(For provision limiting the amount of qualifying payments that may be made into a childcare account in an entitlement period, see section 19(4).)

2 Qualifying childcare

- (1) In this Act “childcare” means any form of care or supervised activity for a child that is not provided in the course of the child’s compulsory education.
- (2) Childcare that is provided for a person is “qualifying childcare” for the purposes of this Act if—
 - (a) it is registered or approved childcare, and
 - (b) the main reason, or one of the main reasons, for incurring the costs of the childcare is—
 - (i) to enable the person to work, or
 - (ii) where the person has a partner, to enable both the person and the person’s partner to work.
- (3) Regulations may—
 - (a) make provision about what is, or is not, to be regarded as registered or approved childcare for the purposes of this section;
 - (b) define what is meant by “work” for the purposes of this section;

- (5) Subsection (2) is subject to any direction made under section 50 (which enables HMRC in certain circumstances to direct that childcare provided by a person is not qualifying childcare).

 - (b) if that amount is greater than the top-up element of the funds held in the account, the top-up element of those funds.

(For provision about calculating the top-up element of funds held in an account, see section 21.)

- (8) If the amount specified in the direction is greater than the top-up element of the funds, the difference is to be deducted from the appropriate qualifying amount by the account provider and paid to HMRC in accordance with the direction.

- (13) “The corresponding top-up amount”, in relation to a payment made in accordance with a direction under this section, is R% of the amount of the payment, where R is the percentage for the time being specified in section 1(4).
- (14) If a direction is made under this section both in respect of an amount of recoverable top-up payments and in respect of any other amount—
- (a) any amount payable to HMRC in accordance with the direction made in respect of that other amount is to be set off against the amount payable to the account-holder by virtue of subsection (6), and
 - (b) any amount payable to HMRC by virtue of subsection (12) is to be set off against the amount payable to HMRC in accordance with the direction made in respect of the amount of recoverable top-up payments.

- (2) If the account-holder makes a withdrawal from the childcare account, the amount payable to HMRC under section 22 (the “corresponding top-up amount” of the withdrawal) is to be set off against the relevant debt.
- (3) In a case where the whole or part of the corresponding top-up amount of a withdrawal (“the set-off amount”) is set off against the relevant debt, so much of the withdrawal as generated the set-off amount is to be ignored for the purposes of section 19(8).
