## SCHEDULE

### CERTIFICATION OF TRAVEL CONCESSIONS

- 2 Any such advertisement shall set out the travel concessions (including any relevant terms, limitations or conditions) alleged to have been granted by the authority and the descriptions of persons in relation to which each of the concessions is alleged to have been granted, and shall state that any person may within fourteen days from the publication of the advertisement, by notice in writing given to the local authority and to the licensing authority for public service vehicles, object to the giving of the certificate applied for on the ground that travel concessions were not being granted by the local authority as alleged.
