COMMENTARY ON SECTIONS

Part 5: CHILDCARE AND SCHOOLS

Section 77 (and Schedule 2): Registration of childcare: premises

376. This section introduces Schedule 2, which amends Part 3 of the 2006 Act in order to remove the requirement for certain childcare providers to be registered separately in respect of each of the premises from which they operate. However these providers will still be required to notify Ofsted and receive its approval before they can operate from individual premises. Schedule 2 also contains any necessary consequential amendments.
