- (1) The local authority of such district; or by—
- (2) Any person, persons, corporation, or company, with the consent of the local authority of such district; or of the road authority of such district where such district is or forms part of a highway district formed under the provisions of " The Highway Acts :"

#### **5 The Board of Trade may in certain cases dispense with the consent of local or road authority.**

Where it is proposed to lay down a tramway in two or more districts, and any local or road authority having jurisdiction in any of such districts does not consent thereto, the Board of Trade may, nevertheless, make a Provisional Order authorising the construction of such tramway if they are satisfied, after inquiry, that two thirds of the length of such tramway is proposed to be laid in a district or in districts the local and road authority or the local and road authorities of which district or districts do consent

thereto; and in such, case they shall make a special report stating the grounds upon which they have made such order.

The Board of Trade shall consider the application, and may, if they think fit, direct an inquiry in the district to which the same relates, or may otherwise inquire as to the propriety of proceeding upon such application, and they shall consider any objection thereto that may be lodged with them on or before such day as they from time to time appoint, and shall determine whether or not the promoters may proceed with the application.

## **8 Power for Board of Trade to make Provisional Order. Form and contents of Provisional Order.**

Where it appears to the Board of Trade expedient and proper that the application should be granted, with or without addition or modification, or subject or not to any restriction or condition, the Board of Trade may settle and make a Provisional Order accordingly.

Every such Provisional Order shall empower the promoters therein specified to make the tramway upon the gauge and in manner therein described, and shall contain such provisions as (subject to the requirements of this Act) the Board of Trade, according to the nature of the application and the facts and circumstances of each case, think fit to submit to Parliament for confirmation in manner provided by this Act; but so that any such Provisional Order shall not contain any provision for empowering the promoters

**9 Regulations as to construction of tramways in towns.**

Every tramway in a town which is hereafter authorised by Provisional Order shall be constructed and maintained as nearly as may be in the middle of the road; and no tramway shall be authorised by any Provisional Order to be so laid that for a distance of thirty feet or upwards a less space than nine feet and six inches shall intervene between the outside of the footpath on either side of the road and the nearest rail of the tramway if one third of the owners or one third of the occupiers of the houses, shops, or warehouses abutting upon the part of the road where such less space shall intervene as aforesaid shall in the prescribed manner and at the prescribed time express their dissent from any tramway being so laid.

On proof to the satisfaction of the Board of Trade of the completion of such publication as aforesaid, the Board of Trade shall, as soon as they conveniently can after the expiration of seven days from the completion of such publication, procure a Bill to be

introduced into either House of Parliament in relation to any Provisional Order which shall have been published as aforesaid not later than the twenty-fifth of April in any year, for an Act to confirm the Provisional Order, which shall be set out at length in the schedule to the Bill; and until confirmation, with or without amendment, by Act of Parliament, a Provisional Order under this Act shall not have any

If while any such Bill is pending in either House of Parliament a petition is presented against any Provisional Order comprised therein, the Bill, so far as it relates to the order petitioned against, may be referred to a select committee, and the petitioner shall be allowed to appear and oppose as in the case of a Bill for a special Act.

The Act of Parliament confirming a Provisional Order under this Act shall be deemed a Public General Act.

## **18 Cesser of powers at expiration of prescribed time.**

If the promoters, empowered by any Provisional Order under this Act to make a tramway, do not, within two years from the date of the same, or within any shorter period prescribed therein, complete the tramway and open it for public traffic ; or,

If within one year from the date of the Provisional Order, or within such shorter time as is prescribed in the same, the works are not substantially commenced; or,

If the works having been commenced are suspended without a reason sufficient in the opinion of the Board of Trade to warrant such suspension;

the powers given by the Provisional Order to the promoters for constructing such tramway, executing such works, or otherwise in relation thereto, shall cease to be exercised, except as to so much of the same as is then completed, unless the time be prolonged by the special direction of the Board of Trade; and as to so much of the same as is then completed the Board of Trade may allow the said powers to continue and to be exercised if they shall think fit, but failing such permission the same shall cease to be exercised, and where such permission is withheld then so much of the said tramway as is then completed shall be deemed to be a tramway to which all the provisions of this Act relating to the discontinuance of tramways after proof of such discontinuance shall apply, and may be dealt with accordingly.

A notice purporting to be published by the Board of Trade in the London or Edinburgh Gazette, accordingly as the district to which it relates is situate in England or Scotland, to the effect that a tramway has not been completed and opened for public traffic, or that the works have not been substantially commenced, or that they have been suspended without sufficient reason, shall be conclusive evidence for the purposes of this section of such non-completion, non-commencement, or suspension.

## **19 Local authority may lease or take tolls.**

When a tramway has been completed under the authority of a Provisional Order by any local authority, or where any local authority has under the provisions of this Act acquired possession of any tramway, such authority may, with the consent of the Board of Trade, and subject to the provisions of this Act, by lease, to be approved of by the Board of Trade, demise to any person, persons, corporation, or company the right of user by such person, persons, corporation, or company of the tramway, and of demanding and taking in respect of the same the tolls and charges authorised; or such authority may leave such tramway open to be used by the public, and may in respect of such user demand and take the tolls and charges authorised; but nothing in this Act contained shall authorise any local authority to place or run carriages upon such tramway, and to demand and take tolls and charges in respect of the use of such carriages.

Notice of the intention to make such lease shall be published by the local authority by advertisement, and a copy of such lease shall be deposited according to the regulations contained in Part I. of the Schedule (C.) to this Act annexed; and unless such notice is given, and such copy deposited, such lease shall not be approved of by the Board of Trade.

Every such lease shall be made for a term or for terms not exceeding in the whole twenty-one years.

On the determination of any lease made under this Act, the local authority may from time to time, with the consent of the Board of Trade, by lease, demise such rights for

such further term or terms, not exceeding in any case twenty-one years, as the said Board may approve.

Every such lease shall imply a condition of re-entry if at any time after the making of the same the lessees discontinue the working of the tramway leased, or of any part thereof, for the space of three calendar months (such discontinuance not being occasioned by circumstances beyond the control of such lessees, for which purpose the want of sufficient funds shall not be considered a circumstance beyond their control).

The person, persons, corporation, or company to whom any such lease may be made are in this Act referred to as " lessees. "

## **20 How expenses to be defrayed.**

Where the local authority in any district are the promoters of any tramway, they shall pay all expenses incurred by them in applying for and obtaining a Provisional Order, and carrying into effect the purposes of such Provisional Order, out of the local rate, and any such expenses shall be deemed to be purposes for which such local rate may be made, and to which the same may be applied.

Where the local rate is limited by law to a certain amount, and is by reason of such limitation insufficient for the payment of such expenses, the Board of Trade may, by the Provisional Order, extend the limit of such local rate to such amount as they shall think fit, and prescribe for the payment of such expenses.

Such local authority may, for the purposes of such Provisional Order, borrow and take up at interest, on the credit of such local rate, any sums of money necessary for defraying any such expenses ; and for the purpose of securing the repayment of any sums so borrowed, together with such interest as aforesaid, such local authority may mortgage to the persons by or on behalf of whom such sums are advanced such local rate; but the exercise of the above-mentioned power shall be subject to the following regulations:

- (1) The money so borrowed shall not exceed such sum as may be sanctioned by the Board of Trade.
- (2) The money may be borrowed for such time, not exceeding thirty years, as such local authority, with the sanction of the Board of Trade, shall determine; and, subject as aforesaid to the repayment within thirty years, such local authority may either pay off the moneys so borrowed by equal annual instalments, or they may in every year set apart as a sinking fund, and accumulate in the way of compound interest by investing the same in the purchase of exchequer bills or other government securities, such sum as will be sufficient to pay off the moneys so borrowed, or a part thereof, at such times as the local authority may determine.

The provisions of " The Commissioners Clauses Act, 1847, " with respect to the mortgages to be executed by the Commissioners, shall apply to any mortgage executed under the foregoing provisions of this section, and for the purposes of such application the said provisions shall be incorporated with this Act.

For the purposes of such incorporation, the terms " the special Act," and " the Commissioners," shall be construed to mean respectively a Provisional Order under this Act, and the local

Such local authority shall keep separate accounts of all moneys paid by them in applying for, obtaining, and carrying into effect any such Provisional Order, and in the

repayment of moneys borrowed, and of all moneys received by them by way of rent or tolls in respect of the tramway authorised thereby.

When, after payment of all charges incurred under the authority of this Act, and necessary for giving effect to such Provisional Order, there shall be remaining in the hands of such local authority any of the moneys received by them by way of rent or tolls in respect of the tramway authorised by such Provisional Order, such moneys shall be applied by them to the purposes for which the local rate may be by them applied.

**21 Metropolitan Board may, for carrying Provisional Order into effect, create stock under Loans Act of 1869.**

The Metropolitan Board of Works may, in order to raise money for the purpose of carrying into effect the purposes of any Provisional Order obtained by them, create additional stock, not exceeding in the whole three hundred thousand pounds, under "The Metropolitan Board of Works (Loans) Act, 1869," in like manner, and with the like sanction, in and with which they may create stock in order to raise money for the purposes of the Acts mentioned in the first schedule to that Act; and all the provisions of that Act shall apply as if that money were raised and that stock were created for the purposes of the last-mentioned Acts, with the exception that the money required for the purposes of any such Provisional Order may be borrowed by them in addition to the sum limited by section thirty-eight of "The Metropolitan Board of Works (Loans) Act, 1869."

2. They shall not open, or break up, or alter the level of any road, except under the superintendence and to the reasonable satisfaction of the road authority, unless that authority refuses or neglects to give such superintendence at the time specified in the notice, or discontinues the same during the work:
3. They shall pay all reasonable expenses to which the road authority is put on account of such superintendence :
4. 2. They shall in the meantime cause the place where the road is opened Or broken up to be fenced and watched, and to be properly lighted at night:
3. They shall bear or pay all reasonable expenses of the repair of the road for six months after the same is restored, as far as those expenses are increased by the opening or breaking up.

## **28 Repair of part of road where tramway is laid.**

The promoters shall, at their own expense, at all times maintain and keep in good condition and repair, with such materials and in such manner as the road authority shall direct, and to their satisfaction, so much of any road whereon any tramway belonging to them is laid as lies between the rails of the tramway and (where two tramways are laid by the same promoters in any road at a distance of not more than four feet from each other) the portion of the road between the tramways, and in every case so much of the road as extends eighteen inches beyond the rails of and on each side of any such tramway. If the promoters abandon their undertaking, or any part of the same, and take up any tramway or any part of any tramway belonging to them, they shall with all convenient speed, and in all cases within six weeks at the most (unless the road authority otherwise consents in writing), fill in the ground and make good the surface, and, to the satisfaction of the road authority, restore the portion of the road upon which such tramway was laid to as good a condition as that in which it was before such tramway was laid thereon, and clear away all surplus paving or metalling material or rubbish occasioned by such work; and they shall in the meantime cause the place where the road is opened or broken up to be fenced and watched, and to be properly lighted at night: Provided always, that if the promoters fail to comply with the provisions of this section, the road authority, if they think fit, may themselves at any time, after seven days notice to the promoters, open and break up the road, and do the works necessary for the repair and maintenance or restoration of the road, to the extent in this section above mentioned, and the expense incurred by the road authority in so doing shall be repaid to them by the promoters.

If it should appear to any such company or person that the construction of the tramway as proposed would endanger any such main or pipe, tube, wire, or apparatus, or interfere with or impede the supply of water or gas or the telegraphic or other communication, such company or person (as the case may be) may give notice to the promoters to lower or otherwise alter the position of the said mains or pipes, tubes, wires, or apparatus in such manner as may be considered necessary, and any difference as to the necessity of any such lowering or alteration shall be settled in manner provided by this Act for the settlement of differences between the promoters and other companies or persons, and all alterations to be made under this section shall be made with as little detriment and inconvenience to the company or person to whom such mains or pipes, tubes, wires, or apparatus may belong, or by whom the same are controlled, or to the inhabitants of the district, as the circumstances will admit, and under the superintendence of such company or person or of their surveyor or engineer if they or he think fit to attend, after receiving not less than forty-eight hours notice for that purpose, which notice the promoters are hereby required to give:

5. If by any such operations as aforesaid the promoters interrupt the supply of water or gas in or through any main or main pipe they shall be liable to a penalty not exceeding twenty pounds for every day upon which such supply shall be so interrupted.

### **31 For protection of sewers, &c.**

Where in any district any tramway or any work connected therewith interferes with any sewer, drain, watercourse, subway, defence, or work in such district, or in any way affects the sewerage or drainage of such district, the promoters shall not commence any tramway or work until they shall have given to the proper authority fourteen days previous notice in writing of their intention to commence the same, by leaving such notice at the principal office of such authority with all necessary particulars relating thereto, nor until such authority shall have signified their approval of the same, unless such authority do not signify their approval, disapproval, or other directions within fourteen days after service of the said notice and particulars as aforesaid, and the promoters shall comply with and conform to all reasonable directions and regulations of the said authority in the execution of the said works, and shall provide by new, altered, or substituted works, in such manner as such authority shall reasonably require, for the proper protection of and for preventing injury or impediment to the sewers and works hereinbefore referred to, by or by reason of the tramways, and shall save harmless the said authority against all and every the expense to be occasioned thereby ; and all such works shall be done under the direction, superintendence, and control of the engineer or other officer or officers of the said authority, at the reasonable costs, charges, and expenses in all respects of the promoters; and when any new, altered, or substituted work as aforesaid, or any works or defence connected therewith, shall be completed by or at the costs, charges, or expenses of the promoters, under the provisions of this Act, the same shall thereafter be as fully and completely under the direction, jurisdiction, and control of the said authority and be maintained by them as any sewers or works.

1. They shall cause as little detriment or inconvenience to the promoters and lessees as circumstances admit :
2. Before they commence any work whereby the traffic on the tramway will be interrupted they shall (except in cases of urgency, in which cases no notice shall be necessary) give to the promoters and lessees, if there be any, notice of their intention to commence such work, specifying the time at which they will begin to do so, such notice to be given eighteen hours at least before the commencement of the work:
3. They shall not be liable to pay to the promoters or lessees any compensation for injury done to the tramway by the execution of such work, or for loss of traffic occasioned thereby, or for the reasonable exercise of the powers so vested in them as aforesaid:
4.
