2013 CHAPTER 10

4 Revocation of licence and imposition of conditions

- (1) The authority may revoke a scrap metal licence if it is satisfied that the licensee does not carry on business at any of the sites identified in the licence.
- (2) The authority may revoke a licence if it is satisfied that a site manager named in the licence does not act as site manager at any of the sites identified in the licence.
- (3) The authority may revoke a licence if it is no longer satisfied that the licensee is a suitable person to carry on business as a scrap metal dealer.
- (4) Section 3(2) to (7) apply for the purposes of subsection (3).
- (5) If the licensee or any site manager named in a licence is convicted of a relevant offence, the authority may vary the licence by adding one or both of the conditions set out in section 3(8).

- (7) But if the authority considers that the licence should not continue in force without conditions, it may by notice provide—
 - (a) that, until a revocation under this section comes into effect, the licence is subject to one or both of the conditions set out in section 3(8), or
 - (b) that a variation under this section comes into effect immediately.
- (8) In this section “the authority” means the local authority which issued the licence.
