## PART II

### TRANSFER FROM TEACHING SERVICE TO TRANSPORT EMPLOYMENT

#### *Application*

- 4.—(1) Except as provided in rule 5, this Part shall apply to a person who—
- (a) becomes, or before the operative date became, employed in transport employment within the prescribed period after ceasing to be employed in teaching service;
  - (b) within three months of becoming a member of a superannuation fund or six months after the operative date, whichever period shall last expire, or within such longer period as the transport authority may with the agreement of the Secretary of State in any particular case allow, notifies that authority in writing that he desires this Part to apply to him and furnishes that authority with particulars in writing of his teaching service; and
  - (c) within the period specified in paragraph (b), or within such longer period as the transport authority may in any particular case allow, pays to that authority an amount equal to any repaid contributions paid to him after he last ceased to be employed in teaching service, together with compound interest thereon of an amount determined in accordance with paragraph (2).

(2) For the purposes of paragraph (1)(c)—

- (a) compound interest shall not be payable unless the period between a person's ceasing to be employed in teaching service and becoming a member of a superannuation fund exceeds one year;
- (b) if the aforesaid period exceeds one year, compound interest shall be calculated on the amount of the repaid contributions at three per cent per annum with yearly rests from the date one year after that on which the person ceased to be employed in teaching service or from the day on which the amount was paid to him, whichever shall be the later, to the date on which he became a member of a superannuation fund; and
- (c) if the amount of compound interest calculated as aforesaid exceeds a sum equal to one-half of the difference between the amount of the transfer value payable under rule 6 and the amount of the transfer value which would have been so payable if calculated by reference to the person's age on ceasing to be employed in teaching service, it shall be reduced to that sum.

(3) In this rule "repaid contributions" means any sum paid by way of repayment of contributions paid under the Teachers Schemes, the Teachers Regulations of 1957 or the Teachers Regulations of 1969 and includes both any interest added thereto and any sum deducted therefrom in respect of liability to income tax arising by reason of the payment.

*Excepted Cases*

5. This Part shall not apply to a person who—

- (a) has become entitled to any benefit (other than repayment of contributions) under the Teachers Schemes or the Teachers Regulations of 1957 or the Teachers Regulations of 1969;
- (b) became a member of a superannuation fund specified in Part I of the Schedule;
- (c) became a member of a superannuation fund specified in Part II of the Schedule before the date specified in column (2) thereof against the name of that fund; or
- (d) became employed in transport employment before the operative date, unless the Secretary of State and the transport authority agree that this Part shall apply to him.

*Transfer Value*

6.—(1) In respect of a person to whom this Part applies the Secretary of State shall, out of moneys provided by Parliament, pay to the transport authority a transfer value of an amount calculated in accordance with the following provisions of this rule.

(2) Subject as provided hereafter in this rule, the transfer value shall be an amount equal to the transfer value which would have been payable under the Transfer Value Regulations if the person, at the date when he ceased to be employed in teaching service, had ceased to be a contributory employee under one local authority and had become such an employee under another local authority and had been entitled to reckon as contributing service his reckonable service and his service reckonable for the purposes of Part VII of the Teachers Regulations of 1969 at the length at which it is so reckonable.

(3) For the purposes of paragraph (2), teaching service which is reckoned as contributing service shall be deemed to have been affected or modified in accordance with regulations applicable to contributing service made under section 110 of the National Insurance Act 1965(a), or under any provision corresponding thereto contained in an enactment repealed by that Act, in like manner and to the like extent, as nearly as may be, as it was affected or modified by other such regulations.

(4) In calculating the amount of a transfer value there shall be excluded any period of war service within the meaning of the Education (Scotland) (War Service Superannuation) Act 1939(b) and of national service within the meaning of the Teachers' Pensions (National Service) (Scotland) Rules 1952(c) in respect of which, at the time the amount thereof is determined, the contributions remain unpaid.

(5) The amount of the transfer value shall be calculated by reference to the person's age—

(a) on the operative date if he ceased to be employed in teaching service more than twelve months before that date and sub-paragraph (b) does not apply; or

(b) on the date on which he became a member of a superannuation fund if that date is after the operative date and more than twelve months after the date on which he ceased to be employed in teaching service.

(6) The transfer value shall be reduced by—

(a) any sum payable by the Secretary of State by way of income tax in respect thereof; and

(b) an amount equal to any compound interest payable in accordance with rule 4(2).

#### *Benefits under Teachers Regulations of 1969*

7. Subject to the provisions of Part III and of other rules made under section 2 of the Act of 1948 no payment of any benefit shall be made under the Teachers Regulations of 1969 to any person or his personal representatives in respect of any service which is taken into account in calculating the amount of a transfer value under rule 6.

### PART III

#### TRANSFER FROM TRANSPORT EMPLOYMENT TO TEACHING SERVICE

##### *Application*

8. Except as provided in rule 9 this Part shall apply to a person who—

(a) becomes, or before the operative date became, employed in teaching service within the prescribed period after ceasing to be employed in transport employment;

(b) within three months of becoming employed in teaching service or six months after the operative date, whichever period shall last expire, or

---

(a) 1965 c. 51.

(b) 1939 c. 96.

(c) S.I. 1952/518 (1952 I. 928).

within such longer period as the Secretary of State may with the agreement of the transport authority in any particular case allow, notifies the Secretary of State in writing that he desires this Part to apply to him and furnishes the Secretary of State with particulars in writing of his transport employment; and

- (c) is a person in respect of whom the Secretary of State receives from the transport authority a sum by way of transfer value.

#### *Excepted Cases*

9. This Part shall not apply to a person who—

- (a) has become entitled to a pension (other than repayment of contributions) in respect of his transport employment;
- (b) last ceased to be employed in transport employment before the date specified in column (3) of the Schedule against the name of the superannuation fund of which he was a member in respect of that employment; or
- (c) became employed in teaching service before the operative date unless the Secretary of State agrees that this Part shall apply to him.

#### *Reckoning of Transport Employment*

10.—(1) In relation to a person to whom this Part applies there shall be reckoned as reckonable service such period as is equal to the period of contributing service which would, on the basis of his age and rate of remuneration on the date of becoming employed in teaching service, have resulted in the payment under the Transfer Value Regulations of a transfer value equal to the sum paid in respect of him by the transport authority to the Secretary of State if on that date he had ceased to be a contributory employee under one local authority and had become such an employee under another local authority.

(2) In the case of a person who became employed in teaching service before the operative date, a reference to his age on that date shall be substituted for the reference in paragraph (1) to his age on becoming employed in teaching service.

(3) Any period reckonable by a person to whom this Part applies for any purpose under the rules regulating the superannuation fund of which he was a member in respect of his former employment shall, so far as not included in the period reckoned as reckonable service under paragraph (1), be reckoned as class C external service for the purposes of the Teachers Regulations of 1969.

#### *Average Salary*

11. For the purpose of calculating under section 4(3) of the Act of 1968 the average salary of a person to whom this Part applies whose teaching service after ceasing to be employed in transport employment amounts to less than three years—

- (a) so much of his transport employment immediately prior to ceasing to be employed therein as, together with any teaching service after so ceasing, amounts to three years shall be reckoned as teaching service; and
- (b) his salary during any period so reckoned shall be such salary as was taken into account for the purposes of the superannuation fund of which he was a member.

### *Commencement of Employment*

12. For the purposes of regulation 40(1)(a)(ii) of the Teachers Regulations of 1969 the date on which a person to whom this Part applies became employed in transport employment or, if earlier, the date of commencement of the period reckoned as reckonable service under rule 10(1) shall be deemed to be a date on which he became employed in teaching service.

### *Repayment of Contributions*

13.—(1) Where a person to whom this Part applies ceases to be employed in teaching service or dies, then, in computing any sum payable to him or his personal representatives under the Teachers Regulations of 1969 by way of repayment of the balance of his contributions, there shall be included a sum equal to that which would have been payable by way of repayment of contributions under the rules regulating the superannuation fund of which he was a member in respect of his transport employment if, on ceasing to hold that employment, he had been entitled to such a repayment.

(2) In computing the amount of the sum so included for the purposes of this rule compound interest shall be calculated—

- (a) as respects the period ending immediately before the date on which the person became employed in teaching service, in the manner in which such interest, if any, would have been calculated if the occasion for making the calculation had occurred immediately before that date; and
- (b) as respects the period beginning with that date, in accordance with the provisions of Part IV of the Teachers Regulations of 1969.

### *Payment into Consolidated Fund*

14. All sums received by the Secretary of State in respect of a person to whom this Part applies shall be paid into the Consolidated Fund.

## EXPLANATORY NOTE

*(This Note is not part of the Rules.)*

These Rules provide for preservation of the superannuation rights of persons who transfer from service pensionable under the Teachers Superannuation (Scotland) Regulations 1969 as amended to pensionable employment in certain public transport services or vice versa. Where such a transfer takes place and an appropriate transfer value is paid, the person is credited with previous service for pension purposes under the superannuation scheme to which he becomes subject.

Under the powers conferred by section 2(5) of the Superannuation (Miscellaneous Provisions) Act 1948 provision is made for transfers which took place before the coming into operation of the Rules subject to the agreement of the employee and the former employer, and to certain restrictions indicated by the Rules.
