### 3 **Application of Part I, and interpretation of terms.**

This part of this Act shall apply to the railway authorized to be constructed by any special Act hereafter passed and incorporating this part of this Act.

In this part of this Act—

All terms used have the same meanings as the same terms have when used in the <sup>M1</sup>Railways Clauses Consolidation Act 1845, and the <sup>M2</sup>Railways Clauses Consolidation (Scotland) Act 1845, respectively:

The term “tidal river” means any part of a river within the flow and ebb of the tide at ordinary spring tides:

The term “tidal water” means any part of the sea or any part of a river within the flow and ebb of the tide at ordinary spring tides:

The term “tidal lands” means such parts of the bed, shore, or banks of a tidal water as are covered and uncovered by the flow and ebb of the tide at ordinary spring tides.

The provisions respecting the recovery of penalties contained in the said Railways Clauses Consolidation Acts respectively, as the case may require, shall be incorporated with this part of this Act.

### *Alteration of Engineering Works*

### 4 **Power to alter engineering works.**

Notwithstanding anything in the said Railways Clauses Consolidation Acts, respectively contained, the company, in the construction of the railway may deviate from the line or level of any arch, tunnel or viaduct, described on the deposited plans or sections, so as the deviation be made within the limits of deviation shown on those plans, and subject to the limitations contained in sections eleven, twelve, and fifteen of those Acts respectively, and so as the nature of the work described be not altered, and may also substitute any engineering work not shown on the deposited plans or sections, for an arch, tunnel, or viaduct, as shown thereon; provided, that every such substitution be authorized by a certificate of the Board of Trade; and the Board of Trade may grant such certificate in case it appears to them, on due inquiry, that the company has acted in the matter with good faith, and that the owners, lessees, and occupiers of the lands in which the substitution is intended to be made consent thereto, and also that the safety and convenience of the public will not be diminished thereby. Provided, that nothing in the present section shall affect any power given to the company or to the Board of Trade by section eleven, twelve, fourteen, or fifteen of the last-mentioned Acts respectively.

## 7 Board of Trade may require bridge instead of level crossing.

The Board of Trade may, if it appears to them necessary for the public safety, at any time after the passing of the special Act, require the company, within such time as the Board of Trade directs, and at the expense of the company, to carry the turnpike road or public carriage road either under or over the railway by means of a bridge or arch, instead of crossing the same on the level, or to execute such other works as, under the circumstances of the case, may appear to the Board of Trade best adapted for removing or diminishing the danger arising from the level crossing.

Where the road is so carried either under or over the railway, it shall not be necessary for the company to erect or maintain a lodge at the point where the road is crossed, or to appoint a person to watch or superintend the crossing thereat, nor shall they be liable to any penalty for failure so to do.

### Junctions

## 12 As to expense of signals, watchmen, &c.

The company or person with whose railway the junction is made may from time to time erect such signals and conveniences incident to the junction, either on their or his own lands or on the lands of the company making the junction, and may from time to time appoint and remove such watchmen, switchmen, or other persons, as may be necessary for the prevention of danger to or interference with the traffic at and near the junction. The working and management of such signals and conveniences, wherever situated, shall be under the exclusive regulation of the company or person with whose railway the junction is made; and all the expenses of erecting and maintaining those signals and conveniences, and of employing those watchmen, switchmen, and other persons, and all incidental current expenses, shall, at the end of every half year, be repaid by the company making the junction, and in default thereof may be recovered from them in any court of competent jurisdiction.

## **13 Lights on works.**

Where the company is authorized by the special Act to construct, alter, or extend any work on, in, over, through, or across tidal lands or a tidal water, the company shall, on or near the work, during the whole time of the constructing, altering, or extending thereof, exhibit and keep burning at their own expense, every night from sunset to sunrise, such lights (if any) as the Board of Trade from time to time requires or approves; and (notwithstanding the enactments for the time being in force respecting lighthouses) shall also on or near the work, when completed, always maintain, exhibit, and keep burning, at their own expense, every night from sunset to sunrise, such lights (if any) for the guidance of ships as the Board of Trade from time to time requires or approves.

If the company fails to comply in any respect with the provisions of the present section, they shall for each night in which they so fail be liable to a penalty not exceeding twenty pounds.

## **14 Construction of bridges.**

Where the company is authorized or required by the special Act to construct a bridge over a navigable tidal water, and the special Act does not make express provision respecting the span or spans thereof, then the company shall construct the same with a span or spans of such headway and waterway, and with such opening span or spans (if any), and according to such plan, as the Board of Trade directs or approves.

Where the railway cuts off access between the land and a tidal water or tidal lands, then and in every such case the company shall, during the construction of the railway, and from time to time thereafter, make, and shall permanently maintain, and allow to be used by all persons, at all times, free of toll or other charge, all such footways and carriageways over, under, or across the railway, or on a level therewith, as the Board of Trade from time to time directs or approves: Provided always, as follows:-

- (1) The company shall not be obliged to make a footway or carriageway over lands for the use of an owner or occupier who has agreed to receive and has been paid compensation for the severance thereof from the tidal water or tidal lands:
- (2) The company shall not be obliged to make or to allow to be made a footway or carriageway in such manner as would interfere with the working or using of the railway:
- (3) The expense of the making and maintenance of a footway or carriageway required to be made after the construction of the railway shall be defrayed by the persons or body interested in the tidal water or tidal lands for whose benefit or convenience the same is required.

Where the footway or carriageway is made across the railway on the level, then the manner of the making and watching of the level crossing shall be subject to the approval of the Board of Trade; and where the level crossing is made after the construction of the railway, then all expenses attending the watching thereof shall be defrayed by the persons or body interested in the tidal water or tidal lands for whose benefit or convenience the same is required.
