CHAPTER 4

FURTHER EDUCATION BODIES: SPECIAL ADMINISTRATION

Introduction to education administration

15 Overview of Chapter

- (1) This Chapter creates a procedure to be known as education administration.
- (2) The main features of an education administration are that—
 - (a) it can be used where a further education body is unable to pay its debts or is likely to become unable to pay its debts,
 - (b) the court appoints an education administrator on the application of the appropriate national authority, and
 - (c) the education administrator manages the body's affairs, business and property with a view to avoiding or minimising disruption to the studies of existing students.

16 Objective of education administration

- (1) The objective of an education administration is to—
 - (a) avoid or minimise disruption to the studies of the existing students of the further education body as a whole, and
 - (b) ensure that it becomes unnecessary for the body to remain in education administration for that purpose.
- (2) The means by which the education administrator may achieve that objective include—
 - (a) rescuing the further education body as a going concern,
 - (b) transferring some or all of its undertaking to another body,
 - (c) keeping it going until existing students have completed their studies, or
 - (d) making arrangements for existing students to complete their studies at another institution.

Process

17 Education administration order

- (1) An education administration order is an order of the court appointing a person as the education administrator of a further education body.
- (2) A person is eligible for appointment as an education administrator only if the person would be qualified to act as an insolvency practitioner in relation to the further education body.
- (3) While an education administration order is in force the further education body may be described as being “in education administration”.

Status: Point in time view as at 27/04/2017. This version of this Act contains provisions that are not valid for this point in time.
Changes to legislation: There are currently no known outstanding effects for the Technical and Further Education Act 2017. (See end of Document for details)

18 Application for education administration order

- (2) The appropriate national authority must give notice of an application—
 - (a) to the further education body to which the application relates, and
 - (b) to any person specified in education administration rules (for those rules, see section 32).
- (3) An application for an education administration order is referred to in this Chapter as an “education administration application”.

19 Grounds for making an education administration order

- (1) The court may make an education administration order on an application only if satisfied that the further education body—
 - (a) is unable to pay its debts, or
 - (b) is likely to become unable to pay its debts.
- (2) The court has no power to make an education administration order in relation to a further education body which—
 - (a) is in administration under Schedule B1 to the Insolvency Act 1986, or
 - (b) has gone into liquidation (within the meaning of section 247(2) of the Insolvency Act 1986).

20 Powers of the court on hearing an application

- (1) On hearing an education administration application the court may—
 - (a) grant the application,
 - (b) adjourn the application conditionally or unconditionally,
 - (c) dismiss the application,
 - (d) make an interim order,
 - (e) treat that application as a winding-up petition and make any order the court could make under section 125 of the Insolvency Act 1986 (power of court on hearing winding-up petition), or
 - (f) make any other order that it thinks appropriate.
- (2) An interim order under subsection (1)(d) may, in particular—
 - (a) restrict the exercise of a power of the further education body,

 - (c) in the case of a further education body that is a company, restrict the exercise of a power of its directors, and

21 Appointment of two or more education administrators

- (a) which (if any) of the functions of the education administrator are to be carried out only by the appointees acting jointly,
- (b) the circumstances (if any) in which the functions of an education administrator are to be carried out by one of the appointees, or by particular appointees, acting alone, and
