

Space Industry Act 2018

2018 CHAPTER 5

Licences

11 Grant of licences: assessments of environmental effects

- (1) This section applies to—
 - (a) a spaceport licence;
 - (b) an operator licence authorising launches of spacecraft or carrier aircraft.
- (2) The regulator may not grant an application for a licence to which this section applies unless the applicant has submitted an assessment of environmental effects.
- (3) In this section “assessment of environmental effects”—
 - (a) in relation to a spaceport licence, means an assessment of the effects that launches of spacecraft or carrier aircraft from the spaceport in question, or launches of spacecraft from carrier aircraft launched from the spaceport, are expected to have on the environment;
 - (b) in relation to an operator licence authorising launches of spacecraft or carrier aircraft, means an assessment of the effects that those launches are expected to have on the environment.
- (4) If or to the extent that the regulator directs, the requirement imposed by subsection (2) to submit an assessment of environmental effects may be met by submitting—
 - (a) an equivalent assessment prepared previously in compliance with a requirement imposed by or under another enactment, or
 - (b) an assessment of environmental effects prepared in connection with a previous application.

The regulator may make a direction under this subsection only if satisfied that there has been no material change of circumstances since the previous assessment was prepared.
- (5) The regulator must take into account the assessment of environmental effects (including any assessment submitted as mentioned in subsection (4)) in deciding—
 - (a) whether to grant a licence to which this section applies;
 - (b) what conditions should be attached to such a licence under section 13.

Changes to legislation: Space Industry Act 2018, Section 11 is up to date with all changes known to be in force on or before 23 April 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. - (6) The regulator must issue guidance about—
- (a) the form, contents and level of detail of an assessment of environmental effects;
 - (b) the time for submitting an assessment of environmental effects;
 - (c) the circumstances in which the regulator will or may give a direction under subsection (4).

Guidance under paragraph (a) may specify matters that are to be dealt with in an assessment of environmental effects only if the regulator so requires in a particular case.
