

Parish Councils Act 1957

1957 CHAPTER 42 5 and 6 Eliz 2

PART I

POWERS TO PROVIDE PUBLIC AMENITIES

2 Power to provide public clocks.

A parish council may provide, maintain and light such public clocks within the parish as they consider necessary, and (subject to the provisions of section five of this Act) may cause them to be installed on or against any premises or in any other place the situation of which may be convenient.

Changes to legislation:

There are currently no known outstanding effects for the Parish Councils Act 1957, Section 2.
