SCHEDULE 2

THE FEE LIMIT

Accelerated courses

- 4 (1) The power for regulations to prescribe different amounts for different cases or purposes by virtue of section 119(5)(a) includes power for regulations under paragraph 2 or 3 to prescribe different amounts as the higher amount, basic amount and floor amount in the case of an accelerated course.
- (2) An “accelerated course” means a higher education course where the number of academic years applicable to the course is at least one fewer than would normally be the case for that course or a course of equivalent content leading to the grant of the same or an equivalent academic award.
