

# Merchant Shipping (Safety and Load Line Conventions) Act 1932

## 1932 CHAPTER 9

### PART I

#### SAFETY OF LIFE AT SEA.

##### *Construction and Surveys.*

#### **2 Amendments as to declarations of survey.**

- (1) A declaration of survey made by a ship surveyor in respect of a passenger steamer shall, instead of stating the particulars required by paragraph (d) of subsection (3) of section two hundred and seventy-two of the principal Act, state the voyages or class of voyages on which, as regards construction and equipment, the steamer is in the surveyor's judgment fit to ply.
- (2) A declaration of survey made by an engineer surveyor in respect of a passenger steamer shall, instead of stating the particulars required by paragraph (e) of subsection (4) of the said section, state the voyages or class of voyages on which, as regards machinery, the steamer is in the surveyor's judgment fit to ply.
- (3) If in the judgment of any such surveyor a passenger steamer is fit to ply on international voyages while engaged in a special passenger trade only, his declaration of survey shall state that fact.
