

1961 No. 1777

PENSIONS

The Superannuation (Pest Infestation Laboratory and Civil Service) Transfer Rules, 1961

<i>Made</i> - - - -	18th September, 1961
<i>Laid before Parliament</i>	21st September, 1961
<i>Coming into Operation</i>	22nd September, 1961

The Lords Commissioners of Her Majesty's Treasury, in exercise of the powers conferred upon them by Section 2 of the Superannuation Act, 1957(a), and of all other powers enabling them in that behalf, hereby make the following Rules:—

1.—(1) Where a person was, on the first day of April, 1940, taken into the civil service of the State as an officer of the Department of Scientific and Industrial Research after having been employed as a member of the staff of the Imperial College of Science and Technology engaged in research on pest infestation, and his employment by that College was, in the opinion of the Treasury, of the same nature and for the same purpose as his employment in the service of the State, his service in employment by that College before the first day of April, 1940, but not before the first day of January, 1927, may be reckoned for the purposes of the Superannuation Acts as employment in an unestablished capacity within the meaning of Section 3 of the Superannuation Act, 1935(b).

(2) Where a person to whom the foregoing paragraph of this Rule applies was, before he was taken into the civil service of the State, a participant in a pension scheme under which employer's contributions were payable in respect of him by that College it shall be a condition of the making of any payment under the Superannuation Acts in respect of that person's service, so far as that payment is dependent on the provisions of the foregoing paragraph of this Rule, that there has been paid to the Exchequer a sum equal to the aggregate amount of the employer's contributions paid by that College in respect of that person, together with compound interest thereon calculated from the date on which each such contribution became payable at the rate of 3 per cent. per annum with yearly rests.

(3) These Rules shall not have effect so as to authorise an increase in an annual superannuation allowance or pension so far as the allowance or pension is payable in respect of a period before the coming into operation of these Rules.

2.—(1) In these Rules the expression "the Superannuation Acts" means the Superannuation Acts, 1834 to 1960.

(2) The Interpretation Act, 1889(c), shall apply for the interpretation of these Rules as it applies for the interpretation of an Act of Parliament.

3. These Rules may be cited as the Superannuation (Pest Infestation Laboratory and Civil Service) Transfer Rules, 1961, and shall come into operation on the 22nd day of September, nineteen hundred and sixty-one.

Dated this 18th day of September, 1961.

John Hill,

David Gibson-Watt,

Two of the Lords Commissioners
of Her Majesty's Treasury.

EXPLANATORY NOTE

(This Note is not part of the Rules, but is intended to indicate their general purport.)

The Rules provide for service with the Imperial College of Science and Technology (after the age of 18 but not before 1st January, 1927) of employees engaged on pest infestation research who were taken into the Civil Service on 1st April, 1940, to be reckoned, subject to certain conditions, as unestablished civil service for the purposes of the Superannuation Acts.
