Transfer of assets to the Board

5 Transfer of assets generally.

- (1) The assets described in Part I of the First Schedule to this Act shall vest in the Board, by virtue of this section and without further assurance, on such date as the Minister may by order appoint in that behalf (in this Act referred to as “the primary vesting date”).
- (2) The assets described in Part II of the First Schedule to this Act shall be subject to the following provision, that is to say, the Board and the owner thereof shall each have the option to require that any such assets shall vest in the Board, exercisable by notice in writing given to the other, and any such assets as to which that option is duly exercised shall vest in the Board as aforesaid on the first day of the month next after that in which the notice is given:

Provided that if the notice is given before the primary vesting date, the vesting shall be on that date.

- (3) The assets described in Parts III and IV respectively of the First Schedule to this Act shall be subject to the like provision as is mentioned in the last preceding subsection, except that, if the party to whom the notice is given (whether the owner or the Board) gives to the other a counter-notice in writing objecting, as respects all or any of the assets to which the original notice relates, to the vesting thereof in the Board, the question whether the assets as to which objection is so made or any of them are so to vest shall be determined by arbitration under this Act, and the date of vesting of such of them as under the arbitrator’s award are so to vest shall be as it would have been if the original notice had been given on the date of the award.

In considering any question which is to be determined by arbitration under this subsection the arbitrator shall have regard to all the circumstances, and in particular, where the exercise of the option in question is by the Board, to the importance to the Board, for the purposes of any activities which they are required or authorised to carry on, of the assets being vested in them, and, where the exercise of the option is by the owner, to the extent to which the severance of the assets in question from other assets of his which are vested or to be vested in the Board affects the usefulness to him of the assets in question.

 - (g) for the modification of provisions of the Coal Acts 1938 to 1943, which may be necessary or expedient in consequence of the vesting in the Board by virtue of this section of assets previously in the ownership of the Coal Commission.
- (8) Notwithstanding anything in subsection (1) of this section, the Minister may by order exclude from the operation of that subsection an asset described in Part I of the First Schedule to this Act, if an application in that behalf is made to him by the Board not later than the expiration of one year from the primary vesting date and the owner of the asset in question consents.
