### EXPLANATORY NOTE

*(This note is not part of the Regulations.)*

These regulations amend the National Insurance (National Health Service Superannuation Scheme—Modification and Non-participation) Regulations 1965 under which the superannuation contributions and pensions of persons subject to the National Health Service Superannuation Scheme, who are not contracted out of the graduated pension part of the National Insurance Scheme, are reduced to take account of the contributions and benefits payable under the latter scheme. These regulations exclude from such adjustment the additional contributions and benefits payable in consequence of the National Insurance Act 1966.
