## EXPLANATORY NOTE

*(This Note is not part of the Order.)*

Estate duty is chargeable only in relation to deaths before 13th March 1975, having been replaced for deaths on or after that date by capital transfer tax. Interest on unpaid capital transfer tax chargeable on death is payable at 6 per cent. and the earliest date from which it will run is 1st October 1975. Article 2 of this Order provides that from that date interest on unpaid estate duty will also run at 6 per cent. (instead of 3 per cent. as at present) under various provisions imposing a fixed rate of interest. By Article 3 the limit on the discretionary rate of interest that may be charged where payment of estate duty is postponed on grounds of hardship is correspondingly altered by substituting 6 per cent. for 4 per cent. The effect of this Order in conjunction with section 48(1) of the Finance Act 1975 is that from 1st October 1975 interest will also run at 6 per cent. on overpaid estate duty which is repayable.
