## 1929 CHAPTER 17

### PART III

#### ROADS AND TOWN PLANNING.

##### *Roads.*

#### **34 Agreements between county councils and urban district councils with respect to unclassified roads.**

As from the appointed day, a county council may by agreement with the council of any urban district within the county undertake, in consideration of such payments as may be agreed, the maintenance, repair and improvement of any unclassified road within the urban district, and any road with respect to which such an agreement is for the time being in force shall be vested in the county council, and that council and the urban district council, respectively, shall have in regard to it the same functions as they would have if it were a county road.
