## EXPLANATORY NOTE

*(This Note is not part of the Regulations.)*

These Regulations are made in consequence of the Social Security Benefits Up-rating Order 1976. Accordingly they are, by virtue of paragraph 17 of Schedule 15 to the Social Security Act 1975, exempt from reference to the National Insurance Advisory Committee and they have not been so referred.

Regulation 2 increases the modified rates of unemployment benefit, sickness benefit and maternity allowance payable under the Social Security (Short-Term Benefits) (Transitional) Regulations 1974 in order to bring them into line with the increased rates for those benefits payable by virtue of the Up-rating Order; regulation 3 specifies the circumstances in which the amount of benefit, awarded before the date from which increased rates become payable, is not automatically altered; and regulation 4 applies the provisions of regulation 5 of the Social Security Benefit (Persons Abroad) Regulations 1975 (position of persons who are absent from and not ordinarily resident in Great Britain when the weekly rate of certain benefits is increased) to the increases of benefit provided by virtue of the Up-rating Order.
