The Inclosure Commissioners shall also require, in the case of an application for inclosure, special information as to the advantages the applicants anticipate to be derivable from the inclosure of a common as compared with the regulation of a common, also the reasons why an enclosure is expedient when viewed in relation to the benefit of the neighbourhood:

- (6) The Inclosure Commissioners shall take into consideration any application made to them as in this Act provided, and if satisfied by the information furnished to them as aforesaid, or by any further inquiries made by themselves or an Assistant Commissioner, that a prima facie case has been made out, and that, regard being had to the benefit of the neighbourhood as well as to private interests, it is expedient to proceed further in the matter, they shall order a local enquiry to be held by an Assistant Commissioner.
