

Universities of Oxford and Cambridge Act 1923

1923 CHAPTER 33

8 Statutes relating to trusts and college contributions to University purposes

- (1) No statute shall be made under any of the provisions of this Act for altering a trust, except with the consent of the trustees or governing body of the trust, unless sixty years have elapsed since the date on which the instrument creating the trust came into operation, but nothing in this subsection shall prevent the making of a statute increasing the endowment of any emolument or otherwise improving the position of the holder thereof.
- (2) In the making of any statute, whether by the Commissioners or by the University, prescribing or altering the scale or basis of assessment of contributions to be made by the colleges to University purposes, regard shall be had in the first place to the needs of the several colleges in themselves for educational and other collegiate purposes.
