(This Note is not part of the Order.)

This Order imposes an anti-dumping duty of £275 per ton on zirconium dioxide originating in the Union of Soviet Socialist Republics. The duty is imposed retrospectively with effect from 9th May 1970, when such goods became subject to a provisional charge to duty by virtue of the Anti-Dumping (Provisional Charge to Duty) (No. 3) Order 1970 (which is revoked by this Order).

The Order applies section 2 of the Customs Duties (Dumping and Subsidies) Act 1969 to the duty, which enables relief to be granted where particular goods have not been dumped or the margin of dumping is less than the amount of the duty.
