(b) In Brunei:

The income tax (hereinafter referred to as “Brunei tax”).

(2) This Arrangement shall also apply to any other taxes of a substantially similar character imposed in other United Kingdom or Brunei after this Arrangement has come into force.

2.—(1) In this Arrangement, unless the context otherwise requires—

(a) The term “United Kingdom” means Great Britain and Northern Ireland, excluding the Channel Islands and the Isle of Man.

(b) The term “Brunei” means the State of Brunei.

(c) The terms “one of the territories” and “the other territory” mean the United Kingdom or Brunei, as the context requires.

(d) The term “tax” means United Kingdom tax or Brunei tax, as the context requires.

(e) The term “person” includes any body of persons, corporate or not corporate.

(f) The term “company” includes any body corporate.

(g) The terms “resident of the United Kingdom” and “resident of Brunei” mean respectively any person who is resident in the United Kingdom for the purposes of United Kingdom tax and not resident in Brunei for the purposes of Brunei tax and any person who is resident in Brunei for the purposes of Brunei tax and not resident in the United Kingdom for the purposes of United Kingdom tax; and a company shall be regarded as resident in the United Kingdom for its business is managed and controlled in the United Kingdom and as resident in Brunei if its business is managed and controlled in Brunei.

(k) The term “permanent establishment” when used with respect to an enterprise of one of the territories, means a branch, management or other fixed place of business, but does not include an agency unless the agent has, and habitually exercises, a general authority to negotiate and conclude contracts on behalf of such enterprise or has a stock of merchandise from which he regularly fills orders on its behalf.

An enterprise of one of the territories shall not be deemed to have a permanent establishment in the other territory merely because it carries on business dealings in that other territory through a bona fide broker or general commission agent acting in the ordinary course of his business as such.

The fact that an enterprise of one of the territories maintains in the other territory a fixed place of business exclusively for the purchase of goods or merchandise shall not of itself constitute that fixed place of business a permanent establishment of the enterprise.

The fact that a company which is a resident of one of the territories has a subsidiary company which is a resident of the other territory or which is engaged in trade or business in that other territory (whether through a permanent establishment or otherwise) shall not of itself constitute that subsidiary company a permanent establishment of its parent company.

(2) Where under this Arrangement any income is exempt from tax in one of the territories if (with or without other conditions) it is subject to tax in the other territory, and that income is subject to tax in that other territory by reference to the amount thereof which is remitted to or received in that other territory, the exemption to be allowed under this Arrangement in the first-mentioned territory shall apply only to the amount so remitted or received.

(2) The industrial or commercial profits of a Brunei enterprise shall not be subject to United Kingdom tax unless the enterprise is engaged in trade or business in the United Kingdom through a permanent establishment situated therein. If it is so engaged, tax may be imposed on those profits by the United Kingdom, but only on so much of them as is attributable to that permanent establishment.

(3) Where an enterprise of one of the territories is engaged in trade or business in the other territory through a permanent establishment situated therein, there shall be attributed to that permanent establishment the industrial or commercial profits which it might be expected to derive from its activities in that other territory if it were an independent enterprise engaged in the same or similar activities under the same or similar conditions and dealing at arm's length with the enterprise of which it is a permanent establishment.

(4) No portion of any profits arising from the sale of goods or merchandise by an enterprise of one of the territories shall be attributed to a permanent establishment situated in the other territory by reason of the mere purchase of the goods or merchandise within that other territory.

**4. Where—**

- (a) an enterprise of one of the territories participates directly or indirectly in the management, control or capital of an enterprise of the other territory, or
- (b) the same persons participate directly or indirectly in the management, control or capital of an enterprise of one of the territories and an enterprise of the other territory, and
- (c) in either case conditions are made or imposed between the two enterprises, in their commercial or financial relations, which differ from those which would be made between independent enterprises, then any profits which would but for those conditions have accrued to one of the enterprises but by reason of those conditions have not so accrued may be included in the profits of that enterprise and taxed accordingly.

(2) Where a company which is a resident of one of the territories derives profits or income from sources within the other territory, the Government of that other territory shall not impose any form of taxation on dividends paid by the company to persons not resident in that other territory, or any tax in the nature of an undistributed profits tax on undistributed profits of the company, by reasons of the fact that those dividends or undistributed profits represent, in whole or in part, profits or income so derived.

7.—(1) Any royalty derived from sources within one of the territories by a resident of the other territory who is subject to tax in that other territory in respect thereof and is not engaged in trade or business in the first-mentioned territory through a permanent establishment situated therein, shall be exempt from tax in that first-mentioned territory; but no exemption shall be allowed under this paragraph in respect of so much of any royalty as exceeds an amount which represents a fair and reasonable consideration for the rights for which the royalty is paid.

- (b) the services are performed for or on behalf of a person resident in the United Kingdom, and
- (c) the profits or remuneration are subject to United Kingdom tax.

(2) Subject to the provisions of the law of Brunei regarding the allowance as a credit against Brunei of tax payable in a territory outside Brunei, United Kingdom tax payable, whether directly or by deduction, in respect of income from sources within the United Kingdom shall be allowed as a credit against any Brunei tax payable in respect of that income. Where such income is an ordinary dividend paid by a company resident in the United Kingdom, the credit shall take into account (in addition to any United Kingdom income tax appropriate to the dividend) the United Kingdom profits tax payable by the company in respect of its profits, and where it is a dividend paid on participating preference shares and representing both a dividend at the fixed rate to which the shares are entitled and an additional participation in profits, the profits, tax so payable by the company shall likewise be taken into account in so far as the dividend exceeds that fixed rate.

(3) For the purposes of this paragraph profits or remuneration for personal (including professional) services performed in one of the territories shall be deemed to be income from sources within that territory, and the services of an individual whose services are wholly or mainly performed in ships or aircraft operated by a resident of one of the territories shall be deemed to be performed in that territory.

## EXPLANATORY NOTE

The Finance (No. 2) Act, 1945, provides for double taxation arrangements with other countries to be given statutory effect by Order in Council. Any such Order is required to be laid before the House of Commons in draft.

Under the Arrangement with Brunei which is scheduled to this Order, certain classes of income derived from one country by a resident of the other country are (subject to certain conditions) to be exempt from tax in the former country; these classes are shipping and air transport profits, certain trading profits not arising through a “permanent establishment”, patent and copyright royalties, pensions other than Government pensions, purchased annuities and earnings of temporary business visitors. Government salaries are normally to be taxed by the paying Government only.
