## SCHEDULES.

### FIRST SCHEDULE

#### INTERNATIONAL CONVENTION FOR THE SAFETY OF LIFE AT SEA, 1929.

### CHAPTER III

#### LIFE-SAVING APPLIANCES, &C.

##### ARTICLE 20

###### *Life-jackets and Life-buoys.*

- 1 Every ship to which this Chapter applies shall carry for every person on board a life-jacket of a type approved by the Administration, and in addition, unless these life-jackets can be adapted for use by children, a sufficient number of life-jackets suitable for children.
- 2 Every such ship shall also carry life-buoys of a type approved as aforesaid to the number required by Regulation XL.
- 3 A life-jacket or life-buoy shall not be approved by an Administration unless it satisfies the requirements of Regulation XL applicable to life-jackets and life-buoys respectively.
- 4 In this Article the expression " life-jacket " includes any appliance capable of being fitted on the body, having the same buoyancy as a life-jacket.
