- (b) the cause of action arose in the area for which the court acts and either within inland waters or within the limits of a port, or
- (c) an action arising out of the same incident or series of incidents is proceeding in the court or has been heard and determined by the court, or
- (d) the defender has prorogated the jurisdiction of the court, or
- (e) a ship in which the defender owns one or more shares has been arrested (whether ad fundandam jurisdictionem or on the dependence of the action) within the area for which the court acts.

- (2) Where an action to which this section applies is raised in a court having jurisdiction by virtue only of one or more of the provisions of the preceding subsection other than paragraph (d) thereof, and it appears to the court that cognate proceedings are depending in a competent court outside Scotland, the first mentioned court shall sist the action if so moved by any party thereto, and shall not recall the sist until satisfied that the cognate proceedings have been discontinued or have otherwise come to an end:

Provided that nothing in this subsection shall prevent the first mentioned court from entertaining any application as to diligence in the action.

In this subsection “cognate proceedings”, in relation to any action, means proceedings instituted, before the granting of warrant for service in the action, by the pursuer in the action against any other party to the action, being proceedings in respect of the same incident or series of incidents as those with which the action is concerned.

- (3) This section applies to actions for payment of reparation arising out of one or more of the following incidents, that is to say—

“charges” means any charges with the exception of light dues, local light dues and any other charges in respect of lighthouses, buoys or beacons and of charges in respect of pilotage.

- (5) For the avoidance of doubt it is hereby declared that any reference in this section to an action for payment of reparation does not include a reference to an action to make good a lien.
