EXPLANATORY NOTE

*(This Note is not part of the Regulations.)*

These regulations amend the Town and Country Planning (Grants) Regulations 1968 to take account of the effect of the Town and Country Planning Act 1968.

The regulations of 1968 determine the basis and method of calculation of grants payable by the Minister of Housing and Local Government and the Secretary of State for Wales to local authorities in respect of expenditure by them on the acquisition and clearing of land for the development and re-development of any area as a whole and for associated purposes.

Such grants are payable only in respect of land acquired under certain enactments specified in regulation 5(4) of the regulations of 1968, which regulation specifies, among others, section 68 (compulsory acquisition of land for development) of the Town and Country Planning Act 1962. That section has been superseded by section 28 (compulsory acquisition of land in connection with development and for other planning purposes) of the Town and Country Planning Act 1968, and these regulations add the latter section to the enactments specified in regulation 5(4) of the regulations of 1968.
