(This Note is not part of the Order.)

This Order makes two amendments in the Customs Tariff consequential upon clarifications approved by the Customs Co-operation Council in the English text of the Brussels Nomenclature. It amends—

- (a) paragraph (c) of the note to Chapter 2 to make it clear that animal fat classified in Chapter 2 includes only animal fat of the type covered by heading 02.05;
- (b) note 6(b) to section XI to make clear the meaning of the expression “made up” in relation to certain textile goods.

It also amends heading 90.25 of the Customs Tariff to preserve the previous rate of import duty on environmental test chambers following their re-classification under this heading.
