

Public Health Act 1936

1936 CHAPTER 49

PART II

SANITATION AND BUILDINGS.

Sewerage and sewage disposal.

19 Power of local authority to require proposed sewer or drain to be so constructed, as to form part of general system.

- (1) Where a person proposes to construct a drain or sewer, the local authority may, if they consider that the proposed drain or sewer is, or is likely to be, needed to form part of a general sewerage system which they have provided or propose to provide, require him to construct the drain or sewer in a manner differing, as regards material or size of pipes, depth, fall, direction or outfall, or otherwise, from the manner in which he proposes, or could otherwise be required by them, to construct it, and it shall be his duty to comply with the requirements of the local authority :

Provided that, if he is aggrieved by the requirements of the authority, he may within twenty-eight days appeal to the Minister who may either disallow the requirements or allow them with or without modification.

- (2) An authority who exercise the powers conferred upon them by this section shall repay to the person constructing the drain or sewer the extra expenses reasonably incurred by him in complying with their requirements and, until the drain or sewer becomes a public sewer, they shall also from time to time repay to him so much of any expenses reasonably incurred by him in repairing or maintaining it as may be attributable to their requirements having been made and complied with, and, if any question arises as to the amount of any payment to be made to him under this subsection, that question may on his application be determined by a court of summary jurisdiction, or he may require it to be referred to arbitration.
- (3) If any person who under this section has been required by a local authority to construct a drain or sewer in a particular manner constructs it otherwise than in accordance with the requirements of the authority, he shall be liable to a fine not exceeding fifty
