#### EXPLANATORY NOTE

*(This Note is not part of the Order.)*

This Order amends the Firemen's Pension Scheme 1973 and, in so far as they continue to have effect, the Schemes of 1971, 1966, 1964, 1956, 1952 and 1948.

In certain cases and circumstances, a child's allowance payable under one of these Schemes falls to be reduced where certain national insurance benefits are also payable or a family allowance is payable in respect of the child. Parts VI and VIII of this Order provide that no such reduction shall be made (no children's allowances remain payable under the Schemes of 1952 and 1948). Parts VI and VIII have effect as from 1st April 1974; retrospection is authorised by sections 12 and 16 of the Superannuation Act 1972.

Under these Schemes the amounts of certain awards are determined by reference to flat-rates which do not qualify for increases under the Pensions (Increase) Act 1971 (c. 56). Parts II to V, VII and IX of this Order increase these flat-rates and have effect as from 1st December 1974 (the date from which increases authorised by the Pensions Increase (Annual Review) Order 1974—S.I. 1974/1373—are payable).
