(2) The members of the combined police authority, other than those first so appointed, shall be appointed on or before 31st May in the year in which the appointments are to take effect.

(3) Appointments to the combined police authority, other than the first appointments, shall, subject to the provisions of this Scheme, be for a term of four years and take effect on 1st June 1977 and in every fourth year thereafter, being the year in which county councillors are elected.

9. The following provisions of the Local Government Act 1972, namely section 82 and paragraphs 39 to 44 of Schedule 12, shall apply to the combined police authority as if references in the said provisions to a local authority were references to the combined police authority and references to that Act were references to this Scheme.

SCHEDULE 2

1.—(1) In respect of each financial year each constituent council shall pay to the combined police fund, in accordance with sub-paragraphs (2) and (3) of this paragraph, a contribution equal to its appropriate proportion of the net expenses of the combined police authority in respect of that year.

(2) In the first week of each month in each financial year each constituent council shall make a monthly interim payment into the combined police fund on account of its contribution payable under sub-paragraph (1) of this paragraph in respect of that year of an amount equal to a twelfth of the amount of that contribution as estimated by the combined police authority:

Provided that—

(a) the combined police authority may from time to time revise the said estimate, and the monthly interim payments payable during that year after the constituent councils have been notified of the revision shall be so increased or reduced as to adjust the difference, and

(b) in the event of the combined police authority making arrangements with a constituent council under paragraph 6 of this Scheme for the making of payments on behalf of the combined police authority by that council, the interim payments to be made by that council under this sub-paragraph shall be such as may be agreed between the combined police authority and that council taking into account payments made by that council on behalf of the combined police authority, so however that such interim payments shall be sufficient at all times to enable all financial obligations of the combined police authority to be met.

(3) Any difference between the total of the monthly interim payments made in respect of any financial year and the contribution payable in respect of that year shall be adjusted at the interim payment date next after the date on which the contribution payable in respect of that year has been ascertained by a payment by or, as the case may be, to the constituent council which has made the payments.

(4) In each financial year the combined police authority shall submit to each constituent council not later than 31st December a revised estimate for that year, and an estimate for the following year, of its expenditure and of its income, other than contributions payable under this paragraph, in the financial year in question.

2.—(1) The accounts of the combined police authority shall be open at all reasonable times to inspection and transcription without payment by any member of a constituent council or by any officer of such a council authorised by that council for the purpose.

(2) The accounts of the combined police authority shall be subject to audit by a district auditor and, in relation to those accounts, the provisions as to accounts and audit contained in sections 155 to 161, 163, 165 and 167 of the Local Government Act 1972, and the provisions of the regulations as to accounts from time to time in force under section 166 of that Act, shall apply as they apply in relation to accounts which are subject to audit under Part VIII of the said Act where that audit is carried out by a district auditor.

(3) A copy of the abstract of the accounts of the combined police authority and of any report to the combined police authority made by the district auditor shall be sent by that authority to each of the constituent councils as soon as may be practicable after the completion of the audit.

3.—(1) In this Schedule the expression “financial year” means the period of 12 months ending on 31st March and, for the purpose thereof, the net expenses of the combined police authority and force in respect of any financial year shall be the amount of such expenses in respect of that year less all income (including government grant)

which is credited to the combined police fund in respect of that year, other than contributions payable under paragraph 1 of this Schedule.

(2) In this Schedule the expression "the appropriate proportion" means, in respect of each financial year and in the case of each constituent council, the proportion which the adjusted rate product, mentioned in the next following sub-paragraph, for the constituent area in question bears to the aggregate of the adjusted rate products, so mentioned, for all the constituent areas.

(3) The adjusted rate product for a constituent area, referred to in the preceding sub-paragraph, is the product of a rate of a penny in the pound for that area for the financial year in question, multiplied by the appropriate factor, as defined by regulations for the time being in force under section 5(3) of the Local Government Act 1966(a), for that year, in both cases as last notified to the constituent council in question by the Secretary of State for the Environment in the next following financial year.
