The regulations in Part One of the First Schedule to this Act shall be deemed to form part of the terms of a continuing certificate for a factory.

For the purposes of this Act, a continuing certificate shall (save as otherwise expressly provided) be deemed to be a license, and the factory or magazine, as the case may be mentioned therein to be a factory or magazine licensed under this Act, and the provisions of this Act shall be construed accordingly.

Provided that—

- (1) It shall not be necessary in any case to apply for the assent of the local authority to an amending license for an alteration in the terms of such certificate, or for an alteration in the factory or magazine; and

Application of Act to existing Stores for Gunpowder

20 Definition of and continuing certificate for existing stores which are to be subject to this Act.

Any magazine established without a license from a local authority in pursuance of the ^{M2}Gunpowder Act 1860, or of any enactment repealed by that Act, for the use of any mine, quarry, colliery, or factory of safety fuzes, and in use at the passing of this Act, is in this Act referred to as an existing gunpowder store.

An existing gunpowder store shall not require a continuing certificate as a magazine from the Secretary of State, but shall require a continuing certificate from the local authority, and if such certificate is not applied for and obtained in manner provided by this Act, shall not be deemed to be a lawfully existing store.

The occupier of the store desirous of obtaining a continuing certificate shall, before the expiration of three months after the commencement of this Act, send an application for such certificate to the local authority, stating his name, address, and calling, and the situation and construction of the store, and accompanied by such particulars respecting the store as may be necessary to enable the local authority to make out the certificate.

The local authority upon receiving such application shall, as soon as practicable, on payment of such fee, not exceeding [^{F33}12½p] , as may be fixed by that authority, grant the continuing certificate, inserting therein such particulars as appear to them to be sufficient to identify the store, and inserting the maximum amount of gunpowder which the store is to be limited to hold, and such amount shall be the maximum amount which the store was capable of holding on the first day of January one thousand eight hundred and seventy-five, or such less amount as is limited by the regulations below in this section mentioned.

The regulations in Part Two of the First Schedule to this Act shall apply to every store to which a continuing certificate is granted, as if they were contained in an Order in Council under this Act relating to stores.

For the purposes of this Act a continuing certificate for a store shall, save as otherwise expressly provided, be deemed to be a license, and the store a store licensed under this Act, and the provisions of this Act shall be construed accordingly.

Provided that—

- (1) The store shall not be enlarged, or added to, or so altered as to be of a less secure construction, and any breach of this proviso shall be deemed to be a breach of the general rules relating to stores; and
- (2) The continuing certificate shall not be limited in duration, but if the business carried on in the store is discontinued, and either such discontinuance continues for a period of twelve months or more, or the store is used for another purpose, such store shall cease to be deemed an existing gunpowder store.

Nothing in this section shall prevent the obtaining for any existing gunpowder store of a license from the local authority under this Act, as in the case of a new store, and a store for which such license is obtained shall, whether a continuing certificate has or has not been previously obtained for the same, cease to be deemed an existing gunpowder store.
