- 2 In all Cases the Landowner shall have Power to sell and dispose of the Calk, Feagh, Spar, and other Minerals and Rubbish (except Lead Ore), and to remove the same from his Land so soon as the Lead Ore has been extracted from it, when and as often as he thinks proper, and when not required for the Use of the Mine, but not so as to destroy or injure any Mineral Property, without the Consent of the Barmaster and any Two Members of the Grand Jury.
- 3 The Barmaster and every Deputy Barmaster shall provide a Dish or Measure which shall contain Fifteen Pints of Water, and be adjusted in the Presence of Two of the Grand Jury, for measuring the Ore, and they shall forfeit the Sum of Two Pounds every Time they are required to measure Ore of any Mine and are unprovided with such Dish or Measure, such Penalty of Two Pounds to be recovered and received for his own Use by the Person who shall have required the Ore to be measured, by an Action in the County Court.

- 14 When Two Veins approach each other but are parted with a Rither, and such Veins continue asunder for One Meer or further in Length without any Joint of Ore or other Mineral crossing the same (such Joint of Ore or other Mineral not being a new Vein), and the Rither during that Distance in all Parts exceeds Three Feet in Thickness, then they are to be considered and treated as Two distinct Veins so long as they so continue asunder, but whenever they again meet the elder or prior Title shall take the Vein.
- 15 In any Dispute where the Priority of Title shall come in question the longest continued Ownership shall prevail, but all Gifts from the Barmaster shall be considered as the Origin and Commencement of the Title, and Workmanship prior to such Gift (if any) shall not avail; and in all Cases the Jury on the Trial shall decide the Fact of such Priority.
- 16 If any Person shall claim Title to any Mine, the Claimant may commence an Action in the Small Barmote Court, by causing a Plaint to be entered in the Book mentioned in the Fifth Section; and if any Miner shall commit a Trespass in the Mine or Vein of any other Person, the Person aggrieved may commence an Action in the Small Barmote Court, by causing a Plaint to be entered in an Action of Trespass, and may proceed to Trial in the Small Barmote Court, and shall there recover Possession of the said Mine in the Action of Title, or Damages to be assessed by the Jury for the said Trespass; and any Person claiming a Debt against a Miner for Articles furnished to a Mine, or for Mining Purposes, or for Work or Labour in, upon, or in respect of any Mineral Property, may cause a Plaint to be entered in an Action of Debt, and shall annex the Particulars of his Debt to the Summons, and proceed to Trial in the Small Barmote Court, and shall there recover such Amount, if any, as upon Proof shall appear to be due to him; but no Evidence shall be admitted of any Items in an Action of Debt not mentioned in the Particulars annexed to the Summons.
- 17 No Miner or other Person shall, except as herein-after mentioned, bring more than One Action of Title to recover the same Mine, and a Nonsuit shall be deemed of the same Effect as a Judgment for the Defendant; but in Actions of Trespass or Debt the Plaintiff, if nonsuited, shall be allowed to commence a fresh Action: Provided always, that the Steward shall in any Case whatever, whether of Title, Trespass, or Debt, have the Power, if he shall think fit, to order a new Trial to be had, upon such Terms as he shall think reasonable, and in the meantime to stay the Proceedings.
- 18 Every Meer of Ground shall contain Thirty-two Yards in Length; and the Miner shall be entitled to take and have set out for him any Proportion of a Meer, upon freeing the same, by Payment of an Amount of Ore proportionate to the Amount payable upon freeing a whole Meer.
- 19 The Barmaster, if he finds any Mine or Vein neglected and not wrought, and not hindered by Water or for Want of Air, shall, if required so to do by any Person or Persons, send to the Owner or reputed Owner, where known to him, and if not known to him, then put up in some conspicuous Place within the Liberty in which the Mine or Vein is situate, a Notice that such Mine or Vein will, at the Expiration of Three Weeks, if not duly and reasonably worked to the Satisfaction of the Barmaster and Grand Jury, and no other sufficient Reason assigned to them, be forfeited; and if at the Expiration of the said Three Weeks the Mine or Vein is not so worked, the Barmaster, in the Presence of Two of the Grand Jury, may give such Mine or Vein to any Person or Persons willing to work the same; provided that nothing herein contained shall authorize the Barmaster to give away such Mine or Vein if the Owner thereof be unable to work the same by reason of such Mine or Vein being under Water, or for Want of Air, so long as the Owner thereof is using efficient and

- 20 If any Person has Shares in a Mine, and refuses to join his Partners or the Owners of the other Shares in working the same, or to pay his Proportion of the Expenses of working the same for the Space of Six Days after the same has been demanded by the Party complaining or his Agent, he shall forfeit his Part and Share to his Partners, who shall be entitled to recover the same against such defaulting Owner in an Action of Title in the Small Barmote Court, and the only Evidence necessary in such Action to enable the Plaintiff to obtain Judgment shall be Proof that the Plaintiff has worked the said Mine, and the Amount of the Expenses incurred, and a Demand of Payment of Defendant's Share thereof as aforesaid, and the Neglect or Refusal of Defendant to pay it for the Space of Six Days after the Demand; and it shall be no Defence to such Action that the Plaintiff is Partner or joint Owner with the Defendant in the Mine or Shares sought to be recovered.
- 21 If any Person be possessed of any Mine, and be working the same, and any other Person claims Title thereto, such Claimant shall, within the Space of Three Calendar Months next after he shall have had Notice of the same being in open Workmanship, and at all events within Six Calendar Months after the same shall have been in open Workmanship, whether he shall have had Notice or not, assert his Claim by an Action of Title in the Small Barmote Court, or else such Claim shall be barred.
- 22 If the Barmaster shall, in any Matter connected with the Duties of his Office, require a View to be made by the Grand Jury, or if the Plaintiff or Defendant in any Action of Title or Trespass in the Small Barmote Court, or if any Miner or other Person shall for any Purpose require a View to be made of the Mine or Works of any Person whomsoever, then and in each and every of such Cases a View shall be made, and the Person so requiring a View shall, when the Grand Jury are assembled, deliver to the Steward a Bill of Directions describing the Mine or particular Part or Parts of a Mine, or Ground or Works, or other Matters or Things, which the Grand Jury are required to view, and stating the Question upon which their Opinion is required, but such Bill of Directions shall contain no Argument or Comment whatever, and thereupon the Steward shall openly read the said Bill of Directions to the Grand Jury, and, if the same is in the Opinion of the Steward properly framed, deliver it to One of the Grand Jury, who shall take the same with him for the Guidance of himself and the rest of the Grand Jury in making their View; but if any Person affected by the said Proceeding object to the said Bill of Directions or to any Cross Bill delivered as herein-after mentioned as containing Matter of Argument, Assertion, or Comment not being a Description of the Mine, Ground, or Works, or other Matters or Things to be viewed, or a Statement of the Question necessary for the Guidance of the Grand Jury in making their View, the Steward before delivering the Bill or Cross Bill to the Grand Jury shall in all Cases decide upon the Validity of such Objections, and if he thinks the same well founded shall cause the Bill or Cross Bill to be altered and corrected in such Manner as the Steward shall think right, and after making such View such of the Grand Jury as shall concur in Opinion shall in answer to such Bill and Cross Bill, if any, write their Opinion and sign it, and such of the Grand Jury as shall not concur in Opinion with any of their fellow Jurymen shall write separate Opinions and sign them, so that the Signature of each of the Grand Jury shall be affixed either to his own separate Opinion or to that of himself and some other or others of the said Grand Jury; and the said Bill and Cross Bill, if any, with the Opinions, shall be delivered to the Steward, who shall thereupon openly read the same in the Presence of the Grand Jury and of the Person or Persons who shall have preferred such Bill or Cross Bill; and such Bill and Cross Bill, if any, and the

Any Person who may be affected by the Proceedings at any View may appoint a Shower to accompany the Grand Jury, and to show on his Behalf the Place to be viewed.
- 23 Any Person who may be affected by the Opinion of the Grand Jury on any View may, if he thinks fit, at the same View deliver a Bill of Directions to the said Grand Jury, which second Bill shall be called a Cross Bill of Directions, in similar Form to the original Bill, stating the Question on which their Opinion is requested, and the Steward shall in like Manner, immediately after reading the original Bill, read over such Cross Bill, and deliver the same to One of the Grand Jury to take to the Mine or Ground for the Guidance of himself and the rest of the Grand Jury.
- 24 When a Bill of Directions and also a Cross Bill shall be delivered to the Grand Jury at the same View, it shall not be requisite for them to write their Opinions until they have completed the View on the Cross Bill, unless they think proper to do so, and in no Case shall it be competent for the Grand Jury to examine any Evidence produced by either Party.
- 25 If any Person shall obstruct the Grand Jury in viewing any Mine or Works, the Grand Jury shall state such Fact in Writing, and return such Writing signed by any One or more of them, together with the Bill of Directions, and Cross Bill, if any, to the Steward, and the Person so obstructing shall forfeit by way of Penalty such Sum not exceeding Twenty Pounds as the Steward shall think fit to impose, and the Steward shall have Power to impose a fresh Penalty every Day on which such Obstruction is repeated; and if any such Penalty be not paid within Three Days after the same shall be imposed, the Steward shall issue his Warrant for levying the same. Before imposing any such Penalty, the Steward shall give to the Offender Seven clear Days Notice to show Cause, at a Time and Place situate within the Hundred of the High Peak, to be named in such Notice, why a Penalty should not be imposed.
- 26 If any Person shall, by virtue of any Sough Engine or other Means, unwater or give Relief to any Mine or Vein which may be under Water and the further working thereof be hindered, the Owner of any such Mine so relieved shall from Time to Time, so long as such Relief be continued, deliver to the Person giving such Relief as aforesaid such Part and Portion of all the Ore which at any Time thereafter shall be got and raised in such Mine or Vein under the Level at which such Relief was given, as the Barmaster and Grand Jury may from Time to Time fix and determine; such Part and Portion of the said Ore to be delivered and dressed and made

- 28 If the Grand Jury shall be summoned to any View by any Person, not being Plaintiff or Defendant in any Action in the Small Barmote Court, for the Purpose of delivering their Opinion as to whether any other Person is working in any Mineral Ground belonging to the Persons so summoning the Grand Jury, and the Majority of the Grand Jury assembled at any such View, shall give it as their Opinion that such is in all probability the Case, but that for Want of Workmanship the Fact does not yet clearly appear, it shall be lawful for the Steward to require such other Person to give to the Steward Security for the Value of all Ore which may be gotten in his Workings thenceforth, until such Time as sufficient Working shall have been done to make the Truth appear; and unless Security shall be given unto and to the Satisfaction of the Steward, it shall be lawful for him to direct and authorize the Barmaster to retain all Ore gotten in the Workings of such other Person so failing to give Security, until such Security shall be given, or until sufficient further Working shall have been done to enable the Grand Jury at any adjourned View to form a satisfactory Opinion; and if the Grand Jury assembled at any such adjourned View, or the Majority of those so assembled, shall state their Opinion to be that the Workings of the Person originally summoning the Grand Jury and of such other Person form one and the same Title, the Steward shall thereupon order the Barmaster to deliver to the Person who shall have originally summoned the Grand Jury the Ore which shall have been so retained as aforesaid, or, if Security shall have been given as aforesaid, then the Person who shall have originally summoned the Grand Jury shall be entitled to the Benefit of such Security, to the Extent of the Value of the Ore which shall have been gotten by such other Person as aforesaid since the original View, and shall be entitled to use the Name of the Steward, if necessary, for enforcing such Security, and if either Party feels himself aggrieved, such Party may prosecute his Claim in the Small Barmote Court.
