NINTH SCHEDULE

MISCELLANEOUS RULES APPLICABLE TO CASE VII OF SCHEDULE D

Company amalgamations

- 13 (1) Where under any arrangement between a company and the persons holding shares in or debentures of the company or any class of such shares or debentures, being an arrangement entered into for the purposes of or in connection with a scheme of reconstruction or amalgamation, another company issues shares or debentures to those persons in respect of and in proportion to (or as nearly as may be in proportion to) their holdings of the first-mentioned shares or debentures, but the first-mentioned shares or debentures are either retained by those persons or cancelled, then those persons shall be treated as exchanging the first-mentioned shares or debentures for those held by them in consequence of the arrangement (any shares or debentures retained being for this purpose regarded as if they had been cancelled and replaced by a new issue):

Provided that sub-paragraph (2) of paragraph 12 above shall not apply.

- (2) Where any scheme of reconstruction or amalgamation involves the transfer of the whole or part of a company's business to another company, and the first-mentioned company receives no part of the consideration for the transfer (otherwise than by the other company taking over the whole or part of the liabilities of the business), then the first-mentioned company shall not be chargeable under Case VII by reference to the transfer in respect of its acquisition and disposal of any assets included in the transfer.
- (3) In this paragraph " scheme of reconstruction or amalgamation " means a scheme for the reconstruction of any company or companies or the amalgamation of any two or more companies, and references to shares or debentures being retained include their being retained with altered rights or in an altered form, whether as the result of reduction, consolidation, division or otherwise.
