SECOND SCHEDULE

PROVISIONS AS TO CONTROL SCHEMES

PART I

Procedure for making control schemes

- 1 Where the Commission decide to make a control scheme they shall—
- (a) serve on every owner and every occupier of land on whom the scheme proposes to impose any requirement a copy of the said scheme, together with a notice stating that any such owner or occupier may, within twenty-eight days of the service of the notice, object to the Secretary of State in such manner as may be specified in the notice to the scheme or to any provision contained therein; and
 - (b) in two successive weeks publish in the Edinburgh Gazette and in one or more newspapers circulating in the district in which the control area is situated a notice stating that a control scheme has been prepared, describing the said area, naming a place within the district where a copy of the said scheme and of the map referred to therein may be inspected at all reasonable hours, and stating that any person may, within twenty-eight days of the first publication of such notice, object to the Secretary of State in such a manner as may be specified in the notice to the said scheme or to any provision contained therein.
- 2 If no objection is duly made under the last foregoing paragraph or if all objections so made are withdrawn, the Secretary of State may confirm the control scheme either in the form submitted to him or, subject to paragraph 4 of this Schedule, with modifications.
- 3 If any objection duly made as aforesaid is not withdrawn, the Secretary of State shall, before deciding whether to confirm the control scheme, cause a public inquiry to be held, and after considering the objection and the report of the person who held the inquiry may confirm the scheme either in the form submitted to him or, subject to paragraph 4 of this Schedule, with modifications.
- 4 The control scheme shall not be confirmed with any modification unless either—
- (a) every person served with a copy of the scheme by virtue of paragraph 1 of this Schedule has been served with notice of the proposal to make the modification and any other person on whom the modification, if made, would impose a requirement, has been served with a notice of the proposal to make the modification along with a copy of the said scheme, and either has consented thereto or has not, before the expiry of fourteen days from the service of the notice, notified the Secretary of State in writing that he objects thereto ; or

Status: This is the original version (as it was originally enacted).

- (b) the modification arises from representations made at an inquiry held under paragraph 3 of this Schedule or from the findings or recommendations of the person holding that inquiry, and every person in respect of whom the modification, if made, would vary or impose a requirement has been served with a copy of the scheme as aforesaid and been afforded an opportunity to appear and be heard at the inquiry.
