the purposes of any allowance or charge under—

 - (b) Part 5 of that Act (mineral extraction allowances), or
 - (c) Part 8 of that Act (patent allowances).
- (2) The Part of that Act in question (“the relevant Part”) has effect as if the relevant occasion were an event (“the relevant event”) as a result of which a disposal value is to be brought into account of an amount equal to the amount or value of the major lump sum (but subject to any applicable limiting provision).
- (3) In this section “limiting provision” means a provision to the effect that the disposal value of the asset in question is not to exceed an amount (“the limit”) described by reference to capital expenditure incurred in respect of the asset.

- (a) as a result of subsection (2), a disposal value (“the relevant disposal value”) falls or has fallen to be brought into account by a person in respect of the leased asset for the purposes of the relevant Part, and
 - (b) a limiting provision has effect in the case of that Part.
- (5) The limiting provision has effect (so far as it would not otherwise do so), in relation to the relevant disposal value and any simultaneous or later disposal value, as if—
- (a) it did not limit any particular disposal value, but
 - (b) it limited the total amount of all the disposal values brought into account for the purposes of the relevant Part by L in respect of the leased asset.
- (6) In subsection (5) “simultaneous or later disposal value” means any disposal value which falls to be brought into account by L in respect of the leased asset as a result of any event occurring at the same time as, or later than, the relevant event.

 - (b) Part 5 of that Act (mineral extraction allowances), or
 - (c) Part 8 of that Act (patent allowances).
- (2) The amount specified in subsection (3) is treated, in relation to L, as if it were a balancing charge to be made on L for the chargeable period in which the relevant occasion falls.
- (3) That amount is an amount equal to—
- (a) the total of the allowances given as mentioned in subsection (1) (so far as not previously recovered or withdrawn), or
 - (b) if it is less, the amount or value of the major lump sum.
- (4) In this section “chargeable period” has the meaning given by section 6 of CAA 2001.

920 Capital allowances deductions: waste disposal and cemeteries

- (1) This section applies if any deduction is or has been allowed to the current lessor (“L”) in respect of capital expenditure incurred in connection with the leased asset as a result of—

- (2) L is treated as if trading receipts arose to L from the trade in question on the relevant occasion.
- (3) The amount of those receipts is equal to the lesser of—
- (a) the amount or value of the major lump sum, and
 - (b) the deductions previously allowed.

Status: Point in time view as at 18/11/2015.

- (1) This section applies if—
 - (a) any relevant film deduction has been allowed to the current lessor (“L”) in respect of expenditure incurred in connection with the leased asset, and
 - (b) the amount or value of the major lump sum exceeds so much of that sum as was treated as receipts of a revenue nature under section 40A(2) of F(No.2)A 1992 (disposal proceeds of original master version of film treated as receipt of a revenue nature).
- (2) In subsection (1) “relevant film deduction” means any deduction as a result of—
 - (a) section 40B(1) of F(No.2)A 1992 (allocation of expenditure on master versions of films to periods), or
 - (b) section 42 of that Act (relief for production or acquisition expenditure in respect of films).
- (3) L is treated as if receipts of a revenue nature arose to L from the trade or business in question on the relevant occasion.
- (4) The amount of those receipts is equal to the excess mentioned in subsection (1)(b).

- (3) This Part has effect as if—
 - (a) a period of account (“period 1”) of the current lessor (“L”) ended immediately before the time at which those conditions become met,
 - (b) another period of account of L (“period 2”) began immediately before that time and ended immediately after that time, and

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (4) If, on the continuous application assumption (see subsection (9)), there would be an amount of cumulative accountancy rental excess for period 2, that amount is the cumulative accountancy rental excess for period 2.
- (5) If subsection (4) applies, L is treated for corporation tax purposes as if in period 1 L had been entitled to, and there had arisen to L, rent from the lease of an amount equal to that cumulative accountancy rental excess.
- (6) The amount of rent mentioned in subsection (5)—
 - (a) is in addition to any other rent from the lease for period 1, and
 - (b) is left out of account for the purposes of section 905 (current lessor taxed by reference to accountancy rental earnings).
- (7) Rent within subsection (5) is treated for corporation tax purposes as if it had accrued and L had become entitled to it immediately before the end of period 1.
- (8) If, on the continuous application assumption, there would be an amount of cumulative normal rental excess for period 2, that amount is the cumulative normal rental excess for period 2.
- (9) In this section “the continuous application assumption” means the assumption that this Chapter (other than this section) had applied in the case of the lease at all times on or after 26 November 1996.
- (10) If at any time the person who was the lessor at that time was a person within the charge to income tax, the reference in subsection (9) to this Chapter (other than this section) includes a reference to Chapter 2 of Part 11A of ITA 2007 (other than section 614BX of that Act).

924 Post-25 November 1996 schemes to which Chapter 3 applied first

- (1) This section applies if—
 - (a) the conditions in section 902 become met in the case of the lease of the asset, and
 - (b) immediately before those conditions become met, Chapter 3 applied.
- (2) Subsection (3) applies for the purpose of determining—
 - (a) the cumulative accountancy rental excess for any period of account ending after those conditions become met, or
 - (b) the cumulative normal rental excess for any such period.
- (3) This Part has effect as if this Chapter had applied in relation to the lease at any time when Chapter 3 applied in relation to it.
- (4) If at any time the person who was the lessor at that time was a person within the charge to income tax—
 - (a) the reference in subsection (1)(a) to the conditions in section 902 becoming met at that time includes a reference to the conditions in section 614BC of ITA 2007 becoming so met,
 - (b) the reference in subsection (1)(b) to Chapter 3 applying immediately before that time includes a reference to Chapter 3 of Part 11A of that Act so applying, and

CHAPTER 3

OTHER FINANCE LEASES

Introduction

925 Introduction to Chapter

- (1) This Chapter applies to arrangements involving the lease of an asset that—
- (a) fall to be treated, in accordance with generally accepted accounting practice, as a finance lease or loan, but
 - (b) are not arrangements to which Chapter 2 applies.
- (2) It does not matter whether the arrangements are or have been entered into by companies or other persons.

926 Purpose of this Chapter

- (1) The main purpose of this Chapter where there are arrangements to which this Chapter applies is, in relation to a company entitled to the lessor's interest under the lease of the asset, to apply the charge to corporation tax on income to amounts determined as mentioned in subsection (2).
- (2) The amounts referred to in subsection (1) are determined by reference to the amounts that fall for accounting purposes to be treated, in accordance with generally accepted accounting practice, as the income return on and after 26 November 1996 on investment in respect of the finance lease or loan.
- (3) The amounts referred to in subsection (1) are also determined taking into account the substance of the matter as a whole, including, in particular, the state of affairs—
- (a) as between connected persons, or
 - (b) within a group of companies,
- as reflected or falling to be reflected in accounts of any of those persons or in consolidated group accounts.

Current lessor taxed by reference to accountancy rental earnings

927 Leases to which this Chapter applies

- (1) This Chapter applies if—
- (a) a lease of an asset is or has been granted on or after 26 November 1996,
 - (b) the lease forms part of a post-25 November 1996 scheme,
 - (c) condition A in section 902 is or has been met at some time on or after 26 November 1996 in relation to the lease in a period of account of the current lessor (“L”), and
 - (d) Chapter 2 does not apply in relation to the lease because of the other conditions in that section not all being, or having been, met as mentioned in section 901.

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (2) For the meaning of “forms part of a post-25 November 1996 scheme”, see section 930.
- (3) This Chapter does not apply so far as, in relation to L, the lease falls to be regarded as a long funding lease for the purposes of Part 2 of CAA 2001 (plant and machinery allowances) in accordance with Chapter 6A of that Part (interpretation of provisions about long funding leases) (see section 70G of that Act).
- (4) If condition A in section 902 has been met at any time on or after 26 November 1996 in a period of account of the person who was at that time the lessor, it is taken to continue to be met unless and until one of the conditions in subsection (5) is met.
- (5) The conditions are that—
 - (a) the asset ceases to be leased under the lease, or
 - (b) the lessor's interest under the lease is assigned to a person who is not connected with any of the persons specified in subsection (6).
- (6) Those persons are—
 - (a) the assignor,
 - (b) any person who was the lessor at some time before the assignment, and
 - (c) any person who at some time after the assignment becomes the lessor pursuant to arrangements made by a person who was the lessor, or was connected with the lessor, at some time before the assignment.
- (7) If at any time the person who was the lessor at that time was a person within the charge to income tax—
 - (a) the reference in subsection (4) to condition A in section 902 having been met at that time includes a reference to condition A in section 614BC of ITA 2007 having been so met, and
 - (b) the reference in subsection (1)(d) to the other conditions in section 902 not having been met as mentioned in section 901 includes a reference to the other conditions in section 614BC of that Act not having been met as mentioned in section 614BB of that Act.
- (8) Nothing in subsection (4) prevents this Chapter from applying again in relation to the lease where the lessor's interest is assigned if the conditions for its application are met after the assignment.

928 Current lessor taxed by reference to accountancy rental earnings

- (1) This section applies if, in the case of any period of account of the current lessor (“L”)—
 - (a) this Chapter applies in relation to the lease, and
 - (b) the accountancy rental earnings in respect of the lease for that period of account exceed the normal rent for that period.
- (2) For corporation tax purposes, L is treated as if in that period of account L had been entitled to, and there had arisen to L, rent from the lease of an amount equal to those accountancy rental earnings (instead of the normal rent referred to in subsection (1)(b)).
- (3) Such rent from the lease of an asset is treated for corporation tax purposes—
 - (a) as if it had accrued at an even rate throughout so much of the period of account as falls within the period for which the asset is leased, and
 - (b) as if L had become entitled to it as it accrued.

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

929 Application of provisions of Chapter 2 for purposes of this Chapter

Basic definitions

937C Meaning of “risk transfer scheme”

- (1) A scheme to which a company (“company A”) is a party is a “risk transfer scheme” if conditions 1 to 3 are met.
- (2) Condition 1 is that the purpose, or one of the main purposes, of any member of the relevant group on entering into the scheme is to obtain a financial advantage for the relevant group that it is reasonable to assume could not otherwise have been obtained without the relevant group becoming subject to (or incurring the cost of avoiding) a relevant risk.
- (3) In subsection (2) “ a relevant risk ” means a risk that the relevant group would make economic losses in one or more accounting periods of company A as a result of fluctuations in—

- (3) If the amount of the company's profits pool for the scheme as at the beginning of the period is—
- greater than nil, and
 - less than the total of the ring-fenced scheme losses made in the period in relation to the scheme by the company,

- (2) The company may bring into account, as if it were a loss made in the period from a loan relationship—

938P Meaning of “tax mismatch scheme”

- (4) Any such substitution is to have effect in relation to schemes entered into on or after the day on which the order comes into force.

 - (ii) there is such a chance, but the expected value of the scheme is nevertheless a positive amount.
- (6) If, at the time the company enters into the scheme, there are chances that the scheme would, if carried out, secure different relevant tax advantages or disadvantages in different circumstances, the amounts and probabilities of each must be taken into account in determining the expected value of the scheme.
- (7) In determining whether condition A or B is met, it is to be assumed that the parties to the scheme carry it out.
- (8) Where, at the time the scheme is entered into, the length of the scheme period is uncertain, condition A or B is met if it would be met on any reasonable assumption as to the length of the scheme period.
- (9) In determining whether condition A or B is met, section 938O (scheme profits and losses to be left out of account) is to be disregarded.

- (a) it is not certain whether the scheme will secure a relevant tax advantage, or
 - (b) it is not certain what the amount of the relevant tax advantage secured by the scheme will be,
- a loss or profit is to be treated as meeting the first asymmetry condition if, at that time, there is a chance that the scheme will secure a relevant tax advantage and that the loss or profit will affect its amount.
- (4) Where—
- (a) a loss or profit meets the conditions in subsection (1)(a) and (b), and
 - (b) a part, but not the whole, of the loss or profit meets the first asymmetry condition,

- (5) The second asymmetry condition is that the loss or profit—

 - (b) arises from a transaction, or series of transactions, that might (if events had turned out differently) have given rise to a loss or profit that would have done so.
- (6) References in this section to a loss or profit include a loss or profit arising in respect of interest or expenses.

 - (a) on the transfer of the transferred trade or at some time during the period of two years beginning immediately after the transfer, a 75% interest in the transferred trade belongs to certain persons, and
 - (b) at some time during the period of one year ending immediately before the transfer, a 75% interest in the transferred trade belonged to the same persons.
- (2) In subsection (1) references to a 75% interest are to an interest amounting to a share of at least 75%.
- (3) If at any time the activities of the transferred trade are actually included in the activities of another trade, for the purposes of subsection (1) interests in the transferred trade at that time are determined by reference to interests in the other trade.
- (4) Accordingly, a person who has an interest in the other trade at that time is taken to have a corresponding interest in the transferred trade.

Option 1

The interest in the trade is taken to belong to the persons owning the ordinary share capital of the trading company in proportion to the amount of their holdings of that capital.

Option 2

This option can be applied if the trading company is the subsidiary of another company (see subsection (2)). The interest in the trade is taken to belong to—

- (b) by applying Option 1 or 2 an interest in the trade can be taken to belong to that company.

That interest in the trade is instead taken to belong to P.

- (2) For the purposes of this section a company (“company A”) is a subsidiary of another company (“company B”) if at least 75% of company A's ordinary share capital is owned by company B.
- (3) If company A is a subsidiary of company B, company B is a parent company of company A unless both are subsidiaries of a third company.

943 The tax condition

- (1) The tax condition is that, in the period mentioned in subsection (2), the transferred trade is carried on only by companies within the charge to corporation tax or income tax in respect of the trade.
- (2) That period is the period—
 - (a) beginning with the latest time at which the requirement of section 941(1)(b) is met for the purposes of the ownership condition, and

- (7) In subsection (1)(c) “dual resident investing company” has the same meaning as in section 949 (with references in that section to the “transfer accounting period” construed as references to the accounting period of the successor in which it begins to carry on the activities of the trade as mentioned in subsection (1)(b) above).

955 Transfer of activities on part cessation of trade

- (1) This section applies (subject to section 957(1)) if—
- (a) a company (“the predecessor”) ceases to carry on part of a trade,
 - (b) another company (“the successor”) begins to carry on the activities of that part of the trade as its trade or as part of its trade,
 - (c) the successor is not a dual resident investing company, and
 - (d) the predecessor's ceasing to carry on the part of the trade mentioned in paragraph (a) is part of a scheme or arrangement the main purpose, or one of the main purposes, of which is to entitle the predecessor, on cessation of that part of the trade, to a balancing allowance in respect of the trade under Part 2 of CAA 2001.
- (2) CAA 2001 has effect subject to subsections (3) to (6).
- (3) The part of the trade which the predecessor ceased to carry on is to be treated as a separate trade (“the deemed separate trade”).
- (4) Any allowances or charges are to be made to or on the successor if such allowances or charges would have been made to or on the predecessor had the predecessor continued to carry on the deemed separate trade.
- (5) A transfer of assets from the predecessor to the successor does not of itself give rise to any allowances or charges if—
- (a) the transfer of the assets is made on the transfer of the deemed separate trade, and
 - (b) the assets are in use for the purposes of that trade.
- (6) For the purpose of determining the amount of the allowances or charges mentioned in subsection (4) to be made to the successor—
- (a) the successor is to be treated as if it has been carrying on the deemed separate trade since the predecessor began to do so, and
 - (b) anything done to or by the predecessor is to be treated as having been done to or by the successor.
- (7) If the successor carries on the activities of the part of the trade mentioned in subsection (1)(a) as part of its trade, that part of the successor's trade is to be treated for the purposes of subsections (4) to (6) as a separate trade carried on by the successor.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (8) In subsection (1)(c) “dual resident investing company” has the same meaning as in section 949 (with references in that section to the “transfer accounting period” construed as references to the accounting period of the successor in which it begins to carry on the activities of the part of the trade as mentioned in subsection (1)(b) above).

956 Apportionment if part of trade treated as separate trade

- (1) If part of a trade is to be treated as a separate trade in accordance with section 954(6) or 955(7), just and reasonable apportionments are to be made of receipts, expenses, assets and liabilities.
- (2) Subsection (3) applies if—
- (a) at the time of an apportionment under subsection (1) it appears that the apportionment is material to the liability to tax (for whatever period) of two or more companies, and
 - (b) a question arises as to how the apportionment is to be made for the purposes of the liability of those companies.
- (3) The question is to be determined in the same way as an appeal, and all the companies concerned are entitled to be a party to the proceedings.

957 Chapter 2: supplementary

- (1) This Chapter does not apply in cases where Chapter 1 applies.
- (2) In this Chapter, except in so far as the context otherwise requires—
- (a) references to a trade include an office, and
 - (b) references to carrying on a trade include holding an office.

CHAPTER 3

TRANSFER OF RELIEF WITHIN PARTNERSHIPS

958 Application

Section 960 (which provides for restrictions on the use of corporation tax relief) applies if—

- (a) a firm carries on a trade,
- (b) a company (referred to in this Chapter as “the partner company”) is a partner in the firm, and
- (c) arrangements within section 959 are in place.

959 Arrangements for transfer of relief

- (1) Arrangements are within this section if they have any of these effects.

Effect 1

The partner company receives a payment in respect of the cost of its share in the firm's losses of any accounting period of the firm.

Effect 2

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

A person connected with the partner company receives a payment in respect of the cost of the partner company's share in the firm's losses of any accounting period of the firm.

Effect 3

Another partner in the firm receives a payment in respect of the value of the partner company's share in the firm's profits or losses of any accounting period of the firm.

Effect 4

A person connected with another partner in the firm receives a payment in respect of the value of the partner company's share in the firm's profits or losses of any accounting period of the firm.

- (2) It does not matter for the purposes of subsection (1) whether the payment is received in respect of the whole of the partner company's share or in respect of only a part of it.
- (3) For the purposes of subsection (1) receiving a payment includes receiving or enjoying (whether directly or indirectly) any other benefit in money or money's worth.
- (4) For the purposes of Effect 1 arrangements, payments made in respect of group relief to the partner company by a group-related company are to be ignored.
- (5) In subsection (4) a “group-related” company is a company that is a member of the same group of companies as the partner company for the purposes of Part 5 (group relief) (see section 152).

960 Restrictions on use of reliefs

- (1) The partner company's share in the firm's loss of a relevant accounting period may be deducted for the purposes of corporation tax relief only from its share in the profits of the trade carried on by the firm.
- (2) For this purpose, qualifying charitable donations made by the firm in a relevant accounting period are to be treated as a loss of that period.
- (3) Unless allowed under subsection (1)—
 - (a) a loss made in a trade may not be deducted for the purposes of corporation tax relief from the partner company's share in the firm's profits of a relevant accounting period, and
 - (b) if (ignoring this paragraph) any other amount could be used for the purposes of corporation tax relief, that amount may not be deducted for those purposes from the partner company's share in the firm's profits of a relevant accounting period.
- (4) In this section a “relevant accounting period” is any accounting period of the firm in which arrangements within section 959 are in existence or to which any such arrangements apply.

961 Non-trading profits and losses

- (1) This section applies if—
 - (a) a company is a partner in a firm, and

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (b) any profits of the firm are charged to corporation tax under or by virtue of any provision to which section 1173 (miscellaneous charges) applies.
- (2) The profits or losses of the firm to which the company's share is attributable are to be treated for the purposes of sections 958 to 960 as if they were profits or losses made by the firm in carrying on a trade.
- (3) Any allowance to be given effect under Part 2 of CAA 2001 in respect of a special leasing of plant or machinery is to be treated for those purposes as if it were an allowance to be given effect in calculating the profits of that trade.

962 Interpretation of Chapter

- (1) In this Chapter “arrangements” means arrangements of any kind (whether or not in writing).
- (2) References in this Chapter to a firm, and to an accounting period of a firm, are to be read in the same way as references to a firm, and to an accounting period of a firm, in Part 17 of CTA 2009.

CHAPTER 4

SURRENDER OF TAX REFUND WITHIN GROUP

Modifications etc. (not altering text)

- C54** Pt. 22 Ch. 4 applied (with modifications) by S.I. 1998/3175, reg. 9 (as substituted (with effect in accordance with reg. 1(2) of the amending S.I.) by [The Corporation Tax \(Instalment Payments\) \(Amendment\) Regulations 2011 \(S.I. 2011/1785\)](#), regs. 1(1), **12**)
- C55** Pt. 22 Ch. 4 modified (retrospective to 1.4.2014) by [Finance Act 2014 \(c. 26\)](#), Sch. 16 paras. 6, **8(3)**

963 Power to surrender tax refund

- (1) This section enables a company—
 - (a) which is a member of a group, and
 - (b) to which a tax refund is due for an accounting period,
 to surrender the refund (or any part of it) to another company which is a member of the same group.
- (2) The surrender may be made only if—
 - (a) the company making the surrender (“the surrendering company”) and the company to which the surrender is made (“the recipient company”) give notice to an officer of Revenue and Customs,
 - (b) the surrendering company and the recipient company are members of the same group throughout the period beginning with the start of the accounting period for which the tax refund is due and ending on the date on which the notice is given, and
 - (c) the recipient company also has that accounting period as an accounting period.
- (3) A notice under subsection (2) must—
 - (a) be given before the refund is made to the surrendering company,

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (b) be given jointly by the surrendering company and the recipient company,
 - (c) specify the amount to be surrendered, and
 - (d) be in such form as the Commissioners for Her Majesty's Revenue and Customs may require.
- (4) For the purposes of this section “tax refund”, in relation to an accounting period of a company, means—
- (a) a repayment of corporation tax paid by the company for the period, or
 - (b) a repayment of income tax in respect of a payment received by the company in the period.
- (5) For the purposes of this section two companies are members of the same group if (and only if) they would be for the purposes of Part 5 (group relief).

964 Effects of surrender of tax refund

- (1) This section makes provision about the effect of the surrender under section 963 of a tax refund due for an accounting period.
- (2) So far as the company to which the surrender is made (“the recipient company”) is concerned, the effect of the surrender is that—
- (a) the company is treated for all corporation tax purposes, except the one mentioned in subsection (3), as if it had paid an amount of corporation tax for the accounting period equal to the amount specified in the notice under section 963(2) (“the surrendered amount”), and
 - (b) the payment is treated for those purposes as if it had been made on the relevant date.
- (3) For the purpose of working out the amount of any penalty to which the recipient company is liable under paragraph 18 of Schedule 18 to FA 1998 (failure to deliver return: tax-related penalty), the recipient company is treated as having paid the amount of corporation tax on the day on which the notice under section 963(2) is given (and not on the relevant date).
- (4) So far as the company by which the surrender is made (“the surrendering company”) is concerned, the effect of the surrender is that—
- (a) the company is treated for corporation tax purposes as if it had received a repayment of tax equal to the surrendered amount, and
 - (b) the repayment is treated for those purposes as if it had been received on the relevant date.
- (5) If the tax refund surrendered is a repayment of corporation tax, any interest relating to it which has been paid by the surrendering company is treated as if it had been paid by the recipient company.
- (6) For the purposes of this section “the relevant date”, in relation to a tax refund, means—
- (a) so far as it consists of a repayment of corporation tax paid by the surrendering company after the date on which it became due and payable under section 59D or 59E of TMA 1970, the day on which it was paid by the surrendering company, and
 - (b) otherwise, the date on which corporation tax for the accounting period of the surrendering company became due and payable.

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

965 Interest on tax overpaid or underpaid

- (1) This section applies if—
 - (a) a company has surrendered an amount under section 963, and
 - (b) there is, as a result of any of subsections (7A) to (7C) of section 826 of ICTA, a period for which the whole or any part of the surrendered amount would not have carried interest under that section if the refund had been made to the surrendering company (“the interest-free period”).
- (2) The interest-free period is excluded from any period for which any refund made because of section 964(2) to the recipient company in respect of some or all of the surrendered amount or, as the case may be, that part of it is to carry interest under section 826 of ICTA.
- (3) The interest-free period is excluded from any period for which a sum representing some or all of the surrendered amount or, as the case may be, that part of it would otherwise be treated (as a result of section 964) as not carrying interest under section 87A of TMA 1970.
- (4) The following assumption is to be made in determining for the purposes of this section—
 - (a) which part of any amount is applied in discharging a liability of the recipient company to pay corporation tax, and
 - (b) which part is represented by a refund to the recipient company.
- (5) The assumption is that the part in relation to which there is a period which would not have carried interest under section 826 of ICTA is applied in preference to any other part of that amount in or towards discharging the liability.

966 Payments for surrendered tax refunds

- (1) This section applies if—
 - (a) companies give a notice under section 963(2) in pursuance of an agreement, and
 - (b) the company to which the surrender is made makes a payment under the agreement to the company by which the surrender is made that does not exceed the amount specified in the notice.
- (2) The payment—
 - (a) is not to be taken into account in determining profits or losses of either company for corporation tax purposes, and
 - (b) is not to be regarded for the purposes of the Corporation Tax Acts as a distribution.

CHAPTER 5

967 Deductions from payments received by UK resident companies

- (1) Subsection (2) applies if a UK resident company receives a payment on which it bears income tax by deduction.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (2) The income tax on the payment is to be set off against any corporation tax assessable on the company for the accounting period in which the payment falls to be taken into account for corporation tax, or would fall to be so taken into account but for any exemption from corporation tax.
- (3) Subsection (2) is subject to the provisions of the Corporation Tax Acts.
- (4) The reference in subsection (1) to a payment received by a company—
- (a) includes a reference to a payment received by another person on behalf of or in trust for the company, but
 - (b) does not include a reference to a payment received by the company on behalf of or in trust for another person.
- [^{F582}(5) The reference in subsection (1) to a payment received by a company does not include a reference to a payment which is exempt from tax by virtue of any of the following—

Rule 2

The permanent establishment continues to be the company's UK representative in relation to those profits even after ceasing to be a permanent establishment through which the non-UK resident company carries on a trade.

Rule 3

The permanent establishment is to be treated as a distinct and separate person from the non-UK resident company (if it would not otherwise be so treated).

- (4) For the determination of the chargeable profits attributable to a permanent establishment, see Chapter 4 of Part 2 of CTA 2009.

 - (a) takes place more than 10 years after the repayment of share capital mentioned in subsection 1022(1)(a), and
 - (b) is not of redeemable share capital.
- (2) But subsection (1) does not prevent section 1022(3) from applying in the case of a company which is a relevant company for the purposes mentioned in section 739 (certain companies not included in the official UK list etc).
- (3) Section 1022(3) does not apply if the repaid share capital consists of fully paid preference shares and—

 - (b) they were issued wholly for new consideration not derived from ordinary shares, and
 - (c) throughout the period from their issue until the repayment those shares continued to be fully paid preference shares.

- (2) In determining whether the requirement in subsection (1) is met in a case where the seller acquired shares of the same class at different times—

- (3) If the time when any shares were acquired would be determined for the purposes of capital gains tax under any provision of Chapter 2 of Part 4 of TCGA 1992 (reorganisation of share capital, conversion of securities etc) then, unless the shares—

- (6) The question whether the combined interests as shareholders of the seller and the seller's associates are substantially reduced is determined in the same way as the question whether a seller's interest as shareholder is substantially reduced, except that the seller is assumed to have the interests of the seller's associates as well as the seller's own.

- (b) that share expressed as a fraction of the total of those profits is more than 75% of the corresponding fraction immediately before the purchase.

- (5) If the total of the sums payable by the company—
 - (a) on the purchase, and
 - (b) on any redemption, repayment or purchase of other shares of the company taking place at the same time,

- (6) References in this section to entitlement are, except in the case of trustees and personal representatives, references to beneficial entitlement.

1039 Requirements where purchasing company is a member of a group

- (1) This section applies if the company making the purchase is immediately before the purchase a member of a group.

This is subject to section 1041(1).

- (2) The seller's interest as a shareholder in the group is calculated by—
- (a) expressing the total nominal value of the shares owned by the seller in each relevant company as a fraction of the issued share capital of the company,
 - (b) adding together the fractions obtained under paragraph (a), and
 - (c) dividing the result by the number of relevant companies (including any in which the seller owns no shares).
- (3) In this section and section 1041 “relevant company” means—
- (a) the company making the purchase, and
 - (b) any other member of the purchaser's group in which the seller owns shares immediately before or immediately after the purchase.

This is subject to subsection (4).

- (4) The question whether the combined interests as shareholders in the purchaser's group of the seller and the seller's associates are substantially reduced is determined in the same way as the question whether a seller's interest as a shareholder in a group is substantially reduced, except that—
- (a) the seller is assumed to have the interests of the seller's associates as well as the seller's own, and
 - (b) references in subsection (2) and section 1041(2) to a relevant company are read accordingly.

1041 Section 1040: effect of entitlement to profits

- (1) The seller's interest as a shareholder in the purchaser's group is not taken to be substantially reduced if—
- (a) the seller would, if every member of the group distributed all its profits available for distribution immediately after the purchase (including any profits received by it on a distribution by another member), be entitled to a share of the profits of one or more of them, and
 - (b) the new entitlement exceeds 75% of the old entitlement.

- (2) In subsection (1)—

- (b) a 51% subsidiary of a relevant company, and

“the old entitlement” means the corresponding fraction immediately before the purchase.

- (3) Subsections (2) to (5) of section 1038 apply for the purposes of this section as they apply for the purposes of section 1038(1).

- (4) A transaction occurring within one year after the purchase is treated for the purposes of subsection (2) as part of a scheme or arrangement of which the purchase is also part.
- (5) Subsections (1) and (2) are subject to section 1043.

1043 Relaxation of requirements in certain cases

- (1) Subsection (2) applies if—
 - (a) any requirement under any of sections 1037 to 1042 which is applicable is not met in relation to the seller, but
 - (b) the seller proposed or agreed to the purchase in order that the requirement in section 1037(2) or 1039(4) could be met in respect of the redemption, repayment or purchase of shares owned by a person of whom the seller is an associate.
- (2) So far as that result is achieved through the purchase, section 1033(2) has effect as if the requirements in sections 1037 to 1042 were met in relation to the seller.

(6) In this Chapter references to ownership are to be read as references to beneficial ownership.

Modifications etc. (not altering text)

C92 S. 1154 modified by Income and Corporation Taxes Act 1988 (c. 1), Sch. 25 para. 12(3) (as amended) (with effect in accordance with s. 1184(1) of the amending Act) by 2010 c. 4, s. 1184(1), **Sch. 1 para. 147(3)** (with Sch. 2)

1155 Indirect ownership of ordinary share capital

- (1) For the purposes of this Chapter ordinary share capital is owned indirectly by a body corporate if it is owned through another body corporate or other bodies corporate.
- (2) References in this Chapter to ownership through a body corporate are to be read in accordance with subsections (3) and (4).
- (3) Suppose that 3 or more bodies corporate are ordered in a series such that each body in the series (other than the last) owns ordinary share capital of the body immediately below it in the series.
- (4) If B is a body that is below, but not immediately below, A in the series, A is said to own ordinary share capital of B through each body corporate that is between A and B in the series.
- (5) Sections 1156 and 1157 contain rules for calculating, for the purposes of this Chapter, the amount of a body corporate's ordinary share capital that another body corporate owns—
 - (a) indirectly, or
 - (b) partly directly and partly indirectly.

1156 Calculation of amounts owned indirectly: main rules

- (1) If a body corporate (“A”) directly owns the whole of the ordinary share capital of another body corporate (“B”), A is treated as indirectly owning the whole of any ordinary share capital that is owned directly or indirectly by B.
- (2) If a body corporate (“A”) directly owns a fraction of the ordinary share capital of another body corporate (“B”) and B directly or indirectly owns ordinary share capital of a third body corporate (“C”), A is treated as indirectly owning the amount of C's ordinary share capital given by the formula—

$$F \times M$$

where—

F is the fraction of B's ordinary share capital that is owned by A, and

M is the amount of the ordinary share capital of C that is owned directly or indirectly by B.

Status: Point in time view as at 18/11/2015.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Corporation Tax Act 2010. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (3) For the purposes of subsections (1) and (2), the amount of any ordinary share capital that is owned indirectly by B is calculated using subsection (1) or (2), or both, as appropriate.

1157 Adding fractions together

- (1) If A and C are bodies corporate and—
- (a) A owns, through one or more bodies corporate (“the intermediaries in the first series”), a fraction of C's ordinary share capital, and
 - (b) A also owns a further fraction of C's ordinary share capital (or further fractions of C's ordinary share capital),
- all those fractions are added together to find the amount of C's ordinary share capital that is owned by A.
- (2) The reference in subsection (1)(b) to a further fraction of C's share capital is to a fraction of C's share capital that A owns—
- (a) directly, or
 - (b) indirectly but through one or more bodies corporate which do not (together) constitute all of the intermediaries in the first series, or which include a body corporate that is not an intermediary in the first series.
