gimmer, being a breeding ewe or gimmer to which this scheme applies, in respect of which a subsidy payment at a reduced rate has been or falls to be made under the Hill and Upland Sheep Scheme as being comprised or treated as comprised in a flock of sheep to which that scheme applies on the relevant day in the year 1973 (which payment is hereinafter referred to as "the subsidy payment").

(2) In this paragraph, the expression "subsidy payment at a reduced rate" means a subsidy payment reduced in accordance with the provisions of paragraph 4(2) of the Hill and Upland Sheep Scheme.

*Breeding ewes or gimmers to which this scheme applies*

4. This scheme applies to any breeding ewe or gimmer—

- (a) (i) which is maintained on land occupied by a person as a crofter or as an eligible occupier, and
- (ii) in respect of which a subsidy payment has been or falls to be made to that crofter or eligible occupier as the person maintaining the breeding ewe or gimmer, or
- (b) (i) which is maintained on a common grazings or common pasture to which the Crofters (Scotland) Acts 1955 and 1961 apply, and
- (ii) in respect of which a subsidy payment has been or falls to be made to a crofter or eligible occupier as the person maintaining the breeding ewe or gimmer or to such a person as is mentioned in paragraph 6(2) or (3) of the Hill and Upland Sheep Scheme.

*Application for grant*

6. Any person who desires to obtain a grant under this scheme shall make an application for a grant in such form and at such time as the Secretary of State may direct and shall furnish such information as the Secretary of State may require and such application may, if the Secretary of State thinks fit, be combined with an application for a subsidy payment under the Hill and Upland Sheep Scheme.

*Amount of grant*

7.—(1) The amount of any grant which may be made under this scheme in respect of the year 1973 shall—

- (a) in respect of any breeding ewe or gimmer in respect of which a subsidy payment has been made under the Hill and Upland Sheep Scheme as being comprised in a hill sheep flock on the relevant day in that year—
  - (i) if maintained in land forming part of a qualified croft or holding, be 25p:

- (ii) if maintained on land forming part of any other croft or holding, be 12½p;
- (b) in respect of any breeding ewe or gimmer in respect of which a subsidy payment has been made under the Hill and Upland Sheep Scheme as being comprised in a flying flock or upland flock on the relevant day in that year and which is maintained on land forming part of a qualified croft or holding, be 25p.
- (2) In this paragraph—
- (a) “qualified croft or holding” in relation to the year 1973 means a croft or holding in respect of which no grant under the Crofting Counties Agricultural Grants (Scotland) Scheme 1972(a), for the cropping of marginal land in that year has been paid, and, in the opinion of the Secretary of State, no such grant is payable;
- (b) the expressions “flying flock”, “hill sheep flock” and “upland flock” have the meanings assigned to them respectively under the Hill and Upland Sheep Scheme and each such expression includes respectively a reference to a flock or sheep in a flock treated for the purpose of that scheme as a flying flock or, as the case may be, a hill sheep flock or an upland flock;
- (c) any reference to land forming part of a croft or holding shall be taken to include a reference to any pasture or grazing land in which the occupier of the croft or holding has any right, whether alone or in common with others, being a right which is deemed to form part of, or is held along with, the croft or holding.

*Recovery of grant*

8. Where in the opinion of the Secretary of State any amount of grant made to any person in respect of a breeding ewe or gimmer would not have been made because the provisions of this Scheme were not applicable to that person either before or after such grant was made, the Secretary of State may recover the grant so made and without prejudice to any other mode of recovery available to him, may recover that grant by withholding all or any of the grants which would otherwise be payable to the applicant.

*Prohibition against assignation of grant*

9. Paragraph 15 of the Hill and Upland Sheep Scheme shall apply to any grant falling to be made under this scheme as it applies to a subsidy payment falling to be paid under that scheme.

EXPLANATORY NOTE

*(This Note is not part of the Scheme.)*

This Scheme enables the Secretary of State to make grants to crofters and certain other occupiers of land in the seven crofting counties of Scotland for the year 1973 in supplement of the subsidy payments made in respect of that year under the Hill and Upland Sheep (Scotland) Scheme 1972. The Scheme provides for differing rates of supplement according to the type of flock in which the sheep are comprised and according to whether or not grant under the Crofting Counties Agricultural Grants (Scotland) Scheme 1972 for the cropping of marginal land in 1973 has been paid or in the opinion of the Secretary of State is payable in respect of the croft, holding or grazings on which the sheep are maintained.
