[^{F11}3A Power to control and wind up certain businesses.

- (1) Where any business is being carried on in the United Kingdom by, or on behalf of, or under the direction of, persons all or any of whom are enemies or enemy subjects or appear to the Board of Trade to be associated with enemies, the Board of Trade may, if they think it expedient so to do, make—

 - (b) an order (hereafter in this section referred to as a “winding up order”) requiring the business to be wound up.

and the making of a restriction order as respects any business shall not prejudice the power of the Board, if they think it expedient so to do, at any subsequent date to make a winding up order as respects that business.

- (2) Where an order under subsection (1) of this section is made as respects any business, the Board of Trade may, by that or a subsequent order, appoint a controller to control and supervise the carrying out of the order, and in the case of a winding up order, to conduct the winding up of the business, and may confer on the controller any such powers in relation to the business as are exercisable by a liquidator in the voluntary winding up of a company in relation to the company (including power in the name of the person carrying on the business or in his own name, and by deed or otherwise, to convey or transfer any property, and power to apply to the court to determine any question arising in the carrying out of the order), and may by the order confer on the controller such other powers as the Board think necessary or convenient for the purpose of giving full effect to the order.
- (3) Where a restriction order or a winding up order is made as respects any business, the distribution of any assets of the business which are distributed while the order is in force shall be subject to the same rules as to preferential payments as are applicable to the distribution of the assets of a company which is being wound up, and the said assets of the business shall, so far as they are available for discharging unsecured debts, be applied in discharging unsecured debts due to creditors of the business who are not enemies in priority to unsecured debts due to any other creditors, and any balance, after providing for the discharge of all liabilities of the business, shall be distributed among the persons interested in the business in such manner as the Board of Trade may direct:
- Provided that the provisions of this subsection shall, in their application to the distribution of any money or other property which would, in accordance with those provisions, fall to be paid or transferred to an enemy, whether as a creditor or otherwise, have effect subject to the provisions of section seven of this Act (which relates to the collection of enemy debts and the custody of enemy property) and of any order made under that section.

- (a) of the value of those assets;
 - (b) of the amount of any liabilities of the business to creditors, whether secured or unsecured, who are enemies;
 - (c) of the amount of the claims of persons who are enemies to participate, otherwise than as creditors of the business, in any distribution of assets of the business made while an order under subsection (1) of this section is in force as respects the business;
- and, where such an estimate is made, the said liabilities and claims shall, for the purposes of this section, be deemed to have been satisfied out of the said assets of the business in enemy territory, or to have been satisfied thereout so far as those assets will go, and only the balance (if any) shall rank for satisfaction out of the other assets of the business.
- (5) Where an estimate has been prepared under the last preceding subsection, a certificate of the controller as to the value or amount of any assets, claims or liabilities to which the estimate relates shall be conclusive for the purpose of determining the amount of the assets of the business available for discharging the other liabilities of the business and for distribution amongst other persons claiming to be interested in the business: Provided that nothing in this subsection shall affect the rights of creditors of, and other persons interested in, the business against the assets of the business in enemy territory.
- (6) The Board of Trade may, on an application made by a controller appointed under this section, after considering the application and any objections which may be made by any person who appears to them to be interested, by order grant the controller a release, and an order of the Board under this subsection shall discharge the controller from liability in respect of any act done or default made by him in the exercise and performance of his powers and duties as controller; but any such order may be revoked by the Board on proof that it was obtained by fraud or by suppression or concealment of any material fact.
- (7) If any person contravenes, or fails to comply with, the provisions of any order made under subsection (1) of this section, he shall be guilty of an offence of trading with the enemy.

- (9) Where an order is made under this section appointing a controller for any business, any remuneration of, and any costs, charges and expenses incurred by, the controller, and any other costs, charges and expenses incurred in connection with the control and supervision of the carrying out of the order, shall, to such amount as may be certified by the Board of Trade, be defrayed out of the assets of the business, and as from the date of the certificate, be charged on those assets in priority to any other charges thereon].
