70A Actionable threats

- (2) A threat of infringement proceedings is not actionable if the infringement is alleged to consist of—
 - (a) where the invention is a product, making a product for disposal or importing a product for disposal, or
 - (b) where the invention is a process, using a process.

- (4) A threat of infringement proceedings is not actionable if the threat—
 - (a) is made to a person who has done, or intends to do, an act mentioned in subsection (2)(a) or (b) in relation to a product or process, and
 - (b) is a threat of proceedings for an infringement alleged to consist of doing anything else in relation to that product or process.
- (5) A threat of infringement proceedings which is not an express threat is not actionable if it is contained in a permitted communication.
- (6) In sections 70C and 70D “an actionable threat” means a threat of infringement proceedings that is actionable in accordance with this section.

70B Permitted communications

- (1) For the purposes of section 70A(5), a communication containing a threat of infringement proceedings is a “permitted communication” if—
 - (a) the communication, so far as it contains information that relates to the threat, is made for a permitted purpose;
 - (b) all of the information that relates to the threat is information that—
 - (i) is necessary for that purpose (see subsection (5)(a) to (c) for some examples of necessary information), and
 - (ii) the person making the communication reasonably believes is true.
- (2) Each of the following is a “permitted purpose”—

- (4) But the following may not be treated as a "permitted purpose" –
 - (a) requesting a person to cease doing, for commercial purposes, anything in relation to a product or process,
 - (b) requesting a person to deliver up or destroy a product, or
 - (c) requesting a person to give an undertaking relating to a product or process.

 - (a) a statement that a patent exists and is in force or that an application for a patent has been made;
 - (b) details of the patent, or of a right in or under the patent, which –
 - (i) are accurate in all material respects, and
 - (ii) are not misleading in any material respect; and
 - (c) information enabling the identification of the products or processes in respect of which it is alleged that acts infringing the patent have been carried out.

- (2) In this section “professional adviser” means a person who, in relation to the making of the communication containing the threat—
 - (a) is acting in a professional capacity in providing legal services or the services of a trade mark attorney or a patent attorney, and

 - (a) in making the communication the professional adviser is acting on the instructions of another person, and
 - (b) when the communication is made the professional adviser identifies the person on whose instructions the adviser is acting.
- (4) This section does not affect any liability of the person on whose instructions the professional adviser is acting.
- (5) It is for a person asserting that subsection (1) applies to prove (if required) that at the material time—
 - (a) the person concerned was acting as a professional adviser, and
