## CHAPTER 2

### BASIC DEFINITIONS

#### 356L “Oil contractor activities” etc

- (1) The definitions in this section have effect for the purposes of this Part.
- (2) “Oil contractor activities” means activities carried on by a company (“the contractor”), which are not oil-related activities (within the meaning of section 274), but are—
  - (a) exploration or exploitation activities in, or in connection with, which the contractor provides, operates or uses a relevant asset (see section 356LA) in a relevant offshore service, or
  - (b) otherwise carried on in, or in connection with, the provision by the contractor of a relevant offshore service.
- (3) The contractor provides a “relevant offshore service” if the contractor provides, operates or uses a relevant asset in, or in connection with, the carrying on of exploration or exploitation activities in a relevant offshore area by the contractor or any other associated person.
- (4) “Exploration or exploitation activities” means activities carried on in connection with the exploration or exploitation of the seabed and subsoil and their natural resources.
- (5) “Relevant offshore area” means—
  - (a) the territorial sea of the United Kingdom;
  - (b) the areas designated by Order in Council under section 1(7) of the Continental Shelf Act 1964.

#### 356LA “Relevant asset”

- (1) In this Part “relevant asset” means an asset within subsection (2) in respect of which conditions A and B are met.
- (2) An asset is within this subsection if it is a structure that—
  - (a) can be moved from place to place (whether or not under its own power) without major dismantling or modification, and
  - (b) can be used to—
    - (i) drill for the purposes of searching for, or extracting, oil, or
    - (ii) provide accommodation for individuals who work on or from another structure used in a relevant offshore area for, or in connection with, exploration or exploitation activities (“offshore workers”).
- (3) But an asset is not within subsection (2)(b)(ii) if it is reasonable to suppose that its use to provide accommodation for offshore workers is unlikely to be more than incidental to another use, or other uses, to which the asset is likely to be put.
- (4) In subsection (2)—
 

“oil” means any substance capable of being won under the authority of a licence granted under Part 1 of the Petroleum Act 1998 or the Petroleum (Production) Act (Northern Ireland) 1964;

“structure” includes a ship or other vessel.

*Status: Point in time view as at 16/11/2017.*

*Changes to legislation: There are currently no known outstanding effects for the Corporation Tax Act 2010, PART 8ZA. (See end of Document for details)*

---

- (5) Condition A is that the asset, or any part of the asset, is leased (whether by the contractor or not) from an associated person other than the contractor.
- (6) Condition B is that the asset is of the requisite value.
- (7) The asset is of the “requisite value” if its market value is £2,000,000 or more.
- (8) The Treasury may by regulations modify the meaning of “requisite value”.
- (9) Regulations under subsection (8) may—
  - (a) amend this section,
  - (b) make different provision for different cases or different purposes, and
  - (c) make incidental, consequential, supplementary or transitional provision or savings.

### **356LB “Associated person”**

- (1) For the purposes of this Part each of the following is an “associated person”—
  - (a) the contractor,
  - (b) any person who is, or has been, connected with the contractor,
  - (c) any person who has acted, acts or is to act, together with the contractor to provide a service, and
  - (d) any person who is connected with a person falling within paragraph (b) or (c).
- (2) A person does not act together with the contractor to provide a service by reason only of leasing an asset, to any person, which is provided, operated or used in the service.

### **356LC “Lease”**

In this Part “lease” has the meaning given by section 868 and “leased” and “leasing” are to be construed accordingly.

### **356LD “Contractor's ring fence profits”**

In this Part the “contractor's ring fence profits”, in relation to an accounting period, means the contractor's income arising from oil contractor activities for that period.

## **CHAPTER 3**

### **DEEMED SEPARATE TRADE**

### **356M Oil contractor activities treated as separate trade**

If the contractor carries on oil contractor activities as part of a trade, those activities are treated for the purposes of the charge to corporation tax on income as a separate trade, distinct from all other activities carried on by the contractor as part of the trade.

## CHAPTER 4

### CALCULATION OF PROFITS

#### *Hire of relevant assets*

#### **356N Restriction on hire etc of relevant assets to be brought into account**

- (1) This section applies if the contractor makes, or is to make, one or more payments under a lease of—
  - (a) a relevant asset, or
  - (b) part of a relevant asset.
- (2) The total amount that may be brought into account in respect of the payments for the purposes of calculating the contractor's ring fence profits in an accounting period is limited to the hire cap.
- (3) The “hire cap” is an amount equal to the relevant percentage of TC for the accounting period, subject to subsection (4).
- (4) If payments in relation to which subsection (2) or section 285A(2) (restriction on hire for company carrying on a ring fence trade under Part 8) applies are also made, or to be made, by one or more other companies in respect of the relevant asset or part, the “hire cap” is to be such proportion of the amount mentioned in subsection (3) as is just and reasonable, having regard (in particular) to the amounts of the payments made, or to be made, by the contractor and each other company.
- (5) Subject to subsection (7), the “relevant percentage” is—

$$\frac{\text{UROS}}{\text{TU}} \times 7.5\%$$

where—

UROS is the number of days in the accounting period that the relevant asset is provided, operated or used in a relevant offshore service, and

TU is the number of days in the accounting period that the relevant asset is provided, operated or used (whether or not in a relevant offshore service).

- (6) Accordingly, the relevant percentage is zero if the relevant asset is not provided, operated or used in the accounting period.
- (7) If the accounting period is less than 12 months, the relevant percentage is to be proportionally reduced.
- (8) TC is—

$$\text{OC} + \text{CE}$$

- (9) Unless subsection (11) applies, OC is the sum of—

*Status: Point in time view as at 16/11/2017.*

*Changes to legislation: There are currently no known outstanding effects for the Corporation Tax Act 2010, PART 8ZA. (See end of Document for details)*

- (a) any consideration given for the acquisition of the relevant asset or part when it was first acquired by an associated person, and
- (b) any expenses incurred by an associated person in connection with that acquisition (other than the costs of financing the acquisition).

This is subject to subsections (12) and (13).

- (10) Subsection (11) applies if the relevant asset or part—
- (a) is leased by an associated person from a person who is not an associated person, and
  - (b) has never been owned by an associated person.
- (11) OC is the sum of—
- (a) the consideration that it is reasonable to suppose would have been given for the acquisition of the relevant asset or part, if it had been acquired by an associated person by way of a bargain at arm's length at the time it was first leased as mentioned in subsection (10)(a), and
  - (b) the expenses (other than the costs of financing the acquisition) that it is reasonable to suppose would have been incurred by an associated person in connection with such an acquisition.

This is subject to subsections (12) and (13).

- (12) If the relevant asset or part was first acquired by an associated person, or (as the case may be) first leased as mentioned in subsection (10)(a), before the beginning of the accounting period, OC does not include any part of the consideration mentioned in subsection (9)(a) or (as the case may be) (11)(a) that it is reasonable to attribute to anything that no longer forms part of the relevant asset or part at the beginning of the accounting period.
- (13) If the relevant asset or part was first acquired by an associated person, or (as the case may be) first leased as mentioned in subsection (10)(a), in the accounting period, OC for the accounting period is—

$$OC \times \frac{D - DBA}{D}$$

where—

D is the total number of days in the accounting period,

DBA is the number of days in the accounting period before the day on which the relevant asset or part was first acquired or first leased, and

OC is the amount given by subsection (9) or (as the case may be) (11).

- (14) CE is capital expenditure on the relevant asset or part (other than capital expenditure in respect of its acquisition or the acquisition of a lease of it) incurred by an associated person—
- (a) after it was first acquired by an associated person or (as the case may be) was first leased as mentioned in subsection (10)(a), and
  - (b) before the end of the accounting period.

This is subject to subsections (15) and (16).

*Status: Point in time view as at 16/11/2017.*

*Changes to legislation: There are currently no known outstanding effects for the Corporation Tax Act 2010, PART 8ZA. (See end of Document for details)*

- (15) CE does not include any capital expenditure mentioned in subsection (14) that is—
- (a) incurred before the beginning of the accounting period, and
  - (b) not reflected in the state or nature of the relevant asset or part at the beginning of the accounting period.
- (16) If any capital expenditure mentioned in subsection (14) is incurred on a day in the accounting period, the amount of CE for the accounting period in respect of that capital expenditure is—

$$\text{CEA} \times \frac{D - \text{DBI}}{D}$$

where—

D is the total number of days in the accounting period,

DBI is the number of days in the accounting period before the day on which that capital expenditure is incurred, and

CEA is the amount of that capital expenditure.

### **356NA Restriction on hire: further provision**

- (1) The Treasury may by regulations modify the “relevant percentage” for the purposes of section 356N or 285A.
- (2) Regulations under subsection (1) may—
  - (a) amend section 356N or section 285A,
  - (b) make different provision for different cases or different purposes, and
  - (c) make incidental, consequential, supplementary or transitional provision or savings.
- (3) To the extent that, by virtue of section 356N, payments within subsection (1) of that section cannot be brought into account for the purposes of calculating the contractor's ring fence profits in an accounting period, the payments may be—
  - (a) allowed as a deduction from the contractor's total profits for the accounting period, or
  - (b) treated as a surrenderable amount of the contractor for the accounting period for the purposes of Part 5 (group relief) (see section 99(7)) as if they were a trading loss,
 subject to subsection (4).
- (4) No deduction may be made by virtue of subsection (3) from total profits so far as they are contractor's ring fence profits or ring fence profits for the purposes of Part 8.
- (5) If an associated person enters into arrangements the main purpose or one of the main purposes of which is to secure that section 356N(2) does not apply in relation to one or more payments to any extent, that provision applies in relation to the payments to the extent it would not otherwise do so.
- (6) In subsection (5) “arrangements” includes any agreement, understanding, scheme, transaction or series of transactions (whether or not legally enforceable).

### *Loan relationships*

#### **356NB Restriction on debits to be brought into account**

- (1) Debits may not be brought into account for the purposes of Part 5 of CTA 2009 (loan relationships) in respect of the contractor's loan relationships in any way that results in a reduction of what would otherwise be the contractor's ring fence profits, but this is subject to subsections (2) to (4).
- (2) Subsection (1) does not apply so far as a loan relationship is in respect of money borrowed by the contractor which has been—
  - (a) used to meet expenditure incurred by the contractor in carrying on oil contractor activities, or
  - (b) appropriated to meeting expenditure to be so incurred by the contractor.
- (3) Subsection (1) does not apply, in the case of debits falling to be brought into account as a result of section 329 of CTA 2009 (pre-loan relationship and abortive expenses) in respect of a loan relationship that has not been entered into, so far as the relationship would have been one entered into for the purpose of borrowing money to be used or appropriated as mentioned in subsection (2).
- (4) Subsection (1) does not apply, in the case of debits in respect of a loan relationship to which Chapter 2 of Part 6 of CTA 2009 (relevant non-lending relationships) applies, so far as—
  - (a) the payment of interest under the relationship is expenditure incurred as mentioned in subsection (2)(a), or
  - (b) the exchange loss arising from the relationship is in respect of a money debt on which the interest payable (if any) is, or would be, such expenditure.
- (5) If a debit—
  - (a) falls to be brought into account for the purposes of Part 5 of CTA 2009 in respect of a loan relationship of the contractor, but
  - (b) as a result of this section cannot be brought into account in a way that results in any reduction of what would otherwise be the contractor's ring fence profits,the debit is to be brought into account for those purposes as a non-trading debit despite anything in section 297 of that Act.
- (6) References in this section to a loan relationship, in relation to the borrowing of money, do not include a relationship to which Chapter 2 of Part 6 of CTA 2009 (relevant non-lending relationships) applies.

#### **356NC Restriction on credits to be brought into account**

- (1) Credits in respect of exchange gains from the contractor's loan relationships may not be brought into account for the purposes of Part 5 of CTA 2009 (loan relationships) in any way that results in an increase of what would otherwise be the contractor's ring fence profits, but this is subject to subsections (2) to (4).
- (2) Subsection (1) does not apply so far as a loan relationship is in respect of money borrowed by the contractor which has been—
  - (a) used to meet expenditure incurred by the contractor in carrying on oil contractor activities, or
  - (b) appropriated to meeting expenditure to be so incurred by the contractor.

*Status: Point in time view as at 16/11/2017.*

*Changes to legislation: There are currently no known outstanding effects for the Corporation Tax Act 2010, PART 8ZA. (See end of Document for details)*

- (3) Subsection (1) does not apply, in the case of credits falling to be brought into account as a result of section 329 of CTA 2009 (pre-loan relationship and abortive expenses) in respect of a loan relationship that has not been entered into, so far as the relationship would have been one entered into for the purpose of borrowing money to be used or appropriated as mentioned in subsection (2).
- (4) Subsection (1) does not apply, in the case of credits in respect of a loan relationship to which Chapter 2 of Part 6 of CTA 2009 (relevant non-lending relationships) applies, so far as—
- (a) the payment of interest under the relationship is expenditure incurred as mentioned in subsection (2)(a), or
  - (b) the exchange gain arising from the relationship is in respect of a money debt on which the interest payable (if any) is, or would be, such expenditure.
- (5) If a credit—
- (a) falls to be brought into account for the purposes of Part 5 of CTA 2009 in respect of a loan relationship of the contractor, but
  - (b) as a result of this section cannot be brought into account in a way that results in any increase of what would otherwise be the contractor's ring fence profits,
- the credit is to be brought into account for those purposes as a non-trading credit despite anything in section 297 of that Act.
- (6) Section 356NB(6) applies for the purposes of this section.

- (2) In this section “relevant deduction from total profits” means—
  - (a) any deduction of a loss (or an amount of a loss) under section 45(4)(b) (carry forward of pre-1 April 2017 loss against subsequent profits), so far as the loss arises from oil contractor activities,
  - (b) any deduction of a loss (or an amount of a loss) under section 45A (carry forward of post-1 April 2017 trade loss against total profits), so far as the amount is set against the contractor's ring fence profits, and
