

Highway Act 1835

1835 CHAPTER 50

LXXXVAs to stopping up more than One Highway connected together.

Provided always, and be it further enacted, That in any Case where it is proposed to stop up or divert more than One Highway, which Highways shall be deemed to be so connected together as that they cannot be separately stopped or diverted without interfering one with the other, it shall be lawful to include such different Highways in One Order or Certificate.
