

Highways and Locomotives (Amendment) Act 1878

1878 CHAPTER 77

PART I

AMENDMENT OF HIGHWAY LAW

Highway Districts

3 Highway districts to be made so far as possible coincident with rural sanitary districts

In forming any highway districts, or in altering the boundaries of any highway districts, the county authority shall have regard to the boundaries of the rural sanitary districts in their county, and shall, so far as may be found practicable, form highway districts so as to be coincident in area with rural sanitary districts, or wholly contained within rural sanitary districts.
