### **COMMENTARY ON SECTIONS**

#### **Part 3: Nuclear Regulation**

#### **Chapter 4: Functions of the ONR**

#### **Other functions**

#### ***Section 87: Provision of information***

423. The section places a duty on the ONR to make such arrangements as it considers appropriate for the dissemination of information, for example to industry and the public, that is relevant to its purposes. In compliance with this duty, for instance, the ONR might publish information in print or on its website in order for employers and employees to be better informed about the health and safety risks peculiar to the nuclear industry and how these risks can be managed.
