(b) unregulated health care workers;
(c) unregulated social care workers in England;
(d) participating in studies that come within subsection (2) or (3).

(2) Studies come within this subsection if they are studies for the purpose of becoming a member of—

(3) Studies come within this subsection if they are studies for the purpose of becoming—

(a) an unregulated health professional,

(c) an unregulated social care worker in England.

(4) A regulatory body may establish and maintain a register under subsection (1) (a), (b) or (c) of only such persons as are (or have been) engaged in work that supports, or otherwise relates to, work engaged in by members of a profession which the body regulates; but this subsection does not apply to the Health and Care Professions Council.

(4) The reference in subsection (2) to an enactment does not include a reference to an enactment in so far as it imposes a requirement of that kind which applies—
(a) only to work or practice of a particular kind, and

(9) “Unregulated social care worker in England” means a person engaged in social care work in England within the meaning of section 60 of the Health Act 1999.

(10) But a person is not to be regarded as being (or having been) engaged in work as an unregulated social care worker merely because the person is (or has been) participating in a course of the description given in subsection (2ZC)(o) of that section (social work courses).

(11) “The social work profession in England” has the meaning given in that section.

(3) An assessment under this section must, in particular, include an assessment of the likely impact of establishing the register on—
   (a) persons who would be eligible for inclusion in the register;
   (b) persons who employ persons who would be eligible for inclusion in the register;
   (c) users of health care, users of social care in England and users of social work services in England.

(2) Accreditation criteria may, in particular, relate to—
   (a) the provision to the Authority of information in connection with the establishment, operation or maintenance of register;
   (b) publication of the names of persons included in the register or who have been removed from the register (whether voluntarily or otherwise);
   (c) the establishment or operation of a procedure for appeals from decisions relating to inclusion in or removal from the register.

(3) If the Authority is satisfied that a voluntary register meets the accreditation criteria, it may accredit the register.

(4) The Authority may carry out periodic reviews of the operation of registers accredited under this section for the purpose of establishing whether they continue to meet the accreditation criteria.

    maintains the register to provide it with such information as it specifies; and
    if the person refuses to comply with the request, the Authority may refuse to
    accredit the register.

(5) The Authority may publish any assessment it makes under this section.
